Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Red Savarin, Robin Hood, Rayman, Luna Nocturne, Adrienne Nightingale, Lunaria Luna, Serenity Serenade, Dusk Eclipse, Rebecca Yuminorika, Lunaria Luna, Natalie Nightmare Moon, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making The Giant Lima Bean Monster even more pissed off and more angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of

gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit The Giant Lima Bean Monster, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of The Giant Lima Bean Monster, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BURN IN HELL FOREVER, YOU ABOMINATION!

Lincoln, Nico, and I did one final powerful energy slash that hit The Giant Lima Bean Monster hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and The Giant Lima Bean Monster was on his last legs and he was really really mangled.

Then, Lincoln hit The Giant Lima Bean Monster hard in the stomach and knocked it down and out, and he tied it up and sent it to The Masters of Evil.

We cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, one-hundred massive and long black and midnight blue yellow wolf tails, longer horns, and longer Princess Luna and Nightmare Moon tails, large gold halos with four large orbiting gold rings on each corner behind the heads and large gold Yata no Kagami mirrors with gold crescent moon ring-shaped frame and embedded gems behind the large gold halos and four large gold Yata no Kagami mirrors with gold crescent moon ring-shaped frames and embedded gems behind the four large orbiting gold rings, one-hundred large black and midnight blue planets orbiting around the legs, one-hundred smaller black and midnight blue planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized black and midnight blue planets orbiting around the wrists and ankles, and massive black and midnight blue angel wings and midnight blue demon wings and ninety-nine sets of large black and midnight blue angel wings and midnight blue demon wings underneath the massive black and midnight blue angel wings and midnight blue demon wings of Luna Nocturne, Adrienne Nightingale, Lunaria Luna, Serenity Serenade, Dusk Eclipse, Rebecca Yuminorika, Lunaria Luna, and Natalie Nightmare Moon are permanent.

Nico: And that is that for this nightmare.

Me: That's for sure.

Lincoln: He'll be in for a brutal treatment with Vypra handling him.

Nico: Is it time for this dream to end?

POOF!

Me: Yes it is.

We went and checked on Carl and he woke up and was better than ever.

Me: How do you feel Carl?

Carl Wheezer: Better than ever. But very hungry.

Me: He's back to normal. Lets head to the park and battle the Anothers there.

We did so

We arrived.

Me: Whew! That was fun.

Xenia: It sure was!

We got to eating some burgers and hot dogs.

Me: Oh boy!

We were eating.

Nico: Nice job Munchlax!

Munchlax: (Eating burger) MMM! Thanks Nico.

Me: That was fun.

Poromon: Want some beer?

Munchlax: Can't talk, eating.

Homer: (LAUGHS) We think alike when we eat,

WE LAUGHED!

Me: (LAUGHS) Yeah.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Me: Besides he can't answer you while eating. And he is not going to drink beer anyway.

He shook his head for no.

Poromon: We're going somewhere later

Nico: Actually we know what it is.

Me: We're going to Carrie White's prom.

Carrie White was shaking in Fear.

Me: Carrie I know it's scary because of what you went through but you picked me to be your date for this. We'll be with you. And besides that bitch Chris Hargensen isn't going to hurt you anymore.

Lincoln: That's right. We'll make sure this goes off smoothly.

Nico: Oh, Burn Rooster, what do you like to do in your free time?

Burn Rooster: Uh let me get back to you on that.

He was being hugged by Ed. All the Chickens on the team were being hugged by him.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Nico: Ed, please let Burn Rooster go.

Edd: ED?!

Ed: Aw I love chickens Double D.

Edd: Yes we know Ed.

Ed let them go.

Burn Rooster: Anyway I work on a chicken farm and gather eggs. No it's not like Tweedy's farm.

Me: Good.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Lucca and one of the Anothers is The Keyblade Knight of Anur Phaetos.

Lucca: Another Me? Oh boy.

Me: And The Keyblade Knight of Anur Phaetos, awesome.

Nico: Yep: So we got Another Flamebo, King Chicken (Duckman), Were-Chicken (Atomic Puppet), Humongous Chicken, Dee (Chuck Chicken), Cluck (Skylanders), Chicken From Outer Space, Dex (Chuck Chicken), Don (Chuck Chicken), and Goosey Loosey (Chicken Little: Ace in Action)

Qin: Wow! So Burn Rooster, Chicken Little, Fowler, Ginger, Rocky, Mac, Foghorn Leghorn, Bunty, Babs and Super Chicken are up.

Lola: Cool!

Eli: (GASPS) Oh crud, I also sensed Footsoldier Anothers, and the bad news: they're none other than Adam and Lilith from Evangelion.

Nicole: How on Earth?!

Lincoln: Doesn't matter, I'm still going to absorb them and send them to The Black Abyss, perhaps I can find out who sent them.

Then, the Footsoldier Another arrived, and they changed back, they were none other than Adam and Lilith from Evangelion.

They tried to attack us, but Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of Adam and Lilith, and he began absorbing them and he assimilated Adam's Seed of Life physiology, Massive size, Climate manipulation, Planetary axis control, Life manipulation, Soul manipulation, Soul removal, Force-field generation, Biological manipulation, Biological fusion, Genesis ooze generation, Extinction inducement, Parthenogenesis, Body manipulation, Body adaptation, Malleable anatomy, Sizeshifting, Self-sustenance, Light manipulation, Bioluminescence, Levitation, Wing manifestation, Supernatural strength, Supernatural speed, Supernatural durability, Supernatural agility, Supernatural jumping, Supernatural stamina, Supernatural endurance, Supernatural dexterity, Supernatural reflexes, Supernatural senses, Cold immunity, Heat immunity, Radiation immunity, and Space survivability, and Lilith's Spatial-temporal lock, Quantum manipulation, Soul manipulation, LCL generation, Body alteration, Size alteration, Biological fusion, Intangibility, Regeneration, Mind reading, Insanity inducement, Avatar creation, Memory alteration, Illusion creation, Omnipresence, Space survivability, Self-sustenance, Heat immunity, Cold immunity, and Radiation immunity, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of Adam and Lilith and Lincoln drained Adam and Lilith's souls of energy and sent them to

The Black Abyss as he let out a loud and massive roar of dominance and power and he pounded his chest like a gorilla.

Lincoln: Now, that was really good.

Nicole: But, this also means the other Angels from Evangelion will want revenge.

Lincoln: Let them try, the second they do, I will absorb them too. While I was absorbing Adam and Lilith, I'd gotten memories of who'd sent them, but they were vague, it was someone calling himself The Master, and no, this is not Buffy's old enemy from Sunnydale. Looks like we got a new villain on the loose trying to take the place of Dark Sebastian, and he's just as dangerous and deranged as him.

Me: Great, we got another fucked-up lunatic running loose.

Nico: Yeah.

Qin: Oh boy

Nico: There they are!

We saw Another King Chicken (Duckman), Were-Chicken (Atomic Puppet), Humongous Chicken, Dee (Chuck Chicken), Cluck (Skylanders), Chicken From Outer Space, Dex (Chuck Chicken), Don (Chuck Chicken), and Goosey Loosey (Chicken Little: Ace in Action)!

Me: WHOA!

Ed: CHICKENS!

Eddy: Ed SHUT UP!

Me: This is gonna be fun.

They reverted back and were the Timelord Sisters! We were introduced to Michelle, Leia, Melody, Hailey, Kelly, Zallia, Gabby, Rachel, Sadie, Vallia, Sandra and Safira Timelord!

Me: WHOA! Awesome to meet you girls.

Sadie Timelord: Same here.

Nico: Good to see you girls again.

Rachel Timelord: Same here.

Me: By the way girls are the Another Lucca and Flamebo friendly or hostile?

Vallia Timelord: Friendly and cool.

Me: WHOA!

Gabby Timelord: Lucca is gonna have a special reunion coming.

Me: I see.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now we wait.

Me: I have a feeling this will be fun.

Qin: Same here.

Me: We don't have to wait long!

We saw Another Flamebo and Lucca!

Me: Whoa!

Qin: There they are.

Another Flamebo: (In a girls voice) This is gonna be fun.

She reverted back and was the Keyblade Knight of Anur Phaetos!

Lincoln: Anna Phaetos! I knew it!

Anna Phaetoes: Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Anna Phaetos, Keyblade Knight of Anur Phaetos, she's Lincoln's Guardian Angel from Anur Phaetos and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of the planet Anur Phaetos, and she's a powerful master of darkness and ghosts and she has all the powers of the Ectonurites, as well as invisibility and intangibility and darkness blasts and more. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him how to use the powers of ghosts along with mastering the powers of darkness and ghosts and she has all the powers of the Ectonurites, as well as invisibility and intangibility and darkness blasts and more, and over time, Lincoln gained all the powers of darkness and ghosts and she has all the powers of the Ectonurites, as well as invisibility and intangibility and darkness blasts and more, and she also helped him bulk up in muscle, and she hates all of Lincoln's enemies with a vengeance.

Me: WHOA!

Poromon: That is cool! Anur Phaetos Keyblade Knight!

Qin: Yep.

Nico: You should meet Zs'Skayr

Anna Phaetos: Ah the rogue Ectonurian Criminal. I heard how he is Edd's archenemy and that is cool.

Me: Yep.

Anna Phaetos: Also I have Flamebo's powers of blue fire too.

Flamebo: Cool!

Me: Nice!

Nico: And your friend?

Another Lucca: Someone who is proud of my sweet Lucca.

Lucca gasped when she heard that voice!

She reverted back and was a woman with blue hair and had pink motherly clothes.

Lucca: (GASP) M... Mom?

Nicole: Lara Ashtear!

Lucca: MOM!

She ran and hugged her for the first time since her accident! She cried hard.

Ace: That's your mom?

Lucca: (Crying)

Marle: Her mother was killed in an accident when she was young.

Me: Oh man!

Nicole: I remember that. That was sad.

Me: She has a lot of catching to do with her after this.

Kaito: (Gets out Go Busters gear) Did Swartz promise you anything?

Zocks: (Gets out Gokaiger gear) Because we can grant it instead.

They got weapons from said teams.

Anna Phaetos: No he didn't because I used ghosts and scared him.

Me: Ooh nice!

Anna Phaetos: Yeah and we ran.

Xenia: Cool.

Sougo (gets out Beast Morphers Ridewatch): This is one of the few times an Another is an existing character.

Geiz: (gets Super Megaforce Ridewatch) But you should be proud of your daughter.

Sougo got RedBeastMorpherArmor while Geiz got SuperMegaforceRedArmor

Lara Ashtear: Oh I am.

Me: Cool. Lets separate you guys.

We did so.

Me: Lets do it!

Nico: (Gets out Flamebo's ridewatch) FEEL THE HEAT MOTHERFUCKERS!

May: (Gets out Were Chicken's ridewatch) I will maul you to death!

Universe 666 May: (Gets out Humongous Chicken's Ridewatch) Taste these eggs!

Maria: (Gets out Dex's ridewatch) This chicken is gonna hurt!

Chicken Little: (Gets out King Chicken's ridewatch) I am going to bring the pain!

They used the powers of Flamebo, King Chicken (Duckman), Were-Chicken (Atomic Puppet), Humongous Chicken, Dee (Chuck Chicken), Cluck (Skylanders), Chicken From Outer Space, Dex (Chuck Chicken), Don (Chuck Chicken), and Goosey Loosey (Chicken Little: Ace in Action) and blasted them all over!

Me: OH YEAH! EGG-SCITING!

Nico: You said it!

But then we smelled a REALLY HORRIBLE SMELL!

SEAL BARK!

Me: (SNIFFS) OH GOOD GOD! WHAT THE FUCK IS THAT HORRIBLE SMELL!? ED!?

Ed: Not I J.D.! It's from him!

We saw a really huge dumb looking brain and he SMELLED HORRIBLE!

Lincoln: OH MAN! That's Patrick's Akuma, Stinky Braindead! The Hypothetical Akuma of Patrick Star and he is a stinky brain and he is dumber than a braindead monkey! He is even dumber than Billy and Cheese. He is a brain that really farts all over and has a really nasty stench that smells a million times worse than Filthy Muck. He was made because of Squidward banning him from the Krusty Krab and he vowed to make sure he suffers from extreme stench vomit attacks till he dies

Me: OH GOOD GOD!

Nico: GROSS!

Squidward: I don't even have the authority to ban someone from the Krusty Krab! That's Mr. Krabs' job!

Mr. Krabs: Yeah that's usually my job!

Lily: Yeah!

Stinky Braindead: (Stupid droning)

Me: He is dumber than a sack of rocks!

Then Tomoyasu Chikazoku, Universe 666 Uka Uka, Neo Cortex, False Shadow Blot, Ursula (Epic Mickey), GRemlin Presscott and Universe 666 Mad Doctor came.

Me: WHOA! Nice team Tomoyasu.

Nico: HEY!

Me: Sorry.

Tomoyasu: Thanks J.D. I see you met Stinky Braindead. He just joined the team.

Nico: He can't even attack

Tomoyasu: Nah he is so stupid he can't even lick a doorknob.

Me: I see.

Then swirls of darkness and Shogi pieces appeared and out came Numbers 72 and 71!

Me: (GASP) Number 72: Shogi Rook and Number 71: Rebarian Shark!

Qin: WHOA!

Number 72: (In a girls voice) This will be good.

Number 71: (In a girls voice) It sure will.

Nico: Miyuki Nara and Rhonda Barianna!? Wow!

They reverted back.

Miyuki was a girl with black hair and purple eyes and had a purple kimono with purple angel wings and had Number 72: Shogi Rook on her forehead and her Kimono and had a Shogi Piece with wings as a cutie mark and had a shadow sword!

Rhonda had magenta hair and had red eyes and had pink clothes and dark pink angel wings and had Number 71: Rebarian Shark on her forehead and shirt and skirt and had the Barian symbol on her arm as a cutie mark and had a red energy sword.

Rhonda Barianna: Good to see you Nico.

Miyuki Nara: Same here. We got this. 72 SHOGI BLASTS!

Rhonda Barianna: 71 BARIAN BURSTS!

They fired waves of energy and blasted the Anothers and I caught the Ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Miyuki Nara: Thanks! J.D. is my brother Shikamaru still being lazy?

Me: You have no idea. Just wants to sit back and watch the clouds. Wait I had no idea you were Shikamaru's sister.

Miyuki Nara: Never told anyone because it's a drag.

Me: You are definitely his sister alright.

Nico: Yep.

Chicken Little: Got any good memories of Nico?

Miyuki Nara: We sure do. Mine is where me and Nico went and won the international Shogi Championship.

Nico: That was fun.

Me: Cool!

Rhonda Barianna: Mine is where me and Nico killed thousands of criminals running a drug smuggling operation.

Me: Nice!

Qin: Cool.

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Miyuki Nara: Same here.

We went back home.

Andre Lupescu fired a massive wave of snow, ice, and darkness at Giselle Razor and her thugs.

But, before Giselle Razor could attack, she was hit by blasts of blue energy and ice, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long orange hair and ice blue flower in her hair, purple eyes, massive blue angel wings, she has a Vegvisir and Sleipnir of the Nordic Beasts on her forehead, right arm, ice blue sleeveless crop top, and ice blue skirt, white gloves, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, snow, ice, phoenixes, and angels on the coattails, and on the back is Sleipnir of the Nordic Beasts, she has an ice greatsword in her right hand, and with her are the five girls.

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Giselle Razor's thugs, and he proceeded to brutally smash them hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THE THUGS! HE WAS REALLY GOING APESHIT ON THE ASSHOLES!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen when we kill you.

Then, Andre Lupeau went after Giselle Razor's thugs and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit them, and Andre Lupescu slashed at them with his massive greatsword and shot at them with his silver-plated guns.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of Giselle Razor's thugs, and he began absorbing them and he assimilated the massive superhuman upper body and lower body strength, massive muscle mass, durability, endurance, stamina, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of Giselle Razor's thugs except for their clothes and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

This really pissed off Giselle Razor badly.

If you ever, and I mean, ever comes after us again, we're going to kill you.

Giselle Razor let out a scream of pure rage and she was forced to run and she fled back to the dark shadows where she belongs. We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate and Maya became a new member of Lincoln's harem.

Maria: That was a lot of fun going underwater exploring. Too bad that Giselle Razor tried to ruin it, how did that bitch find us here anyways?

Lincoln: She didn't find us, we just ran into her while she was gathering her thugs to attack us.

Nico: We made sure to drive her away after you absorbed her thugs.

Me: But, this won't be the last time.

Lincoln: No, when we run into her on Nico's rescue, that'll be the final time we ever have to deal with her. (To Alfhild Endreson) And it's so good to see you again, Alfhild.

Alfhild Endreson: (Norwegian Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Alfhild Endreson had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Aldith Brusveen was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Alfhild Endreson: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Alfhild Endreson's waist and hugged her, and Alfhild Endreson is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini,

the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Alfhild Endreson: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really

grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Alfhild Endreson, Avatar and Gene-Slammer of Sleipnir of the Nordic Beasts, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Sleipnir. Alfhild Endreson is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Alfhild Endreson moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Sleipnir, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Sleipnir, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: Frieza, she hated him for everything he did, and she also couldn't forgive him because Dark Sebastian orchestrated the death of Alfhild's parents by sending Frieza whom he had put under his control and sent him to murder her parents and kill her too. But, when he heard of Alfhild's survival, he disemboweled Frieza and killed him in cold blood again and sent him to Hell, and Alfhild swore to kill both Frieza and Dark Sebastian and avenge her parents.

Me: Lincoln told us everything yesterday, and we'll make sure Frieza pays for what he did, and we just got rid of Dark

Sebastian.

Nico: He was one dangerous monster from the blackest depths of Hell itself, and we also got rid of his master, Malphas, as well.

Alfhild Endreson: (Norwegian Accent) I'd heard about that. I can't believe that monster brought his master to our world.

Lincoln: We made sure he, The Order of The Dark Universe, The Dark Church of Malphas, and the Demon Prince himself paid dearly for their crimes, and now that you're here, Alfhild.

Lincoln with his massive muscular arms still wrapped around Alfhild Endreson's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Alfhild Endreson: (Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Alfhild Endreson with black gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Alfhild Endreson: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Alfhild Endreson.

Alfhild Endreson had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Alfhild Endreson's waist, and he leaned down to her face and kissed her on the lips, and with Alfhild Endreson's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Alfhild Endreson had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Alfhild Endreson: (Norwegian Accent) (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The five girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the five girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the five girls are Akiko Oohashi, Aya Nishio, Azusa Maeda, Jieshika Takigawa, and Kaori Miyase from Oshaburi Anaunsaa.

Lincoln: Oh whoa, it's Akiko Oohashi, Aya Nishio, Azusa Maeda, Jieshika Takigawa, and Kaori Miyase from Oshaburi Anaunsaa.

Nicole: So, those were the girls Alfhild rescued, and Travis and Red were right to tell Dad and the others to hide, they're beautiful.

Lincoln: And to a psycho like Giselle Razor, more victims to slake her bloodlust. Are you girls okay?

Akiko Oohashi: Yes, we're okay thanks to you.

Then, when Akiko Oohashi and the four other girls saw who it was that saved them from Giselle Razor's thugs, their faces turned atomic red upon seeing the 12'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Almighty Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful True Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of Seventeenth Century Duke Lachlan McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Dark Chase Young, and Killjoy Huggins, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal and God, Destroyer and Slayer of

Akiko Oohashi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akiko Oohashi: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akiko Oohashi, Aya Nishio, Azusa Maeda, Jieshika Takigawa, and Kaori Miyase with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one amazing underwater rescue.

May: And we drove Giselle Razor off after Lincoln took care of her thugs along with meeting with another potential future wife.

Lincoln: I wasn't expecting to run into Giselle Razor herself, but we made our warning clear to her.

Nico: Yep, when we see her face again on my rescue, this time, she's going to die for good.

Me: And we'll be rid of The Terror of Michigan once and for all.

Lori: That's for sure, we've literally had it with Giselle Razor. I'll be glad to be rid of her forever.

Then, he did the same with Maya as he hugged her waist in his abnormally massive and powerful muscular arms, and he leaned down and kissed her on the lips, which she returned with equally intense passion, as she wrapped her arms around his neck, and he slowly bit her and he fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Maya with pink gems embedded in the gold lightning bolt links and pink crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi along with a white and gold accented Elemental Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

After Lincoln and all of us met Maya and absorbed Giselle Razor's thugs and drove Giselle Razor away, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Alfhild Endreson saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Alfhild Endreson: (Norwegian Accent) My God, I was right that Lincoln's really grown into an 18-year-old 12'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Alfhild, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Alfhild Endreson: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really

huge, really strong, and really powerful wolf man we know today.

Alfhild Endreson: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw what it was that triggered the alarm: it was the other angels from Evangelion, Arael, Armisael, Bardiel, Gaghiel, Ireul, Israfel, Leliel, Matarael, Ramiel, Sachiel, Sahaquiel, Sandalphon, Shamshel, and Zeruel.

Lincoln: They're here. Alright, time to take care of this.

Lincoln flew out and he morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into Arael, Armisael, Bardiel, Gaghiel, Ireul, Israfel, Leliel, Matarael, Ramiel, Sachiel, Sahaquiel, Sandalphon, Shamshel, and Zeruel, and he began absorbing them and he assimilated their Apocalypse Inducement, AT Field, Self-Sustenance, Regeneration, Space Survivability, Energy Projection, Levitation, and Supernatural Powers, along with Arael's Force-field generation, Space survivability, Mentakinesis, Mnemokinesis, Photokinesis, Voxikinesis, Mental breakdown, Memory reading, Memory recall, Memory alteration, Voice alteration, Light generation, and Illusion generation, Armisael's Elasticity, Levitation, Force-field penetration, Biokinesis, Bio-fusion, Biological absorption, Absorptive merging, DNA replication, Organic constructs, Mutation inducement, Voice mimicry, Mentakinesis, Telepathy, Pathokinesis, Supernatural strength, Supernatural durability, Supernatural speed, Supernatural agility, Supernatural endurance, Supernatural reflexes, Limitless stamina, and Self-sustenance, Bardiel's Parasite physiology, Biophysical possession, Colossal size, Immense strength, Immense durability, Immense speed, Immense agility, Immense jumping, Immense reflexes, limitless stamina, Immense endurance, AT-field manifestation, Body manipulation, Appendage generation, and Berserk mode, Gaghiel's Apocalypse Inducement, AT Field, Self-Sustenance, Regeneration, Space Survivability, Energy Projection, Levitation, and Supernatural Powers, Ireul's Collective entity physiology, AT-field

Lincoln: (GROWLS) Oh man, this feels incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the Angels and Lincoln drained their souls of energy and sent them to The Black Abyss as he let out a loud and massive roar of dominance and power and he pounded his chest like a gorilla. Then, he came back inside and continued working out.

Me: You just absorbed all of the Angels from Evangelion, and your power really skyrocketed as you assimilated all their powers and abilities. That was crazy!

Nico: And he did absorb Adam and Lilith who were also the first and most powerful, and I hate to see what you can do using all their powers.

Lincoln: I'm hoping to wipe Frieza's men out using their powers when Nikiya's day comes, and I also found out that among Frieza's men, there's also foot soldiers of the destroyed Order of The Dark Universe and The Dark Church of Malphas.

WE GASPED!

Nikiya: Frieza, you have sunk that low as to get the assistance of those two recently destroyed Satanic orders?

Lincoln: No, they were given to that tyrant, and it's linked to this mysterious Master. This person has decided to come into the field ever since the deaths of Dark Sebastian, Malphas, The Order of The Dark Universe, and The Dark

Church of Malphas. Whoever this guy is, he's on the same threat level as those Satanic snakes.

Me: I agree.

We got a shower, and then, Hikaru Akatsuki and Noriko Ashida are heading to Bubblaine.

Hikaru Akatsuki: Wow, we're here in Bubblaine.

Hikaru Akatsuki and Noriko Ashida: It's the perfect place for us to have some rest and relaxation before Misty's big mission today.

Hikaru Akatsuki and Noriko Ashida dived into the waters and they were swimming in its clear and clean waters, and they were relaxing on the sand. But, then, they saw a group of demons heading right for us.

Hikaru Akatsuki and Noriko Ashida: What the?! Demons?!

But, then, before they got close...!

The army of demons were suddenly slain as they were cut to shreds and they fell to the ground dead!

Noriko Ashida: Whoa!

Hikaru Akatsuki: Whoever did that must've been someone other than Lincoln, J.D., or Nico.

They were proven right about that, far away from their location, a figure dressed in black clothes and a long black cape with a high collar and mounted on a giant black horse and he rode off into the distance.

A few minutes later, Hikaru Akatsuki and Noriko Ashida came back home.

Nico: Hikaru, Noriko, what happened?

They explained everything.

Me: What the, so someone sent demons to kill you guys?!

Lincoln: We got to find out who did this, and when we do, that person is dead.

Andre Lupescu was deep in thought after what Hikaru and Noriko told us.

Andre Lupescu: (Thinking) From what Hikaru and Noriko just told us, whoever it was that sent the demons after us is no doubt this "Master". But, this also means someone saved them from those demons. And if it's who I think it is, we've got some catching up to do..., Abaddon Aeternus.

Unknown to him, we heard his thoughts: something big is about to happen, and it concerns an old friend of his and we might find out who this "Master" is.

* * *

Later everything at the prom was ready.

Twilight Sparkle: All set!

Misty Brightdawn: Everything is ready.

Twilight Sparkle: You sure have learned a lot about prepping for events like this Misty.

Misty Brightdawn: I learned a lot from you and Sunset, Twilight.

Twilight Sparkle: I'm honored.

Later the prom is underway.

I was dancing with Carrie who was shaking with fear.

Me: It'll be okay Carrie. We have the best security outside keeping eyes out for anything.

Gary the snail was bouncer and Hitch Trailblazer and his critters and Sparky were watching the whole place like a hawk for anything out of the ordinary. The Cutie Mark Crusaders and Natsumi and her team were helping too.

Ymir: Why is Carrie scared of events like this?

Me: Because of what happened in her old home town.

I showed a newspaper clipping of it on my device.

Ymir: (Reading) "Out of Control Bullying in Prank Gone Wrong results in Girl Killing 275 people in Infernal Rampage!?" Oh man! (Continues Reading) "Carrie White victim of prank done by Christine Hargensen resulted in 75% of Chamberlain, Maine to be reduced to flaming ruins in a horrible rampage. 275 People lost their lives and Christine Hargensen, Billy Nolan and Margaret White arrested. Chris and Billy found guilty of capital murder. Chris sentenced to life in prison without parole, Billy sentenced to death, Margaret deemed incompetant to stand trial due to mental illness and committed to insane asylum for life." Oh man! That is horrible!

Ymir hugged Carrie as Carrie cried hard.

Ymir: Carrie I'm so sorry.

Lucca: (sees the drunk mascots) Oh boy.

Poromon: I have an announcement to make. …all of you can suck on my feathers!

EVERYONE LAUGHED! Thought it was a funny act.

Me: (LAUGHS) Funny!

Poliwag: (Drunk) We are drunk and stupid!

Tidal Wave: Tidal Wave knew this was going to happen

Nico: Yeah.

I snapped my fingers and the mascots were back to normal.

Poromon: Sorry. We had beer with the punch.

Me: Oh.

I went and grabbed some punch for me, Carrie, Misty, Ymir and my wives.

Me: A toast to Carrie White and to Misty Brightdawn, Lucca and their big day.

All of us: HERE HERE!

We clinked our glasses.

Me: (Slurps) Mmm. Strawberry watermelon.

Announcer: And now it's time for announcing the prom king and queen! And the winners are J.D. Knudson and Carrie White!

We cheered!

We were crowned that.

I hugged Carrie.

Me: I think I know the perfect way to add insult.

I opened a two way viewing window.

In Tartarus Canyon Prison, Margaret White was sitting in her cell and she saw me and Carrie the happiest ever. And we flipped the bird at her and SHE SCREAMED IN EXPLOSIVE AND INSANE RAGE!

G1 Firestar: Congrats, Carrie!

Carrie White: Thank you.

Eli: I don't sense any pranks. So you are clear.

Me: Thank goodness.

Carrie White: I'm glad.

Kate Lloyd: We are too.

Me: Thank goodness this whole thing went off right and with no bullies around.

Nico: Amen. Hitch, Gary, Apple Bloom, Girls you all did a great job.

Morticia Addams: And we have a special treat for you J.D.

Gomez: The Mamushka, ha-ha! Taught to us by our Cossack cousins, the Mamushka has been an Addams Family tradition since God knows when. We danced the Mamushka while Nero fiddled...we danced the Mamushka at Waterloo...we danced the Mamushka for Jack the Ripper, We danced the Mamushka for Fester Addams and now J.D. Knudson, this Mamushka is for you.

The music played and me and Gomez did it all Russian Dance Style. We danced with slaps and kicks and Sword play and more.

IT WAS FUN!

Me and Gomez: HEY HEY HEY HEY HEY HEY HEY HEY! LETS DANCE THE DANCE OF BROTHERLY LOVE! MAMUSHKA!

WE CHEERED!

Qin: WOOHOO!

Kate Lloyd: Oh guys I found this.

She pulled out an Omnitrix device and it was a Nemetrix!

Me: (GASP) A Nemetrix? Where did you find this Kate?

Kate Lloyd: Under the table by the Punch Bowl.

Me: Weird.

Sakura Knudson: Wonder who lost it?

Nico: You got me.

Qin: Hey look!

We saw a Gourgeist eating some hour'dearves.

Me: Hey a Gourgeist.

Brittney: That's my kind of Pokemon.

Nico: What's that doing here?

Me: Helping itself to some snacks.

My Omnitrix: Alien Contamination detected in Gourgeist.

WE GASPED!

Kate Lloyd: Wait let me see.

She used Telepathy and gasped!

Kate Lloyd: Oh fucking god! That's Catherine Norris! She's the granddaughter of Norris from Outpost 31 and she has a terrible problem!

Me: Oh no! Don't fucking tell me! She's infected with The Thing!

Kate Lloyd: Yes she is.

Me: WHAT THE FUCKING HELL!? This is bad! We got to help her!

Me and Kate went over.

Me: You guys stay back. We'll handle this. Nico don't let anyone near her.

Nico: Right!

Me and Kate went over.

Kate Lloyd: Catherine it's okay. It's me Kate!

She charged up a Shadow Ball.

Horsea clone: What do we do now?!

Horsea: (smirks evilly) I'm surprised you haven't figured it out. You being the original and all.

As she fired the Shadow Ball, Horsea threw her clone at it

It hit the clone and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOMMMMM!

The clone was burned and knocked out.

Me: I get it! The clones will act as shields for her!

Maria: Very clever!

Me: Okay then.

I fired waves of energy and Kate blasted her and we knocked her down.

I snapped my fingers and she reverted back and was a girl with black hair, red eyes, red and black wings and had black and red wings and had Gourgeist on her forehead and on her arm was a cutie mark shaped like a blood drop with the Thing Virus and it had the Dog Thing, Blair Monster and Norris Thing on it.

We wrapped her in a blanket and brought her to a chair.

Me: That is one scary and fucked up crazy cutie mark.

Nico: No shit!

Ymir: What is the Thing?

Me: Well it's a nightmare that haunts Kate and MacReady here bad. It's a Shapeshifting Alien monster that has over 10,000,000 alien creatures woven into it and it killed everyone in Thule Station and Outpost 31 down in Antarctica and left MacReady, Kate and Childs as the only living survivors.

Ymir: HOLY SHIT! That is horrifying!

Me: Yeah. But I found out something earlier this morning.

I went over what I discovered.

THEY GASPED!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Varie: The Thing is a Bioweapon!?

Eli: OH CRUD!

Me: Yeah. Its intended purpose was to have the creators that made it take over. But it went horribly wrong.

Aylene Carter: And it turned into the Shapeshifting Monstrosity known as The Thing and it killed everyone Kate and MacReady know!

Me: Bingo.

She woke up to see Horsea's smug face.

Catherine Norris: Huh?

Horsea: HA! I AM ON TOP NOW! NO MORE ATTACKING ME!

Catherine Norris: (SCREAMS) NO STAY AWAY FROM ME!

Maria picked up Horsea.

Kate Lloyd: Catherine it's okay. it's us.

Catherine Norris: Kate? Oh man. It is you.

Me: Catherine it's okay.

Catherine Norris: No you don't understand! You have to kill me now!

WE WERE SHOCKED!

Me: What!? Why!?

Catherine Norris: Because I can't control it! I heard all about The Thing from stories through Kate and how it viciously killed everyone she knew! I was cursed with this disease because of it! I can't control it!

Horsea: HAVE FUN TRYING TO ATTACK ME NOW!

Maria: Horsea stop it!

Me: Catherine lets think about this. This is crazy.

Catherine Norris: I can't control it!

Me: Let me go into her mind.

Nico: Okay.

Me: Lola, Fire Users be ready in case this goes wrong.

I put my hand on Catherine's head.

I concentrated and went into her mind.

I saw her mindscape and it was the destroyed flaming ruins of Outpost 31.

Me WHOA!

I saw her battling the Thing as an Amalgamation of all the monsters from The Thing Movies!

Me: WHAT THE FUCKING HELL!

I fired blasts of fire and blasted it.

Me: Hold on Catherine, you are going to reign in the power of the Thing.

I fired waves of energy and got her to reign in the power of the Thing and use its power for good and more.

Me: WHOA! How do you feel Catherine?

Catherine Norris: I feel amazing!

She saw the mindscape of Antarctica turn into forests and more!

Catherine Norris: Thank you.

I left.

Me: There.

Catherine Norris: I... I... I feel amazing!

Me: Good.

Horsea: Sorry. I'm just happy about not being attacked

Catherine Norris: I'm glad. Also I'm glad I don't have to live in fear anymore.

Kate and Catherine hugged.

Kate Lloyd: I'm just glad everything is back to normal with you.

Catherine Norris: Me too.

Me: Also you were turned into a Gourgeist by Dark Gale.

Catherine Norris: Who is Dark Gale?

Me: Oh you aren't with Sonya's team. Also they were an evil organization we destroyed.

Nico: Long story.

Catherine Norris: I see. Also I spend most of my time trying to find ways to get cured of my disease. But not anymore.

Me: I see that. I think this is yours though.

I gave her Nemetrix back.

Catherine Norris: My Nemetrix! Thanks.

She had it put on her right arm. It glowed and she had the powers of the predators back!

Catherine Norris: Awesome!

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new black clothes and a red scythe.

Catherine Norris: I look amazing!

Me: You sure do.

Dust Man: How did you get a Nemetrix?

Catherine Norris: Oh this? I found it on the ground from a huge battle and somehow I made it like Ben's Omnitrix.

Me: Very interesting and cool.

Ben: I think so too.

We later went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our huge battle against Skullivar and Lavos begins,so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Skullivar and Lavos, they're on the move and causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you and Lavos are on the move, Skullivar.

Eli: It's time.

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it was Skullivar and Lavos, they're on the move and causing havoc.

EVERYONE GASPED!

Misty Brightdawn: It's finally time.

Seashell, Peach Fizz and Glory: Now, we're going to make Skullivar pay.

Xion: Along with Lavos, who's a big time danger. But, we're ready for that parasite along with Skullivar.

Me: Lavos no doubt wants revenge on me for wiping him out years ago.

Nico: We'll need to contain him while we're dealing with Skullivar.

Suddenly, the cutie marks of Misty Brightdawn, Seashell, Peach Fizz and Glory started to glow with rainbow light.

Lincoln: Looks like Princess Luna won't be the only one to unlock Rainbow Power.

Twilight Sparkle: This'll be against Skullivar before they transform, this should be an amazing sight to see.

Nico: Without a doubt. Alright, everyone, let's get ready to head for The Bermuda Triangle.

Lincoln: Skullivar, your time is finally us, we'll make you walk the plank all the way to The Black Abyss, and as for you, Lavos, when we are done with Skullivar, you're next, you parasite.

The previous group came.

Tar Pit: Can me, P'andor, Man Ray, Kitty, Avalanche, Moonstone, Kyd Wykkyd, Puff, Beautiful Gorgeous and Shiva go with you guys?

Nico: Yes you all can come with.

Tar Pit: Cool!

Misty Brightdawn: We're ready for this too.

Nico: Yep.

Concrete Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Number 70: Malevolent Sin and Number 69: Heraldry Crest next.

Me: Cool!

Qin: Yeah!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and went to the TLPS Phoenix Maelstrom and all of us headed to The Bermuda Triangle to help Zak Storm and his friends kill Skullivar and Lavos and send them to The Black Abyss.

We were off.

We were sailing on the oceans of the Bermuda Triangle.

Me: Steady as she goes Jared.

Jared: Aye aye sir!

P'andor: (Russian Accent) Let's call the Rowdyruff Boys.

Me: Good idea.

We did so.

Brick: We're ready to kick some butt!

Laney: Zak Storm's ship off the Starboard Bow!

We spotted Zak Storm and crew, and they're fighting an army of demons.

Nico: There's Zak Storm and his crew, and we got demons running loose!

Lincoln: Those demons are the remnants of Dark Sebastian's forces who've now become servants of this mysterious villain, The Master. I got them.

Lincoln summoned and fired a massive shower of blades made of heavenly light, and they hit the demons and they were killed and sent back to Hell.

Nico: Nice one.

Misty Brightdawn: (To Zak Storm and crew) AHOY THERE!

We sailed up to them and pulled up to them. We had the ship put their ship in a holder clamp

Zak Storm: Misty, Seashell, Peach Fizz, Glory, Xion, guys, thank goodness you came. We got trouble!

Crogar: We saw Skullivar there, and that ugly looking monster with him as well, that was...?!

Xion: Yep, that was Lavos.

Lucca: I don't know what Anti-Monitor was thinking bringing him back from the dead, but that's going to end.

Zak Storm: That's for sure, and thanks for the assistance.

Me: No problem.

Nico: Now, let's get going: we got two evil villains to destroy: an uglyass bootleg version of Skeletor.

Lincoln: And an Extraterrestrial parasite from ages past. Skullivar, your days of terrorizing the seas end here, you're walking the plank all the way to The Black Abyss. And as for you, Lavos, your days of destroying planets end here and now. Time to die.

We took off, and we got there in time to see Skullivar and his minions fighting an army of demons along with a male with black hair, red eyes with demon slit pupils, and he had on a black long-sleeved shirt, black pants, black knee-high boots, and long black duster coat with a Sigil of Lucifer and Sigil of Satan on the back and on his forehead, and he also had demon wings on his back.

Selena Mendez: (Gasps) That dark energy, this is someone I hoped never to see again, it's Alastor Mordragon, he's the leader and founder of The Dark Order of Lucifer, a Satanic cult who'd sought to resurrect Lucifer and destroy the world!

WE GASPED!

Lincoln: I thought we banished him to Hell after I killed his minions and banished them to Hell nine years ago. If he's escaped, then that means he's intending to take Dark Sebastian's place and finish what was begun all those years ago! He's not The Master, but for him to show up, that's the last straw.

Suddenly, the spirits of the pirates of history appeared and they attacked Skullivar, Lavos, and Alastor Mordragon and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech, Wolf Howl, and Phoenix Cry was heard and we appeared.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his Third Eye turned golden yellow as heavenly lights shined down and a divine force surrounded him as the Angels and Archangels of Heaven descended and unholstered their broadswords.

God: (Through Lincoln's body)(Divine Heavenly Godly Voice) Leave now, Alastor Mordragon, if you do not, I will destroy you here and now.

Alastor Mordragon: (Demonic Voice) SHUT UP! DIE!

Alastor Mordragon charged at Lincoln, but then...!

SLASH!

LINCOLN CUT DOWN ALASTOR MORDRAGON WITH HIS MASSIVE GREATSWORD!

Alastor Mordragon: (Demonic Voice) N-no, damn it! LORD ONDRUSKO, FORGIVE ME!

Alastor Mordragon exploded and he was turned to ashes and he was sent to The Black Abyss along with his minions who were in Hell.

Me: Lord Ondrushko? Who is...?!

Selena Mendez: We'll get the answer on that later.

Andre Lupescu: Right now, we got to take them down once and for all.

Nico: After we have a chat.

Zak Storm: Glad you guys came!

Splash Woman: I'm right at home here

Cece: You sure are.

Qin: Yep.

Zak Storm: Yeah.

Crogar: Crogar happy you all are here.

Caramba: We sure are.

Me: We have much to talk about before we go after Skullivar and Lavos.

Xenia: Yeah.

We got to talking.

Kitty: Skulliver is worse than Blackbeard

Me: Worse than Hook

Qin: Yeah.

Camie: But we're ready for him.

Cece: Yeah we are.

Me: Oh we owe you guys for helping us last week

Elec Man: You helped fend off Gue-Basser

Zak Storm: We sure did.

Me: That was fun.

Qin: Yep.

Cece: Awesome! But who is Lavos again?

Lucca: A Monster we faced.

I went over his history

Lavos (in Japanese: ラヴォス Ravosu) is the overarching antagonist of the Chrono franchise, serving as the main antagonist of Chrono Trigger and the overarching antagonist of its sequels, Radical Dreamers and Chrono Cross.

An alien parasite which crash-landed on Earth in 65,000,000 B.C., Lavos has three different forms. The first form is the outer shell, which resembles the Peluda, a mythical beast in French mythology. The second form consists of a large humanoid form with two arms. The third and final form is Lavos Core, consisting of three parts: a humanoid center, and two floating 'bits'. Apparently, the absolute core of Lavos is one of these bits, since it can revive its other parts and destroying it defeats Lavos.

After its defeat, the original timeline Lavos is cast into the Darkness Beyond Time, where it merges with Schala to become the Dream Devourer. This merged entity would later mature to become the Time Devourer, the true overarching threat of Chrono Cross as it sought to consume all of spacetime and thus end the multiverse. Balthasar manipulated events in such a way to allow for Searge and his friends to obtain the titular Chrono Cross and finally kill Lavos.

Lavos felt on Earth in the year 65,000,000 B.C., quickly digging its way through Earth's subsoil. There it resided in order to store power, until in 1999 A.D., it raised to the surface and released all of his power, destroying the planet completely. Lavos came to Earth with the intention of draining its energy so that it could produce genetically enhanced spawn, which would then continue the cycle on other planets. In the North American version of the game, it is claimed once in the series that Lavos directly influenced all technology and life on the planet, evolving the planet's life forms to cultivate it, and make itself stronger. However, the line is absent in the Japanese version, although this is later referenced in Chrono Cross, suggesting that this is the case. In the original timeline, Lavos slept for millions of years, gaining power until 1999 AD, when it emerged and put the world into an apocalyptic state. However, because of the interference of many of the characters, he was summoned at two other points in time—12000 BC and 600 AD. While traveling in 2300 AD, Crono, Marle and Lucca see a video of the Day of Lavos which occurred in 1999 AD, and decide to prevent it somehow. Magus is also after Lavos for destroying his home era of 12000 BC. Eventually, three individuals from across different time periods time traveled to the day of Lavos and defeated the creature, stopping him from initiating the apocalypse.

After Lavos was killed by Crono's party, only one piece of Lavos known as the Frozen Flame remained on Earth. The alien parasite was sent to the Darkness Beyond Time, seemingly stranded and unable to ever return to life. However, in the void it found Schala, who has also been sent there through a dimension vortex created by the Mammon Machine. Lavos' remaining essence would then forcefully combine with Schala, creating a new being known as the Dream Devourer. Crono's party and Schala's brother Magus eventually traveled to the Darkness Beyond Time in an attempt to destroy it, but even after a lengthy battle the group was eventually defeated. However, their efforts allowed Schala to temporarily break free from Lavos' control and send the party away to safety. Magus then attempts to free her once again but finds that it is impossible. Schala tells him that he cannot save her, before finally sending him away as well. After this, the Dream Devourer would continue gaining power and eventually mature into the Time Devourer, the final form of Lavos and the complete combination of the alien parasite and Schala.

Now more powerful than ever before, the Time Devourer now had the desire to consume all of space and time itself. The powerful Guru of Reason Belthasar became aware of the threat to the world, and sought to find a way to defeat the the Time Devourer. He discovered that an artifact known as the Chrono Cross could final sever Schala from the essence of Lavos and put an end to the creature forever. To achieve this, he manipulates the events of the entire game in order to make them play out in a specific way, having the main protagonist Serge travel between different dimension and timelines. Through unknown means, the Time Devourer consumed the powerful True Dragon God and assimilated it into itself alongside Schala. The Time Devourer used the six different Dragon Gods that were actually the True Dragon God split into several pieces, and controlled them to try and retrieve the Frozen Flame as that would allow it to once again control human evolution and influence the actions of humanity. Serge eventually arrived to confront the Time Devourer, but rather than try to destroy the beast he used the Chrono Cross artifact in order to sever Schala from the essence of Lavos, finally destroying the monster for good.

If Chrono's party loses to Lavos at any of its three forms outside the Ocean Palace encounter, they receive the bad ending. This shows Lavos destroying the world in 1999 A.D. at 1:24 by rising from the Earth's crust and laying waste the planet. The player is then told that the future refused to change and that they were ultimately unsuccessful. This would have led to the events of the original unaltered timeline in which the majority of all life on Earth was destroyed and the few humans that did survive where forced to live in the damaged domed metropolises. Following this, Lavos would have buried himself into the Earth with his shell becoming a mountain known as Death's Peak, and creating spawn of itself that would one day repeat the same life cycle.

When it was done everyone that hadn't heard about it was shocked!

Ymir: WHOA MAN!

Nicole: Yeah. This is what went down.

She showed a viewing window and it showed what Lavos did that lead to a HORRIFYING WORLD IN THE FUTURE! IT WAS SHOCKING AND HORRIBLE!

Kyd Wykkyd: Nasty, isn't it?

Misty Brightdawn and Carmen cried hard and Alphabittle and Maria comforted them.

Zak Storm: That is horrible!

Me: Yeah.

Shanan: And I found out what kind of creature Lavos was. It took me a while to figure it out. He's called a Larlavornian Doombug! He was made as part of an experiment by the Larlavornians of the planet Larlavos in the galaxy IC 1101. He is a parasitic monster that crashes into planets like a meteor and destroys them by destroying all life on them and turning them into apocalyptic wastelands. But the experiment went horribly wrong and he turned on his creators and destroyed their entire home planet! And for billions of years Lavos and his spawn went from planet to planet reproducing like mad and set about to destroy all life in the entire universe! He chose the Earth as his next target.

WE GASPED!

Qin: Oh man!

Xenia: Scary!

Zak Storm: No kidding!

Rage Mage: Another one of Anti Monitor's powerful goons that we're going to destroy

Me: Yep.

Crono: He caused lots of problems for me and my friends over the entire timeline. Now it's time to end it.

Beautiful Gorgeous: About time we fought one of your enemies

Lucca: I know.

Lola: But it will be fun.

Ymir: Yeah!

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume with 3 bottles of beer.

Poromon: (to Zak Storm and his friends) Hello there! I'm the beer fairy! Come to give you guys 3 bottles of beer!

Mr. Boss: You get some under your pillows if you're good!

Zak Storm: That is cute.

Cece: Oh Poromon looks so cute in a Fairy Costume.

Me: He sure does.

Zak Storm: I'm too young for beer though.

Me: Good thing I got this.

I pulled out my cooler and gave them root beer.

Zak Storm: Thanks.

Poliwag: (Does Puppy Eyes) Aww pwetty pwease.

Nico: Poliwag that's enough.

Clovis: I can't drink anything though. Food and drinks go right through me because I'm a ghost.

Me: I see.

Crogar: Crogar curious. What it like living in huge tree?

Me: Amazing. And the view of the planet is amazing too.

Xenia: And Gotham Royal York is awesome too. And Abomination free.

Caramba: Oh man!

Qin: The Mascots destroyed the real things a while back.

Gira: It's true. They did.

Puff: And no. We're not giving them the Black Gates.

Me: Because they are innocent people. They made the movie and they are innocents.

Blu: So instead they went with my idea. A Lawsuit.

Me: Yep.

Qin: Yeah.

Ymir: How come Crogar wasn't scared?

Me: He's a viking. Vikings for over 1,000 years have been known for not showing any fear.

Crogar: It true.

Nico: That's good to know

Laney then came in to the quarters of the ship!

Laney: Captain Nico! Akuma Sighting off the Port Bow!

WE GASPED!

He showed us a sketch of her and it was a Skeleton Angel with an intense Fire Aura!

Me: WHOA!

Me: Frightening!

Bart: I remember that. That was all a prank they did.

Nico: Geez!

Me: That is not nice!

Moonstone: Lucca, is that you?

Angel Skullflame: It's still me and I heard you guys found mom.

Me: Yes we did. She was Another You on Nico's rescue. It was a heartwarming reunion.

Angel Skullflame: I'm glad she is back.

Me: Same here.

Brick: You need to calm down!

Butch and Boomer: YEAH!

Angel Skullflame: Not until Yakra XIII is dead!

Me: Believe me I hate that monster as much as you do. Oh. I see him!

I fired a blast of energy and destroyed Yakra XIII from her world instantly!

Me: There we go!

Brick: Now, will you calm down?

Angel Skullflame: Yes thank you. But take me down.

Me: Gladly!

I fired waves of water and drenched her and steam came off her.

Shanan: THE LIFE SWORD OF EONS OF LIFE!

Vulkanus: Amazing!

Shanan: Yep. LIFE STYLE NINJA ART: LIFE FURY BLAST!

They fired waves of energy and darkness and blasted them down!

Ninja Storm Rangers, Megaforce Rangers, Dragon Knight Riders, Nico, May, Eli, Nunnally, C.C., Aerith, Laney, Lana, Lola, Lisa and Lily VS Choobo

---

Choobo was next.

Choobo: By this is gonna be fun!

Nico: It sure is!

May: Yeah!

Choobo: Yep. Lets do it!

Nico teleported and opened his safe and got weapons called the Destroyers of Skullivar and Lavos, they're a massive collection of greatswords, blasters, spellbooks, and magic rings enchanted by holy magic that'll really put some serious damage on those two monsters.

Nico teleported back with them.

Ninja Storm Rangers: NINJA/THUNDER/SAMURAI STORM! RANGER FORM! HA!

Megaforce Rangers: LEGENDARY RANGER MODE! NINJA STORM!

Dragon Knight Riders: KAMEN RIDER!

They transformed and were ready!

Nico: YEAH! Lets get him!

Rangers: THUNDERSTORM CANNON!

They formed the cannon.

Nico: FIRE!

They fired waves of energy and elements and lightning and blasted him and Choobo exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

He was dead!

Nico: Choobo you have failed this world!

Troy Burrows: Rangers that's a Super Mega Win

We regrouped and everyone cheered wildly!

Zak Storm: That was so awesome!

Me: Yeah it was!

Panda King: Now to go after Skulliver and Lavos!

Man Ray: Where are they right now?

Eli: (Concentrates) They are on an island 20 miles north.

Nico: All right then. Set course for that island!

Jared: Aye aye sir!

Nico: (EYES GLOW RED) Skullivar and Lavos you will both pay for your crimes!

We set sail and we were off!

We sailed and found the island!

Laney: LAND HO! LAND HO! SKULLIVAR ISLAND SIGHTED OFF THE STARBOARD BOW!

We saw the island!

Me: There it is!

Zak Storm: Skullivar Keep!

Me: This is gonna be rough!

We went to the island.

We landed and went to the jungle and got to the castle. It was huge. But guarding it was Golden Bones!

Zak Storm: Golden Bones!

Golden Bones: Zak Storm and crew. Nice of ye to show and the famous Team Loud Phoenix Storm.

Me: Nice pearly whites.

Golden Bones: They be nice lad. If you want Skulliver, you'll have to go through me!

Me: Well buckle up bonehead because you are going for a ride!

?: You won't be a problem!

Lola: I know that voice!

Out came Rei and his team!

Rei: I'll handle him!

Lola: Me. Flare Firestar and Kimi Lao will help too!

Me: Okay! Lets go!

We went into the castle.

Dark Riku, Mama Cosma and Pintar came.

Brick: (to Mama Cosma, Dark Riku, and Pintar) Thanks for coming, guys.

Mama Cosma: Oh no problem Brick deary.

We hid and we saw SKULLIVAR!

Me: (Whispers) So he is Skullivar. He is ugly.

They went over.

Skullivar: Ahoy there laddies.

Pintar: So you are Skullivar.

Skullivar: That be me. You're just in time for me to destroy Zak Storm once and for all!

Mama Cosma: Now that would not be wise for our friends.

Then the spirits of the great pirates came and swirled around him and then converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!

A massive fiery explosion blasted out above him and a phoenix cry was heard and we landed!

Me: Captain Skullivar, I presume?

Skullivar: Indeed. The famous Team Loud Phoenix Storm. Nice of ye to pay me a visit.

Me: Too bad it's gonna be on terms where we destroy you!

A crew man came and I fired an energy blast and blasted him!

Me: You crewmen stay out of this! It's your captain we want!

Zak Storm: Time for you to walk the plank!

Nico: Big time!

Lavos made a REALLY NASTY HORRIFYING SCREECH!

Luccas: Lavos is starting to stir!

Me: We better hurry. But Skullivar you have no idea who you are working with! Lavos is a monster that will destroy EVERYTHING!

Skullivar: We shall see! Swabbies!

An army of Swabbies appeared.

Me: Swabbies! Now we're talking!

I fired waves of energy and blasted them and blew them apart!

Then the Swabbies jumped Zak Storm and team and held them down!

Zak Storm and his friends lay defeated at the hands of the Swabbies.

Skullivar: (laughs evilly) I wish I could say that you were a worthy adversary, Zak Storm. But honestly? I really did hate your guts!

LAVOS SCREECHED!

Polwag: (slaps Swabby with tail) Oh no. What do we do?!

Misty Brightdawn, Xion, and the Pipsqueaks got an idea.

Misty Brightdawn: Everyone in the audience! Lend Zak and his friends your strength!

Xion: They get stronger with your support!

Seashell: When I give the signal, share your energy with Zak and his friends! Okay? Ready... go!

Everyone in the audience began sharing their energy with Zak and his friends. And soon, Zak found the strength to get up.

Zak Storm: I don't go down that easily!

Zak Storm punched a Swabby, knocking it to the ground

Skullivar: WHAT!?

Zak Storm: Thanks for the help, everyone.

Cece Lejune: I didn't think we were that popular.

Crogar: Crogar not complaining.

Caramba: Neither am I.

Clovis: Thanks for helping us with this, Misty.

Misty Brightdawn: No problem. Now, let's finish this!

Me: Lets do this!

Misty Brightdawn: I always knew you'd make your move, Skullivar.

Seashell: But, this time, we're more than ready for you.

Peach Fizz: You're going to be walking the plank all the way to Davy Jones' Locker.

Glory: You deserve it for everything you've done.

Xion: Same with you, Lavos.

Lucca: I thought I'd never have to deal with you again, but it looks like I was wrong. This is where we end you two here and now.

Misty Brightdawn: I might seem a little quiet as the Legacy of Sunset Shimmer, but my strength is very real. When my cutie mark comes to life, my heart helps me feel!

Her Cutie Mark Shined powerfully and light shined intensely.

Seashell: I am the Legacy of Apple Bloom and a member of Pipp's Fanclub and I love my friends and the next trend. My Cutie Mark comes to life, I bring beauty with love to power my friends to the end!

Seashells and water swirled around her.

Glory: I am the Legacy of Scootaloo and a member of Pipp's Fanclub and I show the next trend with love. My Cutie Mark Comes to life, I will fly through the skies with the fireworks and storms with a dove!

Lightning, fireworks and doves swirled around her.

Peach Fizz: I am the Legacy of Sweetie Belle and a member of Pipp's Fanclub and I bring the love of fruit and fun. My Cutie Mark come to life, I spread the next trend with love as bright as the sun!

Fruit and peaches and soda swirled around her!

They held up their greatswords into the air, and A MASSIVE AND INTENSE POWERFUL SURGE OF INTENSE AND POWERFUL ENERGY AND MAGIC WAS FELT!

Nico: WHOA!

Me: INCREDIBLE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

MISTY BRIGHTDAWN, SEASHELL, PEACH FIZZ, AND GLORY UNLOCKED THEIR RAINBOW POWER!

Me: WHOA!

Lincoln: (Thinking) Misty, Seashell, Peach Fizz, and Glory unlocked their rainbow power! So awesome!

This angered Skullivar and Lavos, but then, we heard a demonic roar: we knew that this angered the mysterious Master who was called Lord Ondrushko, but we fear there was something else about this guy.

Me: You heard him, it's payback time!

Nico: The howling of the wolf means that justice is coming for you!

Misty, Seashell, Peach Fizz, Glory, Xion, if you would.

Misty Brightdawn: I thought you'd never ask.

Me: Get ready you two!

Misty Brightdawn: Let me, Xion, and the Pipsqueaks transform with you guys.

Leo: Sure thing, Misty.

Lost Galaxy Rangers: Go! Galactic!

Mike: Magna Power!

They transformed!

Eiji pulls out a belt with a black and blue device with silver accents and three slots on the front and places it on his waist before removing three medal resembling items, one red with a hawk on it, one yellow with a tiger on it, and the last green with a grasshopper on it. Eiji then places the red and green medals into the end slots of his belt before placing the yellow one into the center slot, causing the item to become offset on a diagonal, before pulling a separate black and gold device from the side of his belt

Eiji: Henshin!

With his battle cry known, Eiji runs the black and gold device over the three medals in his belt, causing three red lights to appear on it as images of medals start swirling around him

OOO Driver: Taka! Tora! Batta! Ta-To-Ba! Tatoba! Ta-To-Ba!

While this pronouncement is made, the swirling medals settle on the three Eiji placed into the OOO Driver, merge into one with their emblems combined and place themselves on Eiji's's chest, from which black armor spreads before adding details from the three medals: a red feather patterned head with green eyes, a yellow torso with claws folded back on the arms, and green patterned legs.

Michel Minato: (Slinging a silver and blue belt resembling a turbine onto his waist) Henshin!

With his battle cry, the turbine starts spinning, pulling water from the atmosphere and forming a nice aquamarine and silver armor with black accents, a silver mask-like piece and yellow eyes.

Shintaro: (slinging on his belt) Henshin!

Shintaro places the silver coin into a slot on the side opposing the golden knob, which he then twists twice, causing the white and green orb to split open. As it does, nine smaller similar orbs exit in a burst of energy before opening themselves into armor forming on Shintaro, creating a black suit with silver and green accents including the very orbs that formed it, while unseen parts of the armor itself form over Shintaro's head, creating a helmet similar to the orbs with a silver and gold mouthpiece and a black half circle visor, which briefly glows red as the transformation finishes, with Shintaro brandishing his familiar weapon.

Eiji: CORE MEDALS OF THE ANIMAL WORLD! KAMEN RIDER OOO!

Michel Minato: AQUATIC FURY TO THE CORE! KAMEN RIDER AQUA!

Shintaro: COURAGE TO THE CORE! KAMEN RIDER BRAVE!

OOO Riders: THE CORES OF POWER! KAMEN RIDER OOO!

Ed Cowart: Ok, you uglyass bootleg Skeletor, you get yours!

Ed Cowart proceeds to insult Captain Skullivar.

Ed Cowart: Hey, douchebag! Skeletor called, he wants his skull back! You are an uglyass shitty bootleg brook without music or a sense of humor! You look like a shitty bootleg grim without the accent! You are a mistake of nature! You are a walking pile of vomit! Prepare your uglyass for defeat and one last thing?

Ed Cowart then punched Captain Skullivar in the face repeatedly then he grabbed Captain Skullivar headed to the ocean!

Ed Cowart: Splish splash, take a bath!

Ed Cowart threw Captain Skullivar and sent him skipping all across the Seven Seas and back where a massive explosive sea mine was waiting, and when Captain Skullivar got to the sea mine, it exploded launching Captain Skullivar straight onto a cliff knocking off a rock in the process! Captain Skullivar then landed frontside first.

Ed Cowart wedgied Captain Skullivar and pulled his underwear over his head!

Ed Cowart: WEDGIE!

Then, Ed Cowart kicked Captain Skullivar's crotch stripped him of his clothing leaving only his black skull theme underwear.

Ed Cowart: I see London, I see France, I see Captain Skullivar's skull underpants!

Then Ed Cowart finished by dressing Captain Skullivar in a pink ballerina outfit!

Ed Cowart: I see that you fit in well in that outfit!

Ed Cowart noticed the falling rock and got out of the way as the rock fell on Captain Skullivar hard!

Ed Cowart: Now, that's one way for Captain Skullivar to hit rock bottom!

Just as the wave hits, we see Shinoto has been charging up the cannon on his chest, and once Micgal is out of range, he releases the burst, sending Skulliver flying, but just as he lands, Eiji scans his Core Medals again, powering up his final attack

OOO Driver: Scanning Charge!

Then just as Skulliver hits the ground from Shinoto's attack, the golden spikes on Eiji's shoulder pads extend and spear themselves directly into Skulliver as Eiji's wing cape attaches to his head as actual wings while his thigh guards turn into a tail. Eiji flaps his head wings, sending a gust of cold air to freeze Skulliver in his tracks before leaping up and turning around quickly to shatter the frozen foe with his tail.

Eiji: (As the tail hits its mark) Seiya!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF LAVOS TO NO END! NOW, THE BATTLE TO DESTROY LAVOS WAS ON!

Lincoln, Misty Brightdawn, Seashell, Peach Fizz, Glory, Xion, Nico, and I and the rest of us went after Lavos, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Lavos, and they exploded with incredible power as they hit him.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Misty Brightdawn, Seashell, Peach Fizz, Glory, and Xion did the same by firing colored, white, golden yellow, and blue energy slashes from their gold-armored dragon claws and their massive greatswords and Keyblade, and Lincoln, Misty Brightdawn, Seashell, Peach Fizz, Glory, Xion, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Lavos even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Lavos and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln's massive white angel wings and forty-nine sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Lavos.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Lavos and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Lavos hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Lavos was on his last legs and he was really really mangled.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into Lavos, and he began absorbing it and he assimilated Lavos' forced species evolution, Collecting DNA, Hive-mind, Draining energy from planets, Merging with other life forms, Elemental magic, High intelligence, Mastery of manipulation, Reality-warping, Immortality, Possession, Conceptual manipulation, Mental and spiritual manipulation, Draining energy from the universe, Consuming timelines, and Soul manipulation, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible.

Boomer: Now we know how the Powerpuff Girls feel.

Butch: Because we're about to destroy a giant monster like you!

Brick: Ballistic Barrage time!

They smashed and pulverized Lavos all over the place with intense fury!

At the same time, Lavos began feeling the pain as all of its power was being sucked out of him one at a time and was being pumped into Lincoln and he himself was being sucked into his body and being absorbed into him.

Then, when Lincoln was done and the stingers changed back, nothing was left of Lavos and Lincoln drained its soul of all its energy along with the energy it'd drained from the planets it went to long ago and it was sent to The Black Abyss as Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

We cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, longer tails and horns, large gold halos with four large orbiting gold rings on each corner behind the heads, one-hundred large colored planets orbiting around the legs, one-hundred smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and ninety-nine sets of large colored angel wings underneath the massive colored angel wings of Misty Brightdawn, Seashell, Peach Fizz, Glory, and Xion are permanent.

Then, we teleported back to Earth and to our home.

Me: We did it! Lavos is gone forever!

Nico: Good riddance to that parasite!

Eli: And Lincoln did the craziest thing ever sucking out all of its powers, abilities, energy, and all the energy it'd drained from the planets it went to eons ago.

Lincoln: That may be, but you've seen me do even more crazier stuff than this before.

We suddenly remembered.

Me: Eh, you're right about that. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Svartalf of the Nordic Alfar.

Lincoln: The Vegvisir and the Duel Monster, Svartalf of the Nordic Alfar.

Astrid Michelsen: (Norwegian Accent) There's one person who fits that: Dagny Askildsen, Avatar and Gene-Slammer of Svartalf of the Nordic Alfar, and you guys are going to love meeting her, Dagny Askildsen, Avatar and Gene-Slammer of Svartalf of the Nordic Alfar, is Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Svartalf. Dagny Askildsen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Dagny Askildsen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Svartalf, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Svartalf, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: and that was Chandler, she hated him for all the times he tried to murder Lincoln and his family in cold blood, and she swore that if she ever saw him again, she would behead him and make the streets of Royal Woods run red with his blood.

WE GASPED IN HORROR!

Nico: Oh shit! That's some serious vengeance!

Me: I always knew Dark Chandler's vile actions would ultimately lead to someone wanting to cut his head off and make the streets run red with his blood.

Lincoln: Of all the Guardian Angels who hated Chandler the most, Dagny was one person who sought to end him forever.

Rei charged at Golden Bones

SMASH!

He was smashed.

Rei put him on a Catapult!

Rei: Buckle up Bonehead because you're going for a ride!

He cut it and it slammed him in the crotch! He tooted liked a steamwhistle and went flying and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

He exploded and was blasted into a thousand pieces!

Rei: What should we do while waiting?

We arrived

Lola: Is he?

Knightbrace: Skulliver's dead.

Fixer: And so is Lavos.

Lola: Awesome!

Electrocutioner (to Rei and his friends): You guys helped too.

Rei: We sure did!

Me: That was fun!

Zak Storm: See you guys after Nico's birthday.

Rei: Can't wait.

Zak and Rei shook hands with Rei patting Zak on the shoulder afterwards.

Control Freak: What now?

Vulkanus: We celebrate on the ship!

Me: Good idea!

Nico: Great job everyone! Misty, Seashell, Peach Fizz, Glory, Xion, you all did great!

Misty Brightdawn: It was fun! (To the viewers) This was so much fun!

Me: It sure was!

We had a great victory party!

We returned home and we helped Zak Storm and his crew settle into their new home, and hours later, night fell on the city, and Caleb Maxwell was walking the night streets of Gotham Royal York.

Caleb Maxwell: The city seems really peaceful at night. The nights in New York, we've had to hear the sounds of police sirens and gangs running loose along with the sounds of people driving or walking the streets at night.

Suddenly, Caleb Maxwell felt a very deadly presence, and he heard the screams of thugs getting killed.

Caleb Maxwell: What was that?

Caleb Maxwell heard it from a nearby corner, but as he got near the corner, he saw the figure of a man dressed in red battle armor wielding a Nodachi that shone with a brightness like the Lupus constellation in the sky. But, he also saw the figure had long red hair and natural red eyes like that of a demon, but despite the demonic presence, he wasn't a cold-hearted person, yet to Caleb, he still felt a dark unease that seemed to gnaw at him.

Caleb was about to ready himself with his guns in hand.

Mysterious Figure: I wouldn't do that if I were you..., Caleb Maxwell.

Caleb Maxwell: How do you know me? Who...are you?

But, the figure began to walk away.

Mysterious Figure: You'll know...in due time.

Caleb was literally uneasy.

WHO OR WHAT WAS THAT MYSTERIOUS FIGURE WITH RED EYES THAT WAS SIGHTED IN GOTHAM ROYAL YORK THAT HAD SLAIN OVER 1,000 OF THE CITY'S THUGS AND WHAT WAS HIS CONNECTION TO CALEB MAXWELL?

THE END

Lincoln: Just who is this guy? (Sensed his energy) But, whoever he is, he's really really powerful by the feel of his energy. Wait, what's that?

Then, Lincoln spotted a crimson red kanji with crescent moons in between the kanji below The Castle of The Vampires on his duster coat that said, "Abaddon Aeternus, Half-Vampire Half-Human Son of Leon Aeternus The First Vampire King and Powerful Vampire God and Catherine

Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: You're gonna be dropping your jaws when you hear this, Lily.

Lincoln explained everything, and his harem were stunned.

Selene Emperyous: Whoa! You found out about the identity of the person who saved Hikaru and Noriko yesterday.

Nicholette Torrington: But, there was also a connection between him and Andre Lupescu, but we may need to ask him.

Lincoln: Good idea, Nicholette. In the morning, we'll do just that, he must know all about this new person we're going to meet.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to New York.

Then, Lincoln explained everything, and when he was done, we were stunned.

Me: Whoa! So, you saw a potential new member for TLPS, Lincoln? Awesome!

Nico: And you mentioned a connection between him and Andre Lupescu. Andre, what did he mean by that?

Andre Lupescu: I think I know what Lincoln meant. See, I wasn't the only one who had to go through some tough times when I was a little kid, that man Lincoln saw in his dream last night was an old friend of mine, his name is Abaddon Aeternus, he's a young man who has a tragic past and a bloody family line going back to ancient times. Abaddon's father is Leon Aeternus, he's a powerful Vampire God who wielded unimaginable power that outclassed all vampires and the most powerful vampires in history, he was known as The First Vampire King, he maintained the peace between vampires and humans and didn't want humans and his own kind to be destroyed, he had a respect for humans for their ingenuity and resourcefulness, and the vampires who saw humans as only food, well, if they tried anything to break the ancient peace he fought hard for, they would wind up dead at his hand.

WE GASPED!

Me: Whoa, his dad sounds like he's dangerous to the most dangerous vampires ever!

Nico: That's for sure. Yikes!

Andre Lupescu: You're right about that. Anyways, he'd met Abaddon's human mother, Catherine, a young woman from New York, and their attraction was almost immediate, and she found out about the truth of him being a vampire, but she wasn't even afraid of him. Months later, she was pregnant with Abaddon, and not long after that, Abaddon was born, and he had the unimaginable power his father wielded along with all the strengths, powers, and abilities of the vampires, immortality, and invincibility, and none of their weaknesses, but he did have the thirst for blood. But, Abaddon's life would take a tragic turn, his mother was murdered by a lowlife thug, but as it turns out, this lowlife thug was working for a very dangerous vampire named Nikolai Ondrushko.

Brittney: As in Lord Ondrushko! I've heard about him as well, Nikolai was one of the vampires who'd hated humans and saw them only as food.

Andre Lupescu: Yep, and when Leon found out about the mark that thug had, he knew Nikolai was the one behind this. Abaddon who was only eight at the time of his mother's murder fell into a very black rage, and in the process, he'd awakened not only the unimaginable power of his father, but he also had awakened many other vampiric powers he was born with, and with it, he killed the thug who murdered his mother, and his father was shocked to see this, but he knew his son would need to be trained in the arts of war. But, here's where we had the connection: his mother's murder took place four years after my own parents were murdered when I was four. We both came from different worlds: my parents were cops who got murdered by the son of a convicted drug lord they sent away when I was four and Abaddon was the son of a powerful ancient Vampire God and female human and his mother got murdered by a thug working for a dangerous vampire.

Eli: Yet, you two were connected by tragic loss and you sought to avenge the deaths of your parents. But, what happened to Abaddon's father?

Andre Lupescu: That I don't know. I asked around on the streets, and nothing. They say he's hiding out planning to get revenge on Nikolai and knowing him, I wouldn't be so surprised.

Lincoln: Which means we'll be running into Abaddon Aeternus on one of our rescues.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we saw Mesogog causing havoc in The Great Valley.

Me: You've got to be fucking kidding. It's Mesogog!

Nico: And causing havoc in The Great Valley?! Not on our watch!

Lincoln: Figures he'd be hiding there. Let's finish breakfast and head to The Great Valley. It's time to finish what we begun all those years ago.

Nico: Mesogog, your time is finally up, you Jurassic creep!

Me: Yep!

Zarya woke up to see Zacian staring at her

Zacian: Morning Zarya!

Zarya: Morning Zacian.

Zacian: It's time for breakfast! Your big day is today.

Zarya: Oh wow! Better get ready!

She went and got dressed and went to the table.

Me: Morning Zarya!

Zarya: Morning J.D.

Me: It's your big day today so we got a huge battle coming.

I gave her steaks and meats.

Zarya: Thank you.

She got to eating

The phone rang.

Me: I'll get tbat.

I went to the phone.

Me: (Answers) Team Loud Phoenix Storm Estate, J.D. Speaking?

Carlos: Hey J.D. it's Carlos. We need your help with something. It's Mrs. Frizzle's birthday and we want to throw her an amazing surprise party for her.

Me: Ooh you called the right people Carlos. We'll be right over.

Carlos: Great! See you shortly.

Me: You too. Bye.

I hung up.

Nico: So who was that?

Me: Carlos and it's Ms. Frizzle's birthday so the class wants us to set up Ms. Frizzle's birthday party.

Pinkie Pie: OOH! We'll gladly help out!

Me: Yeah we will.

Nico: Cool!

Natalie Frizzle: Mom will love hat!

We finished breakfast and we headed to The Great Valley to help Princess Cadence unlock her Rainbow Power and battle Mesogog and send him to The Black Abyss forever.

It was Ms. Frizzle's Birthday and she was fixing the bus. Lana was helping her.

Ms. Frizzle: Let's see, the pling-dabber's connected to the dim-plunker, the black-pladder's connected to the kitty-bitter. (Steps away to check her toolbox. Suddenly, the bus starts to malfunction by growing briefly before shrinking to the size of a pedal car.) Whoooo! This always happens. The shrinker-scope breaks the second the warranty runs out. (The bus malfunctions again and grows until it's about the size of the school building.) Oh, bus. (camera pans up the front of the bus) What am I going to do with you?

Lana: Geez oh man! Bus it'll be okay.

(Liz appears in a window as the whole class is preparing a birthday party for their teacher.)

Me: So far things are going good.

Carlos: Okay, ready for rehearsal?

Me: Roger wilko Carlos.

(Ralphie and Keesha are shown behind Ms. Frizzle's desk with balloons.)

Ralphie: The Friz is gonna love it.

Carlos: A one and a two!

Me: ACTION!

(The class appear from various places in the room sporting various party gear)

Class: Surprise! (cheering)

Carlos: Yes!

Me: OH YEAH!

Natalie Frizzle: Mom is gonna love it!

(Arnold stops cheering when he suspects something wrong.)

Arnold: Something's missing, I know it.

Me: What could be missing?

Dorothy Ann: My chemistry experiment. It's almost done.

Carlos: Your homework? At a time like this?

Me: What are you working on?

(Dorothy Ann fills a bowl with powdered cement. As she says the following, she stirs the contents with a wooden spoon. After which she turns the bowl upside down, letting out a cake shaped concrete block.)

Dorothy Ann: I'm mixing three things together. Water, sand and cement to get something new; concrete.

Camie: Concrete huh?

Arnold: That's what's missing.

Carlos and Arnold: Cake!

WE GASPED!

Carlos: I can't believe it! We forgot the cake!

Ralphie: How can we throw a birthday party for the Friz without a cake?

Keesha: What a disaster.

(The class starts to put away all the party decorations.)

Wanda: Oh, well.

Me: Hey no sweat guys. You are looking at 2 of the best cake chefs in the world!

Mary Knudson: Me!

Pinkie Pie: And me!

Carlos: Really? Oh wow!

Xenia: Mary and Pinkie Pie are 2 of the best there is and they can make anything.

Phoebe: That is cool!

Pinkie Pie: It sure is! And our desserts are amazing!

Arnold: Wow!

(As Liz brushes some confetti under the carpet, Ms. Frizzle enters, unable to fix the bus.)

Ms. Frizzle: Ah, good morning, class.

Me: Morning Ms. Frizzle.

Class: (still with the lack of cake on their minds) Good morning, Ms. Frizzle.

Natalie Frizzle: Morning mom.

Ms. Frizzle: Oh, I see you've heard the news. I'm disappointed too. (pulls out a giant red wrench) The bus is acting up, so today's field trip is canceled.

Dorothy Ann: Oh, no! Not the chemistry trip!

Me: Yeah we saw what's going on with the bus. Man it's having a lot of mechanical problems.

Lana: Yeah.

Simone Houou: I remember the bus having lots of problems like this before. It's not fun.

Me: Yeah

Arnold: That's okay, Ms. Frizzle. We'll get over it.

Ms. Frizzle: It was all arranged. We were going to the bakery.

Class: Bakery?

Mary Knudson: That's my kind of field trip and right up my ally.

Pinkie Pie: Me too!

Ralphie: A bakery? What's that got to do with chemistry?

Dorothy Ann: Baking is chemistry, Ralphie. It's like my cement experiment; mixing parts together to make something new, only tastier.

Ms. Frizzle: A bakery is really just a small chemical plant.

Mary Knudson: Yep except for Chefs like me.

Pinkie Pie: And me!

Nicole: And it's not as complex like it is for scientists like me.

Carlos: (to Dorothy Ann) Except it's a plant where they make cakes! (gets up to talk to Ms. Frizzle) Gee, Ms. Frizzle. You know, we've all been looking forward to this chemistry field trip for months!

Arnold: We have? (Carlos nudges him) Ow! Oh, yeah, we have.

Carlos: And, well, I don't think any of us would think our education was complete without a trip to a bak-(stops himself and instead says) ahh, chemical plant.

Lisa Loud: I feel the sae way guys. I went to lots of chemical factories in my life and they are most fascinating.

Ms. Frizzle: Why, Carlos. Does everyone feel this way?

Class: Mm-hmm. (they all nod)

Me: Yes we do.

Ms. Frizzle: Well, I'm not one to stand in the way of taking chances, making mistakes, getting messy. (She and Liz give each other a wink before saying...) Bus problems or no bus problems, to the bakery!

Carlos: Yes!

Arnold: No!

Natalie Frizzle: Lets head out mom!

(As soon as the whole class is on the bus, it heads into town. As soon as it reaches the bakery, it malfunctions again and sputters before stopping)

Ms. Frizzle: Oh, now, bus. That wasn't so difficult, was it?

Bus: (sighs)

(Suddenly, it sputters and hiccups before spinning and shrinking. The whole class yells as this happens.)

Ms. Frizzle: Hmm, maybe it was.

(The shrunken bus falls onto the street.)

I caught the bus!

Me: Oh are you all okay?

Ms. Frizzle: We'le fine.

Wanda: (Whispers) Great! How are we supposed to get a cake when we're this size.

Carlos: (Whispers) And how are we supposed to get in there?

Me: I'll take you guys in.

We went into the bakery.

Me: Hello?

Mary Knudson: Hello?

Baker: (French Accent) (Singing) Oh so mio!

Me: Bonjour good sir.

Baker: Ah ze famous Team Loud Phoenix Storm! Good to have you here.

Me: Same here.

Mary Knudson: We would like to make a special cake for someone we know. Courtesy of me and us.

Baker: Oh of course Mary.

Mary put on her chef gear and we went back with her.

Me: Ms. Frizzle what is wrong with the bus do you think?

Ms. Frizzle: Hmm. Maybe it's a problem with the Iotiscope or perhaps the Iormamonitor?

Lana: Boy some of those parts I never heard of.

Me: Yeah. Boy these desserts sure look delicious

Ralphie and Dorothy Ann: Mm-mmm!

Camie: I know. All these desserts look so yummy.

Ymir: Oh wow! I could eat everything here!

Pinkie Pie: I could eat them all up!

Me: Easy Pinkie Pie. We're not here to eat all these ourselves. We're here on a mission.

Pinkie Pie: I know

Liz was pointing to them.

Arnold: Uh oh Liz. Not one of these cakes is chocolate. And that's her favorite.

Natalie Frizzle: Yeah mom and I love chocolate.

Mary Knudson: I can see that.

Wanda: Mary what's our favorite kind of cake?

Mary Knudson: Oh gosh I love ALL kinds of cakes. But to be honest I don't have a favorite cake. I can't just pick one over the other.

Me: Well we definitely know what Nico's favorite is.

Nico: Cookies and cream! (SLURPS)

Carlos: (whispers) Besides, we're too small to buy one anyway.

Me: Luckily we're not.

Mary Knudson: We can make one guys. After all you have me with you.

Dorothy Ann: All right! Full scale chemistry experiment!

Wanda: (Whispers) But how will we do it without Ms. Frizzle seeing?

Carlos: We'll just have to get her out of the bakery.

Arnold: But a teacher never abandons her bus.

Me: Hey no sweat guys. You'll be under our supervision.

Poromon: And you guys have us too.

Carlos went over to her.

Carlos: Hey Ms. Frizzle, you know how the Shrinkerscope might be acting up?

Ms. Frizzle: Mmm could be the Shrinkerscope. Might also be the Mesmerglobber. But yes Carlos?

Carlos: Well there's this great auto parts store ight next door see? And uh.

Ms. Frizzle: Carlos what a great idea.

Me: Wow. Also Ms. Frizzle we have lots of spare parts in the garage back at the estate. Lana can take you there to get what you need.

Ms. Frizzle: I would like that.

Arnold: It worked.

She put on a jet pack and helmet.

Ms. Frizzle: Liz you're in charge.

Lana: I'll help you Ms. Frizzle.

Ralphie: Oh boy.

Ms. Frizzle left.

Ms. Frizzle: See you later!

Lana and Ms. Frizzle were off.

Me: She'll be back.

We went into the kitchen.

The bus was hiccuping and belching.

BELCH BELCH HIC HIC HIC!

It was now the size of a lunchbox.

Me: Whoa.

Nico: You guys alright?

Carlos: We're okay. Come on guys. We have work to do.

Mary turned a recipe book page and it showed a cake.

Mary Knudson: That is a simple one. But usually I do things overboard and make things deliciously fun and gourmet.

Carlos: I see. The finest birthday cake ever!

Me: Yep and it's gonna be a good one.

Carlos: Okay the first thing we have to do is gather and messure the ingredients. Ralphie get 2 eggs.

Ed: Eggs eggs eggs eggs eggs eggs eggs.

Carlos: Tim and Wanda, a cup of sugar and lots of flour. Liz a teaspoon each of salt and cream of tartar. Keesha, Milk and lots of it, Phoebe, butter. Arnold, Baking soda and Nico you guard the door and make sure Ms. Frizzle doesn't come back too soon.

Mary Knudson: I'll get them all ready. Carlos you get the Chocolate.

Carlos: YES!

Arnold lifted some baking soda.

Mary got the ingredients from everyone.

Arnold: I am (GRUNTS) The king of Soda!

He tripped and ended up knocking down Dorothy Ann and some vinegar.

It fizzed.

Mary Knudson: You okay?

Mary picked up the soda.

Dorothy Ann: Arnold! You..you...you..you..

Arnold: You what D.A.?

Dorothy Ann: You amazing Chemist! Look at that stuff fizz. The vinegar spilled into the baking soda.

Lisa Loud: That is a very simple acid based reaction caused by carbon dioxide gas.

Me: Okay that's everything.

We got to mixing.

Arnold: (Grunts) Man this is tough when you're half the size of a hot dog!

Ralphie: Could be worse Arnold.

Arnold: I don't see how!

Then there was a rumble and the bus grew and sputtered and the kids shrunk!

Arnold: Now I do.

Kids: OH NO! WE SHRUNK!

Me: Oh crud!

Laney: Now they are the size of a marble.

Lily: I guess this is what happens when you have faulty mechanical problems.

Wanda: Hey look at this!

We saw Wanda stacking white blocks.

Keesha: Wow where'd you find those white building blocks?

Wanda: These aren't building blocks. Catch!

Wanda threw one to Ralphie and he licked it.

Ralphie: Hey! This is Salt!

Me: Those are what Granules of Salt look like.

Tim: Hey everyone I found a diamond! Check out the glimmering surface.

Phoebe: Here's another diamond!

Keesha: And Another one!

Ralphie: We're gonna be rich!

Arnold licked a shard.

Arnold: Not rich. Sweet! This is sugar.

Tim: So this is what sugar looks like close up.

Me: Sugar Granules look like diamonds don't they.

Tim: Yeah. See how the sides make a pattern? Things that looked alike when we were big.

Wanda: But different now that we're small.

Mary Knudson: Hate to kill the mood but we have a cake to make.

Mary added some sugar.

The bus flew and added sugar.

The bus flew and landed in the flour.

Phoebe: Ew. We can't use this flour. Its got something in it.

Me: No it doesn't Phoebe. That's what Flour looks like up close at your size. See?

We got to adding flower.

Carlos: Now that's what I call Flour Power!

Luan: (LAUGHS) Good one Carlos!

Eddy: (LAUGHS) Good one!

Carlos: And now for the best ingredient of them all!

Mary had a scoop full of chocolate.

Kids: Chocolate! Yummy!

She added it.

Mary mixed it.

Keesha: Hey! Mixing in the chocolate makes it a new color.

Ralphie: Sure it does Keesha. But check out how you can see which bits are chocolate and which ones aren't.

Nico: Now for the wet stuff!

Poliwag: I got it.

Poliwag used his tail to lift the milk and brought it over and poured it.

Tim: At least milk still looks like milk.

Poromon put in the butter.

Me: Now for one of my favorite parts. Eggs.

I cracked the eggs.

Carlos: And now for a real Eggs-periment!

I put them in.

Carlos: Salt, sugar, cream of tartar, milk, butter, eggs, chocolate and baking soda!

Me: I knew we forgot something. Also if we don't add Baking Soda to the mix it becomes hard as a rock.

Sunny Starscout: Take it from me and my friends. When they made cookies for me they forgot that. I chipped a tooth.

Phoebe: Ouch!

Me: Yeah it's not pretty.

We went to get some some baking soda.

Later we got the baking soda and put it in and D.A. Was on the bus after Ms. Frizzle left again.

Me: Whew. That was close. Now we got to mix it.

Ralphie: Whew! That's gonna take some monster beaters!

Mary Knudson: Egg beater time!

Mary mixed it.

Tim: Everything is getting mixed together.

Carlos: Yeah and one more ingredient is getting added.

Phoebe: What's that?

Me: It's air.

Carlos: That's right. The beaters are forcing air into the mix.

Phoebe: All the parts are combining into one new thing.

Me: Yep that's right.

Carlos: It's called Cake Batter!

Ralphie: But if Ms. Frizzle asks it's...

Kids: CHEMISTRY!

Ralphie and Phoebe showed a report. Ralphie was a chef and Phoebe was a chemist.

Ralhpie: Cooks and chemists are a lot alike. Both Measure out ingredients.

Phoebe: Mix them together to make something new.

Ralphie: The only difference is I get io taste mine! (LAUGHS)

Me: The only difference is that with Chemicals in science is that you have to be careful when mixing chemicals together. You mix the wrong chemicals together and they can explode and you can get seriously hurt.

Wanda: Ouch! That must hurt.

Me: It does. Also they can become toxic as well.

Lisa Loud: Just ask me. I am a scientist and use chemicals like that all the time.

Me: It's true. I've known Lisa for doing chemical experiments like that ever since I moved to Michigan. Dangerous work. Now comes the final best part.

I put the batter in a pan and put it in the oven.

Me: Okay set temperature to 350 degrees and timer for one hour and we wait.

We got to waiting and read books and passed the time.

Carlos: Now comes the final ingredient! Heat!

Me: Thank goodness you aren't in the oven.

Carlos: Learned my lesson last time.

Simone Honou: Yeah we were sweating like pigs too.

Nico: Ooh yikes.

Mary made more smaller cakes.

The timer dinged and we made a great cake!

Me: Perfect!

I checked the cake with a toothpick and it came out clean.

We made an amazing cake and bought it and later went back to the school.

Lana: Man hat was a hard fix.

Ms. Frizzle: It sure was. All fixed. Who'd have guessed. It was the Hikoblemmin Flemminjam.

Then...

All of us: SURPRISE!

We cheered

Nico: Happy Birthday, Ms. Frizzle!

Natalie Frizzle: HAPPY BIRTHDAY MOM!

Ms. Frizzle: Why everyone this is wonderfull! I don't know what to say.

Me: We went through lots of trouble too. And it was fun.

Carlos: And that's not all Ms. Frizzle. We saved the Big Finale!

Ms. Frizzle: The Big Finale? Oh what could that be?

Me: Bring it in Arnold and Mary!

They brought in a BEAUTIFUL PINK MULTI-LAYER cake with awesome frosting and more!

Me: WOW!

Nico: What a cake!

Eli: That is awesome!

Ms. Frizzle: Oh class and everyone where on Earth did you get such a lovely and delicious cake.

Me: We baked it for you.

Mary: We used my cooking skills too.

Nico: Yeah it was part of our plans for prepping.

Ms. Frizzle: That is amazing! As I always say "Chemistry, It's a piece of cake!"

We laughed!

Me: That is awesome and fun!

Nico: It sure was!

Eli: That was fun!

Me: We learned a lot about chemistry too.

Camie: We sure did.

Poromon: What do you think?

Ms. Frizzle ate it.

Ms. Frizzle: Oh it's so delicious!

Mary Knudson: We made it special too.

Poromon: Yep. Chocolate is your favorite.

Poliwag: Enjoy!

Me: We're glad you all had fun.

Nico: I did.

We all did.

Later we were over in the Great Valley for Nico's rescue.

Me: Ahh the Great Valley.

Aylene Carter: Good to be here again.

Littlefoot: Home sweet home.

Cera: It sure is.

Ducky: Yep yep yep.

Camie: So beautiful.

Ymir: It sure is.

Me: Yeah.

Nico: Block Man, I want to thank you, Tomoyasu Chikazoku, and your teams for coming.

Block Man: No problem Nico. I'm ready to smash some fun!

Me: Yeah!

Stinky Braindead farted!

LOUD NASTY FART!

Ojama Yellow: We're so excited for this!

Me: Yeah!

Nico: Ojama Yellow, have you done fun things with Chazz lately?

Ojama Yellow: Oh yeah! Us and the boss all have done all kinds of things.

Ojama Black: Yeah it's all fun. We help the boss battle bad guys too.

Chazz: We battled robbers and rogue duel monsters.

Me: Cool!

Nico: What about any funny stuff?

Ojama Blue: Oh we entertain at parties and make them fun

Ojama Pink: Yeah it's awesome.

Eli: In my opinion, the Ojama's are one of the funniest batch of duel monsters ever.

Me: Next to the Toon Monsters even though Seto may not like Blue-Eyes Toon Dragon it's still fun.

Nico: Too true.

Ymir: (LAUGHS) Yeah that is true.

Qin: I think they are fun too.

Me: Cool. Misty you and everyone did amazingly well yesterday.

Misty Brightdawn: We sure did! Wow! That was the most fun we've ever had.

Lucca: It sure was! Wow! We destroyed Skullivar and Lavos!

Deadpool: Did people seriously forget Lavos can't talk?

Jamesdean5842: Yeah many people forgot that Lavos never spoke a word in the game. Just make a really scary screech.

Nico: Yeah.

Deadpool: That is sad.

Nicole: Well I do know about that. But it was crazy.

Me: Look on the bright side though. We prevented TONS of shit from happening when we killed Lavos forever.

Lucca: We sure did.

Misty Brightdawn: I just can't believe Lavos did all that!

Qin: That was awful!

Nico: We killed Skullivar too.

Qin: We sure did!

Xenia: That was awesome!

Misty Brightdawn: Yeah no kidding!

Lucca: My Akuma was horrifying too! I looked like a flaming Skeleton Angel.

Ghost Rider: Like a Ghost Rider sort of.

Me: Except with more intense fire power.

Poromon: It sure was hot

Me: No kidding!

Lucca: Yeah!

Nicole: But he was made by Yakra XIII killing her mother! That was crazy!

Nico: I agree. Thank goodness that didn't happen in the game.

Lucca: No kidding.

We walked around.

Poromon: It's quiet so far.

Me: Yep.

Ymir: So who is Mesogog?

Me: Oh right we never told you about him. He's the main bad guy of Power Rangers Dino Thunder and he is a monster.

I went over his history.

Mesogog is the main antagonist of Power Rangers Dino Thunder.

He is the ruthless and treacherous humanoid dinosaur-like monster who wishes to conquer the world and return it to the era of dinosaurs.

He is also one of the four archenemies of Tommy Oliver, along with Goldar, Lord Zedd and Zeltrax, as well as the archenemy of Conner McKnight, Trent Fernandez-Mercer and the whole Dino Thunder Rangers Team.

He was played by Latham Gaines.

When Dr. Anton Mercer crafted a groundbreaking experiment had been performing with dinosaur DNA, he accidentally transformed himself into the monstrous megalomaniac, Mesogog, who sought to send Earth back into the age of dinosaurs with all humans transformed into reptilian hybrids like himself. They continued from then on to shift between Mercer and Mesogog in a Jekyll and Hyde relationship with each aware of the other, but having two distinct personalities.

Mesogog recruited Elsa and a cyborg warrior named Zeltrax, whom he created from the remains of Terrence "Smitty" Smith, a former associate of Tommy Oliver's, to aid him in his attempts to conquer the world. Mesogog also utilized an army of creatures called Tyrannodrones, dinosaur based humanoids that Mercer and Tommy had created. He then set up his lab/base, which was full of genetic samples that he could use to create monsters, and was ready to put his plans in action.

Years later, in 2004, Mesogog resurfaces after three high-school students recover the Dino Gems, sending his Tyrannodrones to catch the students and recover the Gems for him. After the three students manage to beat Mesogog's army thanks to their new powers given by the Gems, Mesogog sends his Tyrannodrones one more time to capture one of the three students, this time he succeeds and captures Kira Ford. Mesogog meets Kira and asks her where are the Dino Gems but she tells her that she gave them away. Unfortunately for Mesogog, Kira then gets into a tussle with his henchwoman Elsa as she tries to run away from her and Zeltrax, finding an Invisiportal and getting away. But Mesogog plans were interrupted when Tommy managed to steal the three Dino Gems and use them to create the Dino Thunder Power Rangers.

The next day, Mesogog orders an attack on Reefside, freeing the Biozords so they can begin their rampage through the city streets. Zeltrax then arrives with his ship and begins his attack as commanded by Mesogog but Tommy Oliver and his three students show up, they then morph into the Dino Rangers, the Rangers then defeat the Tyrannodrones and Zeltrax. The Dino Rangers tame the

Zords, form the Thundersaurus Megazord and destroy Zeltrax's ship with their Tyranno Drill. When Zeltrax returns to the Island Fortress, Mesogog punishes him and Elsa for their failure with a psionic brain-blast and warns them as a lesson that he doesn't take defeat lightly.

After Mesogog realizes that Tommy found three eggs containing the unborn Raptor Riders, he orders to initiate the Geno-Randomizer and create a monster so he can stop Tommy from training the new dino creatures, unfortunately he's unsuccessful as Tommy manages to train the Raptor Riders and send them to aid the Rangers, who then quickly destroy his monster. Mesogog later finds a mysterious energy crystal stone that contained some great power but couldn't find a way to open it, so he sends his army to kidnap Tommy Oliver so that he can forced him to help him open the stone. TV STORY-Wave Goodbye Mesogog tortures Tommy by draining him with his life-force extractor while telling him that his goal was returning Earth to its prehistoric roots, when Tommy (who asks why Mesogog can't settle for world domination like all the other villains, although the prehistoric reversion may be his own method of doing so) continues to refuse helping Mesogog, he keeps draining his life.

Just as Mesogog gives Tommy an ultimatum, the Ranger later go to his fortress in their Raptor Cycles to rescue Tommy. Mesogog meets the three Rangers in his fortress, but is stopped by his lackeys, though he and his army later confront the Rangers as they just freed Tommy from his captivity, with Mesogog taking on Tommy himself and beating him until he managed to steal the stone and run away with the Rangers through an invisiportal. When his lackeys follow the four heroes, Tommy uses the stone to block one of Zeltrax's attacks, revealing the stone to be the

Black Dino Gem, which lets him transform into the Black Dino Ranger, adding a fourth Ranger to Mesogog's enemies.

Mesogog began sending his monsters against them, only to be bested again and again. However things began to sway in the dinosaur hybrid's favor when Mercer's son, Trent, found his lab and the White Dino Gem that Mesogog had in his possession. It transformed him into the White Dino Ranger, who fought against the rangers but was disloyal to Mesogog until Trent found out that he was also Mercer. The White Ranger joined his side, but Zeltrax convinced the dinosaur hybrid that Trent was a traitor, so Mesogog hooked him up to a machine that would drain his life energy. However Mercer regained control of their body and freed Trent before it could take all his life energy and told him to fight alongside his friends, the other Power Rangers.

Later, Mesogog joined forces with the returned Lothor, who had turned the Wind Ninja Power Rangers evil. But he regarded Lothor as an idiot and did not trust him completely, planning to get rid of him as soon as the other rangers were destroyed. However, the Dino Thunder Rangers, the Thunder Ninja Rangers, and the Green Samurai Ranger turned the Wind Ninja Rangers good again and defeated Lothor and Mesogog's forces. Mesogog and Lothor fought with the dinosaur hybrid emerging the victor, shrinking the evil ninja lord and putting him in one of the jars where he kept genetic samples for monsters.

Some time after this, the dinosaur hybrid succeeded in using a formula that separated him from Mercer, increasing his mental instability and determination to see his plans succeed. As a result, his insanity and determination increased as he creates his last and most powerful monster, a cycloptic amoeba-like monster called Ugly Monster. It took a bit of deception from the Rangers (using the Dino Gems as bait) to destroy the cannon and Mesogog's base.

Mesogog rid himself of Elsa, needing her energy to power a cannon he was using in his plans, but the rangers used a bit of trickery with the Dino Gems to destroy the cannon and Mesogog's base. However the dinosaur hybrid was able to survive and reappeared after the rangers' defeated Zeltrax, using energy he has absorbed from the gems to mutate into the Mesomonster. He took on the Rangers, proving nearly invincible and even split into four copies of himself, but the Rangers used all the energy in the Dino Gems to destroy the Mesomonster.

When I was done everyone that hadn't heard about it was shocked!

Ymir: He's a monster!

Me: I know and he's one of the Big Bad 4 Archnemeses of Tommy Oliver. For over the course of 12 years Tommy has had 4 major enemies: Lord Zedd, Goldar, Zeltrax and Mesogog.

Tommy Oliver: He's right on that.

Me: Yep. Lord Zedd is still at large and Goldar is in the M.O.E. As Konan's archenemy.

Nico: And we killed Zeltrax already.

Me: Yep. We sure did.

Ymir: That was awesome.

Camie: It sure was!

Me: Mesogog is in for a rough battle though. We killed him last year and I've ascended in power when we fought him last.

Nico: That's right. We've gotten stronger.

Qin: Yeah!

Nico: He's in for it now.

Me: Yep. What makes my blood boil however was that he partnered up with Lothor too. I remember that and it was an epic team up with the Ninja Storm Rangers. I've spent part of my duty in the team hunting down Lothor with pure excitement leading up to the fight with the Void Queen.

Nico: I remember.

Horsea: Don't fall too behind, clone.

Horsea clone: Clone?!

Me: That is so cool that your cloning machine really works.

Manaphy: It sure is!

Qin: Yep.

Lincoln: Okay, guys, we're here for one really brutal and nasty battle, we're here in The Great Valley, and just as we saw, we're here to battle Mesogog.

The rest of the team's with us.

Nico: So, this is where Mesogog was hiding out, eh? Well, this will be his final resting place.

Me: After everything he's done, this monster's going to be extinct, and this time, for good.

We saw that Caleb Maxwell had a haunted look on his face, and it'd been with him since last night. We wanted to ask him, but we had Mesogog to deal with.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive

muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Mesogog) AHA! There you are! I just spotted Mesogog, he's 20 yards away, and he and a massive army of Tyrannodrones are attacking.

Nico: Let's get going.

Ghost Rider heard a Pokémon cry.

Ghost Rider: Look guys!

We saw a Miraidon!

Me: WHOA! A Miraidon!

Nico: Cool!

Miraidon: The famous Ghost Rider and all of Team Loud Phoenix Storm!

Rainbow Dash: Boy that is awesome! Now we have a new riding buddy!

Me: That's right R.D. I remember you have a really cool motorcycle too.

Rainbow Dash: I sure do.

Ghost Rider: Yeah.

He gave Miraidon apples and it ate them.

Ghost Rider: Want to come with us?

Miraidon: I would like that.

Me: Cool!

Poromon: Sweet!

Then we saw a Zubat come.

Me: Whoa cool! A Zubat!

Nico: How did that get here?

Me: Good question. Must be one of Dark Gale's work.

Sakura Avalon: Let me see here.

She used Telepathy and gasped!

Sakura Avalon: Oh my gosh it's my sister Sarah!

Me: Whoa!

Madison Taylor: Your sister Sarah? Oh my gosh! We haven't seen her in a long time!

Li: Its been a while.

Me: Lets go help her!

Me and Sakura went to help her.

Sakura went over.

Sakura Avalon: Sarah it's okay.

She held out her hands and Zubat landed in her hands and she pet her by scratching her ears and she liked that.

Me: So adorable.

Brittney: Normally Zubat is a gothic kind of Pokemon perfect for the Goths of Darkness.

Xenia: Yeah.

Horsea: She sure is cute.

She tried to bite Horsea but she threw her clone in front of her.

CHOMP!

Horsea Clone: OUCH!

She threw her down.

Me: Ouch!

Sakura Avalon: Aren't Zubat's poison too?

Me: Yes they are.

Brock: Yeah Zubat's are poison flying type.

Me: Oh boy. Okay then.

I snaped my fingers and she reverted back and was a girl with blue hair, green blue eyes, blue angel wings and had a cutie mark that was a magical circle of the moon with the symbols of the Bender Elements around it and she had Zubat on her forehead.

We wrapped her in a blanket and brought her to a tree to rest her up against.

Me: There.

She woke up to see Horsea's smug face.

Sarah Avalon: (Groans) Huh A Horsea?

Horsea: HA! You didn't attack me! NANANANA NA NA! (RASPBERRIES!)

Maria picked her up.

Maria: HORSEA Stop it.

Sakura Avalon: Hey there sis.

Sarah Avalon: (GASP) Sakura, Madison, Li, girls!

She hugged them.

Sarah Avalon: Oh my gosh you all have grown so much. I can tell you all have come so far.

Sakura Avalon: I sure have and it's so awesome.

Me: You were turned into a Zubat by Dark Gale.

Sarah gasped.

Sarah Avalon: I remember!

She was in a purple suit and injected and turned into Zubat and flew out.

FLASHBACK ENDS

Sarah Avalon: It was awful.

Me: I know. But we destroyed Dark Gale forever.

Sarah Avalon: Good. Also Sakura is Tory still giving you a hard time?

Sakura growled!

Sakura Avalon: (GROWLS) He has been teasing me all over!

Sarah Avalon: I'll have to give him a VERY stern talk when we get home. (Sees something) (GASP!)

She saw her mother Natasha Avalon alive!

Sarah got up and had tears stream down her face.

Sarah Avalon: M-m-m-mom? Is that really you?

Natasha Avalon: (Puts hand on Sarah's face) Yes my sweet Sarah. It's me.

Sarah Avalon: MOM!

She hugged her and cried hard!

Sarah Avalon: (CRYING) I'VE MISSED YOU SO MUCH! (CRYING)

Natasha Avalon: I did too Sarah.

Sarah Avalon: (Crying) But how?

Me: The Aparoids brought her back. It's a really long story.

Sarah Avalon: (Crying) It doesn't matter! We are all back together! I was absolutely devastated when you died mom! I took your... (CRYING HARD)!

Natasha comforted her.

POOR GIRL

Nico: (to Maria) I think after Horsea has been attacked so many times, she's earned the right to be smug.

Maria: I agree there. She doesn't have to rub it in everyone's face.

Horsea: Can you blame me?

Maria: Still don't rub it in everyone's face. It hurts.

Lynn: Yeah take it from me. Everyone had to put up with my gloating for a while and it really got on their nerves. I had to learn the hard way.

Nico: Really?

Me: Yeah.

Sarah Avalon: (Crying) I have so... much to tell you mom.

Natasha Avalon: I know. We can talk more later. Can you calm down and tell us everything when we get home?

Sarah Avalon: (Sniffles) Okay.

She calmed down.

I gave her a hankerchief.

Sarah Avalon: Thank you.

SHIP HORN HONK!

She blew her nose in it.

Sarah Avalon: Thanks.

Me: You're welcome.

Sarah Avalon: I work as the Elemental Martial Artist Mage of the team. Outside the team I work as a mage to help battle bad guys.

Me: Cool!

Rarity: Lets get you some clothes darling.

The Fashion Brigade gave her new blue and purple clothes and a magical sword.

Sarah Avalon: I look awesome!

Me: You sure do.

Horsea: I'm sorry. But I'm just happy not to be attacked

Me: It's okay Horsea. We can talk more on the issue later. Right now we got work to do.

We then took off into the air to help Princess Cadence unlock her Rainbow Power and get rid of Mesogog once and for all. But, unknown to us, that same black-caped figure from yesterday was watching us, and he was heading there too.

We were flying in the air, and then, we saw our target: Mesogog.

Lincoln: There's Mesogog. It's time to end this once and for all.

But, before Lincoln could deal a sneak attack on Mesogog and his army...,

---

WE SAW MANY TYRANNODRONES SUDDENLY GOT CUT DOWN!

Me: Huh!?

Nico: That wasn't any of us! But, then, who...!

DEMONIC HORSE WHINNY!

Inside a rainbow sphere with intense flames and elemental forces, Princess Cadence then underwent an intense and amazing transformation! Princess Cadence had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her dress and she also gained intense rainbow flame patterns and stars on her forearms, she also got aurora lines on her hair and tail. She then had her Cutie Mark change into many rainbow hearts and her massive pink angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! THE RAINBOW HEART OF LOVE!

Lincoln: Okay, time to give you a bad case of pain. JUDGEMENT OF THE SEVEN ARCHANGELS! 七人の大天使の審判！

Lincoln swung his massive greatsword and fired a massive stream of golden fire and heavenly light that hit Mesogog and he let out a loud scream as he got burned badly by the golden flames and heavenly light.

Nico: Hah! Shows you right!

Then, Lincoln formed a massive rainbow heart in his left hand and fired it at Mesogog which hit him and burned him bad! Then, he fired a barrage of hearts from his massive angel wings and ninety-nine sets of large white angel wings underneath and Mesogog got hit hard and burned again.

Me: Love is a powerful force, and to monsters like Mesogog, it's poison.

Nico: You said a mouthful.

Lincoln: Now, it's time for the big guns.

Lincoln got out a massive industrial can of spinach, and he opened it up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CAN OF SPINACH!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar.

Lincoln: (CRACKS NECK AND KNUCKLES) Time to die, you Jurassic jerk.

Lincoln went at Mesogog and he began brutally smashing him all over the place with his massive godly superhuman strength. Then, he punched him hard in the face and kicked him in the stomach and he sent him flying into a wall, he got back up, but he was so mad, he let out another roar of anger before Lincoln threw a golden yellow fireball at him and it exploded burning that monster badly.

Nico: Damn, that's still as brutal as ever, but it serves him right.

Suddenly, we heard vampiric shrieks, and we saw vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Then, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by a red flame. Then, Sherlock Hound

Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of Behemoths, and he began absorbing them into his body and he assimilated the Behemoths' massive muscle mass, brute superhuman strength, magical attacks, primal instincts, and horns, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (Beastly Voice)(GROWLS) Oh man, the raw immense power of these Behemoths is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of Behemoths and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Nico: Seriously, who keeps on sending creatures after us?

Lincoln: (Beastly Voice) No idea, but the clod's just digging his own grave not realizing that by sending supernatural creatures and beasts, he's just letting me get even stronger by absorbing them and assimilating their raw strength and physical abilities along with their immense powers.

Lincoln, Nico, and Me: NOW, BURN IN HELL FOREVER, YOU JURASSIC NIGHTMARE!

Lincoln, Nico, and I did one final powerful energy slash that hit Mesogog hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Mesogog was on his last legs and he was really really mangled.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into Mesogog's chest, and he began absorbing him and he assimilated Mesogog's Power Bestowal and Enhancement, Laser Vision, Teleportation Cast, Pain Inducement, Forehead Psionic Beam, Container Imprisonment, Forceful Takeover, Invisiportal, Monster Creation, Energy Absorption, Mutation, Power, Strength, Durability, Expert Hand to Hand Combat, Robotics Expert, Claws, The Hydro Regenerator, The Geno-Randomizer, Transfiguration Cannon, Power Absorption, Lightning Breath, Shockwave Generation, Tongue Lash, Self-Duplication, Strength, Expert Hand-To-Hand Combat, Durability, Claws, Back Spikes, and Tail, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, Mesogog was severely weakened to an extreme degree and he changed back to his normal form and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Tommy Oliver: Whoa, nice one. Alright, let's finish this.

Suddenly, Abaddon Aeternus flew right at the weakened Mesogog, and...!

SLASH!

HE SLASHED MESOGOG RIGHT DOWN THE MIDDLE, AND THEN, HE SWUNG HIS GREATSWORD ALL OVER THE PLACE AND CUT HIM INTO PIECES AND HE FIRED A BLAST OF DARK FIRE THAT BURNED MESOGOG'S BODY INTO ASHES AND HE WAS SENT TO THE BLACK ABYSS FOREVER!

We cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, one-hundred massive and long colored wolf tails, longer horn and longer red and orange Princess Cadance, Solar Flare, Princess Platinum, and mermaid tails, large gold halos with four large orbiting gold rings on each corner behind the heads and large gold Yata no Kagami mirrors with gold sun ring-shaped frame and embedded gems behind the large gold halos and four large gold Yata no Kagami mirrors with gold sun ring-shaped frames and embedded gems behind the four large orbiting gold rings, one-hundred large black and midnight blue planets orbiting around the legs, one-hundred smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and ninety-nine sets of large colored angel wings underneath the massive colored angel wings of Olivia Oceania, Flaming Marshmallow, Princess Neri Knudson, Marina Neptune, Princess Bianca Blizzard, Princess Aura Aquas, Winona Vandom, Vienna, Cadence Cadenza, Princess Charlotte Platinum, and Samantha Solar Flare are permanent.

Lincoln: And to this we say, goodbye...!

Me and Nico: AND GOOD FUCKING RIDDANCE, MESOGOG!

Connor McKnight: We're finally rid of Mesogog for good.

Tommy Oliver: That's for sure. Now, Reefside's finally safe from him, and that was a nice touch in draining him of all his powers, abilities, and arsenal, Lincoln.

Princess Charlotte Platinum: I never thought he'd do it.

Luna: Our bro really took a risk, but it paid off.

Nico: Too true. (To Abaddon Aeternus) And you also helped out greatly, Abaddon, and Andre told us about you.

Abaddon Aeternus: I knew he would.

Me: And we're going to help big time in getting rid of Nikolai Ondrushko, your dad wanted to maintain peace, but guys like Nikolai decided to ruin it.

Abaddon Aeternus: Along with Deacon Frost, which I wanted to thank you all for getting rid of him.

Lincoln: You're welcome. Frost caused too much trouble with his world domination schemes for the last time even getting the powers of La Magra, The Blood God.

Abaddon Aeternus: La Magra, The Blood God. Even his power paled in comparison to my father's, and you did the job of sucking Frost dry of his vampire powers and the powers of La Magra and made them yours. One day, I'll get you to drink the blood of my father, Nikolai won't go down without a fight, so we need to be ready.

Lincoln: Alright, that's good.

Nico: And that takes care of the Dino Thunder baddies

Me: Yep! But that was INTENSE!

Sarah Avalon: No kidding! Your power is unbelievable!

Me: Just wait till you see what I'm going to unleash on Lothor and Lord Zedd. That's when the kiddy gloves come off.

Nico: Oh boy.

Xenia: But that was intense!

Camie: It sure was!

Nico: Yep.

Laney: WOW! That was amazing!

Nico: Oh, Block Man, what do you like to do in your free time?

Block Man: I was originally made for construction purposes. I build buildings and more.

Me: I remember that.

Nicole: Me too. Dr. Wily reprogrammed you for destruction.

Me: Jerk.

Qin: Yeah.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Zarya and one of the Anothers is The Keyblade Knights of El, Earth from Chrono Trigger and Third Earth.

Emma Embryo: Friendly and awesome.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Apparently, we're gonna have to drive her away again, but before we can get after the thugs, we're going to find them already slain, and the person behind the massacre was Demon Eyes Kyo, and we'll also be meeting Yuya Shiina and Kyoshiro Mibu who came here to our world, and we're also going to find out about a connection between Demon Eyes Kyo and Caleb Maxwell as we uncover another dark secret, and after that, we'll drive Giselle Razor out again, but not before we send our warning: that if she ever, and I mean, ever comes after us again, we are going to kill her.

We had all of TLPS and The MOE with us.

Lincoln: Whoa, we're here in the world of Abzû, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we're going to swim in the sea and explore the marine life there.

Maria: Another marine adventure, sweet. But, I got a bad feeling that Giselle Razor isn't done with us yet.

Me: Knowing the bitch, she's probably sent more of her thugs after us again.

Nico: Well, we know what's going to happen to them, right?

Block Man: Yep, and we'll drive her away again.

Lincoln: Right, but as always, she will never learn her lesson and try to come after us again. Alright, let's get going.

We then began swimming around, and we saw the marine life there.

Maria: So awesome.

Nicole: This is really amazing.

Lily: You said it.

But, even as we swam, we saw that Caleb Maxwell was still distraught from last night. What did he see last night that gave him a nasty case of fright? We were getting really scared right now, but we hope we can get the answer on this rescue.

Then, we got to the surface and went back to the beach to deal with Giselle Razor's thugs and send Giselle Razor packing.

Maria: Alright, now to hunt down the bitch and her thugs.

But, then, Maria stepped in something, and what she saw freaked her out.

Maria: (SCREAMS) DEAD BODY!

She was right: it was the dead body of one of Giselle Razor's thugs, and it looked like he was cut down with a sword. But, we saw more of Giselle Razor's thugs and they too were cut down.

Eli: What the?!

Nicole: Whoa, all of them have been cut down with a sword. Who could do something like this?

Caleb Maxwell saw the whole thing, and his mind flashed back to last night.

Caleb Maxwell: This...this can't go on, not like this!

Then, we heard the ungodly rage-filled scream of Giselle Razor, and we went there at once, but once we did, we saw her fighting against three people: to our shock and awe, they were Demon Eyes Kyo, Yuya Shiina, and Kyoshiro Mibu from Samurai Deeper Kyo.

Me: No way.

Lincoln: That's Demon Eyes Kyo, Yuya Shiina, and Kyoshiro Mibu.

Caleb Maxwell: Demon Eyes Kyo? That's the man I saw, he was the one who killed 1,000 of the city's thugs last night, and worst of all, he knew my name!

WE GASPED!

Nico: Wait, you ran into Demon Eyes Kyo last night? That's the reason why you were distraught? But, how, you're not afraid of anything anymore.

Caleb Maxwell: I wasn't, but. You remember all the tapes you saw of how I had to run for my life to survive? When I saw into those red eyes, those memories from the past, they came back in full force, and almost immediately, I was reliving those nightmares from long ago.

Me: Uh oh.

Suddenly, Giselle Razor came after us in pure rage!

Giselle Razor: DIE!

But, Yuya Shiina shot her right in the arm.

Nicole: Nice shot.

Yuya Shiina: Thanks.

Kyoshiro Mibu: We were hoping we'd meet in a more appropriate time, Team Loud Phoenix Storm, that was until this evil woman tried to attack us.

Lincoln: That evil woman is a lowlife thug named Giselle Razor whom we've known since eight years ago, and she's been nothing but trouble.

Demon Eyes Kyo: Well, her thugs won't be causing any trouble.

Me: We warned you that if you ever came after us again, we'd kill you, Giselle.

Giselle Razor let out a scream of pure rage and she was forced to run and she fled back to the dark shadows where she belongs. We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate.

Nico: That'll teach her. But, Caleb, we need to ask, how did Demon Eyes Kyo even know your name?

Demon Eyes Kyo: That was because I knew of his ancestor on his mother's side.

WE GASPED!

Lincoln: Tell us what happened.

Caleb Maxwell: Okay.

The scene flashed back to 1600 with a man who looked like Caleb Maxwell, but was dressed in black nobleman clothes.

Caleb Maxwell: (Narrating) The story began over 400 years ago with my ancestor on Mom's side, his name is Victor Maxwell, he was an English nobleman who was a well-connected individual, but he had another side to him, he also had ties to some of the ancient vampire clans in Western Europe at the time before they came to New York and established Yuridia in 1776. Victor was after an evil man named Reginald Edwards, whom I'd found out was Dad's ancestor, and this evil man sought to kill all the ruling monarchs of Western and Eastern Europe. The Austrian Emperor and the ruling monarchs of Western and Eastern Europe issued their edict: Reginald Edwards is to be captured and killed, and The Catholic Church ex-communicated him. Reginald fled Europe and he wound up in Japan, and it was during a bloody battle Victor came face to face with a man with red hair and dressed in red armor, but the scariest thing my ancestor saw were his eyes: they were red like that of a demon's or even the vampires he'd been with. Victor felt the darkness coming from him along with catching the smell of blood in the air. Victor despite being overwhelmed by that feeling had to fight Demon Eyes Kyo if he wanted to kill Reginald, and he had his special weapon: a pair of enchanted firearms that were like the ones I wield, but Victor was no match for him.

Demon Eyes Kyo: However, I was impressed by his bravery to stand and fight me, he had the look of a warrior in his eyes, and he was spared. I wanted to fight him again on different terms, but that was until the fight with Kyoshiro and my eventual defeat and my body being frozen in time and my spirit inhabiting his body.

Kyoshiro Mibu: And as for Victor, he went after Reginald who was hiding in Osaka after the battle of Sekigahara and he killed him, and he returned to Europe. But, he didn't forget his encounters with Demon Eyes Kyo, that experience would haunt him for the rest of his life.

We were stunned.

Nico: Whoa..., okay now that was really haunting. Your ancestor survived an encounter with Demon Eyes Kyo and even fought him. He could've been killed.

Caleb Maxwell: That's what I feared, but he was spared from death, yet this would haunt him for the rest of his life, and now, four centuries later, he would meet the descendent of the man who fought him.

Kyoshiro Mibu: Caleb, your ancestor was indeed lucky to have survived.

Caleb Maxwell: He'd been with the vampires all his life and he'd fought in many battles, so he knew what it was like to come face-to-face with death, just like...me.

Lincoln: You're like your ancestor, Victor Maxwell, in every way, but now, we know there's more to the history of the hatred everyone had with your dad's family. (To Dagny Askildsen) And it's so good to see you again, Dagny.

Dagny Askildsen: (Norwegian Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Dagny Askildsen had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Dagny Askildsen was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Dagny Askildsen: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Dagny Askildsen's waist and hugged her, and Dagny Askildsen is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar,

Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Dagny Askildsen: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more

bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Dagny Askildsen, Avatar and Gene-Slammer of Svartalf of the Nordic Alfar, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Svartalf. Dagny Askildsen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Dagny Askildsen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Svartalf, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Svartalf, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: and that was Chandler, she hated him for all the times he tried to murder Lincoln and his family in cold blood, and she swore that if she ever saw him again, she would behead him and make the streets of Royal Woods run red with his blood.

Me: Lincoln told us everything yesterday, and we got rid of Dark Chandler. Sorry you missed out on it.

Dagny Askildsen: (Norwegian Accent) Aw.

Lincoln: But, we made sure he suffered for his crimes before we killed him, and now that you're here, Dagny.

Lincoln with his massive muscular arms still wrapped around Dagny Askildsen's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Dagny Askildsen: (Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Dagny Askildsen with pink gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The

Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Dagny Askildsen: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Dagny Askildsen.

Dagny Askildsen had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Dagny Askildsen's waist, and he leaned down to her face and kissed her on the lips, and with Dagny Askildsen's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Dagny Askildsen had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Dagny Askildsen: (Norwegian Accent) (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The five girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the twelve girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the twelve girls are Akane Hasegawa, Akino Sakagami, Ayaka Kobayashi, Hitomi Komori, Misaki Shinohara, Misao Takamine, Nagisa

Fujima, Natsumi Obata, Reina Kurashiki, Tsubaki Miyajima, Yuu Nozaki, and Yuuko Kawashima from Saimin Seishidou.

Lincoln: Oh whoa, it's Akane Hasegawa, Akino Sakagami, Ayaka Kobayashi, Hitomi Komori, Misaki Shinohara, Misao Takamine, Nagisa Fujima, Natsumi Obata, Reina Kurashiki, Tsubaki Miyajima, Yuu Nozaki, and Yuuko Kawashima from Saimin Seishidou.

Nicole: So, those were the girls Alfhild rescued, and Travis and Red were right to tell Dad and the others to hide, they're beautiful.

Lincoln: And to a psycho like Giselle Razor, more victims to slake her bloodlust. Are you girls okay?

Akane Hasegawa: Yes, we're okay thanks to you.

Then, when Akane Hasegawa and the eleven other girls saw who it was that saved them from Giselle Razor, their faces turned atomic red upon seeing the 12'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in Akane Hasegawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally

massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akane Hasegawa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akane Hasegawa, Akino Sakagami, Ayaka Kobayashi, Hitomi Komori, Misaki Shinohara, Misao Takamine, Nagisa Fujima, Natsumi Obata, Reina Kurashiki, Tsubaki Miyajima, Yuu Nozaki, and Yuuko Kawashima with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was another amazing underwater rescue.

May: And we drove Giselle Razor off and Lincoln took care of her thugs.

Lincoln: But, that was thanks to Demon Eyes Kyo along with Yuya and Kyoshiro.

Nico: And we also found out another dark secret Caleb didn't even know about even back when he was alive.

Me: And that his ancestor fought Demon Eyes Kyo and despite being outmatched, he was spared because of Kyo showing his respect for Victor Maxwell's bravery.

Eli: But, that also led to Victor being haunted by his encounter.

Cage Blunt: And not even the death of his hated enemy could get rid of that. Caleb was also haunted by his run-ins with me and Travis and with his rotten brother and his gang.

Travis Tackett: And The Big Claw Gang, and you guys aren't going to try and lie about it. We knew all about your run-ins with Caleb back when he was alive.

Shroud: Damn it.

Marlene Maxwell: And I still owe you lot for the trouble you gave Caleb back then as well.

Allie Maxwell: You guys might want to run.

They gulped in fright: they knew of Marlene's fury and she hates it when her son and daughter get hurt.

After Lincoln and all of us met Demon Eyes Kyo, Yuya Shiina, and Kyoshiro Mibu and Lincoln absorbed Giselle Razor's thugs and drove Giselle Razor away again, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Dagny Askildsen saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Dagny Askildsen: (Norwegian Accent) My God, I was right that Lincoln's really grown into an 18-year-old 12'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Dagny, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Dagny Askildsen: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Dagny Askildsen: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Cage Blunt got out a tape.

Cage Blunt: Okay, now you guys might want to hold on for this one. This tape I got here is from two months following Caleb's run-in with those two punks from Chinatown, and Jack and I were after Panther and Shroud, but it's also no surprise that Caleb was also on the prowl again. But, on that night, two of you guys wound up in our world, and it was thanks to the Dark Side of Lisa returning.

WE GASPED!

Cage Blunt put the videotape in, and it showed New York at night, and it's been two months following Caleb's run-in with those two punks from Chinatown, and Jack Howard and Cage Blunt are pursuing Panther and Shroud of The Big Claw Gang.

Past Jack Howard: Panther and Shroud are at it again, those two really don't know when to quit.

Past Cage Blunt: But, you got to hand it to them, those two always want to liven things up.

Suddenly, the moon turned red.

Past Jack Howard: Afraid that won't last for long, Caleb's running loose again.

Past Cage Blunt: Figures.

But, then, a flash of light also hit, and two figures came crashing down.

Past Cage Blunt: What was that?

Past Jack Howard: No idea, and it's right in the direction where Panther and Shroud were heading for.

They headed on over, and not that far away, the two figures who wound up there were Lori and Lynn.

WE GASPED!

Nico: No way! So, that's what happened to you two!

Luan: Dark Lisa was hoping to knock out Goten and Trunks and throw them in The Dark Dimension to be torn apart, instead she knocked out Lori and Lynn for turning their backs on Dark Chase Young, and she threw them there to be killed and frame Lisa for it.

Past Lori: When we get back, we are literally going to shred Lisa into mulch.

Past Lynn: Knowing Lincoln, he's going to do so before we can get back home, I hope.

Lori and Lynn headed into the city.

Past Lori: This looks like New York, but...!

Past Lynn: Everyone here are anthropomorphic cats. (Sees the red moon) And is the moon suppose to be red?

Past Lori: (GULPS) No way. We better find a way back or who knows what kinds of creepy crawlies are gonna come crawling out.

But, then, they saw Panther and Shroud run past them!

Past Lynn: Hey, you chumps! You better come quietly so the cops can put the cuffs on you.

Past Shroud: Oh yeah, and who's gonna make us, girlie?

Past Lori: You're gonna regret that, smartass.

BANG!

LORI AND LYNN DODGED AN INCOMING BULLET WHICH WAS HEADING FOR PANTHER AND SHROUD!

?: Panther, Shroud!

Then, Caleb Maxwell descended.

Past Lynn: (Senses Caleb's energy) Oh crud. Lori, we can't fight this new guy, he's really powerful, and from the feel of his energy, he can rip those two to shreds!

Suddenly, a portal opened up and Lincoln and I came out.

Past Lincoln: Lori, Lynn, come on!

They followed us, and we got them out as the portal closed.

Past Caleb Maxwell: This won't even stop me from...!

Suddenly, the siren blared and Jack Howard and Cage Blunt came out with guns out.

Past Jack Howard: Panther, Shroud, hold it right there.

Past Panther: Sorry, no can do.

Panther and Shroud left before Caleb could attack again, and the dark teen went after them yet again.

Past Jack Howard: Those two figures that came here are gone.

Past Cage Blunt: But, something tells me we're gonna meet them again real soon.

They left as the video ends.

Carter Kenrick: So, the two that came here, it was you two?!

Roxy Drake: And it was because of Lisa's attempt at revenge.

Goten: She tried to get us killed by throwing us in The Dark Dimension, but she knocked out Lori and Lynn and threw them there.

Cage Blunt: And did Dark Lisa get killed?

Trunks: Worse than that, Lincoln, Lori, and Lynn threw her in the wood chipper and she was shredded into fine mulch and he sent her to The Warp.

Jack Howard: Jeez.

Rita: She tried to frame Lisa for it, but Lincoln, when he found out, let's just say he went Papa Bear Loud on her and tore her apart. (Shudders)

Luna: We all saw what he did to her, and it was absolutely gruesome.

We got a shower, and then, Lincoln, Selene (Fairy Tail), Kichi Azusa, Fistina, and RID Skyjack are heading to Laverra Beach.

Lincoln snapped his fingers, and the 12'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Selene (Fairy Tail), Kichi Azusa, Fistina, and RID Skyjack were dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Selene (Fairy Tail), Kichi Azusa, Fistina, and RID Skyjack had feelings for Lincoln, and he also had feelings for them, and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Kichi Azusa: Wow, we're here in Laverra Beach, it sure is beautiful.

Lincoln: It sure is, Kichi, and it's perfect for our first date, shall we?

Lincoln, Selene (Fairy Tail), Kichi Azusa, Fistina, and RID Skyjack dived into the waters and as they started swimming, they saw the marine life that live in the sea. Then, they returned to the beach, and the girls gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving the girls a deep tissue massage, and when he was done, the girls were literally relaxed. Then, they had a game of volleyball, and they went to a workout area Lincoln created, and Selene (Fairy Tail), Kichi Azusa, Fistina, and RID Skyjack got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift one-hundred and two massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and one-hundred massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Selene (Fairy Tail), Kichi Azusa, Fistina, and RID Skyjack : (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and they went up to Selene (Fairy Tail), Kichi Azusa, Fistina, and RID Skyjack and hugged them in their abnormally massive and powerful muscular arms, and Selene (Fairy Tail), Kichi Azusa, Fistina, and RID Skyjack placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right trapezius of Selene (Fairy Tail), Kichi Azusa, Fistina, and RID Skyjack and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as it healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Selene (Fairy Tail), Kichi Azusa, Fistina, and RID Skyjack with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with four white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, Selene, Kichi Azusa, Fistina, and RID Skyjack are now in your harem, Linky.

Selene (Fairy Tail), Kichi Azusa, Fistina, and RID Skyjack showed the marks Lincoln made on the right sides of her neck.

Jenna: You had no trouble at all.

Kichi Azusa: Not at all, and I not only gave Lincoln a deep tissue massage, but he also gave me the same deep tissue massage, and he certainly had me swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and I was really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Nico: It's all true.

Joan: We fight them a lot!

Me: And he always calls me a, excuse my language, a motherfucking cur!

Beni: Geez! He really hates you!

Me: Yeah.

Ceylon: Why?

Me: Because I ruined his life. In 150,000 years, I destroyed his entire clan minus Mikoto here and a few as well as his entire reputation and surpassed him in terms of power every step of the way.

Rice: It's Total Karmic Justice for all the atrocities the Uchiha has done.

Nico: I've lost count how many times we've fought them.

Me: That is a big time understatement.

Nico: And you just told us where he is.

Me: Yep. Also you guys are going to see my rant I made for him. Also I have a special nasty surprise in store for him. I'm going to use my newest curse to destroy ALL the evil Sasuke Uchihas and all of the Uchiha Clans all over the Multiverse and Banish them all to the Black Abyss.

Nico: Except for one because Ino is going to face him on her day to shine.

Me: Yes we talked about that.

Nico: We need to make that one unique

Me: Good idea. All right Lets Commence Operation: Evil Sasuke Extinction.

Eli: YEAH!

We were off to Quarton!

We arrived.

Me: We're here!

Jared: WOW! So this is Quarton!

Mikoto Uchiha: It sure is amazing! Reminds me of the worlds of Lego.

Me: That was my first reaction too Mikoto.

Nico: I have nothing against our Evil Sasuke Rants. And believe me, I want nothing more then let them be a normal thing. But we got more villains to deal with.

Me: Especially with Anti-Monitor and his cronies running around.

I looked around.

Me: There!

We saw a figure and it was an EVIL SASUKE!

Me: Target sighted! Now watch this!

I FLARED UP MY POWER AND FLEW AT HIM!

Evil Sasuke was looking around and then without warning...

KRASMASH!

I smashed him on his face with devastating force and sent him crashing into a rock!

I landed.

Me: Hello you motherfucking cur! Miss me?

Everyone landed.

Nico: Nothing Personal... actually, it is personal. But we can't waste the remainder of the year dealing with you and your doppelgängers.

Me: That's right. We got much bigger fish to fry instead of having to deal with a coward like you. So we'll make this quick.

Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the jutsu in the world just to expand your jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I killed them all. YOU ALL FUCKING DISGUST ME!

The knights jaws dropped!

CLANG CLANG CLANG CLANG CLANG CLANG!

Eli put them back.

Venetta: That was amazing!

Bravenwolf: YEAH!

Evil Sasuke Roared in an incredible amount of rage and fury and he went into his LEVEL 2 Curse Mark Form and he went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! He was screaming in pain and then he was screaming in agony. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. He went at me some more and I dodged his strike and kicked him in the back and sent him smashing into a rock and he got up and fired massive blasts of lightning at me and I deflected them back with my sword and he got electrocuted all over and I punched him in the face and he went at me some more and I was making him madder and madder and madder and he was only making me stronger with all his hatred and more. I then punched him in the face and he went at me and I dodged him again and dodged him again and then I kicked him in the back again and sent him crashing into a rock and he got up and went at me some more and fired massive blasts of fire at me and I fired waves of massive fire blasts at him and the blasts collided and exploded with incredible power!

Massive fiery explosions were blasting off all over the place.

I fired elemental blasts at Evil Sasuke and he was firing blasts at me and massive fiery explosions were going off all over and turning the area into a raging inferno.

Natilee: YEAH! GET HIM DAD!

Venetta: J.D.'s power is amazing!

The Entire area around us was turning into a war zone! Evil Sasuke then fired a massive fireball.

Me: KAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive rainbow Fire Kamehameha Wave and it went through the fireball and destroyed it and it slammed into the Evil Sasuke and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Evil Sasuke was smashed into the ground with incredible force and I kicked him in the stomach with incredible power and he belched up a huge amount of blood and then I grabbed him by his shirt and threw him into the air and flew after him and kicked him in the face and knocked out some of his teeth and he jumped away and fired waves of fire and I fired waves of lightning and they overtook his fire and the blasts of lightning hit him all over and electrocuted him and then I fired a wave of wind and entrapped him in a tornado and then I fired a wave of fire and burned him all over in the tornado as it was turned into a fire tornado. When the tornado faded he jumped out and fired more fire blasts and me and I fired waves of crystal at him and they hit him and cut him all over the place and then I fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then I kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over.

Evil Sasuke got up and he was more enraged than ever before!

Evil Sasuke: (ENRAGED SCREAMING) WHAT IS IT WITH YOU!? WHY ARE YOU SO STRONG!? IT'S NOT FAIR! THAT POWER SHOULD BE MINE!

Me: You will never have my power.

Evil Sasuke then raised his right arm up and then I threw an energy disk and it slashed his right arm clean off! He screamed in excruciating pain as it was completely severed from his shoulder and he clutched the stub of his arm.

Evil Sasuke: YOU MONSTER!

Me: I've been called worse.

Venetta: Geez this Evil Sasuke is full of himself isn't he?

Natilee: You have no idea.

Me: You don't know how to love anyone Sasuke. All you care about is nothing but yourself.

Rice: I wonder if we should even use our monster forms on him

Sydney Burlington: Lets go for it!

They got into their jumpsuits and transformed!

Sheila fell on all fours and became Shredlegs!

Georgina turned into Stonebiter!

Maxxine turned into Queen Nail!

Kendra turned into Armorsight!

Rice turned into Razorfist!

Sydney turned into Quarry!

Nanette turned into Thunderlegs!

Irena: YEAH! Lets get him!

I fired a massive Kamehameha Wave and Evil Sasuke fired a Fireball blast and the blasts collided and exploded with intense and incredible power!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL AND FIERY EXPLOSION!

Me: KAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive rainbow Fire Kamehameha Wave and it went through the fireball and destroyed it and it slammed into the Evil Sasuke and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Evil Sasuke: (ENRAGED SCREAMING) WHAT IS IT WITH YOU!? WHY ARE YOU SO STRONG!? IT'S NOT FAIR! THAT POWER SHOULD BE MINE!

Me: You will never have my power. You will always be nothing more than a worthless weakling. Your hatred only does nothing but make you weak.

Evil Sasuke: SHUT YOUR FUCKING TRAP!

Me: MAKE ME!

Evil Sasuke then charged up his most powerful attack!

Evil Sasuke: YOU WILL BOW TO ME! WE ARE THE ELITE AND WE ARE THE STRONGEST!

Me: You are nothing but a low-grade amateur. (Charges up a Kamehameha Wave)

Evil Sasuke: SHUT YOUR FUCKING MOUTH AND BURN FOREVER IN OBLIVION! INDRA'S ARROW!

Me: You're the One that is going to oblivion you motherfucking asshole!

I fired my Rainbow Kamehameha Wave and Evil Sasuke fired his strongest Lightning Style Attack and the blasts collided and my blast pushed the Lightning Arrow back and then the lightning arrow exploded with incredible power!

KRABBBBBBBBBBBBBOOOMMMMMMMMMMMMMMMMMMMMMMMM!

Then my blast went through the explosion and it hit Evil Sasuke and he screamed in pain as it exploded!

He was down but not out!

Bravenwolf: UNBELIEVABLE!

Venetta: WHAT POWER!

Amore got out her Ridebook and read a verse and blasted Evil Sasuke!

Amore fired waves of magic and energy and blasted him.

Twilight and friends fired waves of elements and blasted Evil Sasuke all over!

Bravenwolf: Lets see what these can do.

Bravenwolf and friends read verses for The Jokerz from the X-Squad and blasted Evil Sasuke with pies and bombs!

Venetta: Okay that is funny!

Sunny Bridges got out his Ridebook and he read a verse and fired waves of music and blasted Evil Sasuke!

Nico punched him square in the stomach and kicked him in the face!

Nico: That is the pain you gave to your fangirls! No wonder they hated your fucking guts!

EVIL SASUKE GOT ENRAGED!

Evil Sasuke: SHUT YOUR FUCKING MOUTH YOU FATASSED SON OF A MOTHERFUCKING BITCH!

NICO GROWLED!

Me: YOU JUST MADE A BIG MISTAKE!

Nico: NO ONE CALLS ME A FATASS!

Razorfist: A cur is one thing! FATASS IS ANOTHER!

Nico punched and pulverized him intensely!

Me: You are the most disgusting freak of all! I Am going to enjoy ripping you apart piece by piece! Just ask your fucked up clan!

Evil Sasuke was REALLY PISSED NOW!

Evil Sasuke: YOU HAVE SOME FUCKING NERVE MAKING ME INTO A JOKE! I WILL KILL YOU ALL! I SWEAR IF IT'S THE LAST THING I DO! I AM NOT YOUR ENTERTAINMENT!

Then he flared up his power to the extreme and intense!

Evil Sasuke: (INSANE AND EXTREMELY ENRAGED SCREAMING) YOU LEAD ME TO THIS YOU MOTHERFUCKING FREAK! IT'S ALL YOUR FUCKING FAULT!

HIS EYES WERE GLOWING RED WITH INCOMPREHENSIBLE RAGE AND FURY!

Evil Sasuke: YOU MADE FUN OF SASUKE UCHIHA! NO ONE MAKES FUN OF THE UCHIHA CLAN!

HE WAS SCREAMING IN SO MUCH RAGE AND INTENSE FURY THAT IT WAS INCOMPREHENSIBLE! HE WAS COMPLETELY OUT OF HIS FUCKING MIND!

HE WENT AT US WITH SO MUCH RAGE AND FURY AND I PUNCHED AND KICKED HIM ALL OVER!

Venetta: HE IS COMPLETELY OUT OF HIS MIND!

MASSIVE NUMBERS OF INTENSE FIERY EXPLOSIONS BLASTED OFF WITH INCREDIBLE FORCE AND FEROCITY TURNING THE ENTIRE AREA INTO A MASSIVE AND INTENSE RAGING INFERNO OF EPIC PROPORTIONS!

I punched him in the face and really let him have it!

Apple White got out her Ridebook and read a verse and blasted him all over!

I fired waves of energy and blasted Evil Sasuke brutally!

Muichiro slashed him and read a verse from his book and blasted him!

Razorfist got him in her claws and cut him.

Nico punched him brutally all over in the stomach with NUMEROUS PUNCHES!

Nico: Lets see your Curse Mark form stand up to this!

Razorfist let him go.

Nico formed a powerful energy ball.

Nico: BIG BANG KAMEHAMEHA!

MASSIVE BLAST OF ENERGY!

EVIL SASUKE SCREAMED IN PAIN AS HIS CURSE MARK FORM WAS BURNED BAD AND HIS WINGS WERE BLASTED AND BURNED OFF! NICO REALLY BURNED HIS HAIR OFF TOO!

He had burns all over him!

Nico: NICE!

Razorfist: Like that?!

Evil Sasuke: I WILL KILL YOU!

He tried to use a jutsu but nothing happened!

Evil Sasuke: What the?

Nico: My Big Bang Kamehameha Wave completely destroyed your entire chakra network! You are completely powerless now!

Evil Sasuke: NO! NO! NOOOOOOOOOO! I HATE YOU ALL! I HATE YOU ALL!

Our auras flared up.

Nico: Thanks for the power boost!

But then an Aurora Beam hit Evil Sasuke and blasted him.

Me: What the?

We saw a Seel!

Me: WHOA! A Seel.

Nico: How did that get here?

Layla Williams: I think it's one of Dark Gale's work. Let me see.

She used Telepathy and gasped!

Layla Williams: Oh my gosh! It's my friend Athena Lorelai!

Me: (GASP) Wait you mean the legendary Blue Myth!?

Nergal: My goodness! I think Grodd and some of the former members of the Legion Of Doom mentioned her. She left a massive scar wound on Lex Luthor!

Nico: She deserves a medal!

Layla Williams: More than that! It's a Sky High tradition and superhero rite of passage! When you leave a mark on one of the Archnemeses of the greatest of all Supervillains of the Superheroes, you rise to the top of being the best and greatest of all students of Sky High and become a full fledge superhero!

Nico: I didn't know that.

Me: I never saw a scar on him when he came back but that is amazing!

Layla Williams: It sure is and Lex Luthor is Superman's most dangerous archnemesis. So that makes it the biggest ever! Also I'm one of her best friends and it's so cool.

Me: Yep. When did this happen?

Layla Williams: It was shortly before the great battle with Void Queen.

Me: Oh man! I had no idea.

Me and Layla went over.

Layla Williams: Athena it's me Layla.

All she did as use Ice Beam and we dodged it and it hit the ground and formed ice blocks.

Me: WHOA! Okay then.

I snapped my fingers and then she reverted back and was a girl with aqua blue hair, blue eyes, blue angel wings and had Seel on her forehead and had a swirl of water with a mermaid, centaur, angel, fairy, dragon and phoenix on her arm as a cutie mark.

I wrapped her in a blanket.

Athena Lorelai: (Groans) What? What happened?

Layla Williams: Athena? Are you okay?

Athena Lorelai: (GASP) Layla!

She hugged her.

Athena Lorelai: I'm glad you're okay! Where am I?

Me: You're on the planet Quarton and you were turned into a Seel by Dark Gale.

Athena Lorelai: (GASP) I remember!

She was in a blue suit and injected and turned into Seel! She ran out!

FLASHBACK ENDS

Athena Lorelai: It was awful.

Me: I know but we desrtoyed Dark Gale forever.

Athena Lorelai: Good. Oh I work as the Myth Water Master of the team and in my free time I'm a superhero now.

Me: Cool! And also congratulations on leaving your mark on Superman's most dangerous enemy Lex Luthor.

Athena Lorelai: Thank you.

Rarity: Lets get you some new clothes darling.

We gave her new blue clothes and a blue sword.

Athena Lorelai: I look amazing!

Me: You sure do. We're in the middle of a battle now sorry.

Nico: It's true.

Athena Lorelai: I know. Lets do it!

We went at Evil Sasuke!

I kicked him.

But then a massive stream of slime drenched him.

Me: EW!

Nico: OH SICK!

Venetta: What did that!?

Out came a girl with green blue hair and red eyes and had black clothes and wings and had a tiara with Mucilator on it!

Me: Megan Mucilator!

Nico: WHOA!

Megan Mucilator: (GRUNT) Finish him now!

Me: Right! Brittney?

Brittney: Lets do it!

She transformed!

Brittney: (SINGING DIVINELY)

I see a cold wind blowing through

I see days neither fun nor free

I see a future caused by you

I see a path not meant to be

The future should be filled with magic

Dreams and wishes brought to life

But the days ahead are dark and tragic

No time for hope when all is strife

Whatever might have been

All the dreams that ponies share

Because of you, Sasuke Uchiha

Now the future is a cold nightmare

Nico and Eli and the Tenkai Knights had shivers of fear go down their spines! Me and Brittney fired waves of light and dark magic and it hit Evil Sasuke and then...

WHOOSH!

MASSIVE STREAMS OF ENERGY FLEW OUT AND SPREAD OUT ALL OVER!

ALL OVER THE MULTIVERSE COUNTLESS NUMBERS OF EVIL UCHIHAS AND EVIL SASUKE'S WERE DESTROYED ALL OVER AND ERASED FROM EXISTANCE FOREVER AND THROWN INTO THE BLACK ABYSS! ALL EXCEPT ONE FOR INO'S BIG DAY AND THAT ONE WAS WITH ANTI-MONITOR!

EVIL SASUKE WAS OBLITERATED AND BANISHED TO THE BLACK ABYSS FOREVER!

Eli: WHOA!

Nico: UNBELIEVABLE!

Venetta: That was incredible!

Megan Mucilator: It sure was!

Me: Yeah!

I looked at my scanner and it showed only ONE Evil Sasuke Left!

Me: Only one Evil Sasuke left. The rest are gone forever.

Megan lost control and fired a stream of slime at Nergal.

He got drenched!

SPLAT!

Nergal: YUCK!

Me: SICK!

Nergal wrapped her in tentacles and then...

ZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPPPP!

SHE GOT ELECTROCUTED!

I fired the cure ray and injected her.

Me: There!

Rita Loud: Top this!

She fired waves of lightning and electrocuted her.

Rita read a verse and blasted her with lasers.

Athena Lorelai: Shall we use our old Power Move?

Layla Williams: In Team Loud Phoenix Storm we call them combos. Lets do it!

Athena and Layla: BLUE FLAME LEAF STORM!

They fired waves of blue fire and leaves and blasted her down and she really got smashed!

She then got up as the antidote took effect and her green eyes were back.

Megan Mucilator: (Groans) What hit me?

Me: Really hard attacks.

Megan Mucilator: My body feels really numb. What happened?

Me: Electrical attacks.

We helped her.

We went back to Earth

Guren: Lori, ever since I met you, Jessie, and Joan, I've seen you as sisters

Lori: Really? OH GUREN!

They hugged!

Me: I guess we're ALL family now.

Nico: You sure are!

Eli: Awesome!

Hitch Trailblazer: Awesome! And I guess all that's left is me for my turn.

Me: Yep.

We all later came back.

May: Hey guys. How did it go?

Me: The Loud Kids are all officially covered. And it was epic!

We told them all about it!

May: WHOA! So most of the Evil Sasuke's are all gone!?

Ino: And this is gonna be awesome!

Nico: Yep.

Qin: Boy awesome way to close out Lori's missions with a bang.

Nico: For the last Ambassador missions of the year, it's going to be Hitch Trailblazer, Shanan Knudson, and Deborah.

Me: Awesome!

Shanan: Cool! Looking forward to this.

Hitch Trailblazer: Same here!

Nico: Yeah!

Later we were at the Chortle Portal for the Laugh Off!

Qin: I can't wait for this.

Nico: Me too. It was all J.D. and the Mascots idea to do this.

Kaito: I really hope they're not drunk for this.

Nico: They won't be.

Then we came out!

Xenia: That was funny!

Me: (LAUGHS) Yeah!

Luan: That was funny!

Eddy: (LAUGHS) Yeah it sure was!

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yeah.

Eddy: You did good, babe!

Luan: Thanks! That was funny!

Ymir: Boy it sure was! Those jokes you did were hysterical and funny! I've never laughed that much! Also where did you come up with jokes like that?

Me: Oh we had an incident happen where Lincoln was telling jokes about Southern People. So I came up with an alternative and that was to tell jokes about our enemies.

Lincoln: It's true.

Liam: Yeah Lincoln learned a lesson too.

SpongeBob: Yeah take it from me. I had to learn that the hard way myself with jokes about Squirrels.

Ymir: Oh I get it! But that was so funny!

Ace: Southern Jokes and Squirrel Jokes are honestly racist

Lincoln: Exactly!

Me: Yep. Whew! That was still funny though.

Nico: Those jokes about Flip and Billy and Vicky were hilarious!

Me: Yeah they were!

WE HEARD REALLY INFURIATED SCREAMING COMING FROM LYNN'S TABLE! It was from the clones of Flip, Billy and Vicky and MAN WERE THEY PISSED!

Nico: They saw it.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our shock, it was Great King Bokkowaus, he's returned and he wants revenge. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: HOLY SMOKES! WE GOT TROUBLE!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our shock, it was Great King Bokkowaus, he's returned and he wants revenge.

EVERYONE GASPED!

Kaito: Bokkowaus is back?!

Zarya: I remembered you telling me about him, Kaito.

Me: About time he showed himself. It took 2 years for him to appear!

Eli: And I remember him, he's the Zenkaigers' Public Enemy Number 1, and he's bound to use the power of so many Sentai teams.

Lincoln: We faced Super Warumono World back in 2022 on Zarya's big day, and back then, he had the Disney Villains, Luthor, and The Joker with him and we also had to deal with Tazma Grimm who was resurrected by Jezebel Lanira of The Church of Necrom. Now, here we are two years later, and we are finally getting our chance to destroy him for good.

Me: You said it, a sequel to our battle with Super Warumono World, but this time, the Disney Villains, Luthor, and The Joker won't be interfering.

Nico: And with Vypra keeping an eye on that shadow bitch, Tazma Grimm, and we'd since gotten rid of Jezebel Lanira along with those other fucked-up Church of Necrom psychos, now we got to deal with Public Enemy Number 1. Alright, team, let's get to Japan.

Lincoln: Bokkowaus, your time is finally up, this is where your dreams of conquest end here.

The previous group came.

Mumbo Jumbo: We saw your performance and Vypra and Dark Spicer REALLY WERE LAUGHING HYSTERICALLY!

Knightbrace: We've never seen them laugh that hard before! Nice job guys!

Me: Thanks!

King Shark: Can me, Whirlwind, Molten Man, Koragg, Mumbo Jumbo, Knightbrace, Fixer, Electrocutioner, Control Freak and Vulkanus go with you guys?

Nico: Yes you all can come with.

Qin: Cool.

Me: (LAUGHS) Sorry. I got the giggles.

Nico: No worries.

Trolling Thunder: Nico, which Gene Slammers do you think you'll meet next?

Nico: Number 68: Sanaphond the Sky Prison and Number 67: Pair-a-Dice Smasher.

Me: WHOA!

Qin: Cool!

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Amara Emerson, Amelia Emerson's psychotic sister, and she's coming for us and she wants blood. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Amara Emerson, Amelia Emerson's psychotic sister, and she's coming for us and she wants blood.

Chloe Rose: Then, it's our job to make sure she gets sent to The Black Abyss.

Lincoln: Right, Chloe.

Nico: That psycho sister is done for. Alright, team, let's go, the time to destroy Great King Bokkowaus for good has finally come.

Lincoln: We'll make sure he never returns again, and if Super Warumono World also shows up, I'm going to absorb him, and once we get done with the king himself, you're finished, Amara Emerson.

Chloe Rose: You've done some really messed up things for the last time, Amara Emerson, now it's time for you to disappear once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Japan and send Great King Bokkowaus straight to The Black Abyss forever, and once we get done with him, Chloe Rose A.K.A. Glitter Breeze and Lincoln are going to destroy Amara Emerson and send her to The Black Abyss where she belongs.

We were off to Japan

We arrived.

Me: Always fun to be in Tokyo.

Kaito: It sure is.

Whirlwind: Let's call Knightbrace.

Knightbrace:...I'm already here

Whirlwind: Oh sorry.

Ymir: So who is Great King Bokkowaus anyway?

Eli: He's the main bad guy of Zenkaigers.

Me: Zenkaigers was made to commemorate 45 years of Super Sentai Power. Great King Bokkowaus wanted the power of the Multiverse all for himself to rule.

I went over his history.

Great King Bokkowaus is a colossal circuit board-like being who lords over the Tojitendo and the main antagonist of the 45th Super Sentai series, Kikai Sentai Zenkaiger.

He seeks to conquer the entire multiverse and bring all their worlds under his thumb. Prior to coming to the world of the Zenkaigers, Bokkowaus took over numerous other realities, including those of the other Super Sentai, by trapping them in Tojiru Gears. His main goal is to destroy Zenkaigers to make them not to stand at his way of the multiversal conquest. He is also Zenkaigers' archenemy, especially Kaito's.

He is voiced by Jouji Nakata, who previously portrayed several other Super Sentai villains included Sir Cowler, Great Professor Bias, Azald and Tankjoh.

Bokkowaus was born in the Tojitendo empire. He was the son of the previous ruler of the dynasty. After the death of his late father, Bokkowaus inherited the throne of Tojitendo and became the ruler of the dynasty. He also employed the two generals: Mobile Commander Barashitara as his second-in-command and field general and commander and Izirude as his resident genius. In addition, Bokkowaus found and befriended a mechanical bird named Gege, who became his personal assistant and advisor.

Under Bokkowaus' instruction, the Tojitendo invaded numerous parallel worlds and trapped them in Tojiru Gears to harness their power. Eventually, they were able to lock up every parallel universe, including the 44 worlds of the Super Sentai, leaving only one world remaining. After one month, Bokkowaus demanded a status report from Izirude on the status of the invasion of the final world. Izirude reported that it was still the only world left, to which Bokkowaus expressed his fury at the fact that they still had not made progress on the invasion. Izirude explained that, for an unexplained reason, they were unable to trap the world in a Tojiru Gear and that, furthermore, a chunk of Kikaitopia had somehow fused with it. Gege then suggested that they just invade it with their ground forces and expand the Tojitendo's territory, to which Bokkowaus agreed and appointed Barashitara to lead the invasion. Summoning up a force of Kudakk, Barashitara attacked the world, only to be met by Zenkaizer and Zenkai Juran of the Zenkaigers.

Bokkowaus was appalled at the news that Barashitara had used the Gomitopia Tojiru Gear to create Garbage World and convert the Earth into Garbagetopia. The idea annoyed him so much that Bokkowaus questioned Barashitara's sanity and slammed him down since he refused to rule over a world made entirely out of garbage. Barashitara claimed that Izirude will be able to create a colossal vacuum cleaner to remove the trash but Garbage World was swiftly defeated by the Zenkaigers.

After witnessing the power of the Geartozinger wielded by Stacy, Bokkowaus commended Izirude for his engineering talent. When Stacy's summons suddenly disappeared however, Bokkowaus demanded an explanation from Izirude, who stated that Stacy had summoned so many mechas the Gear had run out of power.

Following Stacaeser's defeat at the hands of Twokaizer, Bokkowaus demanded another explanation from Izirude and pounded his fist so hard it caused Izirude to fall over. Izirude told Bokkowaus he would develop a countermeasure at once before getting up and telling Stacy to come with him.

Bokkowaus was furious to hear from Barashitara that Twokaizer was still on the loose and pounded his fist with enough force to send Barashitara flying in the air. Gege then told him to calm down and noted that Izirude was already working on a countermeasure to him. Bokkowaus then inquired if the Zenkaigers and Twokaizer teaming up would be a problem, but Barashitara stated he found the Zenkaigers joining forces with Twokaizer to be unlikely. He was proven to be right when Zocks Goldtsuiker refused to join the Zenkaigers after the defeat of Great Noon World, opting to instead operate on his own.

As Onigokko World gave his report and Barashitara and Gege commented on the progress he was making, Bokkowaus ordered the World to go back out into the field and continue making people "it".

Bokkowaus later asked Barashitara what the status was on his next plan, to which Barashitara answered that it would be in motion shortly. Gege then told Barashitara not to screw up, as Bokkowaus' pressure was on the rise, leading Bokkowaus to give Gege a pet for being considerate.

Having witnessed Barashitara's scheme involving the Recycle World, Bokkowaus inquired into his plan to play the Zenkaigers and World Pirates against each other. Barashitara answered by noting their differing motives and stated he believed he could get them to fight by creating a situation where the Zenkaigers' selfless motives conflicted with the World Pirates' more selfish ones. Bokkowaus then noted how Twokaizer appeared to be searcBarashit the Tojiru Gears, to which Gege commended Barashittara for making use of intel Izirude looked over.

Barashitara was disgusted when a Kudakk sent to attack the Earth with a Kudaiter returned as the sole survivor and prepared to kill him with Bokkowaus being equally angry. However, when a Tojiru Gear fell down after Bokkowaus pounded the ground, Gege suggested punishing the Kudakk by infusing it with the gears power. Bokkowaus agreed and Izirude inserted it into the Kudakk which created Super Warumono World who was later destroyed by the Zenkaigers.

Izirude revealed to Bokkowaus that he based Stacy's Geartozinger on the Zenkaigers own arsenal much to his surprise but also admiration. Even so, Stacy later had to withdraw due to overusing his Sentai Gears.

After the destruction of Great Carrot World, Bokkowaus questioned his generals about one of the Worlds missing and Great Omikuji World returning back into a Kudaitest. He suspects it as a scheme but Barashitara moves the tension to Gege. Bokkowaus scolds both Izirude and Barashitara for insulting Gege, later granting Gege's request on his own Worlds. He then is informed that the Zenkaigers know of their plan and it concludes Bokkowaus to presume there is a spy in palace, which enrages him in darkness. In the moment, Gege asks Izirude to bring him all the Tojiru Gears.

Prior to the Zenkaigers raid, Bokkowaus gathered all the Tojiru Gears and plans to absorb them all given it was his birthright; later being informed of the Zenkaigers arrival. Afterwards, the Zenkaigers meet Bokkowaus to confront him but are bounced abruptly out of the palace by Buccowaus flipping the platform they were on.

Following the death of Izirude, Bokkowaus absorbed more Tojiru Gears and was interrupted by the Zenkaigers, again. He tried to flip the platform, again. But the Zenkaiger's managed to quickly grab on to Magine who uses her broom to prevent them from falling. It led to Gege defending Bokkowaus, while he spinned the platform they were on to ensure that they were unable to attack Gege. After the Zenkaigers enlarged Secchan with the Shinkenger Gear, and he did battle with Gege. God then possessed Gege and informed the Zenkaigers of Bokkowaus' weakpoint as well as insulting Bokkowaus to his core, emotionally wounding him and resulting in him slapping Gege destroying the mechanical bird. Moments later, he mourned his death and absorbed one of his wings, expressing his line of royalty and their relationships with their pets, exerting his anger; began to disassemble from his wall state, revealing his final, battle form. Obtaining this new form, Bokkowaus proceeded to state this as a tradition in order to defend the Tojitendo Dynasty, later moving himself and the Zenkaigers to Iwayamatopia for battle. Bokkowaus then showcased his new powers when absorbing all the Tojiru Gears by attacking each Zenkaiger with their own Sentai theme. After defeating them, he claimed superiority over the Dynasty's reigns and continuity, giving the Zenkaigers a reason to fight back. Ready to obliterate them, he suddenly got stripped of Tojiru Gear Sentai powers and was helpless, but still engaged in an intense battle against them. In the final moments, he wss pierced by Super Zenkaizer but held his own boasting. From the back, he was gunned by Juran and the other Kikainoid Zenkaigers in his weak spot with the Zenryoku Zenkai Cannon. Trying to convince them otherwise, all five Zenkaigers performed a powerful ongoing-double attack, which led to his agonizing death and the cleansation of Kikaitopia.

When I was done everyone was shocked!

Ymir: WHOA! That is nuts!

Qin: Yeah no kidding!

Tsuyoshi Kaijo: He tried sealing me and. my fellow Sentai except the Zenkaigers into gears.

Gemini Man: But Nico stopped that from happening

Nico: I sure did.

Me: I remember. 2 years ago on Zarya's big day we battled Super Warumono World. We had all the rangers from Gorengers to Dino Fury with us back then to help out.

Zayto: I remember that. That was the first time we helped you guys.

Cornelia: It sure was.

Poromon: Also we battled Officer X the last time too.

Mumbo: From what you guys told us, he's able to use the abilities of all the Sentai teams before Zenkaiger

Me: Yep. He has all the powers of all the teams from 1975 to 2019. Before Zenkaigers.

Nico: Yep.

Lincoln: But even with all that power we still came out on top.

Nico: Yep.

Lincoln: The Hititsu Sentai Gorenger team was awesome back then.

Me: It sure was.

Lincoln: Lets use their powers too.

Me: Good idea.

Supernova Zap: We don't expect him to use all of them. At the very least, he'll use 24.

Me: Well we're ready for him. He has no idea what he is up against.

Nico: Yeah. This time Super Warumono World doesn't have Lex Luthor and cronies to back him up.

Me: Yeah. Also Bokkowaus is gonna be in for a punishment like no other.

Fixer: Hard to believe he was bolted to a wall before

Me: I have a feeling he is not going to have that happen to him.

Nico: Me too.

Zarya: But I'm ready for him.

Slugfest: Who enjoyed the jokes earlier?

Everyone and all of us raised our hands.

Slugfest: Wow! No contest on that.

Qin: Yeah.

Control Freak: Who should I summon for this?

Nicole: How about Metroid Prime?

Control Freak: Awesome idea.

Lincoln: Cool! WHOA! I just saw who we're going to face for the Akuma. Her name is Lady MoonLupus! The Hypothetical Akuma of Zarya Moonwolf and she is a powerful angel of the Wolf Moon. She is a powerful and deadly angel warrior that represents the Full Moon of January. She has a very powerful sense of honor and justice. She was made because of Necrafa causing so much trouble to Gemina and vowed to make that horrible Lich Queen pay the ultimate price for all of her crimes.

WE GASPED!

He showed a sketch of her and she was an angel wing blue wings and had grey ears and a grey tail and was beautiful!

Me: WHOA!

Zarya: My Akuma is beautiful!

Leozack: She sure is

Nico: Nice.

Me: Let me face her. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON! 🌙

Me: Here we go. (HOWLS) (ECHOES)

Wolf Howls were heard.

Me: She's coming. I hear her.

Flying in was LADY MOONLUPUS!

Me: WHOA!

Lady MoonLupus: Hey guys and J.D. you look amazing.

Me: Thanks!

Vulkanus: Zarya? Is that you?

Lady MoonLupus: It's still me Vulkanus. I heard you guys killed Necrafa.

Me: Yes we did. She is gone for good.

Xenia: Yep.

Lady MoonLupus: I will calm down after you guys take me down.

Knightbrace: I was just about to ask you to calm down

Me: Lets get it on.

I fired waves of blue fireballs.

Knightbrace squirted toothpaste into her eyes and knocked her down.

Lady MoonLupus: My turn.

She fired waves of blue fire and I absorbed it.

Knightbrace then tied her up with dentalfloss.

I fired waves of blue fire from my scythe. She was knocked down.

Me: Take that.

I reverted back.

Me: That was fun.

Viceroy: And now, for the more powerful target

Me: Yep.

We heard the malevolent laughter of Great King Bokkowaus as he's causing havoc in Japan, along with Super Warumono World.

Nico: Time to put a dampener on his mood.

Lincoln: Let's do this, and we've got a little surprise in store for him. (Sensed Amara Emerson) Nice try, Amara.

Lincoln fired gold spider silk and tied up Amara Emerson who was trying to attack us.

Lori: It was easy spotting you since you're still crazy. We'll deal with you later after we take care of our big problem.

We took off into the air to attack Great King Bokkowaus and Super Warumono World.

Great King Bokkowaus: (LAUGHING MALEVOLENTLY) GO AHEAD AND RUN, FOOLS! But, you can never escape! ALL WILL BE DESTROYED!

Lincoln, his sisters, and harem: Galactabeasts, Activate Lightning Mode!

The Galactabeasts of The Elementus Galaxy activated their Lightning Mode, and they had lightning surrounding them and they fired powerful blasts of lightning at Great King Bokkowaus and Super Warumono World and they got electrocuted bad and their forces were also exterminated!

Suddenly, the spirits of The Power Rangers from 45 years appeared and they attacked Great King Bokkowaus and Super Warumono World and we also threw Draven Jacobs in as well and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive explosion erupted as a Thunderbird Screech, Wolf Howl, and Phoenix Cry was heard and we appeared, and this made Great King Bokkowaus and Super Warumono World even more pissed off than ever.

Nico: Figures you'd return for more, Super Warumono World.

Me: So we finally meat at last Bokkowaus!

Great King Bokkowaus: Team Loud Phoenix Storm. Nice of you to arrive to your demise!

Me: And we knew you'd make your move, Bokkowaus. Too bad we're more than ready for you, and we're more powerful than last time.

Great King Bokkowaus: I don't care! I WILL DESTROY YOU ALL AND THE ENTIRE WORLD WILL BE MINE!

Lincoln: Shut up already, you broken one-track record. NOVA DEATH RAY!

Lincoln held out his left hand and four large focusing lenses formed, and he fired a beam of red energy and fire which went through the focusing lenses and made it even more powerful than ever and it hit Great King Bokkowaus and Super Warumono World and they got hit hard and burned badly!

Great King Bokkowaus: OUCH! WHY YOU...! SUPER WARUMONO WORLD, GET HIM!

Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into Super Warumono World's chest, and he began absorbing him and he assimilated Super Warumono World's World Creation, Resurrection, Dimensional Attack, Self Growth, Izu Caliber, Lightning Blast, Circadian Manipulation, Trash Cloud, Enhanced Durability, Enhanced Reflexes, Sharp Claws, Pincer, and Plug Lancers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, Super Warumono World was severely weakened to an extreme degree and he changed back to his normal form and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

I fired waves of energy and blasted them both!

Kaito: It's over, Great King Bokkowaus!

Great King Bokkowaus: No, it isn't! You may have stopped me from sealing the Sentai worlds. But with this Monitor Orb, I can tap into their powers! Behold!

MegaRed's head appeared on his chest

Electrocutioner: EVERYONE, TAKE COVER!

He fired energy beams and I fired waves of energy and the blasts collided and exploded!

They fired a massive spirit bomb powered by the all the Super Sentai throughout the years at Super Warumono World and Bokkowaus.

Knightbrace: Time for me to finish you off!

He fired toothpaste and dentist hooks.

Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into Great King Bokkowaus' chest, and he began absorbing and assimilated Great King Bokkowaus' High Intelligence, Leadership, Superhuman Strength, Lightning Projection, Absorption, Enhanced Power, Size Alteration, World Change, Iwayamatopia, and the Sentai Powers: Gorenger Power Zyuranger Power, Gaoranger Power, Magiranger Power, and Boukenger Power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, Great King Bokkowaus was severely weakened to an extreme degree and he changed back to his normal form and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Me: Your conquest is finally over!

Lincoln: And as an added bonus, we've also gotten rid of Super Warumono World as well. Now, we are finally rid of the Zenkaigers' most dangerous enemies forever. Alright, now there's one last loose end to tie up: Amara Emerson.

We turn our attention to Amara Emerson who got back up despite getting her legs shot by Caleb Maxwell, and she still had a knife in hand.

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death once more. Amara Emerson, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Time to die, bitch!

Lincoln, Chloe Rose, Nico, and I went after Amara Emerson and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Amara Emerson, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Chloe Rose did the same by firing French sky blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive Mage's staff, and Lincoln, Chloe Rose, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Amara Emerson even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Amara Emerson and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Amara Emerson and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword.

Finally, Chloe Rose and Lincoln fired a massive blue energy beam with holy nature at Amara Emerson, and the blasts sent her flying out into space, and...!

KRABOOM!

THE BEAM EXPLODED OUT INTO SPACE AND AMARA EMERSON WAS KILLED IN THE EXPLOSION AND SHE WAS SENT TO THE BLACK ABYSS!

We cheered wildly as we holstered our weapons and powered down and Chloe Rose's new body, clothes, weapons, jewelry, Third Eye, one-hundred massive and long deep Koamaru wolf tails, large gold halo and large gold Yata no Kagami mirror with gold snowflake ring-shaped frame around it with embedded blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold snowflake ring-shaped frames around them with embedded blue gems behind the gold rings behind her head, one-hundred large deep Koamaru planets orbiting around her legs, one-hundred smaller deep Koamaru planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized deep Koamaru planets orbiting around her wrists and ankles, and massive deep Koamaru angel wings and ninety-nine sets of large deep Koamaru angel wings underneath her massive deep Koamaru angel wings are permanent.

Chloe Rose: We did it, now we are finally rid of the last of Dark Sebastian's vengeance. Thanks for helping me get rid of Amara Emerson, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Chloe.

Me and Nico: Our pleasure, Chloe.

Suddenly, Chloe Rose wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Chloe Rose's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Chloe Rose sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Emily Anderson: That was so awesome! Chloe, you transformed, and you and Lincoln really let that idiot have it.

Candy: That's for sure.

Pop: Indeed. Plus, you got rid of the last of Dark Sebastian's instruments of revenge.

Ricky: Now, his last attempt at revenge has been foiled.

Me: That's right. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Nordic Beast Gullinbursti and the Nordic boar, Gullinbursti.

Lincoln: The Vegvisir and the Duel Monster, Nordic Beast Gullinbursti and the Nordic boar, Gullinbursti.

Astrid Michelsen: (Norwegian Accent) There's one person who fits that: Anniken Johansen, Avatar and Gene-Slammer of Nordic Beast Gullinbursti, and you guys are going to love meeting her, Anniken Johansen, Avatar and Gene-Slammer of Nordic Beast Gullinbursti, is Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Gullinbursti. Anniken Johansen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Anniken Johansen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Gullinbursti, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Gullinbursti, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there were two gorillas whom she'd been wanting to kill all her life: and they were none other than those two no good destructive gorillas, Hawk and Hank, she hated them for all the times they tried to murder Lincoln and his family in cold blood along with what they did in trashing Royal Woods on Halloween and for what they did in murdering Cillia Cyberdark long ago, and she swore that if she ever saw those two big gorillas again, she would behead them and make the streets of Royal Woods run red with their blood.

Nico: Oh shit! So, we're not the only ones who hated those big gorillas.

Me: When the big day comes, we'll make those big gorillas pay for what they've done in the past.

Lincoln: And for what they did murdering Cillia Cyberdark, I'm not going to stop until they are dead in a pool of their own blood.

Me: Yep

Pterodactyl Ghost: I think we learned something today.

10,000 Volt Ghost: What's that?

White Lightning: Battles against Zenkaiger villains are always epic.

Me: That is for sure!

Ice Demon: I agree with that.

Zarya: That was awesome!

Goro: Let's celebrate at Candy Cafe Colorful

Me: Good idea!

Nico: YEAH! Great job today everyone!

I went over to Zarya and then we kissed!

Everyone: Awwww!

Kaito: (To the viewers) Boy this was an awesome adventure! Hope you all thought so too.

Nico: Yeah.

We went to Candy Cafe Colorful and had fun.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: Whew, man, that was one awesome day.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there lying on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was Vinna Laval and she was posing seductively, and when Lincoln saw her, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Vinna Laval: (Seductive Voice) Like what you see, wolf hunk?

Lincoln could only nod, and then, Vinna Laval went up to Lincoln, and she stripped him of his white and gold-trimmed shorts, gold-armored knee-high boots, and orange loincloth, and leaving him in his underwear, but she really aroused him.

Vinna Laval: (Rubs Lincoln's massive pecs) You're even more of an impressive hunk especially in your underwear, now I can see more of your built manly legs and the very thing that has gotten the girls in your harem pregnant with many children. (Seductive Voice) And satisfied them every single time and every night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Then, Lincoln wrapped his arms around Vinna Laval and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and Vinna had her hand on his underwear about to remove it and leave him in the nude, and his entire harem dressed only in strapless bras and panties also appeared as well.

Lincoln: (Seductive Voice) (Smirks) Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Budapest, Hungary, and we got word that Lucian, the leader of the Lycans has returned from the dead, along with the Lycans who were loyal only to him, but we're not going to kill him and the Lycans loyal only to him. We're going to take them down and send them to The Masters of Evil. The reason is this: Lucian became cold and ruthless after his vampire wife, Sonja, Viktor's daughter, was executed by being burned alive for loving him. In the climax of Underworld, Lucian saw that what Selene and Michael were going through was similar to his own situation centuries ago when he was with Sonja, and he redeemed himself in the end by saving Selene from Kraven by stabbing him in the leg with a knife and he told Selene to bite Michael, because he knew that only a hybrid of Vampire and Lycan can kill Viktor, and Mr. Wolf is going to transform and really let loose on the

The Youngest Avengers VS Aliens

This is for The Power Pack's Day to Shine

In the early morning hours at 12:10 AM, Lincoln had a dream, and he saw two figures hiding out and living in Sandy, Utah. But, this was no ordinary two figures, they were Shockwave Loud, son of Lincoln's future wife, Doll. Scarlett Knight, daughter of Lincoln's future wife Zaira (Lord of Heroes). Isabella "Isa" Loud, daughter of Lincoln's future wife, Boom Bloom. and Sara Kamori / Kitsune, daughter of Lincoln's future wife, Kiriko Kamori. Lincoln woke up from the dream, but he wasn't the only one, Doll, Zaira (Lord of Heroes, Boom Bloom, Kiriko Kamori, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Boom Bloom: And it also means that we found out where our kids are at.

Me: They're at Sandy, Utah.

Nico: The same place when we found Thunder-Wing and Blade-Hands? Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Doll, Zaira (Lord of Heroes), Boom Bloom, Kiriko Kamori, Black Alpha, Me, and Nico were heading to Sandy, Utah. Then, Lincoln saw a 14 years old human-Worker Drone hybrid who has short dark indigo hair, and one large neon red eye. He also replaces his left arm with a large cannon with an ammunition belt attached from his back to his cannon. he wears a maroon vest with yellow sleeves, a black T-shirt, and red boots. A 16 years old girl who has dark tanned skin, long dark red hair, and silver eyes. She wears black shirt with pink top and short sleeves, netting arm sleeves, pink shorts, black leggings, white ruffle socks, and pink mary janes. she wields a battle mace called the Devastator. A young and beautiful 16 years old girl who has fair skin, blue eyes, long dark brown and white hair with fox ears and green stripe and a kitsure mask. She also has white long thick twin tails with pinkish tips on the rear. She wears white and pinkish kimono mini dress, netting leggings, and brown zori sandals. And a olive green and tan humanoid plant with one blue single eye in the middle of her face, four vine-like insect legs, four long fingers with tan claws on her hands with black arm guards, large flytrap-shaped flaps with teeth at the waist is simpler and sharper, blue secondary eyes on each of her black shoulder-esque jaws, and large pink rose around her neck and top of her head. Lincoln saw who they were, they were Shockwave Loud, Scarlett Knight, Isabella "Isa" Loud, and Sara Kamori / Kitsune.

Lincoln: Excuse me, are you Shockwave, Scarlett, Isa, and Sara?

Shockwave Loud: Indeed. Identify yourselves?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Doll, Zaira, Boom Bloom, and Kiriko Kamori came out, and when Shockwave Loud, Scarlett Knight, Isabella "Isa" Loud, and Sara Kamori / Kitsune saw them, they were stunned. Especially Shockwave Loud despite him being emotionless.

Isabella "Isa" Loud: Mother?

Boom Bloom: I'm here, my little plant.

Shockwave Loud, Scarlett Knight, Isabella "Isa" Loud (whose shape shifts into her human form; A Colombian human girl who has long brown and white hair with green streaks, and brown eyes. She wears maroon tank top, dark green pull on cargo capri pants, and brown flip flop sandals.), and Sara Kamori / Kitsune ran up to Doll, Zaira (Lord of Heroes), Boom Bloom, and Kiriko Kamori, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Doll, Zaira, Boom Bloom, Kiriko, your mothers are one of my many future wives.

Shockwave Loud, Scarlett Knight, Isabella "Isa" Loud, and Sara Kamori / Kitsune: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Scarlett Knight, Isabella "Isa" Loud, and Sara Kamori / Kitsune with joy, while Shockwave Loud remain emotionless, but he glad to hear it, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Shockwave Loud, Scarlett Knight, Isabella "Isa" Loud, and Sara Kamori / Kitsune to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Doll, Zaira (Lord of Heroes), Boom Bloom, and V with their kids, and Shockwave Loud, Scarlett Knight, Isabella "Isa" Loud, and Sara Kamori / Kitsune now has a loving, strong, brave, and caring father in their life. We went back to sleep.

* * *

In the early morning hours of 12:24 AM, Lincoln was asleep along with his harem, but then, he felt a very powerful presence, and he woke up.

Lincoln: What was that?

Lincoln got dressed, and Nico and I woke up too.

Me: Lincoln, what's wrong?

Lincoln: I felt a powerful presence, it was of a divine force.

Nico: Divine?

God: (Through Lincoln's emblazoned Thunderbird on his forehead) I believe I know who they are, they're the Universe 666 versions of myself, the Angels, and Archangels of Heaven, along with The Universe 666 versions of the Egyptian Gods and Goddesses, The Greek Gods and

WE GASPED!

Lincoln: My Lord, were they...also victims of Universe 666 Nico?!

God: (Through Lincoln's emblazoned Thunderbird on his forehead) No, but they found out about his return, and they're coming to you because of your strong sense of justice, but this also alerted James and Nicholas as well.

Nico: That's true. But, in any case, this is serious.

Then, the Universe 666 versions of God, the Angels, and Archangels of Heaven, along with The Universe 666 versions of The Egyptian Gods and Goddesses, The Greek Gods and

Goddesses, The Chinese Gods and Goddesses, The Japanese Gods and Goddesses, The Aztec Gods and Goddesses, The Mayan Gods and Goddesses, The Incan Gods and Goddesses, The Roman Gods and Goddesses, The Norse Gods and Goddesses, The Celtic Gods and Goddesses, The Hindu Gods and Goddesses, The Mesopotamian Gods and Goddesses, The Buddhist Gods and Goddesses, The Proto-Indo-European Gods and Goddesses, The Slavic Gods and Goddesses, The Native American Gods and Goddesses, The Philippine Gods and Goddesses, The Hawaiian Gods and Goddesses, The Polynesian Gods and Goddesses, and The Australian Gods and Goddesses of Gods of Strength, Fire, Water, Wind, Earth, Lightning, Light, Darkness, Love, Fertility, Sex, War, Peace, Victory, Death, Destruction, Agriculture, Art, Beauty, Chaos, Dawn, Creation, Fate, Time, Justice, Fortune, Health, Household, Hunting, Knowledge, Liminal, Lust, The Moon, Nations, Nature, The Night, Psychopomp, Rain, Resurrection, The Sky, Smithing, The Sun, Trickery, Tutelary, Vegetation, Volcano, Weather, and Wind appeared.

Universe 666 Me suddenly came out.

Universe 666 Me: Lord Anubis?! And the Universe 666 versions of God, the Angels, and Archangels of Heaven and the Universe 666 versions of The Egyptian Gods and Goddesses, The Greek Gods and Goddesses, The Chinese Gods and Goddesses, The Japanese Gods and Goddesses, The Aztec Gods and Goddesses, The Mayan Gods and Goddesses, The Incan Gods and Goddesses, The Roman Gods and Goddesses, The Norse Gods and Goddesses, The Celtic Gods and Goddesses, The Hindu Gods and Goddesses, The Mesopotamian Gods and Goddesses, The Buddhist Gods and Goddesses, The Proto-Indo-European Gods and Goddesses, The Slavic Gods and Goddesses, The Native American Gods and Goddesses, The Philippine Gods and Goddesses, The Hawaiian Gods and Goddesses, The Polynesian Gods and Goddesses, and The Australian Gods and Goddesses of Gods of Strength, Fire, Water, Wind, Earth, Lightning, Light, Darkness, Love, Fertility, Sex, War, Peace, Victory, Death, Destruction, Agriculture, Art, Beauty, Chaos, Dawn, Creation, Fate, Time, Justice, Fortune, Health, Household, Hunting, Knowledge, Liminal, Lust, The Moon, Nations, Nature, The Night, Psychopomp, Rain, Resurrection, The Sky, Smithing, The Sun, Trickery, Tutelary, Vegetation, Volcano, Weather, and Wind?!

Universe 666 Anubis: Correct, J.D., and it's good to see you again. We came here to talk to you, Lincoln Loud. As you know, Universe 666 Nico has returned thanks to Anti-Monitor, and he wants revenge on all of you for what you did two years ago.

Universe 666 God: And with what you did in resurrecting the Universe 666 Loonatics, that angered him big time. He's going to try and prevent you all from resurrecting the others by sending more of his minions after you.

Lincoln: Let him try, we've already been busy killing his minions who got brought back by Morgana when Anti-Monitor breached The Black Gates. When we do go after him, we'll make sure he dies a painful death for everything he's done.

They saw the determination and courage in Lincoln's eyes.

Universe 666 God: Perfect. Now, we need you to do something: we need you to swear a sacred oath to us: we want you to swear that you will destroy Universe 666 Nico and make him pay for every last crime he has committed against mankind.

Lincoln: Understood.

Then, the Universe 666 versions of God, the Angels, and Archangels of Heaven, along with The Universe 666 versions of The Egyptian Gods and Goddesses, The Greek Gods and Goddesses, The Chinese Gods and Goddesses, The Japanese Gods and Goddesses, The Aztec Gods and Goddesses, The Mayan Gods and Goddesses, The Incan Gods and Goddesses, The Roman Gods and Goddesses, The Norse Gods and Goddesses, The Celtic Gods and

Lincoln: (GROWLS)

Me: INCREDIBLE!

Nico: Unreal.

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well: his sacred oath has been sealed and Lincoln now bares the responsibility of destroying that snake.

Nico: Lincoln, how do you feel?

Lincoln: I feel like I've been...reborn as a True God among men, the Universe 666 versions of God, the Angels, and Archangels of Heaven, along with The Universe 666 versions of The Egyptian Gods and Goddesses, The Greek Gods and Goddesses, The Chinese Gods and Goddesses, The Japanese Gods and Goddesses, The Aztec Gods and Goddesses, The Mayan Gods and Goddesses, The Incan Gods and Goddesses, The Roman Gods and Goddesses, The Norse Gods and Goddesses, The Celtic Gods and Goddesses, The Hindu Gods and Goddesses, The Mesopotamian Gods and Goddesses, The Buddhist Gods and Goddesses, The Proto-Indo-European Gods and Goddesses, The Slavic Gods and Goddesses, The Native American Gods and Goddesses, The Philippine Gods and Goddesses, The Hawaiian Gods and Goddesses, The Polynesian Gods and Goddesses, and The Australian Gods and Goddesses of Gods of Strength, Fire, Water, Wind, Earth, Lightning, Light, Darkness, Love, Fertility, Sex, War, Peace, Victory, Death, Destruction, Agriculture, Art, Beauty, Chaos, Dawn, Creation, Fate, Time, Justice, Fortune, Health, Household, Hunting, Knowledge, Liminal, Lust, The Moon, Nations, Nature, The Night, Psychopomp, Rain, Resurrection, The

Sky, Smithing, The Sun, Trickery, Tutelary, Vegetation, Volcano, Weather, and Wind merged with me due to me swearing the sacred oath.

Suddenly, the excess energy also released a shockwave that went into me, Nico, and all of us, and we also grew even stronger than ever, and our rainbow, white, golden yellow, and blue energy auras were raging like wild fire and we had a rainbow, white, golden yellow, and blue fire aura surrounding us and the rainbow, white, golden yellow, and blue protective auras as well.

Nico: Looks like you're not the only one who now bares that responsibility, Lincoln.

Me: Yep, now all of us are going to destroy that snake when he shows his face.

We went back inside and Lincoln went back to sleep with his harem. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

Lanaia: Lincoln, we also felt a sudden massive power increase from you, J.D., Nico, and all of us last night. What happened?

Lincoln explained everything that happened last night, and when he was done, everyone was stunned.

Laney: So, that explains it. That's incredible!

Lincoln: Yep, and when we find more spirits of Universe 666 Nico's victims, we'll be sure to bring them back.

Universe 666 Lincoln: That'll be left to us too.

Lincoln: Luckily, you guys know who they are. (Growls) Ooh! Oh man, I feel like something else is about to happen to me!

Suddenly, Lincoln grew from 12'6" to 12'9" in height, his abnormally massive and powerful upper and lower body muscles covered in brown fur grew much larger for his new body and he still has twelve-pack abs covered in tan fur and the pronounced crimson red markings covering his face, tan muzzle, and body became even more pronounced on the hulking wolf hunk and he now has one-hundred and large five planets orbiting around his legs and one-hundred and five smaller planets orbiting around his waist.

Luna: Whoa! That's new!

Then, Lincoln felt a sharp pain on his even more wider and even more muscular back, and then, his massive white angel wings with orange, golden yellow, and aurora tips on the large white feathers grew larger with a wingspan of 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999'0" and his ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings grew even larger and longer with massive wingspans of 899,999,999,999,999,999'0", 799,999,999,999,999,999'0", 699,999,999,999,999,999'0", 599,999,999,999,999,999'0", 499,999,999,999,999,999'0", 399,999,999,999,999,999'0", 299,999,999,999,999,999'0", 199,999,999,999,999,999'0", 9,999,999,999,999,999'0", 8,999,999,999,999,999'0", 7,999,999,999,999,999'0", 6,999,999,999,999,999,999'0", 5,999,999,999,999,999'0", 4,999,999,999,999'0", 3,999,999,999,999,999'0", 2,999,999,999,999,999'0", 1,999,999,999,999,999'0", 999,999,999,999,999'0", 899,999,999,999,999'0", 799,999,999,999,999'0", 699,999,999,999,999'0", 599,999,999,999,999'0", 499,999,999,999,999'0", 399,999,999,999,999'0", 299,999,999,999,999'0", 199,999,999,999,999'0", 99,999,999,999,999'0", 89,999,999,999,999'0", 79,999,999,999,999'0", 69,999,999,999,999,999'0", 59,999,999,999,999'0", 49,999,999,999,999'0", 39,999,999,999,999'0", 29,999,999,999,999'0", 19,999,999,999,999'0", 9,999,999,999,999'0", 8,999,999,999,999'0", 7,999,999,999,999,999'0", 6,999,999,999,999'0", 5,999,999,999,999'0", 4,999,999,999,999'0", 3,999,999,999'0", 2,999,999,999,999'0", 199,999,999,999'0", 9,999,999,999'0", 8,999,999,999'0", 7,999,999,999'0", 6,999,999,999'0", 5,999,999,999'0", 4,999,999,999,999'0", 3,999,999,999'0", 2,999,999,999'0", 1,999,999,999'0", 999,999,999'0", 899,999,999'0", 799,999,999'0", 699,999,999'0", 599,999,999'0", 499,999,999'0", 399,999,999'0", 299,999,999'0", 199,999,999'0", 99,999,999'0", 89,999,999'0", 79,999,999'0", 69,999,999'0", 59,999,999'0", 49,999,999'0", 39,999,999'0", 29,999,999'0", 19,999,999'0", 9,999,999'0", 8,999,999'0", 7,999,999'0", 6,999,999'0", 5,999,999'0", 4,999,999'0", 3,999,999'0", 2,999,999'0", 1,999,999'0", 999'0", 899'0", 799'0", 699'0", 599'0", 499'0", 399'0", 299'0", 199'0", 99'0", 89'0", 79'0", 69'0", 59'0", 49'0", 39'0", 29'0", 19'0", 9'9", 8'9", 7'9", 6'9", 5'9", 4'9", 3'9", and 2'9" and the shoulder blades of his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings still have eyes with rainbow irises and his one-hundred massive and long brown wolf tails with rainbow tips and rainbow markings and phoenix feathers grew larger and longer and five more massive and long brown wolf tails with rainbow tips and rainbow markings and phoenix feathers suddenly grew and sprouted out, and now Lincoln has 105 massive and long brown wolf tails with rainbow tips and rainbow markings with phoenix feathers on them.

Luan: Whoa! YIKES! Lincoln's grown from 12'6" to 12'9", and he now has 105 large planets orbiting around his legs and 105 smaller planets orbiting around his waist, and he now has 105 sets of white angel wings, and 105 massive and long brown wolf tails with rainbow tips and rainbow markings with phoenix feathers on them!

Luna: Dang. That's incredible.

Lincoln saw himself in the mirror, and he was amazed.

Lincoln: Whoa, now this is what I call a makeover. (Smirks) (Flexes his massive muscles) (To his harem) Like what you see, ladies?

When the girls in Lincoln's harem saw him, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were gushing out blood, and they let out wolf whistles upon seeing just how much hotter and sexier their hulking wolf hunk of a future husband has become.

Vinna Laval: (Swooning) So...manly...! Can't...resist...!

Suddenly, Lincoln was pounced on by his entire harem and he was kissed all over the place: his face, muzzle, cheeks, pecs, arms, biceps, back, and twelve pack abs, and as soon as they were done, Lincoln was covered in lipstick kiss marks on his face, muzzle, cheeks, pecs, arms, biceps, back, and twelve pack abs, and he had an In Heaven look on his face with steam whistling out of his ears and an atomic red blush on his cheeks, snout, and muzzle.

Lincoln: (In Heaven) Too...awesome! So...worth it!

We laughed.

Luna: Dude, you keep on turning even more manly and handsome, and you're gonna get ever girl around in the world to go after you. You're already a manly, rugged, and handsome True Alpha Werewolf-Vampire-Cyborg hybrid and one hulking heartthrob hunk of a wolf man!

Nebula Lanaia: Too late to even say that, Luna.

Luna: Oops...!

Laney: And the same thing's going to happen to J.D. and Nico when they transform like Lincoln.

Everyone gasped.

Nico: Ooh, she's right, man. We better be ready to be pounced on by our harems when that happens.

Me: I was born ready.

The Power Pack kids woke up to see Thundurus, Landorus, Tornadus and Enamorus staring at them

Forces of Nature: MORNING GUYS!

Lightspeed: Morning guys!

Thundurus: Time for breakfast everyone!

Zero-G: Oh boy!

They went and got dressed and went to the table.

Me: Morning guys!

We gave them fruit flavor pancakes.

Me: Fruit Element Pancakes. We made them really special for you guys.

Energizer: Thanks J.D.!

They got to eating!

Lightspeed: (Eating) MMM! Strawberry infused! Delicious!

Energizer: (Eating) MMM! Mine is watermelon.

Zero-G: (Eating) MMM! Blue Raspberry!

Mass Master: (eating) Mmm! And mine is Cherry! Delicious!

Me: Mr. Lynn taught me how to make them. It's awesome.

Nico: It sure is.

Lincoln: Maureen, I got to ask, what was the name of your stepfather?

Maureen: I didn't exactly tell you guys his name, but his name is Travis Connor.

NICO, QIN, AND THEIR FRIENDS DID SPIT TAKES!

Nico: (SPITS WATER) Your stepfather's name is Travis Connor?! THAT PIECE OF INHUMAN TRASH?!

Qin: What...the...fuck!? But, that's impossible!

Me: Whoa, Nico, Qin, you guys know him?

Nico: Wish we didn't.

Nico got out the prison mugshot of a man with black hair, black eyes of hatred, and dressed in a red prison jumpsuit from New Jersey.

Nico: His name is Travis Connor, and he was the meanest and nastiest piece of inhuman garbage we had ever known back in New Jersey. He terrorized us and all of the students and teachers in our old high school in New Jersey for years.

We then took a look at his crime record on the computer, and when we read it, his crime record was absolutely disgusting to the infinite-power: Travis Connor was one mean nasty son of a bitch! He brutally assaulted tons of kids and teachers who got in his way, he tied them up via their underwear to the flagpole, threw their heads in the toilets in the school bathrooms, blew up the chemistry lab, defaced the football field by writing the words, ROT IN HELL, on it, made deals with rival schools to sabotage the high school of Nico, Qin, and their friends, and he also spread lies about everyone and turned them against each other for his own twisted amusement.

WE WERE ABSOLUTELY FUCKING STEAMED!

Me: THAT MEAN NASTY SON OF A BITCH! HE'S DEAD!

Lincoln: That's for sure.

Me: Also I had no idea you guys had a terrible history with him.

Lincoln: Me neither. So, what happened to him?

Nico: We took the evidence of his crimes and gave them to the principal, and he decided to take a stand, he had enough of Travis Connor's mayhem. He called the police to the school where they saw him about to stab a teacher with a knife. They took him down and cuffed him, and before they took him away, the principal fired him forever, and I personally threw him in prison, but he swore that he would break out of prison and get revenge on us, but I gave him the finger and left him there to rot. But, not long after, he escaped from prison and no one had seen him since.

Maria: Until he came to Dakota City and that bastard murdered Serena Connor by putting strychnine in her food and threw Maureen out into the streets after he got her insurance money. That's it, I hope you got a pair of pliers, we're gonna rip his balls off along with his crotch.

Lincoln: Wait, before we do that, we should have him brought to trial for the murder of Serena Connor, and when he gets the death penalty, you guys can go wild on him, but only if you let me rip his heart out and devour it right in front of him.

Qin: We'll also let you rip out his balls, crotch, brain and other organs so you can eat those too and suck out all his blood too.

Lincoln smirked showing his sharp vampire fangs and teeth.

Lincoln: (Smirks) Deal!

Me: Oh God, you guys just unleashed the beast!

Lincoln: I don't mind. After everything he's done, I think this should be considered his punishment after he gets his death sentence. Let's finish breakfast and head to Dakota City to deal with him for good.

Nico: Travis Connor, your time's up, you nasty son of a bitch, you're getting what you deserve for what you did to Maureen and for all the years of mayhem you caused back in New Jersey.

We finished breakfast and we headed to the Dakota City sector to help Flurry Heart unlock her Rainbow Power and take down Travis Connor and after he faces trial for the murder of Serena Connor, he's getting sentenced to death and we're going to send him to The Black Abyss forever.

Me: Good to see Dakota again.

Maria: It sure is. Good to be home.

Carmen: I missed this place.

Xenia: It looks awesome now.

Qin: Yeah no kidding.

Camie: Yeah.

Ymir: This is gonna be fun.

Maureen: It sure is.

Magnet Man: This is gonna be attractive!

WE LAUGHED!

Magnet Man: (LAUGHS) Magnet pun.

Nico: Magnet Man, I want to thank you, Toxic Seahorse, and your teams for coming.

Magnet Man: No problem Nico. This is gonna be really fun.

Ochaco: I'm really excited for this as well.

Himiko: Me too Ocha.

Me: Ocha?

Himiko: My nickname for her.

Me: Cute.

Nico: Ochaco, what do you like to do in your free time?

Ochaco: Oh gosh. I like being with my friends and also reminisce on the fun times we have with each other. Also me and Izuku are dating now and we are having a good time.

Me: Aww that's sweet. I always knew you and Izuku were made for each other.

Nanette: I agree there. Also Ochaco are you glad All For One and many of your enemies are all dead?

Ochaco: Of course I am And they were no match for you guys.

Me: Yeah All For One really was helpless against our power. The Symbol of Evil got incinerated by the claw of the Phoenix.

Camie: That is for sure!

Ymir: I agree there!

Ibara Shiozaki: Praise the Lord on that.

Himiko: Yeah we had so much fun.

Sirius: We sure did.

Zarya Moonwolf: I am glad they are dead.

Me: Same here. WOW! Yesterday's mission was intense!

Xenia: NO KIDDING! Bokkowaus was tough! Especially when he used all those powers of the rangers like that!

Nico: He put up a massive fight!

Me: He sure did! But we also got these new gears too! We saw that they have all the powers of new monsters we never faced!

Nico: I know! That cheese one was my favorite! (DROOLS) Man it looked awesome!

Me: (LAUGHS)

Xenia: Yeah! That is cool! Also we destroyed Super Warumono World that came back for more!

Lincoln: Yeah and we banished them both to the Black Abyss!

Me: And thank goodness Super Warumono World didn't have Lex Luthor or the other cronies to back him up!

Nico: Good thing he only used 24 of the Sentai powers

Me: 25 counting the Jetman.

Eli: I had King Ghidorah help out with that one.

Xenia: That was intense!

Zarya Moonwolf: But that was an awesome way to conclude my missions from 2 year ago. Also now I am the first of the Mysticons to have my day.

Me: Only three left. Also Zarya your Akuma was really cool!

Zarya Moonwolf: It sure was!

Poromon: I destroyed his monitor orb!

Me: You sure did!

Qin: That was so fun!

Xenia: Yeah! Man that was a humiliating defeat.

Poromon: Beaten by a pipsqueak like me!

Nico: You got that right!

WE LAUGHED!

Ochaco: (LAUGHS) Yeah!

Me: Yeah!

Then...

Me: WHOA!

I tripped.

Me: Ow!

Nico: You okay?

Me: Yeah.

I saw that I tripped over a decapitated body!

WE GASPED!

Me: OH GOOD GOD!

Qin: His head was slashed off!

Me: (Sees something) Huh?

I saw a piece of paper and on it, it had a fanged toothed skull with a scythe and cross on it.

Me: WHOA! This is an ominous calling card.

Nico: It looks very familiar.

Poromon: Is Travis on the move?

Nico: No this is not his work. This guy was a dangerous criminal. He was taken out very swiftly and without mercy. He had no idea what hit him. He was assassinated.

Me: Hmm.

Nico: Yeah this is not Travis Connor's style.

Me: We'll find out more later.

Lincoln: Okay, guys, we're here for one really brutal and nasty battle, we're here in the Dakota City sector, and just as we heard, we're here to take down Travis Connor and after he faces trial for the murder of Serena Connor, he's getting sentenced to death and we're going to send him to The Black Abyss forever.

The rest of the team's with us.

Nico: That son of a bitch is going to pay for everything he's done, he's going to pay for what he's done!

Me: We're getting justice for Maureen for what happened to her mom.

Maria: Provided none of us try to kill him first.

Caleb Maxwell: No promises.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy,

but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and 104 sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Travis Connor) AHA! There you are! I just spotted Travis Connor, he's 20 yards away in the bad part of Dakota City.

Maria: We know that area all too well. We better hurry before that shithead tries to skip town.

Lincoln: Not on our watch!

Dan heard a Pokemon cry.

Dan Kuso: Look guys.

We saw a Bulbasaur.

Me: Hey a Bulbasaur.

Nico: Cool!

Bulbasaur: This place is new to me.

Dan: You hungry?

Bulbasaur: Sure am.

He gave her apples.

Dan: Want to come with us?

Bulbasaur: I would like that.

Me: Cool!

Drago: And just in time too. Your big day isn't too far behind.

Me: Yeah.

Dan: It sure is.

Me: Also Ash had a Bulbasaur too.

Ash: He's right on that.

Me: Yep.

But then...

ZOOM!

A figure flew fast past me.

Me: WHOA!

I saw that it was an Emolga.

Me: WHOA! An Emolga!

Emolga: One of me! Wow!

Nico: Where did that come from?

Me: No idea but it's really fast!

Emolga: Let me try.

She flew over to it and talked to her.

Emolga: (GASP) Oh my gosh! Rainbow Dash this Emolga is your cousin Sprite Thunder!

Rainbow Dash: (GASP) Sprite is an Emolga!? Awesome!

Me: Must be one of Dark Gale's work. Lets go help her R.D.

Rainbow Dash: Right!

We went over to her.

Rainbow Dash: Sprite it's okay. It's me Rainbow Dash.

She zoomed at us and everyone ducked!

Horsea: WHOA! She is fast!

Maria: Rocky the Flying Squirrel would love flying with her!

Rocky J. Squirrel: I sure would and it would be fun!

Xenia: Yeah!

Me: Lets dance then.

We fired waves of lightning and blasted her down.

I snapped my fingers and she was a girl with red hair and yellow eyes and had black and red wings and had Emolga on her forehead and had a cutie mark that was a plasma globe with red Sprite Lightning on it.

We wrapped her in a blanket and brought her over.

Qin: There.

He woke up.

Sprite Thunder: (Groans) What happened?

Rainbow Dash: Are you okay Sprite?

Sprite Thunder: (GASP) Cousin Rainbow!

She hugged her.

Rainbow Dash: Good to see you!

Sprite Thunder: Same here General Dash.

Rainbow Dash: Sprite gave me that nickname.

Me: And she is going to become general of the Wonderbolts in the future. Also Sprite you were turned into an Emolga by Dark Gale.

Sprite Thunder: (GASP) I remember!

She was in a red suit and injected and then in a flash of lightning she turned into Emolga! She flew fast out of there.

FLASHBACK ENDS

Sprite Thunder: It was awful!

Me: I know. But we destroyed Dark Gale.

Sprite Thunder: Good.

Ymir: Uh what are Sprites?

Me: Sprites are very rare upper atmospheric lightning. They look like red jellyfish lightning. But they are extremely rare to see. And they appear so high up at 295,000 feet. But they are so rare because they only last about a fraction of a second. You need to stand in the right spot to see them with cameras on at night.

Ymir: What do they look like?

Nicole: Here.

She showed a picture of them and it's amazing.

Ymir: WHOA! They do look like jellyfish!

Me: They sure do.

Poromon: WHOA!

Me: I know. But they are very pretty.

Sprite Thunder: They sure are. Oh I'm the Sprite Lightning Master of Sonya's team and use Red Sprites to blast our enemies. Outside the team I am a lightning photography and specialize in capturing red sprites.

Me: Nice!

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her red clothes and a fire sword.

Sprite Thunder: I look amazing!

Me: You sure do.

Horsea: WE HAVE A SCUMBAG TO KILL!

We then took off into the air to help Flurry Heart unlock her Rainbow Power and take down Travis Connor and after he faces trial for the murder of Serena Connor, he's getting sentenced to death and we're going to send him to The Black Abyss forever.

We were flying in the air, and then, we saw our target: Travis Connor.

Lincoln: There he is. Now, to make sure he doesn't try to escape.

Lincoln formed a massive wall of light with angelic seals that cut off Travis Connor's escape route, and Nico fired blasts of lightning that electrocuted Travis Connor and we landed.

Nico: Hello, fuckface, remember us?! The gang who got you expelled years ago in New Jersey?!

Maureen: And us, the stepdaughter you threw out after you murdered Mom for her insurance money?!

Travis Connor: YOU LITTLE SHITS! I SHOULD'VE KILLED YOU AS WELL WHEN I MURDERED THAT BITCH!

Nico: You shut your mouth, asshole! Okay, that tears it! Let's tear his ass apart.

Me: LETS!

I punched Travis in his face and kicked him in his crotch and punched him numerous times in the stomach and dealt him a nasty uppercut!

He was knocked down!

Maureen fired an ice blast and froze him to the ground!

Bulbasaur charged at him And blasted him with a Solar Beam blast.

Nico: Take that!

Travis Connor: OH SHUT UP FATASS!

WE GASPED!

Nico: WHAT THE FUCK DID YOU JUST CALL ME!?

Travis Connor: I CALLED YOU A FATASS!

POW!

NICO PUNCHED HIM IN HIS FACE!

Horsea: YOU MUST DIE!

Horsea blasted him with a Hyper Beam blast!

Maria punched and kicked and pulverized him brutally!

Nico: NO ONE CALLS ME A FATASS!

Horsea screamed in rage and begin giving him a merciless beating. He lands at Horsea's feet; the camera is at floor level next to her.

Horsea: (sounding like Dirty Harry) What's going on here? What?

Travis Connor: (Scared) Um...

Horsea: Huh? Oh, what, you going for something? (His eyes dart aside; pan over slightly to Maureen.) You going for her? (Back to Travis.)

Travis: N-No...

(Cut back and forth between the two.)

Horsea: You want some more, man?

Travis: Uh! I wasn't!

Horsea: You do?

Travis: No!

Horsea: Yeah?

Flurry Heart: You have lived for too long, Travis Connor, now this is where it all ends for you. I am the Princess of Light and next to rule the Crystal Empire and as the niece of Twilight Sparkle I will help preserve her light, When my cutie mark comes to life, my Light brings down the Darkness of Evil's blight!

Light swirled around her!

Flurry Heart held up her greatsword into the air, and A MASSIVE AND INTENSE POWERFUL SURGE OF INTENSE AND POWERFUL ENERGY AND MAGIC WAS FELT!

Nico: WHOA!

Me: INCREDIBLE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Inside a rainbow sphere with intense flames and elemental forces, Flurry Heart then underwent an intense and amazing transformation! Flurry Heart had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her dress and she also gained intense rainbow flame patterns and rainbow jewels on her forearms, she also got cyan blue lines on her hair and tail. She then had her Cutie Mark change into many rainbow jewels and her massive light purple angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! THE RAINBOW JEWEL OF LIGHT!

EVERYONE GASPED!

Nico: WHOA! WHAT POWER!

Me: SHE DID IT! FLURRY HEART'S UNLOCKED HER INNER RAINBOW POWER!

Twilight Sparkle: THAT'S AMAZING!

Princess Cadence: Amazing.

Flurry Heart: It's time to put an end to this.

She fired rainbow jewels, light, and magic and blasted Travis Connor all over the place, and because she's the Guardian of Light, her attacks caused Travis Connor to scream in pain!

Lincoln: Okay, time to give you a bad case of pain. JUDGEMENT OF THE SEVEN ARCHANGELS! 七人の大天使の審判！

Lincoln swung his massive greatsword and fired a massive stream of golden fire and heavenly light that hit Travis Connor and he let out a loud scream as he got burned badly by the golden flames and heavenly light.

Nico: Hah! Shows you right!

Then, Lincoln formed a massive rainbow heart in his left hand and fired it at Mesogog which hit him and burned him bad! Then, he fired a barrage of hearts from his massive angel wings and 105 sets of large white angel wings underneath and Travis Connor got hit hard and burned again.

Me: Love and light are a powerful force, and to monsters like that asshole, it's poison.

Nico: You said a mouthful.

Lincoln: Now, it's time for the big guns.

Lincoln got out a massive industrial can of spinach, and he opened it up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CAN OF SPINACH!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 105 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and 105 massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar.

Lincoln: (CRACKS NECK AND KNUCKLES) Time to die, you Jurassic jerk.

Lincoln went at Travis Connor and he began brutally smashing him all over the place with his massive godly superhuman strength. Then, he punched him hard in the face and kicked him in the stomach and he sent him flying into a wall, he got back up, but he was so mad, he let out another roar of anger before Lincoln threw a golden yellow fireball at him and it exploded burning that monster badly.

Nico: Damn, that's still as brutal as ever, but it serves him right. (To Travis Connor) And one last thing?

Nico flips Travis Connor the middle finger, and that pissed him off big time!

Suddenly, we heard vampiric shrieks, and we saw vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of Behemoths, and he began absorbing them into his body and he assimilated the Behemoths' massive muscle mass, brute superhuman strength, magical attacks, primal instincts, and horns, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and 105 massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (Beastly Voice)(GROWLS) Oh man, the raw immense power of these Behemoths is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of Behemoths and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Nico: Seriously, who keeps on sending creatures after us?

Lincoln: (Beastly Voice) No idea, but the clod's just digging his own grave not realizing that by sending supernatural creatures and beasts, he's just letting me get even stronger by absorbing them and assimilating their raw strength and physical abilities along with their immense powers.

Everyone: LET'S GET HIM!

Lincoln, Andre Lupescu, Abaddon Aeternus, Red Savarin, Ricky, Robin Hood, Rayman, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Sherlock Hound, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us went after Travis Connor, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, colored, white, golden yellow, and blue energy, colored energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Travis Connor and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Red Savarin, Robin Hood, Rayman, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Travis Connor even more pissed off and more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 105 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Travis Connor, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Travis Connor, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BURN IN HELL FOREVER, YOU PIECE OF TRASH!

Lincoln, Nico, and I did one final powerful energy slash that hit Travis Connor hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Travis Connor was on his last legs and he was really really mangled.

We holstered our weapons and powered down, and Lincoln tied Travis Connor up in golden yellow energy chains.

Lincoln: Now, let's get him to the courthouse.

We immediately returned home to the Gotham Royal York courthouse where we presented to the jury the crimes of Travis Connor: he brutally assaulted tons of kids and teachers who got in his way, he tied them up via their underwear to the flagpole, threw their heads in the toilets in the school bathrooms, blew up the chemistry lab, defaced the football field by writing the words, ROT IN HELL, on it, made deals with rival schools to sabotage the high school of Nico, Qin, and their friends, and he also spread lies about everyone and turned them against each other for his own twisted amusement back in New Jersey.

That disgusted the jury, but when we also gave the jury the evidence of what Travis Connor did in murdering Serena Connor for her insurance money and throwing Maureen Connor out into the streets to die in Dakota City, that appalled the jury big time. Then, not a second after they went to deliberate, the jury came back, and the verdict was passed down: Travis Connor was found guilty for the murder of Serena Connor along with his crimes long ago in New Jersey.

Katie Rockell: This is truly the worst case of child abandonment and child abuse I've ever come across along with the murder of Serena Connor long ago in Dakota City. Travis Connor, you are the most evil and despicable excuse for a human being ever to walk the face of the earth. It is with the judgement of this court that you are hereby sentenced to death for all of your crimes.

With the final bang of the gavel, we carried Travis Connor out into the forest, and we let Lincoln do what he discussed this morning: he ripped out Travis Connor's ears, then he broke all of his fingers and smashed out his teeth, and then, he tore out Travis Connor's balls, crotch, brain, muscles and muscle tissue, lungs, stomach, and other organs out of him and he devoured them, and we didn't look since we had on sunglasses, but we heard the loud and painful screams of Travis Connor, and finally, Lincoln tore Travis Connor's heart out of his chest and he devoured it, and he also sucked out Travis Connor's blood as well along with draining Travis Connor's blood vessels completely dry.

We continued to hear all of Travis Connor's screams of agony and pain as Lincoln continued to inflict horrendous pain on him, but then, the screams died.

Lincoln: You can take off the sunglasses.

We did so, and we saw that all that was left of Travis Connor was a pile of bones and Lincoln already sent him to The Black Abyss.

Me: OH GOOD GOD! YOU REALLY RIPPED HIM TO SHREDS!

Nico: Damn.

Lincoln: I only ate his organs and muscles, but not his skin, I burned it after I banished him to The Black Abyss, his organs and muscles were really tasty along with his blood.

Eli: Yikes.

Lincoln: I'd gotten used to it after I became a Werewolf-Vampire hybrid, and it was surprisingly good.

Caleb Maxwell: I'd gotten used to the sight of blood being spilled along with the tearing of human flesh, but it still gives me chills to this day.

Cage Blunt: Painful memories still?

Lincoln: I think I might have to go with yes.

Maria: Are you okay now, Horsea?

Horsea: Much better!

Me: Good.

Maureen came up to me and had tears streaming down her face and then she hugged me and cried hard!

I comforted her.

Me: It's all over Maureen. It's all over.

I comforted her as she cried and wailed for her mother.

Nico: Nice job, Bulbasaur!

Bulbasaur: Thanks Nico! Got any beer?

Poromon: YAY! Here you go?

Poromon gave her one.

Bulbasaur: Thanks!

She opened and drank it.

Bulbasaur: Ahh! (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party! (BELCH)

She got drunk.

Poliwag: SIng the ABCs!

Bulbasaur: (BELCHING) ABFJNNDNWJJWJJJGHWNNRIWOWNN!

EVERYONE LAUGHED!

Poromon: Later, we're going to the hospital

Nico: Cool!

Poliwag: Yeah we're going to help people sick.

Qin: Okay.

Maureen calmed down.

Maureen: Thank you guys. Thank you.

Me: Anytime.

I held up the Mouse-Ka-Tool.

Me: Won't be needing this.

I threw it and then...

KRASMASH! THUD!

It hit Crackhouse Mickey who was coming right in his face and smashed him into the ground!

Nico: Oh, Magnet Man, what do you like to do in your free time?

Magnet Man: I like teaching kids all about magnetics in school.

Me: Nice!

Qin: Cool!

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Power Pack.

Me: Uh oh, four Anothers, that means...!

Lincoln: We better be ready for anything.

Me: Yep. So we got Another Toxic Seahorse, Magneto SHS, Lobstrik, Jirikiman, Magnetron (RPM) and Furnace Monster.

Nico: Yep.

Me: So that means Magnet Man, Ochaco Uraraka, Magne (X-Squad Universe), Hightower, Lodestar and G1 Windcharger are up.

Qin: Yep.

Nico: There they are!

We saw Another Magneto SHS, Lobstrik, Jirikiman, Magnetron (RPM) and Furnace Monster!

Me: WHOA!

Xenia: This is gonna be cool.

Another Magneto (SHS): (In a girls voice) It sure will be.

She reverted back and was the gene-slammer of Majestic Mech Goryu!

Nico: Zephyr Nimbus!

Me: The gene-slammer of Majectic Mech Goryu! Wow!

Zephyr Nimbus: That's right. Awesome to see you Nico.

Nico: Same here.

Me: Are the Another Toxic Seahorse and the Power Pack friendly or hostile?

Zephyr Nimbus: Friendly but the Another Toxic Seahorse is a shocking one as she is the one that decapitated numerous criminals.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait.

But then...

NUMEROUS SEVERED HEADS FELL AND IT WAS A LOT OF THEM!

Qin: (SCREAMS)

Me: WHOA MAN! SHIT! These are all the severed heads of criminals I've been after for years!

Nico: Really?

Me: Yeah!

Poromon: Can I keep one?

Me: Poromon you want everyone to think you're fucking crazy?

Poromon: Okay okay okay. Sorry.

Out came Another Toxic Seahorse and Power Pack!

Me: WHOA! There they are.

Another Toxic Seahorse: (In a girls voice) You like my presents?

Then she reverted back and was the gene-slammer of Voltanis the Adjudicator!

Nico: (GASP) Vivienne Voltanis!

I GASPED!

Me: Wait you mean the infamous Terror of The 9 Circles of Hell and the deadliest assassin of all time!? You know her!?

Nico: That's right. She is awesome.

Nico told us about her.

She is The gene-slammer of Voltanis the Adjudicator and a master of the powers fo the 9 Circles of Hell at their most intense and powerful. She is a deadly force of judgement and she has the moniker, The Terror of the 9 Circles of Hell. She is called that because she kills all evil with a MERCILESS Shred of compassion and without a single shred of hesitation. She is a female version of The Punisher! She also is a deadly assassin and goes after the worst of the worst and even sometimes goes after the worst of the worst for the biggest amount of money. She is Nico's friend from school and she comes from a family that comes from a long line of assassins. In other words this is one girl NO ONE SHOULD EVER MESS WITH!

WE WERE SHOCKED!

Me: HOLY FUCK!

Vivienne Voltanis: That's right. My family has been killing the worst of the worst for over 6,000 years. I come from a long line of assassins that have been killing the worst of the worst. Also I'm a freelance assassin. But I have a hefty price tag on my targets. Price per job? $500,000,000,000.00

Me: That is a very pretty penny to put a hit on someone!

Nico: But she is a hero like John Wick. But in school, she kept her real name secret so people wouldn't fear her. Not only that but she is also one of the most notoriously wanted people in the world by INTERPOL, FBI, CIA, Scotland Yard and Many law organizations all over the world! And also for millennia like the Cooper Clan, me and my family kept our secrets of killing, sneaking and slaughtering in an ancient book called The Predatorus Voltanis.

Sly Cooper: That is really amazing!

Me: WOW! So instead of thieving you are assassins.

Vivienne Voltanis: That's right.

Me: WHOA! You have made an intensely massive name for yourself.

Vivienne Voltanis: I sure have. Also I have Toxic Seahorse's powers too.

Toxic Seahorse: Nice!

Me: Yeah.

Nico: And your friends?

They reverted back and were 4 girls. They had Red, Blue, Green and Yellow Hair and matching eyes and clothes and angel wings of their respective colors.

Zero G: (GASP) FIRE!

Lightspeed: WATER!

Mass Master: EARTH!

Energizer: WIND!

They went and hugged them!

Fire Powers: Good to see you guys.

Water Powers: You all have grown so much.

Me: Wait you guys are the siblings of the Elemental Force Quartet!? That is so cool!

Mass Master: It sure is.

Energizer: Yeah we like it.

Wind Powers: Yeah and we're proud of our siblings too.

Earth Powers: We sure are.

Kaito: (gets out Megaranger gear) Did Swartz promise you anything?

Zocks: (gets out Gingaman gear) Because we can grant it instead.

They got weapons from said teams.

Vivienne Voltanis: No he didn't. I slashed his arms and legs off and cut his head off and we ran.

Me: WHOA!

Sakura Knudson: That explains why I found him all in a bloody mess.

Me: YIKES! Probably regrew everything after that.

Nico: Yeah

Sougo: (gets out In Space Ridewatch) Your siblings count as one member

Geiz: (Gets out Lost Galaxy Ridewatch) I hope that's okay

Sougo got InSpaceRedArmor while Geiz got LostGalaxyRedArmor

Fire Powers: It is. I think it's cool.

Water Powers: We do too.

Me: Awesome.

Lincoln: Lets separate you guys.

We did so.

Me: Lets get it on!

Nico: (Gets out Toxic Seahorse's ridewatch) I am poison!

May: (Gets out Lobstrik's ridewatch) This will pinch!

Universe 666 May: (Gets out Jirikiman's ridewatch) I will make sure you get attracted!

Maria: (Gets out Magnetron's ridewatch) This will attract you!

Ochaco: (Gets out Magneto SHS's ridewatch) Magnetic power!

They used the powers of Toxic Seahorse, Magneto SHS, Lobstrik, Jirikiman, Magnetron (RPM) and Furnace Monster and blasted the Anothers!

Me: YEAH!

Then Turbo Man, Turbo (X-Squad), Lord Fredrik (X-Squad), Toneri Otsutsuki, Mad Mike the Pizza Chef and Varanus came!

Nico: WHOA! Nice team Turbo Man!

Turbo Man: Thanks Nico!

Me: That means Blue Senturion's team next.

Blue Senturion: Of course it is.

Me: Yep.

Then out of a swirl of darkness and dice came Number 68: Sanaphond the Sky Prison and Number 67: Pair-a-Dice Smasher!

Me: WHOA! Number 68: Sanaphond the Sky Prison and Number 67: Pair-a-Dice Smasher!

Qin: COOL!

Number 68: (In a girls voice) It sure is!

Number 67: (In a girls voice) I agree there!

Nico: (GASP) Kora-Zod and Dianna Dice! Wow!

They reverted back. Kora was a girl with magenta hair and had purple eyes, purple wings and magenta clothes and had Number 68: Sanaphond the Sky Prison on her forehead, skirt and shirt as well as the symbol of the house of Zod on her shirt and had a cutie mark of the house of Zod symbol with a winged crystal on her arm. She had an energy blaster on her hip and a rifle on her back and on her finger was a Legion of Superheroes Ring. Dianna had purple hair and red eyes and red clothes and had red wings and had Number 67: Pair-A-Dice on her forehead, shirt and skirt and a pair of dice and a royal flush cutie mark on her arm and had a red energy sword.

Kora-Zod: Good to see you Nico and good to see the Legion here.

Dianna Dice: We got this.

Kora-Zod: 68 PRISON BLAST!

Dianna Dice: 67 DICE FLUSH BLAST!

They fired energy blasts and blasted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Kora-Zod: Thanks!

Me: Wait are you...

Kora-Zod: Yes I am the daughter of General Zod.

Nico: I should explain. She is also the black sheep of the house of Zod of Krypton. She was only 8 years old when she was sent to the Phantom Zone with her father and her mother. After Krypton exploded, she was stuck there for over 1,000 years and was released in the 31st Century. She was fed up with the evil ways of her father and she not only gained the powers that she was born with as her birthright but got a bunch of extra powers too. She has the same powers as Nico does and has all the powers of every villain ever and beyond. She made a solumn oath to destroy the house of Zod. Their evil ways cannot go unpunished. In her view, being imprisoned in the Phantom Zone is much too lenient. But she loves her little brother Lor Zod. She became a member of the mighty Legion of Superheroes and became a master of many weapons and more. She is the strongest and most powerful member of the Legion of Superheroes in the 31st Century. Now she was given a big mission and that was to help Team Loud Phoenix Storm.

WE GASPED!

Me: Oh man!

Saturn Girl: She is the strongest member of the Legion and she is a powerful force.

Phantom Girl: Yeah she sure is

Shrinking Violet: She gave all of the villains we battled really massive headaches in the 31st Century.

Me: WHOA! That is incredible! And the Legion of Superheroes are a powerful force.

Nico: Yep.

We showed our rings for them.

Kora Zod: You guys are part of the Legion too?

Me: We became part of the Legion a little over a year ago.

Nico: Yep.

Ochaco: Do you girls have any good memories of Nico?

Kora Zod: We sure do. Mine is where me and Nico destroyed many of Lex Luthor's buildings and exposed all his crimes back in 2018.

Me: That is very coincidental! I got word of that and we finished up there and got him sent to the distant edge of the universe. But his cancer did him in.

Nico: Yep.

Dianna Dice: That is cool! Also mine is where me and Nico cleaned out all the money in a casino in Monte Carlo and won all their money there. We became rich too.

Me: WHOA! That is amazing!

Qin: Yep.

Nico: Yeah.

They hugged.

Nico: I've missed you girls.

Kora Zod: Same here.

We went back home.

We got word from Selene that Lucian, the leader of the Lycans has returned from the dead, along with the Lycans who were loyal only to him, but we're not going to kill him and the Lycans loyal only to Lucian. We're going to take them down and send them to The Masters of Evil. The reason is this: Lucian became cold and ruthless after his vampire wife, Sonja, Viktor's daughter, was executed by being burned alive for loving him six centuries ago which started The Vampire-Lycan War. In the climax of Underworld, Lucian saw that what Selene and Michael were going through was similar to his own situation centuries ago when he was with Sonja, and he redeemed himself in the end by saving Selene from Kraven by stabbing him in the leg with a knife and he told Selene to bite Michael, because he knew that only a hybrid of Vampire and Lycan can kill Viktor, and Mr. Wolf is going to transform and really let loose on the Lycans.

We had all of TLPS and The MOE with us.

Lincoln: Whoa, we're here in Budapest, Hungary, and I know what we're going to do here, not only am I going to rescue the thirty-eight girls here, but we are in for another Lycan beatdown.

Eli: This isn't going to be another simple Lycan beatdown. Earlier this morning, I got word from Selene that Lucian, the original leader of the Lycans has returned from the dead, along with the Lycans who were loyal only to him, but we're not going to kill him and the Lycans loyal only to Lucian. We're going to take them down and send them to The Masters of Evil.

Nico: What? But, why?

Eli: The reason is this: Lucian became cold and ruthless after his vampire wife, Sonja, Viktor's daughter, was executed by being burned alive for loving him six centuries ago which started The Vampire-Lycan War. Lucian saw that what Selene and Michael were going through was similar to his own situation when he was with Sonja, and he redeemed himself in the end by saving Selene from Kraven by stabbing him in the leg with a knife and he told Selene to bite Michael, because he knew that only a hybrid of Vampire and Lycan can kill Viktor.

Me: But, if Lucian's back, then, that means...!

Mr. Wolf: Marius...! He's back too. Is he trying to usurp Lucian's role as leader?

Magnet Man: If he is, he's going to die here. Where is Lucian at?

Selene (Underworld): The Lycan Den, it's underneath an old building near the South Terminus subway.

Caleb Maxwell: We better hurry.

We immediately got a move on to the old Lycan Den after we'd found out Marius is also back as well along with Jacob Lane and Quint Lane.

We immediately got a move on to the old Lycan Den after we'd found out Marius is also back as well along with Jacob

Lane and Quint Lane.

We got to the South Terminus subway, but then, we saw Jacob Lane in his Lycan form charge at us, but Lincoln grabbed him by the neck with his left hand, and he sank his fangs into his neck and he sucked Jacob Lane dry of all his blood, muscles, and organs and he also assimilated his Superhuman Endurance, Superhuman Strength, Superhuman Speed, and Immunity to Silver which he already had. Lincoln threw his desiccated corpse to the side.

Lincoln: Nice try, Jacob. (Sensed Quint Lane) Guys, stand back, Quint's here.

Suddenly, Quint Lane appeared, and he transformed into his Enhanced Lycan form, but Lincoln ran at him and he sank his fangs into his neck and he sucked Quint Lane dry of all his blood, muscles, and organs and he assimilated his Enhanced Lycan Physiology, Superhuman Endurance, Superhuman Strength, Superhuman Healing, and Superhuman Speed. Lincoln threw his desiccated corpse to the side.

Lincoln: Now that those weak Lycans are out of the way, let's find Lucian.

We immediately hurried to find Lucian, and also, finally get rid of Marius.

We arrived inside The Lycan Den, and we saw Marius, who was fighting Lucian, the first Lycan and the leader of The Lycans.

Mr. Wolf: Marius!

Mr. Wolf fired a blast of midnight blue energy at Marius, and he dodged it.

Eli: Been a long time, Lucian.

Lucian: It's been a long time, Eli, and you've brought Team Loud Phoenix Storm with you.

Lincoln: We were hoping it would just be a regular battle, that was until we also found out Marius, Jacob Lane, Quint Lane, and the Lycans following Marius came back from the dead.

Mr. Wolf: Lincoln, you guys can take care of Lucian, I'll take care of Marius. This is the last time I ever have to deal with you, Marius, this time, you're never coming back.

Mr. Wolf exploded with power as a massive vortex of midnight blue energy surrounded him and it was intense, and many of the Lycans under Marius went after him, but the vortex attacked and killed them. Then, as the vortex faded, Mr. Wolf emerged, but he was changed forever.

This time, I'm putting an end to this whole Vampire-Lycan nightmare...permanently. What began centuries ago because of Viktor's prejudice and his crimes end here and now.

Mr. Wolf went after Marius who transformed into his Lycan form, and he fired extremely powerful blasts of rainbow and midnight blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow and blue heavenly flames, darkness, moonlight, midnight blue wolf fire, wolves, phoenixes, and angels which hit Marius and the Lycans loyal only to him, and they exploded as they hit him, and he also cut the Lycans down with his massive greatsword.

Then, he got behind Marius, and he plunged his hand into his spine, and...!

RIP!

Mr. Wolf tore Marius' bloodsoaked spine right out of him, and Marius fell down to the ground, dead, and he and the Lycans loyal to him were sent to The Black Abyss forever. Then, he came back to us.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Lucian, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at her, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON LUCIAN! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT LUCIAN WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED BLASTS OF HEAVENLY LIGHT THAT HIT HIM!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what kind of beast you're dealing with.

Then, Andre Lupeau went after Lucian and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, Abaddon Aeternus went after Lucian and he fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, demons, dragons, vampire bats, wolves, phoenixes, and angels at him, and he even slashed at him with his massive greatsword which really hurt like Hell!

Lincoln, Ricky, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Von Lycaon, and Sly Cooper went after Lucian and the Lycans, and they fired extremely powerful blasts of rainbow, royal blue, black and blood red, red and yellow, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, raccoons, devil hounds, demons, devils, phoenixes, and angels at them, and they exploded with incredible power as they hit them. Then, he also attacked them by flashing the Strobulb in their faces and blinded them, and the ring of Boos around the flashlight's head fired purple energy beams at Lucian and the Lycans which hit them hard.

Lincoln continued smashing Lucian and the Lycans hard with his extremely massive godly superhuman strength, and they were no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering them.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he's continuing to smash the Lycans all over the place!

Then, Lincoln roared loudly and Lucian and the Lycans were taken down and sent to The Masters of Evil. We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate, and Mr. Wolf's new body, clothes, weapons, jewelry, Third Eye, longer brown-grey tail, large gold halo with four large orbiting gold ring on each corner behind his head and large gold Yata no

Kagami mirror with gold crescent moon ring-shaped frame and embedded gems behind the large gold halo and four large gold Yata no Kagami mirrors with gold crescent moon ring-shaped frames and embedded gems behind the four large orbiting gold rings, 105 large midnight blue planets orbiting around his legs, 105 smaller purple and blue planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized midnight blue planets orbiting around his wrists and ankles, and massive brown-grey angel wings and 104 sets of large brown-grey angel wings underneath her massive brown-grey angel wings are permanent.

Lincoln: That was one awesome rescue.

Mr. Wolf: And I managed to finally get rid of Marius for good, good riddance.

?: (Norwegian Accent) Aw, I missed the action.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long golden yellow hair and ice blue flower in her hair, blue eyes, massive blue angel wings, she has a Vegvisir and Nordic Beast Gullinbursti on her forehead, right arm, ice blue sleeveless crop top, and ice blue skirt, white gloves, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, snow, ice, phoenixes, and angels on the coattails, and on the back is Nordic Beast Gullinbursti, she has an ice greatsword in her right hand, and with her are the thirty-five girls.

Lincoln: (GASPS) Anniken Johansen, Avatar and Gene-Slammer of Nordic Beast Gullinbursti.

Anniken Johansen: (Norwegian Accent) That's correct, and I got the girls away, but I missed out on the action.

Me: Mr. Wolf had already taken care of Marius and his army and sent them to The Black Abyss.

Nico: And we took down Lucian.

Eli: Lucian didn't go down easily, he'd survived a lot worse.

Lincoln: I agree, but we took him down and sent him to Vypra. (To Anniken Johansen) And it's so good to see you again, Anniken.

Anniken Johansen: (Norwegian Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Anniken Johansen had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Anniken Johansen was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Anniken Johansen: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Anniken Johansen's waist and hugged her, and Anniken Johansen is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Anniken Johansen: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Anniken Johansen, Avatar and Gene-Slammer of Nordic Beast Gullinbursti, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Gullinbursti. Anniken Johansen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Anniken Johansen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Gullinbursti, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Gullinbursti, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there were two gorillas whom she'd been wanting to kill all her life: and they were none other than those two no good destructive gorillas, Hawk and Hank, she hated them for all the times they tried to murder Lincoln and his family in cold blood along with what they did in trashing Royal Woods on Halloween and for what they did in murdering Cillia Cyberdark long ago, and she swore that if she ever saw those two big gorillas again, she would behead them and make the streets of Royal Woods run red with their blood.

Me: Lincoln told us everything yesterday, and we're going to get rid of those two big gorillas in the future.

Anniken Johansen: (Norwegian Accent) Good, they need to suffer for what they did.

Lincoln: And I intend to kill them for what they did to Cillia long ago, and now that you're here, Anniken.

Lincoln with his massive muscular arms still wrapped around Anniken Johansen's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and 105 massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Anniken Johansen: (Norwegian Accent)(Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Anniken Johansen with golden yellow gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Anniken Johansen: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Anniken Johansen.

Anniken Johansen had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Anniken Johansen's waist, and he leaned down to her face and kissed her on the lips, and with Anniken Johansen's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Anniken Johansen had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Anniken Johansen: (Norwegian Accent) (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The thirty-five girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the thirty-five girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the thirty-five girls are Hazuki Shiranui, Mari Yukishiro, Imina Ibuki, Ryoko Shinonome, Ako Takamine, Amane Kyoubashi, Sasa Momokawa, Haruka Kurimoto, Rinoda Mano, Itsumi Natsume, Niho Hinomiya, Isari Haishima, Kagari Haishima, Yukie Aoi, Kaede Yamabuki, Weiss Charlotte, Tatiana Alexandrovna Krovskaya, Faye Lee, Monica Blueash, Noel-Jaune Beart, Tsubame Miyama, Satoka Sumihara, Io Yaginuma, Yumi Sajima, Mana Namori, Aoi Uraba, Yui Chitose, Hotaru Sakamiya, Shiori Kannagi, Chika Wakatsuki, Tanaka Sachiko, Akara Origami, Hina Origami, Kori Origami, Morgana, Koharu Minato, Midori Hayasaka, and Tierra Sensei from School Girl Strikers.

Nicole: So, those were the girls Anniken saved, they're fighters along with being high school students and a teacher.

Lincoln: That may be true, but against Marius and his army of Lycans, they could've gotten killed if Anniken hadn't rushed in. Are you girls okay?

Hazuki Shiranui: Yes, we're thanks to you.

Then, when Hazuki Shiranui and the other thirty-four girls saw who it was that saved them from Marius and his army of Lycans, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Almighty Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of

Hazuki Shiranui: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and 105 massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Hazuki Shiranui:(Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, thirty-five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hazuki Shiranui, Mari Yukishiro, Imina Ibuki, Ryoko Shinonome, Ako Takamine, Amane Kyoubashi, Sasa Momokawa, Haruka Kurimoto, Rinoda Mano, Itsumi Natsume, Niho Hinomiya, Isari Haishima, Kagari Haishima, Yukie Aoi, Kaede Yamabuki, Weiss Charlotte, Tatiana Alexandrovna Krovskaya, Faye Lee, Monica Blueash, Noel-Jaune Beart, Tsubame Miyama, Satoka Sumihara, Io Yaginuma, Yumi Sajima, Mana Namori, Aoi Uraba, Yui Chitose, Hotaru Sakamiya, Shiori Kannagi, Chika Wakatsuki, Tanaka Sachiko, Akara Origami, Hina Origami, Kori Origami, Morgana, Koharu Minato, Midori Hayasaka, and Tierra Sensei with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one really dangerous rescue.

May: We took down Lucian and the Lycans loyal only to him and sent them to Vypra, and we also got rid of Marius and his army of Lycans.

Lincoln: Along with Jacob Lane and Quint Lane as well.

Nico: It'd been two years since our fight with them in Hungary, but now, we can finally say it, The Vampire-Lycan War is finally over.

Me: After 600 years of fighting and chaos, the war is finally over.

Eli: That's for sure, this war has finally been brought to an end.

Mr. Wolf: But, the scars won't heal overnight. Centuries of bloodshed, destruction, and lives lost, that won't go away easily.

Lincoln: That may be true, but give it time, and those scars will eventually heal.

Me: He's right, the scars will heal over time.

Nico: But, in the meantime, we can finally say this: The Vampire-Lycan War has been brought to an end.

Malena Corvinus: Not exactly, Nico, there's still the problem of William Corvinus, the first and most powerful werewolf, and Marcus Corvinus, the blood leader of the Vampires. Morgana no doubt brought them back when Anti-Monitor breeched The Black Gates.

Lincoln: The second they show up, they're going to die once again.

After Lincoln and all of us dealt with our Lycan problem in Hungary, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Anniken Johansen saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Anniken Johansen: (Norwegian Accent) My God, I was right that Lincoln's really grown into an 18-year-old 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Anniken, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Anniken Johansen: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Anniken Johansen: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Jack Howard got out a videotape.

Jack Howard: Okay, now this tape I got here, this was from October 9th 1985, and in this tape, Caleb went in search of a missing student from NYU, but the search brought him to one of the most haunted apartments in Manhattan, and also, another run-in with Cage and Travis. But, Darren would eventually expose a dark secret that would haunt Caleb forever.

Jack Howard put the tape in and it played on the big screen and it showed New York at night on the night of October 9th 1985.

Past Caleb Maxwell: (Narrating) It's been two weeks since Darren Reynolds had gone missing. He'd gone missing on September 23rd, and the police hadn't found out what happened to him, no clues, no letters, nothing. I feared something bad happened to him, but I found out two days later about his whereabouts, but it led me to one of the most haunted apartments in Manhattan. But, it needs to be done.

The scene transitions to a huge and abandoned apartment in Manhattan, and Caleb Maxwell had arrived.

Past Caleb Maxwell: Darren..., what in the world did you get yourself into?

Caleb Maxwell looked at the apartment, and he knew this is going to be a nightmare for him. Then, he opened the door, and as he stepped into the apartment, he felt an air of dread and darkness as it passed through him. But, then, the guns his uncle's friend made for him appeared in his hands, this meant trouble was here.

Caleb began searching every dark room in the apartment looking for clues to the disappearance of Darren Reynolds: such as journals and notes. But, one journal he found was something that would haunt him: it was Darren Reynolds's personal journal.

Past Caleb Maxwell: (Reading the page) September 18th, 1985. My parents had told me we're about to make a business deal with a clients they'd met at a gala, at first, I was surprised, but then, rumors started to spread that the client they'd met was Marcus Maxwell, Caleb's dad, or Claw

Dane Drake, the leader of The Big Claw Gang. The rumors, I just know they're false claims, but knowing the dark history, I shouldn't be surprised.

Caleb put the journal away.

Past Caleb Maxwell: I heard that someone was spreading the rumors, but the person hadn't been caught.

Suddenly, he heard the sound of moans of pain coming from up the stairs and to the roof.

Past Caleb Maxwell: Darren...?

Caleb Maxwell ran up the stairs and he opened the door to the roof, and there he found a male cat with brown hair, white fur, blue eyes, brown tail, and dressed in street clothes, it was Darren Reynolds, but Caleb saw he had bruises on his body: the same bruises he had thanks to his no-good psycho ex-younger brother.

Past Caleb Maxwell: Darren!

He ran to Darren Reynolds and got him to his feet.

Past Darren Reynolds: (Groans) Caleb..., what are you doing here?

Past Caleb Maxwell: I came here to get you, you've been missing for two weeks.

Past Darren Reynolds: Now, I remember. I was trying to put a stop to my parents. Caleb, the client they made a deal with, it was...! It was actually a trap set up by that psycho ex-brother of yours, Drake Maxwell, he was after our money and fortune. I was coming to not only stop them, but also, warn you as well, he's had it with you always ruining his plans, and now, he wants nothing more than to kill you. But, before I could, two of Drake's guys kidnapped me and tortured me for two weeks, they did this...to lure you out.

Caleb Maxwell was horrified.

Past Caleb Maxwell: Come on, we need to get out of here and fast.

?: And where do you think you two are going?

Caleb suddenly looked up and saw Cage Blunt and Travis Tackett and he had his guns out.

Past Caleb Maxwell: Darren told me about what Drake's thugs did to him along with what he was trying to do. Now, if you don't mind, we're getting our asses out of this haunted apartment.

But, Travis Tackett was blocking the door and Cage Blunt landed in front of them.

Past Travis Tackett: So soon? (Smirks) But, we're a little...hungry.

Past Cage Blunt: (Smirks) Hope you don't mind if we have a little...bite.

Past Darren Reynolds: No. (Grunts) Kitchen's closed.

Darren Reynolds tried to get his gun, but he was too bruised.

Past Caleb Maxwell: You're too weak, Drake and his thugs did this to you. Come on!

Caleb Maxwell grabbed Darren Reynolds and they charged at the door and they ran down the stairs and out the front door, and they fled to the Maxwell family's apartment where Darren's wounds were treated.

Past Caleb Maxwell: That was close. So, what you told me, is it all true? The deal being a trap set up by Drake to murder your parents and seize your family's wealth and fortune?

Past Darren Reynolds: Yes. Oh God, my parents..., they're in danger.

Past Caleb Maxwell: I'll call the police and tell them to get your parents out.

Suddenly, the cops arrived, but they had Darren's parents in handcuffs.

Past Caleb Maxwell: Mr. and Mrs. Reynolds, why are you two in handcuffs?

Past Darren Reynolds: Mom, Dad, what's going on?

Past Captain Whitten: I don't know how to say it, but we caught your parents about to initiate the deal they made with Marcus Maxwell.

Past Caleb Maxwell: There's something you should know, when I spoke to Darren after finding his location, he told me that so-called deal was actually a trap set up by Drake Maxwell to murder them and steal their family's wealth and fortune, and Drake hired two guys to kidnap Darren and kill him too.

Past Mr. Reynolds: What?! It's all lies, this is all a lie!

Past Mrs. Reynolds: You should've been put in your place long ago by our client, you miserable insect!

Darren Reynolds was horrified: Drake's manipulations also exposed how toxic his parents are. Then, he made the choice that sealed their fate.

Past Darren Reynolds: Mom, Dad, I'm calling our lawyer and handing him the evidence of your dealings with Drake Maxwell and Marcus Maxwell, and don't say I can't do this, and that you're my parents. You stopped being my parents the day you exposed your toxicity, greed, and heartlessness when you made the deal with The Devil. I'm taking over our family's wealth and fortune and I'll see to it that you two rot in prison forever, as of this moment, I'm cutting off all ties with you!

The cops took them away, but Caleb was left haunted, and hours later, he was on his bed, but he had more hatred towards Drake for this.

Past Caleb Maxwell: (Thinking) That bastard...! There really is no limit to how depraved he can be, he really is a devil in human skin. I despise you even more, Drake, and what you tried to do and what you did in the past was absolutely horrifying! If I see you again, I'm gonna make sure you never see the light of day again.

The video ends.

Me: Whoa. That was one terrifying mission you went through.

Caleb Maxwell: It was, the apartment was terrifying. It had a history of blood and murder back in the 1930s thirty years ago before I was born. and then, it was finally abandoned in 1965. But, the stories of the murders still haunted the apartment complex. The workers removed cartloads of bones, and they were unable to do renovations because of finding blood on the walls.

Roxy Drake: Many believed it was the blood of the thousands of murder victims from the 1930s and the 1940s and 50s, and their souls continued to haunt the place all of them wanting vengeance for their murders.

Nico: (GULPS) What happened to the complex?

Caleb Maxwell: It was finally torn down in 1993 by Darren Reynolds who had become the head of his parents' company back in 1985 on the day I was killed. He did a major restructuring of the company and kicked out his mom and dad's cronies. As for his parents, Mr. and Mrs. Reynolds were found guilty by the court for all of their schemes and crimes, and thanks to the evidence Darren gave to his lawyer and the prosecutor, he not only got the entire family's fortune and wealth, but his parents got sentenced to 85 years in prison, but two months later, they were found dead in their prison cells, it was a gang hit perpetrated by a prison gang when they saw those two arrogant leeches trying to bully them and the guards.

Lincoln: Well, that's what happens when his parents are nothing more than toxic condescending vile narcissistic leeches who enjoy making their son's life misery along with the lives of everyone around them.

We got a shower, and then, Kaan Demir-Vanhoof and Shara as well as Blaster-Tron and Alice (Murder Drones) are heading to Pere Marquette Park in Muskegon, Michigan.

Kaan Demir-Vanhoof: (Belgian Accent) Ah, I love the fresh air of Pere Marquette Park.

Shara: It really is amazing.

Blaster-Tron: It is amazing.

Alice (Murder Drones): Indeed.

Kaan Demir-Vanhoof, Shara, Blaster-Tron, and Alice began having their fun in the beach, but their fun suddenly got cut short when they saw legions of warriors from ancient times heading their way, and these were warriors brought back from the dead by Nikolai Ondrushko.

Suddenly, Lincoln appeared and he morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive legions of ancient warriors, and he began absorbing them into his body and he assimilated their massive muscle mass, brute superhuman strength, combat skills, primal instincts, testosterone, and virility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips, rainbow markings, and phoenix feathers of 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

When Lincoln was done and the stingers changed back, nothing was left of them and their souls had merged with them and their energy was given to Lincoln and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Kaan Demir-Vanhoof: (Belgian Accent) Thanks for the save, Lincoln.

Lincoln: You're welcome.

Lincoln teleported back to The World Tree Estate. A few minutes later, Kaan Demir-Vanhoof, Shara, Blaster-Tron, and Alice came back.

Nico: Lincoln told us what happened. Kaan, you, Shara, Blaster-Tron, and Alice alright?

Kaan Demir-Vanhoof: (Belgian Accent) We're alright.

Abaddon Aeternus: That's the last straw. When Nikolai finally makes his move, he's going to die a very terrible death for this.

Andre Lupescu: That'll take time though, Abaddon. We don't know when Nikolai will make his move, plus we already got our hands full with dealing with Dark Chase Young's return in the future, and fulfilling the final part of the prophecy. Not to mention it won't be long before Frieza makes his move to get revenge.

Nico: We'll deal with him very soon, but you're right about that, Andre. Though we'll wait until tomorrow to tell the others, once that happens, I know they're gonna freak, get pissed, and go on a violent rampage.

Andre Lupescu: Agreed.

Later we were taking Deborah Bolton and Sanemi Shinazugawa to their date.

Me: Deborah I know you miss your husband but I think it's time you moved on and find someone else.

Deborah Bolton: Oh you're right. I can't stay lonely forever.

Me: Yeah.

Saturn Girl: Can some of us guys go with you guys at the hospital?

Poromon: Sure.

Me: Good thing we know Shadow Clones.

We made them.

Poromon: Awesome!.

Half of us went to the hospital and the other half went to the theater.

We arrived.

Me: We're here!

We took off the blindfolds!

Deborah: Wow!

Sanemi: Cool!

The saw each other and gasped!

Deborah: Sanemi!?

Sanemi: Deborah!?

Both: YOU'RE MY DATE!?

Me: Yep.

I went and got tickets.

Me: Tickets for Moana 2 please.

Vendor: Sure thing!

At the hospital, we went to the room to visit the kid. She looked really sick and had blond hair and blue eyes and was REALLY sick. She had really laboured breathing.

Lightspeed: Is this the kid?

Poromon: Yep.

Me: She looks really terrible.

Poliwag: She has Pneumonia.

Me: Yikes.

Poromon: Yeah she needs all the support she can get to help her.

Me: I always bring my portable Lazarus pit with me just in case.

We went over to her.

Me: Boy she looks really sick.

Razorclaw: Hey, kid. What's your name?

Poromon: Easy Razorclaw. Her name is Erica Tala and she is really sick. The doctors said she is in critical condition and is dying so she needs a lot of rest.

She had a high fever and her breathing was really hoarse.

Me: Poor kid.

Erica Tala opened her eyes and she was really weak.

Erica Tala: (Coughs weakly) (Weak voice) Hey guys.

Poromon: You'll be okay Erica.

Grimlock: Can me Grimlock help you Erica feel better?

Erica Tala: (Coughs weakly) Yes you can.

Me: We'll read you a story and then we can help you get better with my cure.

Erica Tala: Thank you.

We read her the story about The Mascots and how they killed The Blood and Honey Pooh and Friends.

Poromon: (Reading) "And then the mascot heroes slain the terrible abominations of Pooh and friends and a big celebration was held by their friends and loved ones with root beer floats. The end.

Erica Tala: That was a great story.

Me: Glad you liked it.

Poliwag: There was actual beer as well!

She laughed and then coughed violently!

She coughed up phlegm.

Me: Oh man! That cough sounds terrible! We better help her fast.

Doctor: Oh hello everyone.

The doctor came in.

Me: We are here to help her doc.

Doctor: Thank you so much.

Poromon: Erica has no mother and father unfortunately. She was in the orphanage.

Me: Oh no. Poor girl.

Poliwag: But she wants to be a fashionista.

Me: I think I know just the appropriate mother for her. But first.

I pulled out my portable Lazarus Pit.

Me: Okay we got to hurry.

I put her in a capsule and we put her in the pit.

Me: Trust me on this.

Doctor: Will this work?

Me: Trust us doc. It will.

We got her out and she was fully healed, cured and rejuvenated!

Erica Tala: (Groans)

Poromon: Erica?

Erica Tala growled.

I snapped my fingers.

She was back to normal.

Me: It's a sideeffect. But she is better now.

Erica Tala: (Fully better) (GASP) I'm cured! What happened?

Me: Really amazing story.

Mascots: ERICA!

They hugged her.

Erica Tala: Wow! I feel better than ever!

I told her everything.

Erica Tala: Wow! I feel stronger and amazing than ever.

Me: You sure do.

Poliwag cuddled up to her.

Erica Tala: Wow! Thanks J.D.

Me: And I do know the perfect member of the team for you to adopt you. Her name is Rarity and she would be perfect. She is a fashionista.

I showed her the clothes she makes.

Erica Tala: (GASP) Oh wow! Those clothes are beautiful.

Manaphy: They sure are!

Erica cried happily knowing she was going to be adopted.

Horsea: Aww. I wonder how everyone is doing with the movie.

Poromon: Let's find out

Me: Good idea.

Energizer: That was fun.

Me: It sure was.

We had Erica with us after she got her clothes on. They were tattered rags though.

Earlier at the movie theater everyone got snacks and popcorn and more.

We went into the theater and the movie started.

SPOILER ALERT!

Three years after her adventure with the demigod Maui and the island goddess Te Fiti, Moana spends her days exploring other islands near her home island of Motunui in the hope of finding people connected to the ocean.

In a vision, her ancestor, Tautai Vasa, reveals why none of those peoples are connected anymore: the malicious storm god Nalo wanted power over the mortals, so he sunk a legendary island called Motufetu—which connected all islands—down to the depths of the ocean. Tautai further warns that the people of Motunui will go extinct in the future if Moana cannot find a way to raise Motufetu. She assembles a crew of people from Motunui—clever craftswoman Loto, historian and Maui fanboy Moni, and grumpy elderly farmer Keke, alongside her pet pig and rooster, Pua and Heihei—to follow the path of a meteor across the ocean towards Motufetu.

Meanwhile, Maui is seeking Motufetu himself since he had a previous quarrel with Nalo, but he is captured by Nalo's enforcer, Matangi. Maui is reluctant to contact Moana, as he fears she may not survive if she comes to help. Moana and her crew are captured by the Kakamora, a tribe of savage coconut-like pirates previously encountered by Moana, who reveal that Nalo's actions against Motufetu had caused them to be disconnected from their home island. One member of the Kakamora, Kotu, helps the crew paralyze a gargantuan monster clam inside of which is Matangi's lair. While the crew finds Maui, Moana meets Matangi and learns that she is not happy serving Nalo. She helps Moana escape and reunite with Maui and her friends, before sending them to where Nalo is.

Maui warns that Nalo's realm is deadlier compared to the mortal realm and that fighting him will spell certain death for mere mortals. Nalo's monsters ambush the group, damaging their raft and washing them ashore on an isolated island. Moana begins to despair, but Maui encourages her to keep on going. With Moana revitalized, the group plans to have Maui raise the island so that Moana can touch it, as that is the only way to restore Motufetu and stop Nalo. Her crew repairs her raft, but when the group ventures forth to confront Nalo, they encounter a gigantic storm.

Moana, realizing that Nalo is trying to stop the humans from breaking the curse, asks Maui to lift the island enough for her to touch it. As Maui begins to pull up the island with his giant hook, Nalo strips Maui of his demigod status with a lightning bolt. Moana, in a moment of desperation, dives into the ocean to touch the island underwater. Just as Moana succeeds, Nalo's lightning bolt kills her. Maui jumps in after her body, and with a magical chant, summons the spirits of Tautai Vasa and Moana's ancestors (including her grandmother Tala) who help revive her as a demigoddess, with Moana gaining a wayfinder's tattoo. Maui, having also regained his powers as a demigod, finally raises Motufetu and helps Moana reconnect the people with the ocean.

The crew returns home to Motunui, leading a flotilla of the peoples of the ocean, and a celebration is held in Moana's honor. In a mid-credits scene, Nalo plans his revenge and is about to punish Matangi for helping Moana, when the giant crab Tamatoa arrives to join his cause.

When the movie was done everyone was amazed and I was even more amazed with Moana. I even saw that she got Wayfinder tattoos on her arm too.

We cheered wildly!

Me: That was amazing!

Moana: It sure was! Boy that was fun.

Lily: I'll say and Moana you're a Demigoddess now!? That is so cool!

Poromon: It sure is!

Moana: I know! It sure is amazing.

Punguari: How do you feel being like me?

Moana: Honestly it feels amazing and aawesome.

Me: Wow!

Maui: That was an awesome time too.

Lily: We never did that but this is gonna be awesome if we do battle Nalo.

Palutena: Nalo is not a very nice guy. He is a ruthless one.

Me: So we have seen.

Deborah: Boy that was so fun!

Joan: We're glad you had a lot of fun mom.

Simea: And my big sister is a goddess now! She is awesome

Moana giggled.

Poromon: But we know what's next.

Me: Yep. See ya! (TELEPORTS)

THE HUNT IS ON!

Nico: Oh the clones are here.

We told everyone everything and it was amazing!

Nico: (GASP) Oh my! And Erica you poor thing.

Rarity: Oh but I would love being your mother darling.

Erica was so happy!

She hugged her and cried.

Me 2: Rarity you and I will go to the Orphanage and get her things. You guys have fun on the chase.

Nico: Will do.

We left.

Nico: Let the hunt begin!

Eli: Thank goodness we made clones.

Nico: Very handy.

Poromon: Where is he?!

Eli: He's on a cheese planet!

Nico: (DROOLING) CHEESE! Lets go!

They teleported!

They arrived but then they smelled a HORRIBLE ODOR!

Nico: (SEAL BARK) (SNIFFS) OH GOOD GOD!

They saw that it was a LIMBURGER CHEESE PLANET!

Nico: It's a Limburger Cheese Planet!?

Horsea: GOOD GOD!

Lily: YUCKY STINKY!

Lana: (Eating some of the cheese) It's really stinky just the way I like it!

Nico: Look!

They saw me sitting by a cheese wheel rock with a noseplug on.

Nico: There's that little fartass!

They went and jumped me but it was only a hologram!?

Nico: A hologram?

But then...

KRASPLAT!

NACHO CHEESE SAUCE COVERED THEM AND SPLATTERED ALL OVER THEM!

Nico: (Slurps) Yummy! Nacho cheese sauce!

Nico licked the cheese.

Nico: Yummy. But this place is so stinky!

Lana: It's not that bad guys.

Later they teleported to another planet but to their shock it was AN ONION PLANET!

Nico: A planet of onions!?

Lola took a bite out of one but spit it out!

Lola: (SPITS AND GAGS) YUCK! IT'S ROTTEN ONIONS!

AND THEY SMELLED REALLY HORRIBLE! IT WAS A PLANET OF ROTTEN ONIONS!? YUCK!

Apple Bloom, Scootaloo and Sweetie Belle VOMITED FROM THE STENCH!

Xenia: OH MAN! THIS PLACE REEKS!

Poliwag: Jesus!

Nico: OH GOOD GOD! IT SMELLS HORRIBLE!

Camie: OH YUCK!

Ymir: YUCK!

Lana: (EATING A BUNCH OF THEM) They don't taste that bad.

Nico: For you Lana but not for us.

Qin cried jets of tears from the stench!

Nico: There.

They saw me reading a book. They jumped me and it was a dummy but then...

KRASPLAT!

IT EXPLODED AND COVERED THEM IN ROTTEN CHUM!

Nico: EW! ROTTEN CHUM! (VOMITS!)

Lana ate it.

Lana: Yummy!

EVERYONE HURLED FROM THAT!

Manaphy: GROSS!

Nico: No kidding!

* * *

Later they arrived at a pudding planet.

Nico: It's a pudding planet?

Lincoln had some.

Lincoln: It's a tapioca pudding planet!?

Nico: Tapioca pudding!? Whoa!

Qin: You want some Mary?

Mary: Nah you guys go ahead. I don't like Tapioca Pudding that much. It's my least favorite flavor of pudding.

Nico: I don't blame you.

Poromon: Yeah.

Nico: There.

They saw me on a rock and they jumped me and it was a dummy and it exploded into confetti!

On a note it said to Nico, Nice Try Fatass!

Nico: I'm letting that slide.

Qin: Yeah.

* * *

Later they arrived on another planet and it was A REALLY FISHY ONE!

Nico: (Sniffs) OH GOOD GOD! This is a fishy one!

Allenby tried some fish.

Allenby: (EATING) MMM! Oh boy! This is a planet of Surströmming.

Nico: What's that?

Jared: It's a fermented herring dish from Sweden. It smells and tastes like you're eating a rotten corpse.

Everyone: YUCK!

Poromon threw up!

VOMITS!

EVERYONE THREW UP FROM THE SMELL!

Nico: OH YUCK!

Xenia: There!

They saw me reading on a rock.

They jumped me and then...

KRASPLAT!

THEY GOT COVERED IN ROTTEN SHARK FERMENTED IN ITS OWN URINE!

THEY SCREAMED AND IT SMELLED HORRIBLE!

Later they came back and went into the estate. What they didn't know was that I was really hiding in the birdhouse with Mevya and Jerry and Canary. We call it the blind date hideout and hangout.

Me: (Sniffs) WHEW! Man they really got drenched in stink.

Mevya: Boy you're telling me! Those planets they went to really smelled awful!

Jerry: Mevya, why weren't you with Poromon?

Mevya: Because I'm afraid that Gatomon will try and eat me.

Jerry: Oh.

Me: Well better head in to help everyone.

I went outside and got back to my normal size. Then I smelled something REALLY HORRIBLE!

SEAL BARK!

Me: (SNIFFS) OH GOOD GOD! WHAT THE FUCK IS THAT SMELL!? I know it's not Ed.

I then saw a Stunky.

Me: Hey a Stunky. You sure are a stinky little one aren't you.

I used telepathy and gasped.

Me: HOOWEE! You are Pigpen's sister Limburger Vomitpen! No wonder! Dark Gale really must've been throwing up from you.

I snapped my fingers and she reverted back and was a girl with orange hair and green eyes and orange wings and had Stunky on her foreehad and had a Limburger Cheese pile with a man vomiting on her arm as a cutie mark.

I wrapped her in a blanket.

Limburger Vomitpen: (Groans) What happened?

Me: You were turned into a Stunky by Dark Gale.

Limburger Vomitpen: (GASP) Oh man!

She was in an orange suit and they injected her quickly and she turned into a Stunky and ran.

FLASHBACK ENDS

Limburger Vomitpen: It was awful. But they didn't want me because of my stench. I haven't taken a bath for over 20 years.

Me: OH GOOD GOD! You smell really awful! You are going right into the tub right this minute!

The Horsea clone found me only to smell the stench.

Horsea Clone: (POINK) OH YUCKY STINKY!

Me: Sorry clone you are too late. She is back to normal.

Horsea Clone: Drat!

We went into the house and everyone saw me.

Nico: There you are!

Me: I was hiding in the birdhouse.

Nico: Oh.

Pigpen (MLP): Limburger Vomitpen!? Oh wow!

They hugged.

LOUD FART!

Me: WHEW! You two are siblings.

Nico: GEEZ!

Lily: And I thought Plankton's Stench of Failure and Lori's farts smell bad!

Lori: I HEARD THAT!

She then saw Horsea's smiling face.

Horsea: Just glad I didn't get attacked.

Me: Your clone smelled the stench of her before she could move. Also I turned her back before she came.

Qin: Oh man.

May: Lets get you to the tub.

Me: She hasn't taken a bath in 20 years!

Everyone: GOOD GRAVY!

Lola: EW!

Nico: YUCK!

May took her to the tub.

Me: WHEW!

Nico: Man what a stinky chase!

Me: Where did you guys go?

They told me everything.

Me: WHOA! A Limburger Cheese Planet, Rotten Onions Planet and a planet of Tapioca Pudding and a planet made of fermented herring!? That is weird but cool!

Allenby: It sure is.

Me: Boy this has been one stinky chase for you guys.

Nico: No fucking shit!

Qin: Yeah.

Me: Also to be honest, I picked those places at random. I didn't know they would be planets like that.

Eli: That is surprising.

Limburger came back in orange clothes and looked awesome.

Limburger Vomitpen: I look great.

Me: You sure do.

Nico: What's your role in Sonya's team?

Sonya: Nico it's best you don't ask that.

Limburger Vomitpen: Trust me you don't want to know.

Nico: Why?

Limburger beckoned him and she whispered in his ear and then he turned white as a sheet and had all the color pour out of him!

I used a sponge and sucked it up and squeezed it back into him and he was back to normal.

Nico: Okay sorry I asked!

Maria: How about outside of the team?

Limburger Vomitpen: I make limburger cheese.

Me: Ooh like it stinky.

Camie: Wow.

Me: Boy you guys have had a REALLY STINKY chase didn't you?

Eli: That is an understatement!

Jinx: I noticed you were smiling this time, Horsea.

Horsea: Happy now?

Jinx: About what?

Horsea: Not getting attacked.

Me: Yeah. That and also Rarity now has her own daughter too.

Rarity: Indeed.

Erica came out with a dark blue dress and she had a blue hair bow covered in jewels and had blue leggings and shoes.

Erica Tala: I look amazing.

Me: You sure do. Glad you guys had fun. Oh.

I put on my blindfold.

Me: Okay guys come get me.

I puffed a peppermint stick.

Horsea: I meant are you guys happy that I'm not being smug anymore

Nico: Oh right.

Poromon: LESS TALKING MORE PUNISHING!

Mascots: CUTIE TICKLE PUNISH!

They jumped me and tickled me!

Mascots: COOCHIE COOCHIE COO!

I LAUGHED HYSTERICALLY!

Me: (LAUGHING HYSTERICALLY!)

Horsea: SAY IT!

Me: NEVER! (LAUGHS)

Manaphy: SAY IT!

Me: NO! (LAUGHS)

Poromon: SAY IT!

Me: NEVER! (LAUGHING HYSTERICALLY!

Nico: J.D. IN THE NAME OF ALL HUMANITY SAY IT!

Me: UNCLE UNCLE UNCLE! (LAUGHING)

Tyrone McGee: SAY WHAT!?

Me: UNCLE UNCLE UNCLE! (LAUGHING)

They stopped.

Me: (LAUGHING) Whew!

Poromon: That was actually fun.

Me: Next time slap the tickle belt on me.

SpongeBob: That we can do.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white

angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our shock, it was the Snarks, and those monstrous aliens are coming here to destroy The Power Pack. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: HOLY SMOKES! WE GOT TROUBLE!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our shock, it was the Snarks, and those monstrous aliens are coming here to destroy The Power Pack.

EVERYONE GASPED!

Lightspeed: The Snarks are back?! Oh great.

Me: I remembered you telling us about them. Looks like we got an alien invasion to thwart and we are going to wipe the Snarks out for good.

Nico: That's for sure.

Lincoln: We're gonna need elemental weapons to deal with them, and they're in New York.

Caleb Maxwell: Dealing with another alien menace, I think I'm gonna need to bust out the big guns.

Caleb Maxwell got out a huge machine gun, and our jaws dropped!

CLANG!

Eli closed our jaws.

Me: Mrs. Maxwell, how many guns does your son have?!

Marlene Maxwell: Oh, you don't wanna know.

Nico: Keep that machine gun ready though, we're gonna be needing more heavy artillery for this alien menace. Alright, team, let's get going, it's doomsday for The Snarks.

Lincoln: They picked the wrong planet to invade, now we're kicking them out and sending them to The Black Abyss.

The previous group came.

Ice Demon: Can me, Johnny 13, Absorbing Man, Abomination, Dr. Destiny, Multiplex, Pterodactyl Ghost, 10,000 Volt Ghost, White Lightning, and Goro go with you guys?

Nico: Yes you all can come with.

Abomination: (Sniffs) PHEW! What stinks?

Me: Don't fucking ask!

Toxica: Nico, which gene-slammer do you think you'll meet next?

Nico: Number 66: Master Key Beetle And Number 65: Djinn Buster next.

Me: Nice!

Qin: Yep.

Me: Oh Nico I forgot to give you this before the chase began.

I held up my fist to his face and then.

POW!

I bashed him in the nose Tex Avery style.

Nico: OW! Very funny.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Dark Chase Young from 150,000 years hence who's been resurrected by Nikolai Ondrushko, and when he found out what happened, he's now heading here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Dark Chase Young from 150,000 years hence who's been resurrected by Nikolai Ondrushko, and when he found out what happened, he's now heading here to destroy us.

Aurora Rainbowlight: I can't believe him! I thought he wound up kicking the bucket after he killed himself when the asteroid hit, but Nikolai Ondrushko decided to...! (GROWLS) That's it, we're gonna kill him once again!

Lincoln: Good idea, Aurora, it'll serve as a prelude to the final epic showdown against Dark Chase Young when he comes back from The Warp, and what he did destroying Earth in 150,000 years hence, he's going to pay with his life.

Nico: Save room for me and J.D. as well, Lincoln, that draconic son of a bitch isn't getting away with this. Alright, team, let's go, the time to destroy The Snarks has come.

Lincoln: Their entire race is about to become extinct and I'll also go to their planet and absorb their planet's core as well as an added insult, and once we get done with them, you're finished, Dark Chase Young from 150,000 years hence.

Aurora Rainbowlight: I should've known you wouldn't stay dead for long, and that you'd return yet again for more. Dark Chase Young, for all of the atrocities you've committed for 1,500 years and for what you did to Lincoln and his family when you orchestrated the murder of their ancestors back in 1621 to prevent the prophecy from coming true, it's time for you to pay. It's time to set things right!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to New York to destroy The Snarks and send them to The Black Abyss, and once we got done with them, Aurora Rainbowlight and Lincoln are going to destroy the resurrected Dark Chase Young from 150,000 years hence and make him pay for destroying the Earth in the timeline of 150,000 hence.

We were off to New York City once again

We arrived in New York.

Me: We're here.

Johnny 13: Let's call Samon Shakekisutanchin.

Me: Good idea.

We did so.

Samon Shakekisutanchin: I'm here guys!

Me: Cool.

Barricade: We should use Elemental Swords for this

Me: Way ahead of you for that.

We showed we got lots of them.

Nico: Nice.

Qin: Cool.

LOUD NASTY FART!

Limburger Vomitpen: Pardon me.

Xenia: Funny.

Abomination: Who wants to explain about the Snarks?

Shanan: Well the Snarks are actually called the Zn'rx. They are an alien race obsessed with stealing Superpowers.

She went over their history.

The Zn'rx, or Snarks, are an alien race obsessed with stealing super-powers. They look most like bipedal reptilians with a digitigrade leg structure. They are intelligent and have interstellar travel technology.[citation needed] However, they are also a warlike race by tradition (including their wars of succession, or Snarkwar), though some Zn'rx try to break this habit, most notably one of their last emperors, Bhadsha.

The Zn'rx are divided into many clans. Each individual clan is led by a queen, who are all married to The Emperor, who rules over all clans. Upon the death of the Emperor, the clans fight wars against each other; the son of the Queen of the winning clan becomes the next Emperor.

Origins

The Zn'rx hailed from a distant section of the Milky Way, on the planet known as "Snarkworld", which they shared with the primitive but sentient Burrowers, who lived in Caverns and knew the Zn'rx as the "(mean) Dragons".

Early years

The Kymellians knew the Zn'rx as "the oldest enemy".

The Zn'rx violently encountered the Skrulls during a war of succession, centuries ago.

Emperor Bhadhsa, at least partially encouraged by the Kymellian ambassador, his childhood friend Lord Yrik, initiated reform to the successions rules, intended to eventually move from Snark War to single combat between the High Snarks to determine the Snarks' ruler. This was deeply unpopular to some of his people.

Zn'rx commander Kl'rath was one of the most ruthless captains in the Snark Army and attained a high position using that reputation (though attracting powerful enemies). After the Skrull homeworld was destroyed, Kl'rath attacked and wiped out a whole transport full of Deviant Skrulls (mostly children). His enemies had him branded as a war criminal, and sent to the inescapable prison of L'ar Gath Five. Years later, he was killed by Skrull warrior Lyja the Lazerfist.

Queen Maraud discovered a matter/antimatter device in development on Earth. As part of Maraud's schemes to secure her son Jakal's place on the throne, Maraud attempted to steal the matter/antimatter device. She kidnapped inventor James Power, and his wife Margaret. However, the children of James and Margaret received powers from a dying Aelfyre Whitemane and used them to rescue their parents and keep the matter/antimatter device out of Maraud's hands. The kids accidentally destroyed the device in the process but Maraud had continued to harass the kids of Power Pack since, attempting at multiple times to use them during the most recent Snark war of succession, each time without success however.[citation needed] Such attacks included an attempt thwarted with the help of Obnoxio the Clown and Deadpool in his black costume (the Symbiote/symbiote Venom), despite the deployment of the Super-Snark. Defeated into retreat, pursued, they were slaughtered by Deadpool before they could report back to their ruler. With the help of the Burrowers, Jakal and Maraud were eventually defeated; and thanks to Yrik and the Power Pack, Bhadsha's consciousness took over Jakal's body, using it to serve as Emperor. Yrik remained on Snark World, as well as his son Kori, residing among the Ankar Clan,[13] the sole clan Bhadsha fully trusted in his attempts to reform Snark World, and whose High Snark, Prince Sobak, was Bhadsha's choice for his successor (as Bhadsha had no heir of his own) and Kofi's closest friend.

During that period, the Snark Empire seemingly stabilized, and the Snarks seemed to lay low, apart from a group that attacked Rick Jones during an extraterrestrial bidding war to acquire the rights to his memoirs, but were driven off by Jones and his allies.

Two years later, as Bhadsha was about to name Sobak his successor, and thanks to Maraud's plots and scientists, Jakal's consciousness gradually resurfaced in his body and eventually repelled Bhadsha's. At that point, he decided to attack his enemies to put back lesser clans in place, and revealed his identity to Ambassador Yrik before imprisoning him. The Kymellian ambassador silenced, Jakal and Maraud moved to subdue the last clans not united to theirs, the Ankar Clan and the Destrak Clan, as well as taking care of Power Pack. Clan Destrak was swiftly destroyed, the High Snark Rungar was killed, but Mother Destrak manage to escape with some guardsmen. At this point Kofi and Sobak escaped Snark World aboard the smartship Data, and set course to Earth to enlist the help of Power Pack, soon realizing that Jakal were already on their way.

On Earth, Jakal's agents were defeated into retreat by Power Pack. Meanwhile, Jakal gathered the Queen Mothers, presenting them as his true self and proclaiming his plans to reaffirm snark dominance across the galaxy, with Ankar as sole protester. The Snarks returned to the Power's house as Kofi and Sobak arrived, followed by the Snarks. After a skirmish, the Snarks were defeated. Power Pack, Sobak, and Kofi returned to Snark World, just at the time the Zn'rx destroyers annihilated the Ankar Bio-Domes. As they fled into the Burrowers' Caverns, they encountered the Burrowers, who helped them enter the palace.

Meanwhile, Queen Destrak freed Yrik, assembled her army, and solicited his support (and consequently Kymellia's) to back her up and enable her to evade the tradition and become the first Empress of Snark World, and the Queen Mothers sent Repra, the Rites Master, to protest the assaults on the Ankar and Destrak. Jakal dismissed but Maraud's intervention caused him to snap out and kill her, witnessed by Repra, but also by Sobak, Destrak, and Power Pack, and immediately losing the support of the Queen Mothers.

As both Mother Destrak and Prince Sobak claimed the throne, Yrik pointed out that neither could bring peace and stability: Sobak could bring peace but lacked a clan to bring stability, while Destrak had the warriors that could ensure it. Julie suggested that instead of a single emperor, the Zn'rx could use a Triumvirate formed of Sobak and Destrak.

Jakal was defeated and taken in custody by Yrik, who supported the Triumvirate idea as a provisional ruling body that would dictate Snark affairs until the matter of ascension could be worked out, proposing Repra as the third member, and going with Repra to present to the Queen Mothers that option, that he believed would be acceptable to them, though Jack was skeptical if it would last, stating Power Pack would fought another Snark War in a year.

The reign of Jakal (described as "hotheaded") was considered in overhaul as disastrous.

At the time of the Dark Reign of Norman Osborn as head of the United States of America's national security, peace was achieved under the rule of the ruling triumvirate, thought the Snarks' reputation had been tainted by their wasteful bickering. In his report on individuals and organizations of interest to Osborn, the robot Quasimodo considered the Snarks' attempts to obtain weapons and powers from humans was the sign of a deep inferiority, that they should be ignored, and relations with them should be handled by S.W.O.R.D., as the Snarks lacked the resources to invade Earth anyway.

After the death of Uatu, the Watcher, a Zn'rx scout confirmed the rumors of Earth's forces being in turmoil and its Watcher dead, and considered the planet ready for conquest, but he was snipped by the Winter Soldier (James Barnes), now officiating as The Man on the Wall, protecting Earth from extraterrestrial and extradimensional threats.

Another group resided a few miles north of Rockland, Maine, cut off from their Queen Mother, seemingly attacking humans (those Zn'rx wore human clothes in a grotesque manner) and attempting to reconnect with her to ask the deployment of a strike force to wipe out the planet. Their were detected by the Thunderbolts led by Barnes to help on his duty. The Thunderbolts were ambushed by the Snarks, but easily defeated them, and tipped S.H.I.E.L.D. to recover the restrained aliens.

Hyinar, Third Prince of the Zn'rx's royal blood, initiated what became known as the Hyinar Usurpation.

Hyinar, along with his agents Dyngo and his brother Koyoti, followed the counsel of his mother's scientists in scouting for worlds populated by metahumans whose powers they could harvest. Their quest led them to infiltrate Centauri-IV (then the new home of the Universal Inhumans), disintegrating Blackbane and kidnapping Gorgon. With these acts Hyinar initiated Snarkwar, intending to become the emperor of Snarkworld.

Hyinar and his agents soon struck again, abducting the members of the Light Brigade and of the Astarion's crew (including many members of the Inhuman Royal Family). The trio then captured the Inhuman queens, but were destroyed by Flint. It was hoped that this would be understood by other Snark royalty as a warning that Inhumans of every species were off-limits to Snarkwar.

The Hyinar Usurpation derailed any efforts to modernize the Zn'rx succession process and signaled a return to the Snarkwar's barbaric traditions. Ultimately, this would lead to Stote ascending to the Zn'rx throne in the following months.

During his brief rule, Stote's traditionalist policies reversed many of the reforms instituted in Bhadsha's era. Stote himself came to be greatly distrusted by Nymbis Sternhoof, a Kymellian ambassador, who saw him as a plotter.

Following the merger of the Kree Imperium and of the Skrull Empire, a diplomatic summit was convened at the Proscenium to explore how intergalactic relations would be impacted by the new alliance, to discuss the status of the Pan-Worlds Treaties, and to seek a path towards stability and peace among the assembled factions. In attendance were representatives of the Kree/Skrull Alliance, the Utopian Kree faction, the Kymellians, the Rigellians, the Shi'ar, Earth, the Galactic Rim Collective, the Badoon (in fact the weapons dealer and Elder of the Universe known as the Profiteer), Spartax, the Chitauri, and the Zn'rx, represented by Emperor Stote himself.

Chaos ensued when the Profiteer, hoping to precipitate another Snarkwar (and the resulting lucrative weapons market), assassinated the Emperor. Further efforts to destabilize the conference were exposed when the attending Chitauri representative, the diplomat-drone Peacebringer, was revealed to have been created as a walking bio-explosive bomb.

In the midst of the Proscenium summit chaos, those in attendance received word that planets among the Zn'rx Colonies (along with many other worlds) were being stripped of life by the advance of the elder god Knull.

Five heirs originating from three different clans battled for the dominant position:

Kuga of Bhoa Clan was the eldest of the heirs, a radical modernist, and initially the most powerful among the rival heirs. Her brother Djagyar was a radical traditionalist.

The youngest heirs of Stote and moderate reformists Khondor and Lyga of Gylar Clan brokered an alliance to remove the other heirs, then would shift the war to a process of single combat.

Snarkwar was monitored by S.W.O.R.D., who believed the war could destabilize the galactic peace (they also monitored the enigmatic deaths of whole planets).

Rather than a fixed power base, Djagyar used a guerrilla fleet always on the move, thus making it hard to locate. Kuga attempted to conquer Ortuaa, a peaceful world with vast mineral resources and close to a strategic binary wormhole, not knowing that Knull had already destroyed that world. Her brother Djagyar seized the opportunity to outflank her, causing severe losses to her forces, forcing her into retreat and hiding whilst becoming the most likely successor to Stote. Kuga attempted to rebuild her forces, though presumably it was a vain effort as her warriors were deserting for stronger armies such as Djagyar's.

Meanwhile, Wezel was besieged at the edge of Utopian Kree space, and attempted negotiation with the Supremor for safe passage.

As Earth fell to Knull, S.W.O.R.D. and Krakoan agent Manifold met with Djagyar in his flagship in deep space, to offer him mutant powers in exchange for the help of his fleet (which wasn't required to protect worlds) against Knull, a proposal which was refused by Djagyar, who considered Knull his benefactor, as he destroyed his rivals' worlds and did not impact him whatsoever due to his nomadic strategy. Djagyar was assassinated seconds after Manifold's departure.

When it was done we were shocked.

Shanan: Yeah and they are nothing but trouble.

Gilda: So they were involved with your origin.

Lightspeed: Yeah it's why we were given our powers.

Xenia: Wow.

Qin: Amazing.

Lola: Yeah.

Nico: That is awesome.

Multiplex: Time to clone an army

Me: We're going to need millions of them.

Multiplex: Right.

He got ready and made millions of himself.

Skalor: Thanks for not being smug anymore, Horsea

Horsea: You're welcome.

Qin: Yeah.

Rarity: Indeed. And this is gonna be really a really good battle.

Erica Tala: It sure is. We're going to kick some butt!

10000 Volt Ghost: You okay, Erica?

Erica Tala: Much better than ever.

Xenia: Awesome.

Nico: Yep.

Laney: We're happy for Erica too.

Me: And I used my portable Lazarus Pit to make her better.

Xenia: WHOA!

Nico: That is amazing!

Qin: It sure is!

Camie: Wow!

Poliwag: It was a bit risky though

Me: But it worked.

Xenia: Yep.

Qin: Awesome.

Camie: Yeah.

We got to walking around the city.

Nico: It's quiet so far.

Lincoln: Yeah. WHOA! I saw the next Akuma we're facing. It's the Power Pack's Akuma called The Elemental Ghost Force. The Hypothetical Akuma of The Power Pack and they are 10 Spirits of the Elemental Forces. They were made and split into 10 of each of the elemental forces: Undead, Life, Air, Fire, Water, Magic, Metal, Earth, Light and Dark. They were made because of the Snarks destroying everyone they love and now they want revenge on them

WE GASPED!

He showed us a sketch of them and they were ghosts of each element!

Me: WHOA!

Xenia: They look like the Skylanders Elements!

Lightspeed: Wow!

Windsweeper: It's the Akumas of the mascots all over again!

Me: No kidding! Except this is 1 core member.

Energizer: He's right on that.

Then we heard ghostly wailing!

Me: Uh oh.

Shaggy: ZOINKS!

Goro: What was that?

Me: It was from them!

Slugslinger: That was more than 4!

Me: Yeah! Now we got to go after the Snarks!

We heard the malevolent laughter of The Snarks as they're causing havoc in New York.

Nico: Time to put a dampener on The Snarks' mood.

Lincoln: Let's do this, and we've got a little surprise in store for them. (Sensed Dark Chase Young from 150,000 years hence) Nice try, you draconic nightmare.

Lincoln fired gold spider silk and tied up Dark Chase Young from 150,000 years hence who was trying to attack us.

Lori: You got some nerve coming back to destroy us. We'll deal with you later after we take care of our big problem.

We took off into the air to attack The Snarks.

Lincoln, his sisters, and harem: Galactabeasts, Activate Water Mode!

The Galactabeasts of The Elementus Galaxy activated their Water Mode, and they had lightning surrounding them and they fired powerful blasts of lightning at The Snarks and they got drenched bad!

Suddenly, the spirits of The Power Pack appeared and they attacked The Snarks and we also threw Dark Chase Young from 150,000 years hence in as well and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion erupted as a Thunderbird Screech, Wolf Howl, and Phoenix Cry was heard and we appeared, and this made The Snarks even more pissed off than ever.

Lightspeed: Figures you'd return for more, Snarks.

Me: But, we're ready for you and your forces.

Nico: Now, it's time for you to pay.

Lincoln: Let me start us off with this. NOVA DEATH RAY!

Lincoln held out his left hand and four large focusing lenses formed, and he fired a beam of red energy and fire which went through the focusing lenses and made it even more powerful than ever and it hit The Snarks and they got hit hard and burned badly!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF THE SNARKS TO NO END! NOW, THE BATTLE TO DESTROY THE SNARKS WAS ON!

Lincoln, The Power Pack, Nico, and I and the rest of us went after The Snarks, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at The Snarks, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and The Power Pack did the same by firing colored, white, golden yellow, and blue energy blasts, and Lincoln, The Power Pack, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making The Snarks even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit The Snarks and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into The Snarks and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword.

Nico punched one of them and smashed them down.

Nico blasted the Snarks all over!

Qin fired waves of fire and blasted them.

The mascots blasted the Snarks all over.

We blasted the Snarks until only their leader was left.

Me: Well well well. Now we just have you to face!

Snark Leader: You are all very formidable.

Me: So we have heard. Also you are looking at the very force that killed Thanos!

He gasped!

Snark Leader: YOU ALL DESTROYED THANOS!?

Nico: That's right!

Snark Leader: That can't be!

Me: Thanos died by our hands!

Snark Leader: WHO ARE YOU ALL!?

Me: WE ARE TEAM LOUD PHOENIX STORM!

He gasped and was scared shitless and the very mention of us!

Snark Leader: NO! THIS IS IMPOSSIBLE!

He ran like a coward!

Me: We won't let you escape!

I teleported and bashed him in the face and knocked him down!

Then Dark Laser, Crimson Dynamo, Turtle, Spot, Skalamander, Dr. Polaris, Wrecking Crew, Whiger, Titania and Dodgeball Wizard came!

Nico: Dark Laser, Crimson Dynamo, Turtle, Spot, Skalamander, Dr. Polaris, Wrecking Crew, Whiger, Titania and Dodgeball Wizard!

Snark Leader: Don't just stand there! HELP ME KILL THEM AND AVENGE THANOS!

Their response?

Titania: NOT IN A MILLION FUCKING YEARS!

KRASMASH!

Titania smashed him in his face and sent him crashing into a gas tanker and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

It exploded into a fiery inferno!

Me: WHOA! Nice one!

Sinuku: I met a few Snarks before. They were very unpleasant

Me: Yeah they are nothing but trouble.

Qin: They sure are.

Nico: Soon they will allbe extinct. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

Sabrina Mason, Slippy Toad, Sailor Mercury, Lizzie Strong, Yumi Davenport, Captain Spitfire, Balto, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Kitten and Jinx VS Dark Laser, Space Kook, Evil Princess, Mentok the Mindtaker, Spirit of Fireball McPhan, Flying Fish, Laser Lizard and Yost Living Laser (Theme including Slippy Toad) - Nico's rescue was getting justice for Maureen Connor

---

Dark Laser was first.

Dark Laser (to Sabrina): Nico's rescue was getting justice for Maureen Connor. I bet Horsea was involved with that.

Sabrina Mason: Oh she was! She REALLY RIPPED apart that monster! ALso his name was Travis Connor and shockingly to all of us, he was an old enemy that Nico put away in prison years ago.

Dark Laser: Really? Oh man! What did he do that pissed Nico off?

Slippy Toad: He did everything and had a RAP Sheet a mile long! His crime record was absolutely disgusting to the infinite-power: Travis Connor was one mean nasty son of a bitch! He brutally assaulted tons of kids and teachers who got in his way, he tied them up via their underwear to the flagpole, threw their heads in the toilets in the school bathrooms, blew up the chemistry lab, defaced the football field by writing the words, ROT IN HELL, on it, made deals with rival schools to sabotage the high school of Nico, Qin, and their friends, and he also spread lies about everyone and turned them against each other for his own twisted amusement.

THEY WERE SHOCKED!

Dark Laser: GOOD GOD! HE IS PURE EVIL TO THE CORE!

Sailor Mercury: No kidding there! But we made sure he paid for it big time!

Twilight Sparkle: That is for sure and it was very therapeutic for us. After we got him sentenced to death by Maria's mother, Lincoln mutilated and tortured him and dismembered him alive before banishing him to the Black Abyss. After that Maureen cried hard into J.D. knowing that her mother was avenged.

Stellar Sparkle: Yeah that was rough for her. He ruined her life.

Harmony Sparkle: All for the purpose to slake his own greed.

Starshine Sparkle: No kidding there!

Spyro: Yeah!

Dark Laser: GEEZ! You guys had a VERY Stressful rescue there. But at least Maureen's mom was avenged and one of Nico's enemies was destroyed. Lets do it!

---

Crimson Dynamo was next.

Crimson Dynamo (to Akira): The Anothers were the gene-slammers of Voltanis the Adjudicator and Majestic Mech Goryu. Nico, Magnet Man's team, Toxic Seahorse's team, and the others did good battling them.

Akira: They sure did! But we were shocked about who the Voltanis the Adjudicator gene-slammer was. Her name is Vivienne Voltanis.

THEY GASPED WHEN THEY HEARD THAT NAME!

Crimson Dynamo: You mean the infamous assassin called The Terror of The 9 Circles of Hell!? Oh my god! That is amazing that Nico knows a legendary assassin! I've heard lots of terrifying rumors and stories about her! She is unstoppable! She mercilessly slaughtered over 50,000,000 criminals all over the world and many inmates in prisons all over the world in their most dangerous prisons!

Sailor Sun: We were absolutely shocked that she garnered an intensely and amazingly fierce and powerful reputation! We found out that she and her family come from an intensely long line of assassins that stretches back over

6,000 years. They and her ancestors went after the worst of the worst criminals for millennia. And she is also an amazing bounty hunter as well as an amazing hitwoman. She has a MASSIVELY AWESOME Price per job. $500,000,000,000.00 per job.

Crimson Dynamo: (WHISTLE) THAT is a hefty contract price for a hit! I have never known a criminal organization that has used that kind of money to put a contract kill out on anyone for her. It would have to be mostly all in diamonds.

Milly Ashford: She works mostly as a freelance assassin. But she is a hero like John Wick. And she is a good friend of Nico. But in school, she kept her real name secret so people wouldn't fear her. Not only that but she is also one of the most notoriously wanted people in the world by INTERPOL, FBI, CIA, Scotland Yard and Many law organizations all over the world!

Crimson Dynamo: WHOA! Talk about being the most dangerously feared and most notoriously sought after criminal ever.

Milly Ashford: You're telling me! And also for millennia like the Cooper Clan, they kept their secrets of killing, sneaking and slaughtering in an ancient book called The Predatorus Voltanis. That is so cool! Also we met an Emolga gene-slammer and her name is Sprite Thunder and she is Rainbow Dash's cousin. She is really awesome.

Sunset Shimmer: She has amazing lightning powers and also has the powers of Upper Atmospheric Lightning called Red Sprites which are really amazing. They look like jellyfish.

Firestorm Shimmer: Yeah they are really cool! But they only last about a fraction of a second and are VERY RARE to see.

They also occur VERY HIGH up in the sky.

Pipsqueak: (British Accent) That is for sure.

Spot: YUCK!

Apple Star: Yeah it was gross!

Wolf Moon Bloom: That dish garnered a notorious reputation too. But the Rotten Onion world SMELLED REALLY HORRIBLE!

Apple Bloom: The smell was so bad that it made me THROW UP REALLY BAD!

Lori: You literally deserved that, you piece of shit!

Aurora Rainbowlight: Okay, that's it, I have had it with you, you evil monster. You're going to pay for what you did!

Suddenly, Aurora Rainbowlight's blue eyes turned neon blue, and she was surrounded by a rainbow, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, wisps, elemental forces, phoenixes, and angels, and as she approached Dark Chase Young from 150,000 years hence, she left rainbow, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, wisps, elemental forces, phoenixes, and angels with every step.

Time to die, bastard! This is for destroying Earth in 150,000 years hence and separating us from our friends and families!

Lincoln, Aurora Rainbowlight, Nico, and I went after Dark Chase Young from 150,000 years hence and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Dark Chase Young from 150,000 years hence, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Aurora Rainbowlight did the same by firing rainbow, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Aurora Rainbowlight, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Dark Chase Young from 150,000 years hence even more angrier than ever and it caused him to turn into his dragon form.

Suddenly, Lincoln's massive white angel wings and 105 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Dark Chase Young from 150,000 years hence and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Dark Chase Young from 150,000 years hence and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword.

Finally, Aurora Rainbowlight and Lincoln fired a massive rainbow energy beam with elements at Dark Chase Young from 150,000 years hence, and the blasts sent him flying out into space, and...!

KRABOOM!

THE BEAM EXPLODED OUT INTO SPACE AND DARK CHASE YOUNG FROM 150,000 YEARS HENCE WAS KILLED IN THE EXPLOSION AND HE WAS SENT TO THE BLACK ABYSS!

We cheered wildly as we holstered our weapons and powered down and Aurora Rainbowlight's new body, clothes, weapons, jewelry, Third Eye, one-hundred massive and long rainbow wolf tails, large gold halo and large gold Yata no Kagami mirror with gold sun ring-shaped frame around it with embedded rainbow gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold sun ring-shaped frames around them with embedded rainbow gems behind the gold rings behind her head, one-hundred large rainbow planets orbiting around her legs, one-hundred smaller rainbow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized rainbow planets orbiting around her wrists and ankles, and massive rainbow angel wings and ninety-nine sets of large rainbow angel wings underneath her massive rainbow angel wings are permanent.

Aurora Rainbowlight: This is for destroying our Earth in our timeline and separating us from our man and our friends and families. Thanks for helping me get rid of Dark Chase Young from 150,000 years hence, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Aurora.

Me and Nico: Our pleasure, Aurora.

Suddenly, Aurora Rainbowlight wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aurora Rainbowlight's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Aurora Rainbowlight sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Tara Toonamine: I didn't expect Dark Chase Young from our timeline to return from the dead, and he had some nerve though. He thought he could get away with his crimes and destroying our Earth from our timeline?! He's dead wrong!

Me: That's right. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Mara of the Nordic Alfar.

Lincoln: The Vegvisir and the Duel Monster, Mara of the Nordic Alfar

Astrid Michelsen: (Norwegian Accent) There's one person who fits that: Alvilde Antonsen, Avatar and Gene-Slammer of Mara of the Nordic Alfar, and you guys are going to love meeting her, Alvilde Antonsen, Avatar and Gene-Slammer of Mara of the Nordic Alfar, isLincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Mara. Alvilde Antonsen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Alvilde Antonsen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Mara, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Mara, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there was one person whom she'd been wanting to kill all her life: and it was none other than Killjoy Huggins, she hated him for what he did in trying to make Lincoln suffer and all because of his hatred and she swore to make the streets of Royal Woods run red with his blood.

Nico: Oh shit! So, we're not the only ones who hated that stupid killjoy.

Me: Too bad you already killed him in The Sensei Air Realm, Lincoln.

Lincoln: She also hated him for not only trying to make me suffer and because of his hatred and trying to kill me in the past, but also she hated him for the murders of Kaara Koaki Meiru and Lorelai Symphonia Arendalle which left me with a really nasty case of PTSD as a result of him murdering her in front of me as he slashed and stabbed her in front of me. What a lowlife.

Skalamander: Sinuku is right.

Dr. Polaris: About what?

Piledriver: About Dan's friends getting mascots of their own.

Bulldozer: But they'll have to be extra ones.

Whiger: We'll think of something.

Titania: For now, let's celebrate!

Nico: I agree. Great job today everyone!

Me: Now the Snarks are a forgotten memory.

Xenia: Yep.

Zero G: (To the viewers) The Snarks are dead forever.

Lightspeed: (To the viewers) That is for sure.

We went and grabbed some New York Pizza and had fun.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: Whew, man, that was one awesome day.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there lying on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was Vinna Laval and she was posing seductively, and when Lincoln saw her, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Vinna Laval: (Seductive Voice) Like what you see, wolf hunk?

Lincoln could only nod, and then, Vinna Laval went up to Lincoln, and she stripped him of his white and gold-trimmed shorts, gold-armored knee-high boots, and orange loincloth, and leaving him in his underwear, but she really aroused him.

Vinna Laval: (Rubs Lincoln's massive pecs) You're even more of an impressive hunk especially in your underwear, now I can see more of your built manly legs and the very thing that has gotten the girls in your harem pregnant with many children. (Seductive Voice) And satisfied them every single time and every night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Then, Lincoln wrapped his arms around Vinna Laval and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and Vinna had her hand on his underwear about to remove it and leave him in the nude, and his entire harem dressed only in strapless bras and panties also appeared as well.

Lincoln: (Seductive Voice) (Smirks) Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, in the world of KaBlam, two figures were barricading the studio, they were Henry and June, the show's hosts.

Henry: I hope Team Loud Phoenix Storm can help us with this situation.

June: They will, Henry. J.D., I hope you and the others get here as quickly as possible.

Henry and June: We need help from this unknown foe.

HENRY AND JUNE, THE HOSTS OF KABLAM, HAVE SENT OUT A DISTRESS CALL TO OUR HEROES, TEAM LOUD PHOENIX STORM, FOR HELP AGAINST THIS UNKNOWN FOE THEY'RE DEALING WITH, BUT, THIS FOE IS KNOWN TO THEM EXPLICITLY TO THEM, AND ALSO TO NICO AND THE SAIYANS. TOMORROW, THE FATE OF THE UNIVERSE IS ABOUT TO BE DECIDED!

TO BE CONTINUED...

Another awesome fanfic done.

The Power Pack is now rid of the Snarks.

Next up is Nikiya's day to shine and we're going to face Frieza!

See you next time.

REVENGE OF FRIEZA

Frieza is back for revenge

IN HONOR AND MEMORY OF AKIRA TORIYAMA

In the early morning hours of 12:24 AM, Lincoln was asleep along with his harem, and he had a dream as it took him to Planet Namek, but as he was flying, he felt a massive dark energy signal, and from far away, he saw who it was and that really pissed him off: that massive dark energy belonged to none other than our old enemy, Frieza. Lincoln woke up along with his harem.

Pan: Lincoln, what's wrong?

Lincoln: It's not good.

Lincoln explained everything, and when he was done, they were pissed.

Pan, Bulla, Marron, Suno, Chao, Tanmen, An Azuki, Caulifla, Kale, Cheelai, Nikiya, Fasha, Oceanus Shenron, and Chronoa: You've got to be kidding me!

Pan: I don't believe this. Frieza's back. When the others find out about this, everyone's going to be so pissed including Nico.

Nikiya: Along with your father, grandfathers, Vegeta, and the other Saiyans. But, you know what this means, right?

Lincoln: Yep, today's your big day, Nikiya. And after we get rid of Frieza, we'll tell everyone about the fact that you're part of my harem, I know my sisters are gonna cheer wildly like always, and...

Nikiya kissed him on the cheek.

Nikiya: I know, and Bokrua is going to be in for a big surprise, so we'll keep that hidden until after we get rid of Frieza.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Oh, guys, we got ourselves a huge emergency today, last night, I had a dream and it took me to Planet Namek.

Then, after Lincoln got done explaining everything, we were pissed off.

Me: What?! Frieza's back again?! (GROWLS) Anti-Monitor!

Nico: Of all the villains Anti-Monitor brought back, he had the nerve to bring back the very tyrant who destroyed our people and our home?! Frieza, you don't deserve to live ever again!

Caleb Maxwell: Yikes, you're pretty pissed, Nico. Can you tell us all about Frieza?

Goku: You're not gonna like hearing it.

The Saiyans, The Z-Fighters, and Nico along with all of us explained to those who hadn't joined us about Frieza and his history, and when we were done, those who hadn't joined us back then were so pissed off, steam whistled out of their ears like train whistles!

Caleb Maxwell: That narcissistic loathesome bastard! I'll shoot his brains right out of his skull, I'll gouge his eyes out of his head, and then, I'll tear his heart and stomach out of his dead body and feed them to the vultures!

WE GASPED IN HORROR!

Me: Whoa! Looks like we're not the only ones out for Frieza's blood.

Bardock: And you said Frieza's on Planet Namek, right, Lincoln?

Lincoln: Correct, Master Bardock, but this means he might try to destroy it again if we piss him off any further.

Cage Blunt: I've got an idea, when he goes into his 100% Full Power Form and tries to use the same trick he used to destroy Namek long ago, you're gonna need to use your Cell stingers to suck out all his powers and abilities and weaken him severely to the point of him almost being on the brink of death.

Allie Maxwell: Cage, that's the most reckless idea you've ever had in your immortal undead life.

Caleb Maxwell: Wait a second, that's a great idea, but we still need to make him suffer.

Lincoln: Leave that to me, Nico, and J.D., we'd been working on a technique to make Frieza suffer the anger of all those he's destroyed in the past.

Me: And it's based on The Penance Stare.

Nebula Lanaia: This should be good.

Lynn: We all hated Frieza for everything he'd done, and I thought Dark Sebastian was an absolute monster.

Gohan: He's higher than Frieza on the scale of evil considering that he was a Satanic evil bloodthirsty psychopathic deranged omnicidal murderous sadistic loathesome two-faced snake. I'm just glad that we don't have to deal with him ever again.

Krillin: No kidding, I've had it with that psycho's constant attacks on us in the past.

Nikiya woke up to see Sawk and Throh staring at her

Nikiya: Morning guys

Sawk: Morning Nikiya.

Throh: Time for breakfast.

Nikiya: Oh boy!

She went and got dressed and went to the table and got eating .

Me: Morning Nikiya. You ready for your day?

Nikiya: I sure am!

She got to eating a lot!

Suddenly, the special Anti-Lila Rossi alarm Lincoln installed sounded, and when he checked the computer, he found Lila Rossi on a Banana Dessert planet.

Lincoln: Aha! Found her!

Nico: You found Lila Rossi and she's on a Banana Dessert planet?! Wow.

Me: So, that's where I sent her to after I blasted her off of Earth. Well, then, we've got a lot of torture sessions in store for that lying bitch before we let Marinette blow her brains out and banish her to The Warp until her big day.

Marinette: Awesome.

Lincoln: And to add insult to injury, we're going to have it broadcasted to all of Paris, that'll get them rallying for Marinette's big day when we destroy Lila Rossi for real.

Nico: That's even better! With all of Paris rallying with us, Lila Rossi, Paris' most dangerous and psychotic monster better count all her sins because what's awaiting her on Marinette's big day is a one-way trip to a place infinitely worse than Hell or The Black Gates: The Black Abyss, and this time, she's never coming back.

Me: EVER! She is dead meat! We'll have wolves maul her before her sentence is carried out. The judgement? BURNED AT THE STAKE AND LET THE FIRES OF HELL DESTROY HER!

Mascots: SHE'S A WITCH, I TELLS YA! BURN HER! BURN THE WITCH!

Lincoln: Oh, for goodness' sakes. (CRACKS KNUCKLES!)

Lincoln cracked his knuckles!

LOUD CRUNCH!

Ed and Mascots: WHAT A PEST!

Edd: That's disgusting.

Ed and Mascots: MAKE HIM STOP!

WE WERE LAUGHING HYSTERICALLY!

Eddy: That always cracks us up!

"Cerise Bianca", formerly known as Lila Rossi, and known as Volpina, Chameleon, Hoaxer, Timestalker and Spectral Looter in her Akumatized forms, is the secondary antagonist of the Miraculous: Tales of Ladybug and Cat Noir franchise.

She is an enigmatic and deceitful girl who is incredibly talented at lying and manipulating others. Throughout the series, she becomes obsessed with destroying Marinette Dupain-Cheng/Ladybug for attempting to expose her lies, along with getting Adrien Agreste/Cat Noir to fall in love with her. Her various schemes have resulted in her being willingly akumatized by Hawk Moth on several occasions and additionally forming an alliance with his civilian identity, Gabriel Agreste, to "protect" Adrien from any negative influences. However, after she is revealed to be aware of his secret identity, she begins plotting to steal his Miraculous. As of the episode "Re-creation", she is the current holder of the Butterfly Miraculous, and is set to become Ladybug and Cat Noir's future archenemy.

She is voiced by Clara Soares in French and by Lisa Kay Jennings in the English dub. She is dubbed by Erika Langarica the Latin American Spanish dub in all seasons sans the first one, in which she is played by Cristina Hernández (who also played Miss Heed).

Lila's early life is shrouded in mystery. It is known that she developed a talent for lying and manipulating others in order to suit her own needs, and also took the name "Lila Rossi", leaving her real name unknown. At some point, she managed to convince three separate women—an embassy worker, an employee at Style Queen magazine, and a deaf-mute woman—that she is their daughter, leaving them unaware of each other's existence; it is thus unclear who, if anyone, is her real mother. Prior to her first appearance, she moved to Paris and enrolled into Collège Françoise Dupont. At the same time, she enrolled into a second school, Collège Paul Bert, under the identity of Cerise Bianca.

In "Volpina", Cerise Under the name of "Lila Rossi joins on her first day at school, she begins spreading numerous lies about her connections and accomplishments, impressing her peers. Marinette hears about Lila's claims as she is headed to class and asks Alya about her. Alya explains that she is a new student from Italy, pointing to her as she is upstairs with Adrien, before playing a Ladyblog interview in which Lila claims she is close friends with Ladybug. Seeing Lila expressing interest in Adrien, Marinette begins to panic about how he might fall in love with her and follows them both into the library. There, Lila prepares to study with Adrien and notices the Miraculous Spellbook which he had taken from his father. She claims to love superheroes, upon seeing the past Miraculous holder documented inside, and becomes annoyed upon noticing Adrien's crush on Ladybug.

She again claims to be friends with Ladybug, and suggests that she and Adrien meet at the park after school where she can tell Adrien more about their friendship. Adrien hastily attempts to leave for his fencing class, and Lila startles him, making him spill his books; covertly, she slips the spellbook away from him. Once Adrien leaves, she flips the book open to a page about a Fox Miraculous holder, becoming interested and leaving. Later, Lila goes to a jewelry shop to purchase a necklace that resembles the Fox Miraculous, unaware that she is being watched by Marinette and Tikki, the latter wanting to find out if the book is the same one Master Fu lost. While comparing her necklace to the one in the book, Lila spots Adrien and panics, hiding the book in a garbage can, where Marinette and Tikki recover it.

Lila sits down with Adrien, and, with her necklace as proof, "reveals" that she is the descendant of the vixen superheroine Volpina, who is far more powerful and celebrated than Ladybug. Enraged, Marinette transforms into Ladybug and exposes Lila's deception to Adrien, making her run off. Furious that her chances with Adrien have been ruined, Lila declares her hatred of Ladybug to a poster featuring her and begins crying. Hawk Moth senses Lila's sadness and sends an Akuma after her, which possesses her necklace. He offers to grant Lila the power to bring her lies to life, also instructing her to pretend to be a real superhero so that she can gain Ladybug and Cat Noir's trust to betray them and steal their Miraculous. Lila eagerly accepts the offer and transforms into Volpina, using her powers to transform the Ladybug poster of one of her carrying Adrien away.

Soon, she uses her powers to create an illusion of a giant meteor hurtling towards Paris. An illusion of herself then flies in to stop and hurl away the meteor with ease; unbeknownst to her, the illusion dissipates upon hitting a pigeon. Before a grateful crowd, Volpina proclaims herself as the only superhero Paris needs. Ladybug and Cat Noir discuss Volpina's appearance, at which point she arrives and suddenly asks for their help. The three run to another rooftop to see Hawk Moth standing out in the open; Volpina claiming that they need to pool their talents in order to take him down. Ladybug becomes skeptical about the meteor and Hawk Moth both appearing in one day and questions Volpina about her Miraculous and abilities, which is cut short when Hawk Moth makes his escape, forcing them to give chase.

At the Hôtel de Ville, Volpina instructs Ladybug and Cat Noir to help her surround Hawk Moth to capture him, only for Ladybug to rebut her orders with her own, which doesn't bother her. Volpina then flies behind a chimney, where she is dissipated by the real Volpina, who comments that Ladybug and Cat Noir are falling into her trap. Shortly afterwards, Ladybug loses Hawk Moth and is cornered by Volpina and an assembly of weapons. Volpina reveals her true intentions, and, indirectly, her identity; proclaiming that now everyone thinks she is a superhero and that she is the liar. prompted by Hawk Moth, Volpina demands to be given Ladybug's Miraculous, threatening to destroy a nearby building to get her to surrender. Ladybug resists, and Volpina causes the building to collapse, nearly forcing Ladybug to surrender.

However, a pigeon dissipates the illusion, making Ladybug realize what Volpina's powers are. She destroys the weapon illusions and the fake Volpina and calls Cat Noir to tell him the truth, theorizing that Volpina could be headed to the Agreste Mansion to meet Adrien. Cat Noir returns there and detransforms back into Adrien, planning to talk Volpina down. Immediately afterwards, Volpina arrives and declares that she really is a superhero, claiming Ladybug is jealous of her. Ladybug bursts in and confronts Volpina, allowing Adrien to transform back, realizing that his plan isn't going to work. Cat Noir joins Ladybug, and Volpina casts multiple illusions of herself, which Ladybug dispels. Immediately, another Volpina appears outside, holding Adrien hostage. Cat Noir insists that Adrien is actually an illusion, but Ladybug still gives chase.

Volpina takes "Adrien" to the Eiffel Tower, pursued by Ladybug and Cat Noir. She threatens to throw him off if the heroes don't surrender their Miraculous; Ladybug nearly gives in, but Cat Noir dispels the Adrien and Volpina illusions with his staff. Ladybug then spots the real Volpina ascending to the top of the tower, where she summons more illusion copies. Ladybug summons her Lucky Charm, creating a chocolate popsicle with a blinding effect; she turns this against the Volpinas, blinding the real one, and allowing Cat Noir to trap her with his Cataclysm. Ladybug destroys Volpina's necklace and de-akumatizes her, then apologizes to Lila for her earlier behavior. However, Lila refuses this and declares that they'll never be friends, before storming off. From his lair, Hawk Moth senses that Lila is still angry, and ominously says that Ladybug hasn't seen the last of Volpina.

In "Catalyst", Lila is shown engaging in a video chat with Ms. Bustier's class on Heroes Day, supposedly in the Kingdom of Achu, telling her classmates that Prince Ali has invited her family to stay at his palace. Marinette tries to debunk her claims by pointing out that Prince Ali is in the U.S., but Lila rebuffs this by reminding her she never said Prince Ali was with them. Lila then tells the class that, for her Heroes' Day assignment, she is going to get Prince Ali's approval for a project to reduce pollution in several different countries, claiming even superheroes like Ladybug can't solve every problem. She finished by telling her classmates that it is getting late in the Kingdom, and says her goodbyes. Once the call is ended, Lila is revealed to have been in her room the entire time, and scowls. Her mother enters the room, wondering who she was talking to on the phone.

Lila lies and says it was her boyfriend Adrien, and further claims that the school is still closed because of the constant akuma attacks. Her mother is subsequently called by Mr. Damocles, although Lila convinces her not to answer him as he's probably been akumatized as well. They are then interrupted by the Heroes' Day parade outside, which irritates Lila. Once her mother leaves for work, Lila is seen bitterly scrolling through news feed of people showing their appreciation for Ladybug. She then comes across an interview where Gabriel Agreste declares that he is financing a movie in tribute to Ladybug, and dismisses shallow imitations like Volpina. Seeing this, Lila is driven over the edge and proclaims her hatred of Ladybug. Having intended to utilize Lila's hatred as part of his latest plan, Gabriel senses her anger and sends an akuma after her, which attaches to her bracelet.

Greeting Hawk Moth, she is offered the power of illusion again and the opportunity to get back at Ladybug, which she readily accepts. Now Volpina again, she creates the illusion of an evil, akumatized Ladybug dueling with Cat Noir over the Heroes Day parade, culminating in Ladybug destroying the latter with his own Cataclysm, imbuing all of Paris with fear and sadness. Pleased, Hawk Moth contacts Volpina and tells her that she played her part perfectly and will see him again soon, Volpina replying that she can't wait. Hawk Moth then revokes Lila's akuma, and she smiles. Following this, Hawk Moth becomes Scarlet Moth with a boost from Catalyst and creates an army of akumas to akumatize those distressed by Volpina's illusion. Ladybug later deduces Volpina involvement in Scarlet Moth's plan after defeating Vanisher.

In "Mayura", as the final step of Scarlet Moth's grand plan, Lila is re-akuamtized into Volpina, and summoned to the Eiffel Tower. There, she creates an illusion of Scarlet Moth to hold Ladybug and Cat Noir's attention, allowing them to be shot by Dark Cupid's arrows and imbued with hatred; thus, making them vulnerable to akumatization by the real Scarlet Moth. However, the plan fails when Ladybug spots Scarlet Moth's reflection on the cover of the Miraculous Box she received from her Lucky Charm, resulting in Hawk

Moth's cane being destroyed by Cat Noir, de-akumatizing everyone at once. When this happens, Lila is shown being shocked at the sight of her purified akuma flying away. After everything is reverted back to normal by Ladybug, Lila is last seen bitterly looking down on the picnic Marinette had thrown for her class before closing the shutters on her window.

In "Chameleon", Lila returns to school, claiming to have tinnitus. As a result, the class' seating arrangement is redone to suit her hearing problems, placing her beside Adrien. Marinette arrives and discovers what has happened, just as Lila arrives. Marinette skeptically asks about her hearing problem; Lila explaining that she burst her eardrum while saving Jagged Stone's kitten, and then becomes excited with the idea of having Adrien help her catch up on all the school she missed while travelling the world with her parents. Marinette complains about having to sit alone at the back of the class, and Adrien offers to switch spots with Marinette, which both she and Lila firmly oppose. Lila mopes about how her return has caused problems for everyone and how she should have stayed on the other side of the world, gaining everyone's sympathy and forcing Marinette to sit in the back.

Outraged by Lila's lies, Marinette becomes vulnerable to akumatization, but calms down before she can be akumatized; Hawk Moth orders his akuma to remain close, confident her emotions will return. During lunch, Lila has her classmates hand her food, telling them that she can't do it herself due to a sprained wrist. Marinette tries to explain why she believes Lila to be a liar to Alya and Nino, although, without clear proof, they both refuse to believe her. To prove her point, Marinette hurls a napkin at Lila, which she catches with her "injured" wrist, exposing her lie. However, Lila covers herself by pretending to be hurt, lying that she had witnessed a man's eye being gouged out by a napkin in India, and that she was trying to protect Max from the same thing. As Marinette's classmates turn on her, Lila tries to sway their anger by claiming Marinette was really just trying to hand her a napkin, causing the latter to angrily storm off.

In the bathroom, Lila confronts Marinette on why she doesn't like her, insisting that they should be friends and that she could even help her with Adrien. Marinette rebuffs her by stating they will only be friends when she stops lying to everyone and although she can't prove it, she knows that everything Lila told everyone was untrue. Lila admits this as she remarks that she only tells people "what they want to hear", which Marinette tells her that it's obviously called lying. Unconcerned, Lila smugly remarks that there's nothing Marinette can do about what she's said since people can't resist when they hear her lies and gives her two choices: either she's with her or against her, leaving her to decide by the end of the day. After Lila leaves, Marinette remarks that she is even worse than Chloé and enters a state of distress, making her once again vulnerable to akumatization.

In the hall, Lila meets up with Adrien, asking him when he is going to help her catch up on her studies and if he could also help her learn piano as well, claiming that her uncle was a great pianist who was unable to teach her due to arthritis. Adrien agrees to take up Lila's proposal yet kindly asks her not to lie to him as she did before, even offering to help her out if she has a problem. Upset by Adrien still thinking she's a liar because of Ladybug, Lila storms off, believing that he's trying to act like Ladybug as well by lecturing her. At the same time, Marinette repels the Akuma with help from Tikki, confusing Hawk Moth, who quickly decides to grab onto another source of negative emotions instead. Immediately afterwards, Lila, still furious with superheroes, spots the Akuma and grabs it, allowing it to enter her earring.

Lila greets Hawk Moth and asks to have supervillain powers so that she can destroy Ladybug, and he agrees. She transformed into the villain Chameleon, and heads off to meet Adrien. She feigns remorse for her actions and says that she wants to make peace, kissing him. Using her powers, she steals his appearance and puts him to sleep, sarcastically remarking that she lied. After stuffing the real Adrien in a locker, Chameleon heads up to Nino, insults him, and steals his cap before hopping away to the Eiffel Tower, with Ladybug following her. Chameleon starts causing chaos in order to slow Ladybug down before hopping up to the Eiffel Tower, remarking how the former always shows up at the first sign of trouble. Chameleon falls off the tower so that Ladybug will save her, and tries to kiss her in gratitude. However, Ladybug refuses this, knowing that she isn't the real Adrien and the two fight.

Ladybug holds Chameleon down and tears Nino's cap, believing it to be her akumatized object, only for nothing to come out. Chameleon escapes, and Ladybug gives chase. She arrives at the park, where a boy named Quentin claims to have seen Chameleon fleeing into the merry-go-round. However, Quentin's mother appears and thanks Ladybug for finding her son, revealing that he is actually Chameleon in disguise. Chameleon leaps towards Ladybug in order to kiss her, only for Cat Noir to show up and take the kiss instead. Now transformed into Cat Noir, Chameleon attempts to steal the real Cat Noir's Miraculous but is stopped by Ladybug. Chameleon summons Cat Noir's Cataclysm and engages Ladybug, who runs away, encouraging the former to follow her. Hawk Moth commands Chameleon to take Cat Noir's

Miraculous, but she denies him, wanting to take Ladybug's first.

Chameleon chases Ladybug onto the Eiffel Tower, where she summons her Lucky Charm and receives a T-shirt, Chameleon engages Ladybug again and tries to kiss her, only for Ladybug to make her Cataclysm the tower, bringing them both to a cafe stand on the lower level. There, Ladybug tricks Chameleon into kissing an oyster, transforming her into one as well. As Cat Noir wakes up and returns to her side, Ladybug has the stand owner pry Chameleon open using a prying tool and the T-shirt, and destroys her akumatized object (now a pearl). Seeing that Lila was Chameleon the whole time, Ladybug advises her that she doesn't have to lie since people will like her for who she is and calls a truce between them. Lila agrees, but stares off hatefully after Ladybug and Cat Noir leave. Hawk Moth senses that she is still holding onto her grudge, and says that Lila's hatred for Ladybug will end up serving his goals one way or another.

Back at school, Lila continues to lie about her relationship with Ladybug. Marinette prepares to call her out, only for Adrien to talk her down, claiming that humiliating Lila will only make things worse. When class resumes, Adrien decides to sit at the back with Marinette, leading to Marinette not paying attention to Miss Bustier. Thinking Marinette has hearing problems as well, Miss Bustier decides to place her at the front of the class with Lila. To avoid this, Lila tells Miss Bustier that Ladybug has healed her tinnitus and sits at the back with Adrien. Ironically, this ends up setting off a domino effect of her classmates switching back to their original seats, leaving Lila sitting at the back. After school, Lila confronts Marinette, declaring that they are both at war and she will make her wind up all alone and Adrien will be hers. However, Marinette was unfazed by this threat and tells her that they'll see about that before calmly walking away as Lila walks away in a huff.

In "Oni-Chan", Lila is shown getting ready for school while listening to a message given to her by her mother, who claims she will again be late tonight but will make sure to spend time with her on the weekend. Lila leaves her house and is met by Nino, who notices that she looks upset. She convinces him that the reason she is troubled is that she will have to pass up a chance to go to a gala with her mother because of all the homework she missed in her first trimester, and that she doesn't want to ask Adrien for help because he will think she's in love with him as his other fans, manipulating Nino into asking him for help. Later, Adrien approaches Lila and offers to help her with her homework; while, at the same time, Marinette spies on both of them. Lila tells Adrien that they would work better at his house, which he disagrees to since his father does not allow his friends to be over, though Lila is sure she can convince him otherwise.

Lila exits the school with Adrien and persuades his bodyguard into letting her come back to the Agreste mansion with them; while, at the same time, Marinette pursues them. Once they reach the mansion, Lila is confronted by Nathalie, who refuses to let her inside until she fools her by saying that Adrien needs help with his math homework. Adrien criticizes Lila for lying, but she blows him off. In Adrien's room, Lila begins to snoop around and becomes jealous after seeing photos of both Kagami Tsurugi and Ladybug. Nathalie comes to tell Lila her time is up, and she takes a photo of her kissing Adrien before leaving, immediately sending to everyone in the school, including Kagami. As she is about to exit the mansion, Gabriel spots her; she proclaims that she is his biggest fan, and quickly rushes out.

Outside, Lila spots Marinette fallen into garbage after failing to get into the mansion; she considers posting a photo of her on the internet to humiliate her, but deems this as "too easy". At the same time, Gabriel chastises Nathalie for letting Lila in his house, not wanting his son to be influenced by his friends. He determines that the photo she had sent may be useful in keeping her away from him. Surely enough, Kagami is heartbroken upon seeing Lila's photo, allowing Hawk Moth to akumatize her into the villain Oni-Chan to seek vengeance on Lila. Oni-Chan immediately sets out after Lila and tries to force her to renounce Adrien, becoming further enraged by her continued lies. Cat Noir arrives and fights Oni-Chan while Ladybug helps Lila escape, although she is ungrateful and claims she can take care of herself.

Oni-Chan manages to catch up to them and touches Lila with her sword before she runs away, stating that there is nowhere she can run from her. Lila stops Roger Raincomprix and convinces him to help her. As they are driving away, she notices that a red horn is growing on her forehead. Then, Roger checks his phone to see a strange message, which causes him and Oni-Chan to switch places. Lila runs out and tries to get help from Sabine Cheng in her bakery, only for her to also swap places with Oni-Chan upon checking a strange message on her phone. As Oni-Chan is confronted by Tom Dupain, Lila escapes and lies to Ladybug and Cat Noir by claiming she now trusts them, causing her horn to grow. Ladybug switches places with Oni-Chan after checking a message, making her realize that Oni-Chan transports herself by sending messages to people near Lila.

Oni-Chan again catches up to Lila when she runs away and tries to force her to renounce Adrien, which she does, only for her horn to grow. Oni-Chan compliments Lila's acting, but tells her that the only thing that will make her horn go away is if she gives up Adrien sincerely. Lila responds that the only thing that could make her renounce Adrien would be if Oni-Chan eliminates Ladybug for her; a claim which astounds Hawk Moth. As Ladybug and Cat Noir arrive, Lila pretends to have hurt her ankle and has the latter take her away, leaving Ladybug to be defeated and restrained by Oni-Chan. Cat Noir stops Fire Captain Hessenpy for help, who inspects Lila's leg and receives one of Oni-Chan's messages. Cat Noir urges him not to check his phone, since Lila's leg is more urgent, only for him to reveal that it is fine.

Cat Noir realizes what Lila has done and that she truly does hate Ladybug. Lila tries to defend herself only for the red horn on her forehead to grow more. While Cat Noir merely calls out her actions, he orders Hessenpy to check his phone. Lila tells him not to, leaving him conflicted, although he eventually gives in and checks; resulting in him swapping places with Oni-Chan before she can take Ladybug's Miraculous. Formulating a plan, Ladybug has Cat Noir bring Lila back to her, which causes her to receive one of Oni-Chan's messages. As a result, she swaps places with Oni-Chan, leaving her restrained and de-akumatized immediately afterwards. Cat Noir takes Kagami back home, and warns Ladybug about Lila. Ladybug notices that Lila's leg has "healed", and leaves her to walk home by herself.

At the same time, Hawk Moth remarks that it was unwise to try and keep Lila away, and that she will make a great ally. The next day, Lila tries to get Adrien to help her with homework again, though he chooses not to, telling her that her lies had gotten Nathalie and his bodyguard in trouble and that he won't help her if she hurts the ones he loves. Then, Lila receives a mysterious call, and picks up. The call turns out to be from Gabriel, who has Lila come to his mansion. He confronts her about lying to get into his home, Lila insisting that Adrien is very lonely. Gabriel admits that Lila is opening his eyes to a problem he hadn't considered, Gabriel remarking that Lila is opening his eyes to a problem he hadn't considered before, and asks what she would do in his place. Lila says that Adrien needs a friend his age who can protect him from negative influences. Gabriel agrees and shakes hands with Lila, telling her that they will meet again soon.

In "Miraculer", Gabriel and Nathalie decide to use Lila as part of their new plan to manipulate Chloé into losing faith in Ladybug. The two drive up to Lila as she is reading in the park, and she tells them of how grateful she is for Gabriel letting her protect Adrien from bad influences. She voices her disdain towards Nino, Marinette, and Chloé; the latter of whom she claims is too busy boasting about being Queen Bee, though Adrien is so perfect he doesn't care. Gabriel tells Lila that Chloé and Adrien won't be easy to separate since they have been friends for a long time and promises that they will meet again soon before driving off. In his limousine, Gabriel expresses confidence that Lila will swiftly take care of Chloé. Surely enough, Lila goes to school and greets Chloé, Sabrina, Marinette, Adrien, Nino, and Alya as the former is complaining about Ladybug not calling on her to help fight akumatized villains.

Upon seeing her, Marinette pulls Alya away to study, and Adrien and Nino follow, leaving Chloé and Sabrina alone with Lila. Chloé fails to recognize her, but Lila brushes this off and brings up the topic of Ladybug. She claims that the both of them are actually good friends, much like how she and Chloé "used" to be, and further claims to have a magic code that, unlike Chloé's Bee Signal, always brings Ladybug to her. Chloé initially shrugs this off, only to become interested when Lila offers to share her code, telling her that she'll know if Ladybug is a true friend or not if it works. Following this, Hawk Moth senses that Lila has succeeded as Chloé's anger is rising and sends Mayura off to further their plan, with her creating the Sentimonster Lollipop Boy to cause destruction.

Seeing the monster, Chloé decides to use Lila's code to bring Ladybug to her—jumping around in a circle on one foot while chanting Ladybug—though this fails to work before Ladybug succeeds in defeating the monster. Chloé angrily realizes that Lila had tricked her and subsequently lashes out her frustration on Sabrina, which makes her vulnerable to being akumatized after Hawk Moth's attempt at doing so with Chloé fails. The next day, Chloé angrily confronts Lila over her deception, though she is quick to point out that she actually did end up spending the day with Ladybug in fighting against Miraculer with her. Realizing that Lila is technically right, Chloé deems that she "isn't totally useless" before walking away, Lila smirking in response.

In "Startrain", Lila attends her class trip to see Big Ben in England, sitting beside Sabrina on the Startrain. When Marinette and Adrien end up sleeping beside one another, to the approval of their friends, Lila notices and goes over to Marinette to wake her up. Alya stops her from doing so, with Lila claiming that she gets motion sickness while travelling and wants Marinette's advice since she has a solution to everything. Sabrina then offers to help by getting something from her suitcase, which Lila thanks her for. As Sabrina leaves, Lila stares off at her in an annoyed manner. Lila's actions indirectly result in a rogue akuma being released from Sabrina's suitcase, akumatizing the train conductor Claudie Kanté into Startrain, although

Ladybug and Cat Noir, with help from Pegasus, manage to defeat her and save Lila and the other passengers.

In "Gamer 2.0", Max approaches Lila with the offer to play the new video game he created, but she politely declines the offer, claiming to be busy meeting with Prince Ali after school. Later, when Max is akumatized into Gamer 2.0, Lila is one of the many past akumatized victims summoned to his lair, transformed back into Volpina to serve as a character in his game. Gamer subsequently plays as Volpina in order to face Ladybug as The Evillustrator; Volpina summoning a number of illusions of herself before being easily knocked out of the arena by a boxing glove drawn by Evillustrator, Ladybug additionally remarking she has "wanted to do that for a long time". During the final battle against Gamer 2.0, Ladybug, using the items of the characters she has defeated, summons Cat Noir's ring, Troublemaker's pen, Sandboy's pillow and Volpina's flute to assist her, with her using illusions of herself created by the flute to fool Gamer 2.0 into touching the ground and eliminating himself.

In "Timetagger", Lila babysits Ella, Etta, and Chris for Alya and Nino. When Chris inquires about the rapping game Freestyle Clash 2, Lila claims to have invented it. Chris asks if this is true, with Lila saying that she never lies.

In "The Puppeteer 2", a wax statue of Volpina is seen at the Musée Grévin, and is later brought to life by the Puppeteer to fight Ladybug and Cat Noir, although it is destroyed by the latter.

In "Félix", on the anniversary of the disappearance of Adrien's mother Emilie, Lila is seen on a video chat with Marinette and her other classmates, and supposedly joins in on the latter's plan to send Adrien a comforting video message. After Adrien's cousin Félix disguises himself as Adrien and insults all of his friends in a reply video, Lila shares it with Nathalie and Gabriel, who realize Félix's deception and decide to use the negative emotions it will cause to their advantage.

In "Ladybug", a flashback to the events of "Befana" shows Lila looking down angrily on Marinette's birthday party from her room. In the present, Lila meets with Gabriel again, who remarks that she is supposed to be protecting Adrien from Marinette. Lila replies that her plan is taking longer than expected, but he won't be disappointed by the results —another flashback shows her stealing a paper from Ms. Bustier's desk, and planting it in Marinette's schoolbag. She asks if he will keep his promise if she succeeds; Gabriel saying that he always honors his commitments, and driving off. In class, Lila lies to Nathaniel about knowing the most famous manga publisher in Japan, and listens to Miss Bustier as she announces that she has graded the class' mock exam papers.

Before handing the papers out, Miss Bustier has Marinette hand over her bag, and says that she received an anonymous note that she had stolen the exam answers, and finds them in her bag. Marinette and her friends are horrified by this, and Lila remarks that stealing is unlike her. Marinette accuses Lila of planting the exam answers, which Miss Bustier refuses to believe without proof; however, as all of Marinette's friends come to her defense, she agrees to send them both to the principal's office until they can get to the bottom of things. Outside, Lila taunts Marinette and wonders how she is going to get out of this. Marinette states that she isn't going to fall into her trap; however, Lila declares that she already has. She then walks to the bottom of the stairs and begins crying in pain, drawing Mr. Damocles' attention.

She tells him that Marinette had pushed her down the stairs, and the both of them are brought into his office. Lila accuses Marinette of being a bully, having not only repeatedly called her a liar but now pushing her down the stairs, and also claims that she stole a fox pendant belonging to her grandmother. Marinette and her parents refute this accusation, only for Lila to say that she has proof. Lila and Marinette are brought down to the locker room, where Damocles orders Marinette to open her locker. To her horror, she finds Lila's pendant, which she reclaims. Before Adrien can intervene, Damocles expels Marinette from school, disheartening everyone. From his lair, Hawk Moth remarks that Lila was right about her plan being worth the wait, as Marinette's downfall brings down everyone around her.

To take advantage of this, he akumatizes Natalie back into Catalyst, becoming Scarlet Moth again to send an army of scarlet akumas into the locker room. The akumas infect and transform many of Marinette's friends, and infect Marinette to transform her into Princess Justice; Lila is shown watching this, smirking. However, before the akumatization can be completed, Nathalie's illness begins acting up, forcing Scarlet Moth to detransform and abandon his plan; although Lila still succeeds, and Marinette remains expelled. To prove her innocence, Marinette recruits Alya to search the school for evidence; however, she is unable to find any, which Adrien overhears. He prepares to confront Lila, although is called away to deal with the appearance of Mayura in Paris first (as part of her plan to steal his Miraculous, using a Sentimonster copy of Ladybug).

After the battle, Adrien attends a photoshoot, where he discovers that Lila has been employed as his father's new muse. Adrien asks to be left alone with Lila and chastises her for ignoring his pervious warning as she hurt his friend, Marinette. He tells her that since he can't prove that she lied because she's highly skilled at it, he forces her to tell another lie to prove Marinette's innocence. Lila coldly asks why she would do that; Adrien responding that she'll do it because they're friends. Lila is given an approving look by Nathalie from afar, and returns to Mr. Damcloes' office sometime later, telling a moving story to him and Marinette about her rare disease which compels her to lie. Damocles allows Marinette to return to school, and she talks to Lila outside, telling her that she's glad to see that she is capable of coming back to her senses. In response, Lila tells her that, as she said, "things aren't always what they seem to be at first sight" and leaves, meaning that their war isn't over. At home, Marinette watches TV with her parents—and is horrified to see that Lila is to be interviewed about her position as Gabriel's new muse.

Lila makes numerous minor appearances throughout Season 4, appearing in the background of the episodes "Mr. Pigeon 72", "Guiltrip", "Rocketear", "Wishmaker", "Qilin", and "Ephemeral".

In "Penalteam", Lila appears more prominently, using the excuse of a sprained ankle to get out of playing soccer with the rest of Miss Bustier's class; however, when Chloé is akumatized into Penalty, she is seen running away. Later, once Chloé has been de-akumatized and goes to sit on the benches, Lila welcomes her. Chloé asks who she is, and Lila replies that who she is doesn't matter as much as who she hates, claiming that they have a lot in common on that front, referring to Marinette and Ladybug. Chloé smirks, and decides to form an alliance with her.

In "Risk", Lila is called upon by Gabriel to star in a preview for his latest ad-campaign alongside Adrien. While performing, Lila attempts to lie about having starred in a

Hollywood movie before, but to no avail as Adrien pointed out that they both know that's not true. When Gabriel announces to Bob Roth that he intends for the filming of the commercial to take place around the world for a year, Lila is thrilled, and quickly overshadows Adrien's protesting. Following this, the ad campaign is announced to all of Paris —much to Marinette's horror—and Lila talks to her classmates about the trip. During gym class, Lila claims to have "ballophobia" in order to get out of playing dodgeball, although this backfires as Marinette takes her place beside Adrien, learning of his discomfort with the trip and desire to break from his father's control.

Before Marinette (under the influence of Risk) can attempt to confess her love to him, Lila interrupts, asking Mr. D'Argencourt if she and Adrien can have some time to say their goodbyes before leaving for the trip. Soon, Lila delivers her final goodbyes to her peers, claiming that she will be bringing them in her heart. When Marinette attempts to speak up for Adrien, Lila signals for Chloé to push her out of the way, and leaves. Marinette attempts to rally her friends into preventing Adrien from leaving, although they refuse to help, believing her plan is out of jealousy towards Lila rather than trying to help Adrien. Later, at the station for the Startrain, Lila witnesses Ladybug's attempt to convince Adrien (actually Félix in disguise) to stand up to Gabriel, and boards the train with him once she fails.

In "Strikeback", Lila and Nathalie attempt to console "Adrien" about having to go on the trip, seemingly succeeding. Towards the end of the episode, Lila observes Nathalie as she is on the phone with Gabriel and collapses due to her sickness from using the Peacock Miraculous, smirking as this happens.

In "Evolution", a past version of Volpina is seen when Ladybug and Rabbit Noir (Cat Noir using Bunnyx's Rabbit Miraculous), travel back to the events of "Heroes Day" as part of their plan to stop Monarch. In the present, Lila approaches Nathalie after she cuts ties with Gabriel and collapses, asking if she is alright, with Nathalie asking for her assistance in getting back her seat.

In "Multiplication", Lila attends Miss Bustier's class, listening to Alim Kubdel's news that his daughter Alix has become the heroine Bunnyx and will return to them once Monarch has been defeated. When Chloé criticizes Ladybug and Cat Noir for their failures, Lila steps up in her defense, pointing out that Ladybug is still young and is bound to make mistakes. Sometime afterwards, Lila and Adrien are both scanned and digitized by a device under Gabriel and Tomoe Tsurugi's supervision. Later, Lila and Adrien star in a commercial for the "Alliance" rings; smart devices produced by Gabriel and Tomoe (secretly able to transmit Monarch's Miraculous powers into his Akumatized villains), which also use Lila and Adrien as the male and female templates for their artificial intelligence. Lila and Adrien also attend the world premiere of the Alliance rings, joining Gabriel and Tomoe on the stage.

In "Illusion", Lila sees Adrien sitting in the cafeteria alongside Marinette, Alya and Nino—in their first meeting as the Resistance—and attempts to join them, which Marinette resists. Due to their meeting, Adrien politely declines Lila, and she agrees; although quickly takes a photo of Adrien sitting and posts it across social media. The picture draws Adrien's fans into the cafeteria, forcing him and the Resistance to sneak out of the cafeteria, with Lila following. In the basement, Lila secretly observes Nino going over his plan to have the Resistance cause and film an akumatization to discover how Monarch is giving his villains Miraculous powers, with Gabriel as their target.

As Gabriel arrives at the school for a parent-teacher conference, Lila informs him of the Resistance's plans. As a result, Gabriel avoids falling into their trap and uses an illusion of himself being akumatized into The Collector to manipulate the Resistance, Ladybug and Cat Noir into believing that he is transmitting powers through magic lightning. Following their initial success, Nino expands the Resistance's ranks to include their other classmates, including Lila as "Comrade Sweet and Sour". Lila approaches Marinette and states that, while they haven't always gotten along, they should now make peace; reluctantly, Marinette agrees.

In "Deflagration", Lila is shown attending a Resistance meeting, where Nino explains their plans to show support for the new Ladybug and Cat Miraculous holders—Scarabella and Kitty Noire—and to help assist with and prevent akuma attacks in the school. During lunch, Lila sits with Chloé and Sabrina in the cafeteria, telling the former that she is being generous to let Marinette get close to Adrien. Provoked by this, Chloé attempts to humiliate Marinette, only to be told off by her peers and dragged back to her seat by Zoé. As a result, she is akumatized into Sole Destroyer by Monarch as part of his plan to ambush Alya and Zoé before they can transform into Scarabella and Kitty Noire, while Lila and Sabrina look on. Later, when Ladybug uses her Lucky Charm to restore Paris, Lila and Sabrina are seen being restored to normal, having been transformed into shoes during Sole Destroyer's rampage.

In "Perfection", Lila attends Ms. Bustier's empathetic listening class, and drags Chloé away when she tries to prevent Marinette from sitting with Adrien. As soon as she does, she explains that, in order to make Marinette's life miserable, they must act subtly so that nobody attempts to stop them. Chloé agrees, and acknowledges Lila as her best friend, to Sabrina's disappointment. That night, Kagami calls Lila while on Juleka's houseboat, having been given a "Friendship Test" by her to test if Marinette really is her friend, and failing.

Lila attempts to comfort Kagami by becoming her friend, only for Kagami to dejectedly state she doesn't deserve anyone and hang up. In her room, Lila cuts Marinette's face out of a photo of her and Kagami—one of many photos of Marinette and her friends in her possession—promising that she will soon have nobody, and nothing. After being de-akumatized and patching things up with Marnette, Kagami calls Lila back and asks her if she also wants to be her friend. Lila insists that Kagami is more like a sister to her.

In "Protection", Lila hangs out with Kagami in the park. As Kagami goes to leave and help Marinette and Adrien's friends try to bring them together, Lila expresses admiration for not letting her feelings for Adrien get in the way of their friendship and proclaims her as her best friend. Lila and Kagami get together again after Adrien plans a date between him and Marinette. Kagami expresses that she is starting to fall in love with Adrien again, but doesn't wish to cause strife for him and Marinette; Lila taking advantage of the moment to tell Kagami she will always be there for her. Lila steps aside, pretending to take a call, although Gabriel coincidentally calls her at that moment. Gabriel berates Lila for not protecting Adrien from Marinette as she promised. Lila informs him that her plan is already in motion.

She tells him about Kagami and how her perception of any emotion being a weakness has made her fall prey to Monarch before. Shocked, Gabriel asks Lila what Monarch has to do with him. Lila elaborates that Kagami is distressed over her feelings for Adrien and will likely fall victim to Monarch, and the knowledge that their romance is causing Kagami such pain will harm Marinette and Adrien's relationship. Gabriel asks if they only have to wait, which Lila affirms. Lila hangs up and approaches Kagami, telling her that she shouldn't have much faith in her friendship with Marinette, claiming that she is a liar who acts weak in order to use other people to get what she wants. She continues, insinuating that Adrien is unprotected from Marinette's lies and that he should be with Kagami instead.

Kagami becomes devastated, and Lila insincerely tries to calm her down, watching as she is Akumatized into Riposte Prime. Riposte Prime is soon defeated by Ladybug and Cat Noir, and admits to Marinette that she was told the "truth" about her by Lila, before being calmed down and apologizing to the former and Adrien. In the aftermath, Gabriel calls Lila and announces that Marinette and Adrien have now begun to doubt their relationship; Lila asks if he wants to find a new partner for his son so that he can be controlled better, which Gabriel agrees to think about. Kagami approaches Lila and sternly declares that her beliefs about Marinette are wrong and that she won't be manipulated again, but that she also wishes to continue being friends. Lila apologizes for misleading her and asserts that her friendship is genuine, embracing Kagami whilst wearing a smirk.

In "Adoration", Lila is shown applying her makeup when Gabriel calls her, again reminding her that she is to protect his son from Marinette. Lila says that she already has a new plan in motion, and exits into Chloé's room. When Chloé fumes over Zoé standing up to her, Lila tells her that Marinette is the real problem for influencing Zoé's behavior, and that she has a plan to get rid of her. For this plan, Lila has Chloé demand that Sabrina steal from others to Marinette; harshly dismissing her when she refuses. Chloé expresses dissatisfaction with this outcome, while Lila merely counts down on her fingers. On cue, Sabrina enters as Vanisher, wielding the Dog Miraculous' power of Fetch, and offers her assistance. Satisfied, Lila and Chloé smirk; although their plan is ultimately foiled by Ladybug and Cat Noir.

In "Emotion", Lila approaches Kagami after she is finished training with her mother. Lila senses that something is wrong, and Kagami admits that she is being forced to attend the Diamonds Dance, a party organized by her parents where Paris' wealthiest families present their children. Lila expresses confusion about why she wasn't invited, with Kagami explaining that even if she doesn't feel the same way, Gabriel and Tomoe don't view her as special. Irritated, Lila calls Gabriel, being sent to voicemail, and asks about her invitation to the dance, as she is a treasure of the Agreste brand.

The next day, following Argos and Red Moon's attack on the Diamonds Dance, Lila goes to the Agreste Mansion and contacts him through the security camera. Gabriel snaps at Lila for annoying him with her requests, asking why she thought he would permit her attendance of the Diamonds Dance. Lila replies that it is because she is an image of the Agreste brand—Gabriel tells her that his perfume bottles are also an important image of his brand, and yet he doesn't invite them to his events, and hangs up. Furious, Lila declares that she will show Gabriel that she is more than just a bottle of perfume, revealing that she knows he is Monarch.

In "Revelation", Lila is shown interacting with her other mothers; telling one over the phone that she is helping animals in the savannah, and telling her deaf-mute mother that she was speaking to her agent about how she will miss her mother while she is filming a movie in Mexico. Lila then heads out to her painting class with Sabine Cheng, using her lies and image as the Alliance avatar to manipulate multiple civilians along the way. Lila charms Sabine with her painting skills, before witnessing her Alliance ring go through a major update. To her horror, the update replaces her avatar with Kagami. Lila takes control of the situation by claiming she was tired of fame and suggested the avatar change so she could spend more time with her friends, embracing Sabine.

Later, Lila appears outside of the Agreste mansion and speaks to Gabriel through his security camera, angered that he went back on their agreement. Gabriel responds that their agreement was for her to monitor Adrien and protect him from negative influences like Marinette. As she has failed to do so, he has decided to replace her image with Kagami's to perpetuate the belief that they are a couple and make Marinette jealous. Lila inquires what will happen to her now, to which Gabriel replies that she will remain what she is—nothing. Lila becomes enraged, which Gabriel senses, but chooses not to take advantage of knowing that she despises him. Lila storms away from the mansion, promising Monarch that he can't get rid of her so easily. At school, Lila spies on Marinette and Adrien while they discuss the Alliance's new image with their friends, smirking.

In class, Lila witnesses as Chloé is exposed for having used Sabrina to complete her homework for years. When Marinette expresses frustration that Chloé won't be appropriately punished, Lila spins the discussion, indicating that Marinette hasn't been perform her duties as class representative properly. She offers to take Marinette's place, saying that she quit her position as the image of

Gabriel to be with her friends, and that the class elections were unfairly held while she was away; conflicted, Miss Bustier agrees to consider her proposal. During lunch, Marinette and Adrien try to convince Alya and Nino that Lila is a pathological liar and a very talented one too, but are still unsuccessful. Meanwhile, Lila instructs Chloé to do everything she says in order to ensure that Marinette will lose everything (which puts Sabrina on the edge herself).

When class resumes, Miss Bustier opens elections for a new class representative. Lila gives her pitch that she can help Chloé to change and help everyone better, enlisting the former as class deputy. After Marinette makes her speech and dismisses Chloé's insincere reform, Lila stands up and withdraws her candidacy. She states that Marinette is right to think that she is an idiot and that her efforts are worthless, admitting that she was really fired from Gabriel and only wanted to be class representative to feel that she has a purpose. She runs away crying, while Marinette, now appearing to be self-centered, is forced to bring Lila back. Lila enters the bathroom and seethes, counting on Monarch to sense her hatred. He does so, deciding that he can now akumatize Lila since her hatred isn't directed at him anymore.

An akuma soon infects Lila; speaking to Monarch, she blames Marinette for all of her problems, and asks for the power to get back at her. Monarch agrees and transforms her into Hoaxer, granting her the ability to convince anyone that her lies are the truth, along with the Fox Miraculous' power of Mirage. As Marinette enters the bathroom, she meets Hoaxer, who promises not to harm her directly, instead allowing her friends to do so. She then transmits herself into the Alliance rings, brainwashing all Alliance users in Paris. The brainwashed citizens begin to hunt for Marinette, convinced by Hoaxer's lies and illusions that she is Monarch. Ladybug and Cat Noir take Roger Raincomprix's Alliance ring to understand Hoaxer's powers, releasing him for her control. The heroes determine that they must force Hoaxer to exit the rings in order to capture her.

Hoaxer senses the removal of Roger's ring and informs her followers. She convinces them that Ladybug and Cat Noir are polluting villains from Saturn, sending them to defeat the heroes. While Cat Noir distracts Hoaxer's minions, Ladybug forms a plan to defeat her, enlisting the help of Alya as Scarabella. Cat Noir is captured by Hoaxer's minions, and she exits the Alliance rings to capture his Miraculous. Simultaneously, Hoaxer's image appears on Nathalie's Alliance ring, brainwashing her. Hoaxer convinces Nathalie that Gabriel is an alien and that she must expose all of his secrets without him knowing, and erase all evidence of the transaction. Cat Noir frees himself and continues to fight Hoaxer, at which point Marinette appears, with Scarabella standing by to enact their plan.

Marinette tells Hoaxer that she is willing to talks even if she dislikes her. Hoaxer pretends to be touched and rejects Monarch's power, to his frustration. Back at school, Adrien admits that he was wrong about how he asked Marinette to handle Lila and Chloé, as they have now manipulated everyone; Marinette promises that they will expose them, eventually. Lila wins the election by a landslide, Marinette putting up no resistance so she can later prove to everyone who she really is. Afterwards, Lila crushes her Alliance ring and retrieves her phone from her locker. She views all of the secrets Nathalie had sent to her—including Gabriel's birth name, Gabi Grassette, his discovery of the Butterfly and Peacock Miraculouses, his deals with Tomoe, the Miraculous spellbook, his preservation of Emilie, and the importance of his wedding rings. Lila declares that now

Gabriel's secrets are hers, the Butterfly Miraculouse soon will be as well.

In "Confrontation", Lila and Chloé are put in charge of representing their peers during their class council meeting, where teachers analyze their students' files to determine if they can pursue their chosen careers; a position that leaves Marinette and Adrien concerned. Marinette hands the class' files over to Lila and Chloé, who promise to represent their interests. Immediately afterwards, Lila has Sabrina shred the files in Chloé's room. She explains her plan to have Sabrina forge new files, using her talent for forging people's handwriting that won't represent the students' interests, and then lie that Marinette forced her to replace them; ruining the students' futures and Marinette's reputation. Sabrina refuses to take part in Lila's plan, but she and Chloé force her compliance. The next day, Adrien delivers his file to the three, who enter the new temporary restroom in order to review it.

Seeing that Adrien's file only says that he isn't sure of anything but his love for Marinette, Chloé disposes of it, and Lila orders Sabrina to write an even worse forgery for Adrien. Lila and Chloé attend the council meeting, where the former justifies each of her classmates' odd career paths. As a result of their sabotaged career paths, Miss Bustiers' class fall into despair, leading to Juleka being akumatized back into Reflekta. Once Juleka is de-akuamatized by Ladybug and Cat Noir, Lila also pretends to expresses confusion about the changed files, saying that she presented the files that Marinette handed her. Chloé uses the fact that Marinette's file was the only one unchanged as evidence that she sabotaged the others. Lila kicks Chloé for her impulsive accusation, then says that there is no other explanation for what has happened.

She says that Marinette has destroyed her friends' future and now risks losing them and being forever seen as a liar. Marinette calmly asks how she could've forged the files, as she can't imitate handwriting, but Sabrina can. Sabrina admits to being the forger, and Lila asks her to reveal who ordered her to do it. To her surprise, Sabrina turns on her and Chloé as she revealed that they forced her to forge the files. Lila plays Sabrina's outburst off as if she is being manipulated by Marinette, and offers to forgive her. Sabrina furiously declares that she has proof that will expose them and will have them place in jail by her father, and runs off. Lila and Chloé use their positions as class representatives to follow Sabrina into the temporary restroom. Lila calms Chloé down and asks to know what Sabrina's supposed proof is, certain that she can invalidate it with another lie and everyone will believe her. As she reveals her true nature to Sabrina, she goes as far as to threaten her by saying if she was above anything, she can convince her father to put her in jail unless she hands over the proof she has.

Sabrina replies that she had no proof until now, and reveals a one-way mirror hidden in the restroom, with Miss Bustier's class on the other side. Marinette explains that Sabrina had called her earlier about Lila's plan; she had Sabrina agree to go along with it, while she tricked Mr. Damocles into having the temporary restroom built so she could place the one-way mirror. Knowing the truth, Mr. Damocles immediately expels Lila and Chloé for their actions. Chloé calls her father, who—under orders from his wife, Audrey—invalidates Damocles' decision and refuses to let him revoke the forged files. Damocles is brought to despair by this decision, and targeted by Monarch. Marinette then notices Damocles' Magical Charm lighting up in response to positive encouragement, and has Lila and Chloé escorted out while the rest of the class is brought in.

Lila leaves the school afterwards, ignoring Chloé's demands to know what their next plan is. While this happens, Miss Bustier's class encouragement empowers the Magical Charm into a shield that purifies the akuma. Mr. Damocles then disobeys the Mayor Bourgeois' orders and revokes the forged files, before resigning from his position as Principal. Some time after this, Lila calls Chloé to tell her that the war has only began, and that she should get ready. At the same time, she removes her hair—revealed to be a wig—and walks up to Collège Paul Bert. The students outside identify her as Cerise Bianca, and ask if her shooting has finished. "Cerise" claims that she had to return for their class council meeting, as it would be a shame if their class representative was missing.

In "Collusion", Chloé returns to class, remaining in contact with Lila/Cerise through an earpiece. She advises Chloé to let Marinette continue thinking she is strong, while looking at a conspiracy board documenting Paris' superheroes, villains, and influential figures. Under Cerise's instruction, Chloé acts even more disruptive than usual, and uses her influence over Principal Mendeleive to get Marinette expelled and Miss Bustier fired. Once this happens, Cerise removes them both off of her board. She later follows Mayor Bourgeois when he heads for a meeting with Gabriel and Tomoe, advising Chloé to remind her father that he must obey her. Cerise disguises herself as a servant and enters the Le Grand Paris hotel, ordering Chloé to activate her Alliance camera when she barges in on her father's meeting.

Chloé obeys and Cerise guides her rant about how her father has no authority over Paris without Ladybug and Cat Noir, and how she would ban superheroes from Paris if she were in charge. Cerise spies on the meeting from nearby, and observes Gabriel's growing interest in Chloé's proposition through the camera. Once Chloé is escorted out, Cerise compliments her demonstration of power. Not long after, Chloé is notified about her father's supposed confession to abusing his authority—leaked and manipulated by Gabriel—and receives a call from the latter. Gabriel offers her a gift of power, which Chloé turns down, as she already has it. Cerise points out that her father will likely be out of office soon and that she will have to face punishment for her actions if he loses his position, quickly making her reconsider.

After Mayor Bourgeois resigns, calming down and de-akumatizing Miss Bustier/Miss Sans-Culotte in the process, Chloé bursts into the mayor's office, joined by reporters and Tomoe's police robots. Again guided by Cerise, she accuses the heroes of helping a supervillain force her father to resign from office, and attacks them with her robots, forcing them into retreat. Later, Chloé elects herself as the new mayor of Paris and addresses her citizens in a press conference. She momentarily hesitates in her speech, until Cerise advises her that nothing is more powerful than a lie. Chloé agrees with this and continues her announcement—declaring that power will return to the people of Paris and Ladybug, Cat Noir, and Monarch are now outlaws.

In "Revolution", Cerise Bianca continues speaking to Chloé through her earpiece, advising her during a press conference about her new status. During a meeting with Gabriel and Tomoe about her accomplishments and the police robots, Chloé leaves her Alliance camera on for Cerise. Cerise later watches a recording of the meeting, taking an interest in Tomoe's laptop, and compliments Chloé's performance. Soon, Monarch teleports into the mayor's office to offer an alliance with Chloé. She refuses until Cerise advises her otherwise; thus, she is akumatized into Queen Mayor, gaining the ability to control enhanced police robots armed with the powers of the Turtle, Ox, Bee, Horse and Rooster Miraculouses.

At Queen Mayor's press conference where she announces her intention not to host elections, Cerise guides her speech from afar, and observes Ladybug and Cat Noir arriving to confront her. The heroes are captured by Queen Mayor's robots, although they inspire the people of Paris to revolt against her, overcoming their transformation limitations in the process. This foils Gabriel and Tomoe's plans to regain control of the situation, and Cerise watches as they are forced to flee. Cerise then observes as Queen Mayor is de-akumatized and forcibly taken away by her father, seizing the opportunity to steal Tomoe's discarded laptop. Cerise returns to her lair and starts to break into the laptop with a screwdriver.

In "Re-creation", Cerise is seen watching Alec Cataldi's show Live Your Childhood Dream while hacking into Tomoe's laptop. The show is quickly interrupted by Alec breaking down over a nightmare, followed by a news report about supervillains called the Miraculized emerging across the world in search of Ladybug and Cat Noir, believing that they have kidnapped Adrien and Kagami—the result of Gabriel and Tomoe's endgame plan to defeat Ladybug and Cat Noir. Seeing this, Cerise smiles and begins donning a new disguise for herself. She takes Tomoe's laptop and mounts her bike, riding out of her lair. Soon, she arrives at the Agreste mansion during the midst of Bug Noire's battle against Monarch.

Using Tomoe's laptop, Cerise disables the mansion's security systems and enters, noticing the crater in the floor caused by Bug Noire's Cataclysm, and Bug Noire using her Lucky Charm below. In the aftermath of the battle, Gabriel sacrifices himself to make his wish, and Marinette repairs the reconfigured Miraculouses, although she is unable to find the Butterfly Miraculous.

During the events of Miraculous World London, after just claiming the Butterfly Miraculous, Cerise forces Nooroo to Akumatize her into Timestalker so she can learn Ladybug's identity throughout her timeline, ensuring she would retain that information along with the identities of Team Miraculous by writing it all down in a journal. Cerise uses her gained knowledge of Ladybug being Marinette to Akumatize herself into Specter Looter so she can steal all the Miraculouses from right out under Marinette's nose while she's sleeping. She then summons Gimmi to grant her wish to destroy everything, alerting Alix as she summons Marinette to use a time displaced Ladybug Miraculous from when she first became Ladybug with the Rabbit Miraculous to uncover the identity of Specter Looter and Timestalker as Chronobug. Upon learning both villains are the same person, Chronobug intercepts Cerise while she is Timestalker around when Marinette, as Bug Noire, was freeing Kagami and Adrien from their solitary confinement in London during Operation Perfect Alliance and rewrites the journal page that reveals her identity to keep Cerise in the dark. Upon seeing the late Gabriel's name where Marinette's should have been, Cerise snaps in a blind fury over being outsmarted by Chronobug, tearing her lair apart, and paralyzing Nooroo when he celebrates Ladybug's secret identity being safe, before putting on the Butterfly Miraculous and vowing revenge as the new Hawk Moth. But Cerise's actions only reminded Marinette of how she first lost the Miraculouses to Gabriel when she was tricked by Felix and he got access to them via her yo-yo and the Dog Miraculous' Fetch ability and decided to split the restored Miraculouses among her chosen teammates on a permanent basis to prevent a repeat of their theft from happening ever again, especially Tikki and Plagg to summon Gimmi.

Some time after Marinette gives the Miraculoses back to her friends, Cerise anonymously calls Mr. Damocles in order to register at his new high school for the upcoming school year. Once the call ends, Cerise expresses looking forward to seeing Marinette again before she and her lair are consumed by a mysterious blue flash.

When it was done everyone that hadn't heard about it was shocked and horrified beyond all words!

Ymir: SHE'S A MONSTER!

Qin: And we should have killed her back in 2019.

Nico: We DID kill her last year

Apple Bloom: Me and the Crusaders did that.

Applejack: (LAUGHS) Yeah y'all sure did.

Marinette: And I banished her to the Black Gates.

Me: Here Marinette.

I gave her a huge gun.

Me: You have the honor of blowing her brains out.

Marinette: Thanks J.D.

Ace (Justice League): After I use my powers on her

Me: OOH! I like it. Also I have something else too. Diana can I borrow your lasso?

Wonder Woman: Sure. What are you gonna use it for?

Me: Gonna make Lila hated even more. You'll see why.

Wonder Woman: Oh I get it.

Me: Yep. Marinette's day is where we send that motherfucking stain to the Black Abyss.

Nico: Exactly.

Qin: Yeah.

Poliwag: That's right. You helped fight her the first time

Ace: That's right.

Me: I remember that!

Nico: Me too.

Eli: Cool.

Me: Yeah. Man yesterday was awesome!

Nico: Boy it sure was! We took down the Snarks!

Me: We turned those lizard faced freaks into roadkill!

Nico: (to the mascots) How many did you kill?

Mascots: 872,239,235.

Me: WHOA! Impressive.

Qin: We killed over 19,924,235,833,478,322 all together.

Me: You were keeping track?

Qin: I sure was.

Me: Wow!

Poromon: How did you keep track?

Qin showed her watch.

Qin: My watch has a kill counter for just such an event.

Lola: Very cool!

Lisa Loud: I invented that feature for her for just such a case.

Me: Well done Lisa.

Lisa Loud: It's one of my newest gadgets for us.

Me: Nice.

Nico: Cool!

Lightspeed: Wow! Also our Akumas were the spirits of the elements! That is scary!

Nico: There were 10 of them

Me: 1 for each element. How wild. Enough to scare Shaggy and Scooby.

Nico: What a couple of chickens.

Ed: Are they really chickens!?

Eddy: Shut up Ed!

Nico: They didn't even accept salmon

Me: I know.

We walked around.

Lincoln: Okay, guys, we're here for one really brutal and nasty battle, we're here on the Banana Dessert planet, and just as we saw, we're here to take down Lila Rossi and banish her to The Warp until Marinette's big day.

The rest of the team's with us.

Nico: That lying bitch is going to get a pretty nasty thrashing and it'll serve as a prelude to Marinette's big day.

Me: That's for sure. We've got a lot of torture sessions in store for her, and she's going to regret ever coming back.

Maria: You said a mouthful. After all the crap she's done, she deserves this.

Me: She sure does.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy,

but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and 104 sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Lila Rossi) AHA! There you are, you lying conniving two-faced snake. I just spotted Lila Rossi, she's 20 yards away, but she's already heading right for Chloe to kill her first.

Chloe: Let her try, I've been working on a self-defense technique that'll give her what for.

Marceline heard a Pokemon cry

Marceline: Look guys!

We saw a Mimikyu.

Me: Whoa! A Mimikyu!

Xenia: Cool!

Mimikyu: Yeah but this place has no good food.

Marceline: Here.

She gave her apples and she ate them.

Mimikyu: Thank you.

Marceline: Want to come with me?

Mimikyu: Sure!

Me: Awesome!

Ed: What does Mimikyu look like?

Eddy: Not... sure.

Eli: No idea.

Qin: Beats me.

Me: Hey look there.

We saw another Mimikyu!

Me: Another Mimikyu?

Camie: Whoa!

Nico: Two of them! Wow!

Mimikyu: Let me see.

She went over to it and talked to her.

Mimikyu: Oh my gosh! Knight Mare you might know this one. She is Varella Nightmare.

Knight Mare: (GASP) Oh my gosh! My sister and friend is here as a Mimikyu! Wow!

Me: Must be one of Dark Gale's work. Lets go help her!

Knight Mare: NOWHERE TO HIDE!

We went to face her.

Knight Mare: Varella it's me Knight Mare!

She woke up to see Horsea's happy face

Varella: (Groans) Huh? A Horsea?

Horsea: Yep.

Knight Mare: Varella thank goodness.

Varella: Knight Mare!

They hugged!

Varella: I'm glad you're okay.

Knight Mare: Same here.

Me: You were turned into a Mimikyu by Dark Gale.

Varella: Dark Gale? Who are they?

Me: Oh they were an organization we destroyed a while back.

Knight Mare: Long story.

Varella: I see. I was training very hard to be a good Dark Skylander. Then next thing I knew I got poked by something and everything went black.

Me: I see. So in your free time you train hard.

Varella: I sure do.

Rarity: Lets get you some clothes darling.

The fashion brigade gave her black clothes and a black sword.

Varella: I look amazing.

Knight Mare: You sure do.

Me: Awesome.

Nico: We're on a roll with Mimikyu today.

Me: We sure are. Now time to go after Lie-La! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙

We then took off into the air to help The Cutie Mark Crusaders unlock their Rainbow Power and broadcast our torture sessions of Lila Rossi to all of Paris and banish her to The Warp until Marinette's big day.

We were flying in the air, and then, we saw our target: Lila Rossi, but she looks absolutely horrific, she has a bloody scar on the right side of her face, pale skin and covered in bruises.

Me: Whoa, she looks horrible!

Nico: Jeez.

Chloe: Wow, I didn't expect her to look like a zombie out of a horror movie. But, why don't we make her look even worse.

Lincoln: Already on it.

Lincoln formed a massive wall of light with angelic seals that cut off Lila Rossi's escape route, and he fired blasts of lightning that electrocuted Lila Rossi and we landed.

Me and Nico: Hello, bitch, remember us?!

Chloe: We thought we were done with you after you were blown out of Paris, but to find out you're here on this planet, I guess you're a stubborn little cockroach.

Lila Rossi: SHUT UP! SHUT THE FUCK UP AND DIE!

She then took out a knife with blood on the blade.

Nico: Uh oh, she's got a knife!

Lila Rossi out of her mind went charging at Chloe to stab her with the knife, but she blocked it with her right fist, and then...!

POW!

SHE PUNCHED LILA ROSSI HARD IN THE STOMACH WITH HER LEFT HAND AND SENT HER FLYING INTO A TREE!

Me: Nice one!

Lila Rossi came out, and she was now completely out of her mind.

Lila Rossi: I'LL KILL YOU! I'LL KILL YOU ALL! DO YOU HEAR ME?! YOU'RE FINISHED!

Nico: You shut your mouth, bitch! Okay, that tears it! Let's tear her ass apart.

Me: YEAH! But first I think it's time for the truth to come out! You are going to pay for all your crimes Lila! Especially for what you did to Marinette before she and Nico joined us!

Lila: (Nervously) What? H...Heh, he's bluffing! He's trying to make me look bad!

Me: Oh really? Then explain this!

I played a recording Nico made 3 years before he joined us of Lila.

Lila: (On a recording) Hawk Moth recruited me, and I was hoping it'd be my ticket to getting the Miraculous all to myself! I wanted to see dread in your eyes as you saw exactly who your killer was. Why don't you do me a favor Marinette and just DIE, already?!

EVERYONE GASPED IN SHOCK!

But what Lila didn't know was that everything was being heard by all the people of Paris!

Me: You tried to kill Marinette in cold blood so that you wouldn't have anymore opposition! You beat her up really bad and almost killed her! Right Lila!?

Marinette's mother and father heard it and THEY WERE OUTRAGED!

Ace: Remember me?

Lila: YOU!

Me: That is a yes. But Ace wait. You'll get your shot. First I want the truth to come out.

Lila: (Nervously) Uh I I didn't say that! It's doctored! All of it!

Me: Bullshit! We're not buying that even for a second! You said so even out of your own mouth!

Gabriel: I should've employed the Flash Rogues instead of you! You know how dirty I'm feeling right now?!

Lila: But Mr. Agreste!

Me: SHUT UP! There's more! You even slashed Sabrina's dad's tires so that he would be caught by one of the Akumas. Not sure which one. Now.

I used Wonder Woman's lasso and tied her.

Me: Now you better tell us the truth! Why you did what you did or else Sweetie Belle putting a bullet in your head will be the least of your worries!

I held out my scythe and pointed the blade at her head!

Lila: (Laughs sinisterly) So it's the truth you want? Then it's the truth you'll get. Everything I've ever told you people was a lie. Every word of it. All for my sole benefit. I've never cared about anyone in Paris or anyone in school. I just wanted to charm my way o a higher status. I was on the path to riches and power like anyone else. You were all the first step to getting it. YOU'RE NOTHING TO ME BUT A MEANS TO AN END! And what a fine means you were. You're all so gullible, it was easy to manipulate you! I could spew the most outlandish garbage conceivable, and you'd still take it as an irrefutable fact! It would have been a cakewalk to get what I wanted, had it not been for (Points to Marinette) HER! She's the only one in that school of morons smart enough to see through my lies. That and YOU Nico! THAT'S why I tried to kill her back then. She was holding me back from my ultimate prize... Adrien! You hear me, Adrien? I've been doing all this for you! Isn't it wonderful? Me and you, we're star-crossed lovers, destined to marry! You're my betrothed and I'll do anything to keep it that way! I'm already madly in love with you Adrien! You're the reason the Universe gave me life! Once I get the Miraculous, I'll have a palace at the center of the Universe... where we'll spend all eternity together, making sweet love every single day. ...Nay, every single hour! It's gonna be so beautiful Adrien! A Lifetime of endless pleasure, all for me to indulge in as I please!

WE WERE ABSOLUTELY DISGUSTED AND SHOCKED BEYOND ALL WORDS! SHE WAS DOING ALL OF THIS FOR JUST TO GET INTO ADRIEN'S PANTS!?

Me: I always knew you were a bitch Lila but you are Absolutely FUBAR!

Nico: I think I'm gonna be sick!

Sabrina: And my dad isn't a tub of lard!

Adrien: I always thought you were just a compulsive liar but now I see you for who you really are. YOU'RE A RAVING LUNATIC! I tried to stay on your good side so you wouldn't hurt my friends and this is how you repay me?! I will never be your husband, Lila! I'm not marrying a monster like you!

Me: THAT'S RIGHT!

ALL OF THE PEOPLE OF PARIS WERE ABSOLUTELY INFURIATED! SHE FUCKING PLAYED THEIR KIDS AND ALL OF THE PEOPLE OF PARIS FOR FOOLS!

Me: Okay Ace now you can do it!

I released Lila and then Ace began using her powers on Lila! SHE SCREAMED LIKE A MADWOMAN AND WAS REALLY ACTING ALL CRAZY!

THE PEOPLE OF PARIS REALLY WERE INFURIATED! THEY REALLY WANTED TO MAKE SURE SHE PAID FOR HER CRIMES WHEN THE TIME COMES!

Me: I should just have Marinette kill you right here and right now just so she doesn't have to look at your ugly face on her day to shine and be done with it! But then where would the fun in that be? Now we're going to torture you and make you suffer!

I teleported and slashed her with my scythe and cut her across the back!

Marinette punched her in her face mercilessly!

POW POW POW POW POW POW POW POW POW POW POW!

She punched her viciously and brutally all over the place!

Mimikyu charged at her and blasted her with a shadow blast!

Me: You're a Literal Sociopath, Lila! No wonder your parents tossed you aside like garbage!

Varella fired blasts of darkness and blasted her.

Varella: Lets do it Knight Mare!

Knight Mare: You got it!

Varella and Knight Mare: NOWHERE TO HIDE! DARKNESS NIGHT BLAST!

They fired waves of darkness and blasted her down.

Varella: (to Horsea) Also, why were you smiling at me earlier?

Horsea: Because when you attacked me you hit my clone.

Me: Long ugly story.

I punched Lila in her face.

Lola and Lana blasted her with fire and ice and smashed her.

Apple Bloom: You have caused us enough grief for the last time, this is where it all ends for you! Nico: WHOA!

Me: INCREDIBLE!

When we are all different
But one and the same
Like starlight and moonshine
We all have our place
We can't make a rainbow without all the colors
And we can't make a friendship without one another
'Cause there is nopony quite like you
So let your magic run wild
Let your magic run wild
If you could only see everything you could be
You would spend your whole life shinin'
Let your magic run wild
Let your magic run wild
(Now it's the time to light up the sky)
Let your magic run wild
(Now it's the time)
Look at the night sky, filled up with stars
Each one is perfect, just as they are
But they're brighter together, each leaving their mark
So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

Inside a rainbow sphere with intense flames and elemental forces, Apple Bloom, Sweetie Belle, Scootaloo, Diamond Tiara, and Silver Spoon then underwent an intense and amazing transformation! Apple Bloom, Sweetie Belle, Scootaloo, Diamond Tiara, and Silver Spoon had Rainbow Flame patterns and rings appear on their legs and obliques and rainbow sun and moon on their dresses and they also gained intense rainbow flame patterns and rainbow shields, jewels, and spoons on her forearms, they also got colored lines on their hair and tails. They then had their Cutie Marks change into many rainbow shields, jewels, and spoons, and their massive angel wings had intense rainbow fire on them.

THEY UNLOCKED THEIR RAINBOW POWER FORM! THE RAINBOW SHIELDS OF COURTESY, COMPASSION, AND COURAGE, THE RAINBOW JEWELS OF SINCERITY, AND THE RAINBOW SPOON OF RELIABILITY!

EVERYONE GASPED!

Nico: WHOA! WHAT POWER!

Me: THEY DID IT! THE CUTIE MARK CRUSADERS UNLOCKED THEIR RAINBOW POWER!

Apple Bloom: Girls, let's get her.

Sweetie Belle, Scootaloo, Diamond Tiara, and Silver Spoon: Let's do this!

Lila Rossi: (NOW COMPLETELY OUT OF HER MIND) NO! NO! DAMN IT! I'LL KILL YOU!

The girls fired rainbow shields, jewels, spoons, and magic and blasted Lila Rossi all over the place, and she just went completely ballistic and screamed and shrieked like a banshee!

Me: OH, SHUT UP, YOU BANSHEE! YOU'RE GIVING US A HEADACHE!

I fired glue at her mouth and that shut her up.

Mimikyu began to reveal her true self! It looked like a blob of darkness with 2 purple eyes.

Me: WHOA! Mimikyu is scary!

Lincoln: Okay, time to give you a bad case of karma. JUDGEMENT OF THE SEVEN ARCHANGELS! 七人の大天使の審判！

Lincoln swung his massive greatsword and fired a massive stream of golden fire and heavenly light that hit Lila Rossi and she let out a loud muffled scream as she got burned badly by the golden flames and heavenly light.

Nico: Hah! Serves you right, bitch.

Then, Lincoln formed a massive rainbow heart in his left hand and fired it at Lila Rossi which hit her and burned her bad! Then, he fired a barrage of hearts from his massive angel wings and 104 sets of large white angel wings underneath and Lila Rossi got hit hard and burned again.

Me: HAH! How do you like getting burned by love, light, and truth, bitch?! Hurts, doesn't it?!

Nico: And here's where it's about to get worse for you!

Lincoln: Now, it's time for the big guns.

Lincoln got out 900,000,000,000,000,000,000 massive industrial-sized cans of spinach, and he opened them up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CANS OF SPINACH!

Me: OH CRAP! ONE MASSIVE INDUSTRIAL-SIZED CAN OF SPINACH WAS ENOUGH TO MAKE LINCOLN STRONGER THAN EVER, BUT DEVOURING 900,000,000,000,000,000,000 MASSIVE INDUSTRIAL-SIZED CANS OF SPINACH, THAT MEANS...!

Nico: OH CRUD, THIS IS WHERE IT GETS REALLY UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and 105 massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar and he pounded his chest like a gorilla.

Lincoln: (CRACKS NECK AND KNUCKLES) Time to die, you conniving two-faced bitch.

Lincoln went at Lila Rossi and he began brutally smashing her all over the place with his massive godly superhuman strength, and it was even more brutal than ever. Then, he punched her hard in the face and kicked her in the stomach and he sent her flying into fifteen trees, she got back up, but she was so mad, she let out another roar of anger before Lincoln threw a golden yellow fireball at her and it exploded burning that monster badly.

Nico: Damn, that's what I call overkill, but it serves her right. (To Lila Rossi) And one last thing?

Nico flips Lila Rossi the middle finger, and that pissed her off big time!

Connor Chan: You should also be lucky we didn't decide to moon you, bitch!

Suddenly, we heard vampiric shrieks, and we saw vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Suddenly, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by an icy blue mist. Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Then, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by a red flame. Then, Sherlock Hound attacks another vampire and the blade slashed the vampire and he turned to ashes. Lincoln: (GROWLS) Oh man, the raw immense power of these Behemoths is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of Behemoths and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Nico: Seriously, who keeps on sending creatures after us?

Lincoln: No idea, but the clod's just digging his own grave not realizing that by sending supernatural creatures and beasts, he's just letting me get even stronger by absorbing them and assimilating their raw strength and physical abilities along with their immense powers.

Lincoln, Andre Lupescu, Abaddon Aeternus, Red Savarin, Ricky, Robin Hood, Rayman, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Sherlock Hound, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us went after Lila Rossi, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, colored, white, golden yellow, and blue energy, colored energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Lila Rossi and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Abaddon Aeternus, Red Savarin, Robin Hood, Rayman, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Lila Rossi even more pissed off, even more angrier, and even more unhinged than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Lila Rossi, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Lila Rossi, and a cluster of rainbow, white and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BURN IN HELL FOREVER, YOU PIECE OF TRASH!

Lincoln, Nico, and I did one final powerful energy slash that hit Lila Rossi hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Lila Rossi was on her last legs and she was really really mangled.

We holstered our weapons and powered down, and Lincoln tied Lila Rossi up in golden yellow energy chains and had her suspended in the air.

Lila Rossi: What is this?!

Nico: This is where we begin torturing you, and as an added insult to injury.

We had cameras ready and they were rolling.

Me: We're also going to broadcast this whole torture session to all of Paris, you're going to be humiliated even more, bitch.

Eli: We'll start with this!

Lincoln formed a bladed whip which was lit on fire in his left hand, and...!

Lincoln: HAH!

Lila Rossi: (SCREAMS OF TERROR)

SWOOSH! SLASH! SLASH! SLASH! SLASH! SLASH! SLASH! SLASH! SLASH! SLASH! SLASH!

Lila Rossi: (SCREAM OF AGONIZING PAIN)

Lincoln slashed at Lila Rossi with the bladed whip and he left really nasty slashes and scars on her body, and because he had the blades on fire, they cauterized the wounds and stopped the bleeding.

Then, Me, Nico, and Eli dumped pig's blood on her head, and she smelled terrible!

Then, The Loud Family fired elemental blasts at her, and she got burned bad!

The Redemption Squad also proceeded to break all her teeth by smashing her hard in the mouth a good number of times, same with The Masters of Evil.

Everyone else also joined in and they proceeded to blast Lila Rossi with elements and energy, and Lincoln also slashed open her stomach with his gold-plated claws and her guts came spilling out, and The Cutie Mark Crusaders also pounced on her and they PROCEEDED TO PULVERIZE HER BRAINS OUT!

And at the same time, our torture session was being broadcasted all over Paris and the entire world, and all of Paris along with all of France and the entire world were rallying for us and for Marinette's big day when we finish off Lila Rossi forever!

Then, Marinette got out the gun I gave her, and as she walked up to Lila Rossi, she put the gun to her forehead.

Marinette: You better remember this, Lila Rossi, the next time you come back, on my big day, you're finished and this time for good. But, for now...!

Then...!

BANG!

Marinette shot and blew her head off and we banished her to The Warp until her big day.

Marinette: That felt good.

Me: And we had fun torturing her big time.

Nico: That's just to show her that when your big day comes, Marinette, she's finished forever.

Lincoln: And we'll give all of Paris the front-row seats to her final demise.

Nico: Nice job Mimikyu!

Mimikyu: Thanks! That was fun!

Me: WOW! We really ripped her to shreds!

Eli: We sure did! Now ALL OF PARIS is going to be out for her blood on Marinette's day to shine!

Qin: Yep!

Girl Jordan: I do have an idea on how we can make this really satisfying. We'll make it a public execution and have them burn her at the stake!

Me: WHOA! I like the way you think G.J. Whoa! The last time they burned someone at the stake like that was back in 1314. This will be the first time in 710 years!

Nico: I think Absorbing Man has his own idea on how to kill her

Me: Really? I'll have to ask what it is when the time comes. Also why not doing both so we get let the people of Paris see the kind of demon she already is?

Nico: That works.

Me: Cool.

Mimikyu: That is gonna be so fun.

Me: Yep.

Poromon: Want some beer?

Mimikyu: No thanks. I don't drink beer.

Poromon: Okay then.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Mimikyu: Nice try pipsqueak.

Lori: I have an announcement.

Poromon: You're pregnant?

Lori: (LAUGHS) No. I've decided to have my golf game with Duff. We're literally going to Fairway Golf Course for it!

WE CHEERED!

Me: WOW! About time!

Lola: Cool!

Rarity: Oh darling that's gonna be fun!

Me: I know. Duff will love that!

Blue Senturion: He sure will.

Nico: Blue Senturion, this might sound silly but what do you do in your free time?

Blue Senturion: Oh no worries. I work with Sheila and the police force and help them bust big criminals.

Me: Nice!

Qin: Cool!

Sheila: It's true.

Me: Wow!

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Nikiya, and her power is strong.

We also sensed it.

Nico: Whoa. She's gonna be a tough one.

Eli: Yep. Whoa, and three of the Anothers are also The Keyblade Knights of Nyiragongo, Cathartrea, and Zombessa.

Me: WHOA!

Lincoln: If it's who I think they are, you guys are in for an awesome meeting with them.

Me: So we got Another Turbo Man, Turbo (X-Squad), Lord Fredrik (X-Squad), Toneri Otsutsuki, Mad Mike the Pizza

Chef and Varanus

Qin: Yep.

Me: That means Blue Senturion, Nina Nintendo, Autumn Reminara, Superman (Legion of Superheroes), Allison Mendosa and Justin Stewart are up.

Qin: Yep.

Nico: There they are!

We saw Another Turbo (X-Squad), Lord Fredrik (X-Squad), Toneri Otsutsuki, Mad Mike the Pizza Chef and Varanus!

Me: WHOA!

Xenia: This will be fun.

Another Turbo (X-Squad): (In a girls voice) It sure will.

They reverted back and were the gene-slammers of Millenniumoon Maiden, Diviner of the Herald, Fire King Courtier Ulcanix, Spiritual Beast Tamer Lara, Snake Eyes Flamberge Dragon, and Sangenpai Transcendent Dragion!

Nico: (GASP) Luna Moonlight, Hera Hikari, Phoenix Fitzgerald, Sima Ramirez, Lara Kilamanjaro and Ellie Flamberge!

Me: WHOA! The gene-slammers of Millenniumoon Maiden, Diviner of the Herald, Fire King Courtier Ulcanix, Spiritual Beast Tamer Lara, Snake Eyes Flamberge Dragon, and Sangenpai Transcendent Dragion!

Luna Moonlight: That's right. Good to see you Nico.

Phoenix Fitzgerald: It sure is.

Sima Ramirez: This will be awesome.

Lara Kilamanjaro: Yeah!

Me: Yep. By the way girls are the Another Turbo Man and Nikiya friendly or hostile?

Ellie Flamberge: Friendly and wicked cool.

Me: Nice!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: (Turns Dial) Time for backup! TOXIC FORCE 6!

She summoned Toxic Seahorse, Magneto SHS, Lobstrik, Jirikiman, Magnetron (RPM) and Furnace Monster!

Nico: And now, we wait.

Me: We don't have to wait long!

We saw Another Turbo Man and Nikiya!

Me: There they are!

Qin: WHOA! What power!

Another Turbo Man reverted back and it was the Keyblade Knights Nyiragongo, Cathartrea, and Zombessa!

Lincoln: Nahla Nyiragongo, Cathy Cathartrea and Zira Zombessa!

Nahla Nyiragongo: Good to see you Lincoln.

Cathy Cathartrea: Same here.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Nahla Nyiragongo, Keyblade Knight of Nyiragongo, she's Lincoln's Guardian Angel from Nyiragongo and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of the Volcanic Planet Nyiragongo and she's a powerful master of volcanoes, lava, and fire. She's a deadly force of fire and good and burns all of her enemies with intense heat. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all about mastering the powers of volcanoes, lava, fire, and intense heat, and over time, Lincoln gained all her intense fire powers along the powers of volcanoes, lava, fire, and intense heat, and she also helped him bulk up in muscle, and she hates all of Lincoln's enemies with a vengeance and she vowed to burn them all into nothing.

Me: WHOA! Intensely hot.

Anna Anyanova: Yep. This is Cathy Cathartrea, Keyblade Knight of Cathartrea, she's Lincoln's Guardian Angel from Cathartrea and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of the planet Cathartrea and she's a powerful master of the sky, wind, and lightning. She's also a master of Talon's species, the Vultureans, and she's also a master of blood and carnage. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the

Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all about mastering the powers of the sky, wind, lightning, blood, and carnage, and over time, Lincoln gained all the powers of the sky, wind, lightning, blood, and carnage, and she also helped him bulk up in muscle and she also taught him all about how to take care of vultures, and she hates all of Lincoln's enemies with a vengeance and she vowed to feed them all to her vulture pets!

Me: WHOA! Wicked scary!

Anna Anyanova: I know. And lastly we have Zira Zombessa, Keyblade Knight of Zombessa, she's Lincoln's Guardian Angel from Zombessa and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of the planet Zombessa and she's a powerful master of the forces of the undead and the powers of darkness and ghosts, and she's one of the strongest Keyblade Knights there is. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all about mastering the powers of the forces of the undead and the powers of darkness and ghosts, and over time, Lincoln gained all the powers of the forces of the undead and the powers of darkness and ghosts, and she also helped him bulk up in muscle. and she also taught him all about Necromancy and magic, and she hates all of Lincoln's enemies with a vengeance especially Dark Chase Young. The reason? Because he has lived far beyond what he should have and need to be killed right now! He cheated death for far too long!

Me: Amazing! And yeah Dark Chase Young pisses us off to no end.

Zira Zombessa: I know he does.

Nico: Yeah!

Nahla Nyiragongo: And we have intense speed from Turbo Man.

Me: Nice!

Nico: And your friend?

Another Nikiya: Someone who knows you Bokrua.

She reverted back and was a Saiyan girl with purple hair and had blue eyes and had green and blue clothes and a purple monkey tail.

Nikiya: (GASP) Trunia!

Me: WHOA! You're a Saiyan!

Trunia: I sure am.

Vegeta: It's good to have you back Trunia.

Trunia: Same here Prince Vegeta.

Me: Wow! What was your power level when you were born?

Trunia: I was born with an intense power level of 75,000.

WE GASPED!

Me: WHOA! 75,000!? That's incredible!

Ymir: WOW!

Me: Yeah!

Trunia: I know. Unusual but powerful.

Me: Yeah.

Nikiya: Trunia is one of my friends I met here on Earth. She is a very powerful Saiyan I met a while back.

Me: I can see that. All the Saiyans are with us now and we are going after Frieza later on. I know he's gonna go after Namek again.

Trunia: Good. We're going to make him pay.

Me: We sure are. Luckily I am one step ahead of him. I teleported all of the Namekians to Earth for safety and the Namek Dragonballs are with us too.

Nico: Smart thinking.

Kaito: (gets out Boonboomger gear) Did Swartz promise you anything?

Zocks: (Gets out King Ohger gear) Because we can grant it instead,

They got weapons from said teams.

Nahla Nyiragongo: No he didn't.

Trunia: Because I fired an energy blast through his chest and blasted him through the wall. We ran away from him.

Sakura Knudson: That explains why I found him with a huge hole in him! I thought that would kill him but it didn't.

Me: WHOA! Too bad.

Sougo: (gets out Boonboomger Ridewatch) Frieza's in for a surprise.

Geiz: (Gets out King Ohger Ridewatch) He's also dead meat

Sougo got BunRedArmor while Geiz got KuwagataOhgerArmor

Me: He has no idea that we've gotten stronger and stronger and more powerful. Including the Saiyans through intense training and beyond.

Xenia: Yep.

Lincoln: Lets separate you all first.

We did so.

Me: Lets dance!

Nico: (Gets out Turbo Man's ridewatch) Time for some speed!

May: (Gets out Lord Fredrik (X-Squad) Ridewatch) Time to bring the cold!

Universe 666 May: (Gets out Toneri's ridewatch) I will bring glory to the Otsutsuki!

Maria: (Gets out Mad Mike the Pizza Chef's Ridewatch) (DANCES TO TARENTELLA NAPOLETANA!)

Nina Nintendo: (Gets out Turbo (X-Squad) Ridewatch) TURBO-TASTIC!

They used the powers of Turbo Man, Turbo (X-Squad), Lord Fredrik (X-Squad), Toneri Otsutsuki, Mad Mike the Pizza Chef and Varanus and blasted the Anothers!

Me: Now you got me craving pizza Maria!

Maria: Sorry!

Then Crabby Cake, Duchess of La Madres Loca, Rattlesnake Monster, Zor (X-Squad Universe), Ms. Mucus, and Billy Bob Scroggin came!

Nico: WHOA! Nice team Crabby Cake!

Crabby Cake: Thanks Nico!

Billy Bob Scroggin: Well howdy J.D. Been many moons since we've seen y'all.

Me: Billy Bob Scroggin. It has been a while.

Ymir: You know him?

Me: Yeah he is a hillbilly from Alabama that we met when we went to get the fortune of Shaggy's ancestral uncle Colonel Beauregard. But while there we found out that there was a NASTY Hatfields & McCoys caliber feud going on down there. That feud has been raging on ever since the American Civil War ended.

Ymir: Geez!

Me: I know. The Beauregards and the Scroggins have been trying to kill each other for over 160 years.

Poromon: It's true

Ymir: Man that is rough! What were they fighting about?

Me: I honestly don't know for sure. But it's been going on for that long.

Scrappy Doo: Boy I remember that feud. That was nasty.

Me: It was. Also this means that Tidal Whale and his group are up.

Nico: Yep.

Tidal Whale: Of course it is

Me: Yep.

Then out came swirls of keys and magic and out came numbers 66 and 65!

Nico: WHOA! Number 66: Master Key Beetle and Number 65: Djinn Buster!

Me: COOL!

Number 66: Master Key Beetle: (In a girls voice) I agree there!

Number 65: Djinn Buster: (In a girls voice) It sure is guys!

Nico: Kira Key and Sapphire Djinn!

They reverted back!

Kira Key was a girl with golden hair and had yellow eyes and yellow clothes and golden wings and had Number 66: Master Key Beetle on her forehead, shirt and skirt and had a double key with a star on her arm as a cutie mark. She also had a golden keyblade.

Sapphire Djinn was a Genie Girl. She had blue hair and blue eyes and had Arabian Clothes and had blue angel wings and had a jeweled lamp on her hip and had Number 65: Djinn Buster on her forehead and clothes and on her arm was a lamp and a genie and she had an Arabian Sword.

Me: WHOA! Sapphire's a Genie! How cool!

Nico: Yep.

Sapphire Djinn: It sure is Master Nico.

Kira Key: But it's good to see you again. We got this. 66 KEYS BURST!

Sapphire Djinn: 65 GENIE BLASTS!

They fired waves of keys and magic and blasted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

May: Master Nico?

Nico: I found her on the beach in her lamp and wished for her freedom. We became great friends since.

Me: Wow! Just like Genie and Aladdin!

Nico: Nice job!

Kira Key: Thanks! It was fun.

Sapphire Djinn: I agree.

Nina Nintendo: Do you have any favorite memories?

Kira Key: We sure do. Mine is where me and Nico stumbled upon a key.

She pulled out the key and I looked at it. It was a gold key with ruby jewels.

Me: Hmm. What's this key for?

Kira Key: We have no idea. It's a mystery.

Me: Hmm. It might be a treasure key. We'll have to look into that.

Sapphire Djinn: Indeed. Mine is where me and Nico battled an evil genie in Saudi Arabia.

Nico: That was the evil genie Grovia.

Me: (GASP) Grovia!? I've heard of him! He was the worst genie ever and he was as bad as Jafar.

Sapphire Djinn: He sure was.

Me: We'll battle him on Loni's day in a rescue.

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Sapphire Djinn: Same here master.

We went back home.

We're going to meet Henry and June who've sent out a distress call to us. But, for the villain we'll be facing, it'll be a handful of Frieza's thugs causing havoc and trashing the studio, and it's up to us to get rid of them and Henry and June are going to send a very threatening message to that tyrant in their usual manner.

We had all of TLPS and The MOE with us.

Lincoln: Whoa, we're here in the world of KaBlam, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we are in for one awesome, fun, and explosive rescue.

Me: Yep, we're going to meet Henry and June who sent out a distress call to us.

Nico: I wonder what's happening here.

Blue Senturion: It can't be good especially since you-know-who is back.

Eli: That lowlife, Frieza. We better find Henry and June and fast.

We got a move-on, and all of a sudden, we found a barricaded KaBlam studio.

Me: The studio's been barricaded! Henry, June, you guys in there?

?: (Male's voice) That voice. J.D., is that you?

?: (Female's voice) Wait, J.D.'s here, along with Team Loud Phoenix Storm and The Masters of Evil? Henry, get them in here.

We heard the sounds of locks being taken down, and as the door opened, we were greeted by Henry and June.

Me: Henry, June, thank goodness you guys are alright.

We got inside.

Lincoln: We saw the studio was barricaded, what happened here?

Henry: You're not going to like it, Lincoln. Last night, a handful of thugs came here to trash the studio and kill us.

WE GASPED!

Fasha: And what did these thugs look like?

June: They were a mix of human and otherworldly creatures. Oh, and they had this kind of armor on them. Henry?

Henry took out the drawing, and when we saw it, we freaked out.

Nico: Oh man! That's the body armor belong to Frieza's men!

AOOGAH!

Henry and June freaked out!

Henry: Frieza?! The tyrant responsible not only for the destruction of Planet Vegeta and the genocide of The Saiyan race, but also, untold pain and suffering throughout the universe?!

June: So, those men we saw, those were his thugs! Lousy no-good narcissistic tyrant. I ought to throw him in a blender and shred him up into a fine mulch! But, I thought you guys got rid of him two years ago.

Vegeta: Unfortunately, Anti-Monitor brought him back.

Henry: You got to be kidding me.

Lincoln: And since today's Nikiya's big day, Frieza is back on Planet Namek.

They gasped.

June: Oh, that's bad. What if he gets so mad, he tries to destroy the planet like he did last time?

Gohan: That's not happening, we already have a plan in motion to deal with him later on today. Right now, we should get rid of his handful of thugs trashing the studio.

We got a move-on, and we saw the handful of Frieza's thugs causing havoc and trashing the studio.

June: Lousy no good punks, you think you can get away with trashing our studio? Guess again.

June got out a huge cannon which she lit the fuse, and...!

June: FIRE IN THE HOLE!

BOOM!

The cannon fired a huge cannonball and hit some of Frieza's thugs, and they fired at June which she dodged the blasts, but then, she got punched hard and sent flying into a wall.

Henry: June!

We ran to her.

June: (Dramatic Voice) Henry, is that you? Oh, it's growing dark..., it's so cold.

Me: (Thinking) June's doing her dramatic act. She can't get hurt and she always does this especially with teasing Henry.

Nico: (Thinking)(To me) Talk about dramatic.

Henry: No, June, don't leave. You can't!

June: (Dramatic Voice) No, Henry, this is it. I can't go on any further. Goodbye, cruel world!

Finally, June faints.

Lincoln: (Thinking) Wow, and I thought Lola had a talent for theatrics.

Henry: No..., no...!

Frieza Thug: (Laughing) Don't be too sad, you're about to be reunited. Time to die along with all of Team Loud Phoenix Storm and The Masters of Evil.

Frieza Thug 2: (To The Ginyu Force) And Lord Frieza will reward us handsomely when we also bring him your heads as well, traitors!

Henry: (Deathly calm voice) Shut up..., you pathetic jerks...!

The thugs froze mid-sentence, and we turned around to see Henry stand up slowly, and based on the deathly calm tone of his voice, he was mad! But, then, it got really crazy as we saw the skies turn dark and green lightning was crashing down from the Heavens.

Eli: Big bro, what's happening?!

Me: Oh no. Henry's about to snap. (Thinking) June, your over-the-top act just caused Henry to snap.

Suddenly, something deep within Henry's mind snapped upon seeing the "death" of his fellow co-host at the hands of Frieza's handful of thugs, and his green eyes turned neon green and he was surrounded by a green, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, fire, flames, earth, rock, crystal, meteors, boulders, lava, heat, lions, phoenixes, and angels, and as he angrily approached the remaining handful of Frieza's thugs, he left green, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, fire, flames, earth, rock, crystal, meteors, boulders, lava, heat, lion phoenixes, and angels with every step.

Henry: I can't stand you, you're as cold as ice with hearts of darkness beating inside you, you're just as bad as the tyrant you all serve. You've destroyed so many innocent lives on the orders of Frieza, and you don't give a single care!

Suddenly, Henry started to get dangerously pissed off as the green, white, golden yellow, and blue energy aura really exploded.

Henry: (SUDDENLY GETTING DANGEROUSLY PISSED OFF) And now, you also killed my fellow co-host and best friend in the process as well, none of you..., you don't deserve to live..., (YELLING AT THE TOP OF HIS LUNGS) THAT'S IT, THAT'S THE LAST STRAW! YOU PATHETIC PILES OF CRUD ARE GOING TO PAY FOR EVERYTHING YOU DID!

WE GASPED: JUNE'S OVER-THE-TOP ACT CAUSED HENRY TO SNAP, AND NOW, THE MAYHEM IS ABOUT TO BEGIN!

Me: OH NO! THIS IS BAD!

Nico: (GULPS) BIG TIME! Oh man, it's gonna get ugly!

Lincoln: You said a mouthful! EVERYONE, HIT THE DECK!

WE IMMEDIATELY HIT THE DECK BEHIND A FLIPPED OVER TABLE, AND THEN...!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF HENRY WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholster their massive greatswords and transformed, and we went after Frieza's thugs and we fired blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit them.

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of Frieza's thugs, and he began absorbing them and he assimilated their combat skills and strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips, rainbow markings, and phoenix feathers of 104 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

When Lincoln was done and the stingers changed back, nothing was left of them except for their armor and he also sucked out every ounce of energy from their souls and all their energy was given to Lincoln and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla and he sent the drained souls of Frieza's thugs to The Black Abyss. We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate, and Henry's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four large orbiting gold ring on each corner behind his head and large gold Yata no Kagami mirror with gold sun ring-shaped frame and embedded gems behind the large gold halo and four large gold Yata no Kagami mirrors with gold sun ring-shaped frames and embedded gems behind the four large orbiting gold rings, 105 large green planets orbiting around his legs, 105 smaller green planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized green planets orbiting around his wrists and ankles, and massive green angel wings and 104 sets of large green angel wings underneath her massive green angel wings are permanent.

Lincoln: Okay, that was one awesome rescue.

June: It's not over yet.

Henry suddenly saw June awake and alive.

Henry: June?! But...! Wait a second, I forgot you survived worse than that on the show.

June: Yep. Now, shall we deliver our warning to that tyrant?

Henry: Gladly.

Henry and June got out two cannons and Lincoln opened a portal, and...!

Henry and June: FIRE IN THE HOLE!

They fired the cannons, and they headed for Frieza's location, and he got hit hard and the portal closed.

Henry: Hah! That'll show him!

June: But, our studio..., it's been trashed.

Me: We'll fix it.

Henry: Wait, let me.

Suddenly, Henry's left hand glowed with green energy, and all of a sudden, the studio had merged with the World Tree Estate and it was repaired.

Lincoln: That's awesome. (Gets out his Book of Legends) Aha, here it is, and whoa, this is incredible. Henry, you were given powers over fire, volcanoes, and earth from Amun, Creator God and King of The Gods in Egyptian Myth and Xiuhtēcuhtli, The Aztec God of Fire, Heat, and Volcanoes. According to the legend, once ever 3,000 years, the deities Amun of Egyptian myth and Xiuhtēcuhtli will bestow upon a worthy person powers over fire, flames, heat, lava, volcanoes, earth, rock, crystal, meteors, and boulders, Cosmic Pyrokinesis, Cosmic Geokinesis, immortality, invincibility, flight with angel wings, and the power to create anything from fire and earth.

Henry: Wow. That's awesome.

June: That's really amazing.

?: (Norwegian Accent) Aw, I missed the action.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long dark blue hair and ice blue flower in her hair, blue eyes, massive blue angel wings, she has a Vegvisir and Mara of the Nordic Alfar on her forehead, right arm, ice blue sleeveless crop top, and ice blue skirt, white gloves, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, snow, ice, phoenixes, and angels on the coattails, and on the back is Mara of the Nordic Alfar, she has an ice greatsword in her right hand, and with her are the ten girls.

Lincoln: (GASPS) Alvilde Antonsen, Avatar and Gene-Slammer of Mara of the Nordic Alfar.

Alvilde Antonsen: (Norwegian Accent) That's correct, and I got the girls away, but I missed out on the action.

Me: We took care of Frieza's thugs and Henry and June sent the warning to Frieza.

Nico: That'll let him know that later on today, he's finished.

Lincoln: That's for sure. Plus, what he did in sending his thugs, that just proves he's a lowlife who deserves to die. (To Alvilde Antonsen) And it's so good to see you again, Alvilde.

Alvilde Antonsen: (Norwegian Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Alvilde Antonsen had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Alvilde Antonsen was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Alvilde Antonsen: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Alvilde Antonsen's waist and hugged her, and Alvilde Antonsen is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Alvilde Antonsen: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands)

You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Alvilde Antonsen, Avatar and Gene-Slammer of Mara of the Nordic Alfar, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Mara. Alvilde Antonsen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Alvilde Antonsen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Mara, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Mara, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there was one person whom she'd been wanting to kill all her life: and it was none other than Killjoy Huggins, she hated him for what he did in trying to make Lincoln suffer and all because of his hatred and she swore to make the streets of Royal Woods run red with his blood.

Me: Lincoln told us everything yesterday, and we already got rid of that stupid bastard.

Nico: In the Sensei Air Realm months ago, Lincoln killed him to avenge the deaths of two of his Guardian Angels from long ago: Lorelai Symphonia Arendelle and Kaara Ko'aki Meiru.

Alvilde Antonsen: (Norwegian Accent) Oh God, I hadn't forgotten what happened long ago. What that monster did with murdering Lorelai right in front of him gave him a nasty case of PTSD.

Lincoln: It haunted me for years, but in the end, I put an end to that trauma for good by getting rid of Killjoy Huggins for good, and now that you're here, Alvilde.

Lincoln with his massive muscular arms still wrapped around Alvilde Antonsen's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings on hi 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Alvilde Antonsen: (Norwegian Accent)(Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Alvilde Antonsen with dark blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Alvilde Antonsen: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Alvilde Antonsen.

Alvilde Antonsen had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Alvilde Antonsen's waist, and he leaned down to her face and kissed her on the lips, and with Alvilde Antonsen's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Alvilde Antonsen had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Alvilde Antonsen: (Norwegian Accent) (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The ten girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the ten girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the ten girls are Alu, Elaine, Guinevere, Leanan Sidhe, Marie, Morgause, and Nimue from Princess Arthur, Cyrus Tistella from Stream Prison, and Zakuro Kashino and Maris from Sweet Clown.

Lincoln: Oh whoa, it's Alu, Elaine, Guinevere, Leanan Sidhe, Marie, Morgause, and Nimue from Princess Arthur, Cyrus Tistella from Stream Prison, and Zakuro Kashino and Maris from Sweet Clown.

Nicole: So, those were the girls Alvilde saved, they're princesses from different kingdoms.

Lincoln: Frieza went too far trying to kill them, he's going to regret it later on today when we go after him. Are you girls okay?

Alu: Yes, we're okay, thanks to you.

Then, when Alu and the nine other girls saw who it was that saved them from Frieza's thugs, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie

Alu: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and 105 massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Alu: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alu, Elaine, Guinevere, Leanan Sidhe, Marie, Morgause, Nimue, Cyrus Tistella, Zakuro Kashino, and Maris with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one really awesome and funny rescue.

May: You said it. Plus, we met Henry and June and trashed more of Frieza's thugs. Well, Henry really trashed them before we joined in.

Lincoln: Thanks to June's "death" act, that caused Henry to transform and go wild!

Nico: And by wild, I mean EXPLOSIVES ALL OVER THE STUDIO!

Me: Next time, when that happens, we'd better steer clear.

June: We'll get a lot explosives ready when we go after that tyrant.

Henry: June, we need to also make sure he doesn't try any of his dirty schemes.

Lincoln: We'll know, after all, when the alarm sounds, we'll be ready.

June: We'll also need to get rid of his two lackeys, Zarbon and Dodoria.

Henry: Wait, I have a better idea. We'll force them to serve Vypra, and if they refuse, well, don't you guys have more "drastic and severe" ways to make them comply.

Me: Uh oh, you mean...!

Nico: (Smirks) I like that idea already. When we get after Frieza, that's exactly what we'll do.

Lincoln: Oh, Henry, hold still, I want to give you something.

Then, Lincoln got out a needle with a red liquid in it, and he put it in Henry's arm and he injected it into him.

June: You gave him a shot?

Henry: That was no booster shot, June, I got a feeling that...! (GROWLS) Uh oh, I feel something about to happen!

Suddenly, Henry's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive green angel wings and 104 sets of large green angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the green sun tattoo on his bare chest and green flame patterns on his forearms and green rings on his legs glowed, as he grew even stronger.

Henry: Whoa! I feel even stronger than ever!

Lincoln: That's cause what I injected you with was my blood, and with this, you're gonna do a whole lot of damage to evil.

June: Like the kind of damage you always do?

Lori: Pretty much.

June: Well, try not to wreck the place while you're at it, Henry.

After Lincoln and all of us met Henry and June and took care of Frieza's thugs, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Alvilde Antonsen saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Alvilde Antonsen: (Norwegian Accent) My God, I was right that Lincoln's really grown into an 18-year-old 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Alvilde, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Alvilde Antonsen: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Alvilde Antonsen: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, James Blunt got out a videotape.

James Blunt: Now, this videotape I have here, this is from two weeks after I fed Caleb my blood and he drove Panther, Sally Gamble, and Carla Claw out of West Virginia and sent them packing back to New York, but in this one, I caught a glimpse of him summoning the twin guns his uncle's friend had made for him against Claw Dane Drake along with Ichiro, Nekome, Panther, Sally Gamble, and Carla Claw along with some of their hired guns, and there, I'd get the story not only from Caleb, but also, from some of my old contacts from the past.

James Blunt put the tape in and it played on the big screen and it showed West Virginia in 1993, it'd been two weeks since Caleb drank James Blunt's vampire blood and drove Panther, Sally Gamble, and Carla Claw out of West Virginia and sent them packing back to New York.

Past Caleb Maxwell: Where are we going, Mr. Blunt?

Past James Blunt: We'll need to head into town to get some supplies, and we'll need to get some gas for the lawnmower and other power tools.

Past Caleb Maxwell: Good idea.

But, just as they're about to head out, Caleb felt a disturbance and his vampire cross mark on his right arm reacted.

Past Caleb Maxwell: Oh no. Mr. Blunt, we got trouble.

Past James Blunt: Drake's thugs?

Past Caleb Maxwell: No. Remember what happened two weeks ago?

Past James Blunt: Are they back?

Past Caleb Maxwell: Looks like it. No matter where I went, in addition to running from Drake and his thugs along with dodging your son and Travis, I also had to deal with The Big Claw Gang.

?: And as always, you had to turn tail and run.

Suddenly, Caleb Maxwell looked around, and as he turned around, he saw Panther, Carla Claw, and Sally Gamble. But, they weren't alone, they also brought Nekome, Ichiro, and finally, the leader of The Big Claw Gang himself, Claw Dane Drake.

Past Caleb Maxwell: Didn't I tell you lot that I never want to see your faces near here again?!

Past Carla Claw: (Smirks) You know we never listen to you nor the cops, Caleb.

Past Nekome: (Japanese Accent) So, the rumors Panther, Carla, and Sally have told us were true, you've returned from the dead, and yet, why do you remain here?

Past Caleb Maxwell: Most of my memories may have come back, but I still have the trauma and the nightmares of long ago. I cannot go back, not now, not yet. Now, I'm not going to repeat myself, leave here and do not come back.

Past Ichiro: (Japanese Accent) A bold choice of words, yet it got you killed long ago, and now, it'll get you killed yet again.

Past Caleb Maxwell: Not a chance in Hell. I died a long time ago, and I have no plans of dying once again.

Past Claw Dane Drake: Is that so? Sadly, there's still that little incident in Chinatown back in 1985, and some of the boys still want revenge on you.

Suddenly, some of The Big Claw Gang's soldiers came out.

Big Claw Gang soldier: You may have died long ago, but we still have to honor our fallen comrades from 1985, time to die once more, this time, stay dead, Caleb Maxwell!

Past Caleb Maxwell: You damn bastards!

Suddenly, two swirls of darkness manifested in Caleb's hands, and once they disappeared, all he saw in his hands were his two guns that his uncle's friend made for him back when he was 16.

Past Caleb Maxwell: Alright. Time to spill some blood.

Caleb Maxwell went at the Big Claw Gang soldiers and he whacked them with his guns' barrels, and then, he unleashed a barrage of bullets, which ended with him suddenly conjuring two demon hands that appeared from portals of darkness and they punched them so hard, they belched out massive amounts of blood.

Past James Blunt: Incredible.

Past Claw Dane Drake: Well, well, someone's learned a few new tricks after coming back from the dead.

Past Ichiro: (Japanese Accent) Sir, allow me and Nekome to deal with Caleb Maxwell.

Past Nekome: (Japanese Accent) We shall return him to the darkness where he belongs.

Suddenly, Caleb Maxwell fired two blasts of darkness that hit Ichiro and Nekome hard.

Past Caleb Maxwell: Leave now, Dane Drake, and take your gang with you back to New York, and don't let me catch you here in West Virginia again, or the next time we meet, I swear it will end in blood! (Eyes turn crimson red)

Past Panther: You got guts saying that, why don't you try to say it again when you're lying in a pool of...!

Past Claw Dane Drake: Panther, stand down. Very well, Caleb, we'll leave.

Claw Dane Drake and his gang took their injured men and left for a plane back to New York. But, Caleb saw that James Blunt saw the whole thing: he knew he had a lot of explaining to do.

After getting the groceries and supplies, they came back to James Blunt's home, and there, Caleb began to talk.

Past Caleb Maxwell: I know I have a lot to explain about.

Past James Blunt: Yes, but take your time.

Past Caleb Maxwell: Very well. The first thing I should explain is the guns I have in hand, these guns were given to me as a gift by my uncle, Christiano Maxwell, when I turned 16. He had a blacksmith friend of his make the guns, and they were his greatest work: the deadliest firearms in New York with firepower unmatched and loaded with unlimited 15 millimeter caliber bullets made from pure silver from

Macedonia and powerful enough to go through the toughest body armor.

Past James Blunt: From what you described about the guns, this blacksmith is a genius.

Past Caleb Maxwell: But, there was something else he added to the guns as well. My uncle told me he had dabbled in The Dark Arts, and for the final ingredient for the guns, he added a drop of my blood to make the guns obey only me, and from what I saw when I attacked the soldiers of Claw Dane Drake, it appears they were given the powers of darkness. But, how?

Past James Blunt: I believe I know. It's true you were given the powers that we vampires have, but when I fed on your blood, and in turn, I fed you my blood, you were given the final gift, immortality, but there was something else given to you: the powers of darkness itself. That rainbow wave that passed through New York on the night of your return from the dead must've given you those powers.

Past Caleb Maxwell: My life had been consumed by darkness, and I embraced the darkness, that must be why I gained these dark powers. I guess this was my fate since I got into my teen years: first, my life spirals out of control thanks to my stupid ex-younger brother who betrayed me, I wind up getting betrayed by those who made friends with me only to expose their true colors, the true friends I made wind up getting killed for being friends with me, I get chased around all of New York by Syndicate thugs, your son and his blood brother who were drunk on Demon Blood, and The Big Claw Gang who's now become the most powerful organization in New York after Dad's empire fell, and finally, I wind up getting killed!

Suddenly, tears poured out of the corners of Caleb Maxwell's eyes, but they weren't tears, they were blood tears.

Past Caleb Maxwell: And it's all that damn Drake Maxwell's fault! He ruined my life and sent my life spiraling down into the pits of Hell! I thought of everything to save my Mom, Allie, and I from being dragged down into darkness, but in the end, it was no use: I was still doomed to die and my sister and my Mom were still put in danger! All of it..., it was all for nothing! Everything I once had, my life, my future, everything was taken away from me! I hate that slimebag, Drake, for everything he's become! I want him to suffer, I want him to pay for everything he did, but above all else, he deserves to die by my hand!

Then, Caleb fell with his knees to the floor as the blood tears came pouring out even more: he was finally breaking down in sadness.

Past Caleb Maxwell: (Voice Breaking) This isn't right..., none of this is right! Drake's ruined so many lives including ours, it's not right that he's still alive, and I...! I was too weak, I was too powerless to do anything to really make a difference...! It's all my fault...! Everything will always be my fault!

Caleb finally broke down and cried, and then, he removed some bandages on his arms, and revealed the cuts on his arms: it turns out he'd cut himself many times in the past, and they stayed with him even after his death. James Blunt saw it for himself: Caleb despite his appearance as a strong man, was actually a broken man, he'd been through a true living Hell with all those tragedies, and his life fell into the blackest depths of Hell.

Then, all of a sudden, James Blunt walked up to Caleb Maxwell and he went down to his knees and he placed his hands on his shoulders, that made Caleb look up, and then, he hugged him.

Past James Blunt: Caleb..., what you told me..., you went through a true living Hell, and despite trying to maintain that façade of yours, in truth, you were a broken man. Your heart was crying out for help, that was what you were wanting to tell anyone who would listen to you, but you feared the worst.

Suddenly, Caleb Maxwell returned the hug, as he finally let it all out as his blood tears fell unto the vampire cat's chest.

Past James Blunt: (Thinking) This poor kid was dealt with so much unspeakable pain and suffering: betrayed by his younger brother, betrayed by those who made friends with him only to expose their true colors, the true friends that he made wind up getting killed for being friends with him, getting chased around all of New York by Syndicate thugs, my son and his blood brother who were drunk on Demon Blood, and The Big Claw Gang who's now become the most powerful organization in New York after Marcus Maxwell's empire fell three years ago after his eldest son winds up getting killed in 1985?! How can fate be so cruel to someone like him. (Out Loud)(Rubbing his back) It's alright, Caleb, it's alright. None of this is your fault, you don't deserve to punish yourself for something that was beyond your control.

The video ends, but many of us got gutted by the heartbreaking scene at the end.

Me: (Speechless) My God...!

Nico: Oh man...!

Lincoln: That was...really gut-wrenching. I may have went through Hell because of Dark Chase Young, but what you went through, that was worse than what I went through.

Nico: Actually, what you both went through was literally a living Hell, but...!

Caleb Maxwell: But, Lincoln came out stronger than ever, but me, I changed for the worst, instead of letting the justice system do their job, I took it into my own hands, I wanted vengeance, I was out for blood, I wanted Drake to suffer as horribly as I had, but I also dragged Dad into it as well, who only got into crime because of what his scumbag relatives did, and I was only ten at the time they caused his company to go bankrupt. Dad didn't want us to worry about him, but he was worried about us to the end, and looking back on it, I realized I did the same thing Dad did, I didn't want Mom and Allie to worry about me, and look what happened. But, we were able to fix my ties with Dad and forgave him one last time before he finally moved on to the next world, and with that, we both found peace at long last.

We got a shower, and then, Akira Akatsuki and Sydney Burlington are heading to Emerald Coast.

Akira Akatsuki: Alright, we're here in Emerald Coast, so awesome!

Sydney Burlington: You said it, but we got to watch it. Frieza won't give up that easily, nor will Nikolai Ondrushko.

Akira Akatsuki and Sydney Burlington began having their fun in the beach, but their fun suddenly got cut short when they saw legions of warriors from ancient times heading their way, and these were warriors brought back from the dead by Nikolai Ondrushko.

Suddenly, Lincoln appeared and he morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive legions of ancient warriors, and he began absorbing them into his body and he assimilated their massive muscle mass, brute superhuman strength, combat skills, primal instincts, testosterone, and virility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips, rainbow markings, and phoenix feathers of 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

When Lincoln was done and the stingers changed back, nothing was left of them and their lives and spirits merged with him, and their energy was given to Lincoln and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Akira Akatsuki: Thanks for the save, Lincoln.

Lincoln: You're welcome.

Lincoln teleported back to The World Tree Estate. A few minutes later, Akira Akatsuki and Sydney Burlington came back.

Nico: Lincoln told us what happened. Akira, you and Sydney alright?

Akira Akatsuki: We're alright, thanks to Lincoln.

Sydney Burlington: I couldn't believe what that vampire did.

Abaddon Aeternus: That's the last straw. When Nikolai finally makes his move, he's going to die a very terrible death for this.

Andre Lupescu: That'll take time though, Abaddon. We don't know when Nikolai will make his move, plus we already got our hands full with dealing with Dark Chase Young's return in the future, and fulfilling the final part of the prophecy. Not to mention we're finally going after Frieza and we're going to make him pay.

Nico: You're right about that, Andre.

Me: I've already got my plan set for when we go after that filthy tyrant.

Caleb Maxwell: Which is...?

SNAPS FINGERS!

I snapped my fingers and all of Piccolo's people on Namek came here to Earth before Frieza can kill them like he did before. Also we got their Dragon Balls to Earth too.

Nico: Whoa, did you...?

Me: Yep.

King Kai: (Telepathically) That was a smart move, J.D., now Frieza can't slake his bloodlust, nor get his chance to become immortal.

Caleb Maxwell: He won't get that chance ever, I'll gouge his eyes right out of his skull and tear his brains right out of his head!

WE ALMOST BARFED!

Allie Maxwell: Why must you always have a violent short fuse and nasty temper?!

We also looked at Allie and Caleb with a look that says "Seriously?!"

Allie Maxwell: What?

Caleb Maxwell: Why are you...?

Lincoln: Seriously? You two have really nasty tempers, and you both are pretty violent towards the lowest of the low, and don't lie, Allie, you're just as violent as your older brother.

Allie Maxwell looked down in embarrassment.

Allie Maxwell: How did you even know that?!

King Kai: (Telepathically) Need we remind you of how violent you got towards Drake whenever he came after you?

Caleb Maxwell: He's right. I hadn't forgotten about that! You even kicked him hard in the crotch with your boot, and you had metal plates in the toe areas!

Later it was time for Hitch Trailblazer, Shanan and Deborah's first mission.

Erza Scarlet: You guys are gonna love meeting my friends in Los Volmos. It's gonna be awesome.

Me: This is gonna be so awesome.

Nico: Anyone else want to go with Hitch Trailblazer, Shanan Knudson, and Deborah? Besides 4 Rabbids?

Samus: I'll go.

Killer Shrike: So will I

Me: Okay.

Dan Kuso: Me and my friends will go as well.

Ino: And I will too.

Me: Okay then. Anyone else?

No one raised their hands.

Me: Okay lets go.

We were off.

We arrived at Los Volmos in California.

Me: So this is Los Volmos.

Erza: Yep and it's gonna be awesome. But you are gonna be surprised who my friends are.

Me: Why is that?

Erza: You'll see.

Dan Kouzo: Erza? Is that you?

Erza: Hey guys!

She went over and hugged them.

Erza: Good to see you all. Guys I would like you to meet the Awesome Ones.

Dan Kouzo: WHOA! Team Loud Phoenix Storm! What an honor!

They introduced themselves.

Dan Kouzo (ダン・クーソー, Dan Kūsō, Dan Kuso in Japan)

Voiced by: Jonah Wineberg (English) Rie Takahashi (Japanese)

Dan is optimistic, forthcoming and intense. Like his Battle Brawlers counterpart Daniel Kuso, Dan can sometimes be overconfident and has shown that goes on his knees when he loses a battle.

Wynton Styles (ウィントン・スタイルズ, Uinton Sutairuzu)

Voiced by: Deven Mack (English) Jun Fukushima (Japanese)

For his age, Wynton is highly intelligent. Wynton's intelligence is high enough for him to make his own devices. For example, he was smart enough to devise a Core Cell Tracker which would lead them to a place with the most concentration of the Core Cell.

Lia Venegas (リア・ヴェネガス, Ria Venegasu)

Voiced by: Margarita Valderrama (English) Chinatsu Akasaki (Japanese)

Lia is a caring and eccentric brawler. Lia often has a camera with her to show the world about new discoveries of Bakugan and mainly because her mother is a news reporter. Lia is very confident of her abilities similar to Dan, but unlike Dan, Lia's confidence never shifts into arrogance.

Shun Kazami (シュン・カザミ)

Voiced by: Jaimee Joe Gonzaga (English) Yumi Uchiyama (Japanese)

Much like Shun's Battle Brawlers counterpart, he is very reserved but also very calm, he is also very thoughtful, thinking very well about things that may be something great but potentially not. An example is when he starts to think if giving the Core Cell's energy worldwide is really a good idea.

Lightning (ライトニング, Raitoningu)

Voiced by: Will Bowes (English) Aki Kanada (Japanese)

Lightning has white fur with brown parts. He has brown ears, brown patches on the sides of his head, brown eyes, a brown heart-like symbol on the side of his body and a small brown tail.

Me: WHOA! It's a pleasure to meet you all.

Shun (BB): Your name i Shun Kazami too!? I am Shun Kazami of the Bakugan Battle Brawlers.

Shun (BP): That is coincidental that we share the same name!

Dan Kuso: And my name is Dan Kuso! Sounds like we both share the same name.

Dan Kouzo: Except my last name is spelled Kouzo.

Dan Kuso: Oh.

Hitch Trailblazer: It's a pleasure to meet you guys. I'm Hitch Trailblazer, Sheriff of Maretime Bay and the Legacy of Fluttershy.

Sparky: (Laughs)

Hitch Trailblazer: And this little guy is Sparky. I've hatched him as an egg.

Lia: Aww he's so cute!

Shanan: He sure is. I'm Shanan Abigail Knudson.

Deborah: And I'm Deborah Bolton.

Dan Kouzo: It's a pleasure.

Hitch Trailblazer: We're your ambassadors for this.

Me: It's part of a special diplomatic mission program we made and you guys are the final missions we have for this year.

Samus: Awesome to meet you all. I'm Samus Aran.

Killer Shrike: The name is Simon Maddicks but everyone calls me Killer Shrike.

Ino: I'm Ino Yamanaka.

Runo: I'm Runo Misaki, Brawler of Haos.

Marucho: I'm Marucho, Brawler of Aquos.

Julie: I'm Julie Makimoto, Brawler of Subterra.

Alice: And I'm Alica Gehabich, Brawler of Darkus.

Dan: I'm Dan Kuso of the Brawlers, Brawler of Pyrus.

Shun (Bakugan): And I'm Shun of Ventus.

Dan Kouzo: WOW! It's an honor.

The rabbids gibbered.

Hitch: (sighs) And these are Rabbids.

Lia: Aww they are so cute.

Me: They sure are.

Eli: But they are not the brightest lightbulbs in the closet if you know what I mean.

Dan Kouzo: Lets show you our base if you can call it that.

We went to the school. It was a clubhouse by the school.

Me: Nice clubhouse.

Dan Kouzo: It's not much but it is good for organizing our moves against our enemies.

Me: I see.

Lia: Also J.D. and Dan we heard all about your adventures! We loved how you guys killed that monster. What was his name? Barodius?

Me: That's him.

Nico: Barodius really made all of us angry.

Me: He was Dan Kuso's version of Frieza. A Gundalian version of Frieza.

Lia: WHOA! He must've been that bad!

Me: You have no idea. The second time we battled him it erupted into an intense Kamehameha Wave Struggle that threatened to rip the entire universe apart.

Shun (BP): WHOA! That is amazing!

Me: It was.

A Rabbid licked the wall.

Lia: (LAUGHS) They are funny.

Eli: Yeah and they are cute too. Rabbids are funny.

Me: Yep.

Dan Kouzo: I think all Bakugan are so cool.

Me: We do too. We first met Dan when he was trapped in a Prison Crystal and I freed him. After that we helped him and his friends and battled Barodius the first time. It was epic!

Erza: It really was.

Drago: Barodius was a monster though and he and his followers really put up a nasty fight.

Runo Misaki: They sure did.

Shun (BP): My goodness.

Me: I know. But Barodius is now in the Black Abyss forever. And he'll never hurt another soul again.

Lia: What happened to the Black Gates?

Me: Well they were compromised. We have a new big baddy now. His name is Anti-Monitor. He breached the Black Gates and brought back many of our most dangerous enemies. Now we have a more powerful method to destroy them. The Black Abyss and it's infinitely more powerful than the Black Gates and erases them forever. For all eternity. Never to be remembered.

Lia: Good riddance.

Nico: Do you guys have your own version of Barodius?

Lia: Actually yes we do. And he is responsible for most of the villains we faced.

Dan Kouzo: His name is Haavik.

SHANAN GASPED!

Shanan: Haavik!? OH MAN!

Me: Uh oh! Sounds like you have a nasty history with him.

Shanan: You could say that dad. Haavik is a Xemorgapphian Criminal from the planet Xemorgaph and he is a dangerous intergalactic criminal that I have been trying to kill for years.

She went over his history.

Haavik is one of the overarching antagonists of Bakugan: Battle Planet and is the main antagonist of Bakugan: Armored Alliance and the secondary antagonist of Bakugan: Legends.

He is a god-like shapeshifting humanoid alien who possesses immensely powerful abilities. He is infamously known for causing mayhem and mass destruction on planets he comes across, just for his own amusement and entertainment, and may even destroy entire planets if he sees fit. His main Bakugan is Sabrus, a hydra-like hybrid, who is a fusion of five factions and would later be fused with the Aurelus Bakugan Pyravian.

Because of his immense powers and his reputation, this makes Haavik an enemy of several intergalactic forces of mechanoids, who seeks to eliminate Haavik to prevent him from causing more chaos and destruction on other planets. In addition, Haavik became one of the most powerful enemies the Awesome Brawlers had faced throughout the series.

He was voiced by Dan Petronijevic in his first villainous role

---

When she was done we were shocked and horrified!

Me: OH MAN!

Eli: This guy makes Palpatine look like a joke!

Lia: Oh man! How did you know what Haavik was?

Shanan: You would be amazed at how much I know about all life in the universe.

Me; Shanan has a massively extensive knowledge of all kinds of alien creatures.

Nico: It's true.

Dan Kouzo: That is amazing!

Me: Yeah it sure is. And I have a feeling he's our main target for Hitch, Shanan and Deborah's big day later on.

Nico: But are there any bad guys active right now?

Dan Kouzo: There is and he is coming shortly. His name is Marco Chezanello.

Erza: He is a local bully that gets a sick thrill out of tormenting Dan and friends.

Me: What can you tell us about him?

Dan told us about him.

Chezanello is introduced as a bully who defeats the Rowdy Reds with his Bakugan Cyndeous. After Max has switched to his side, Chezanello threatens the Awesome Ones and the remaining Rowdy Reds with Cyndeous hurting them if they defy him. Cyndeous, however disagrees with Chezanello's way of using Bakugan and is reluctant to attack them. For some time however Cyndeous obediently follows Chezanello's orders, as he is partner after all. Soon, Max turns angrily towards Chezanello because he isn't thanking

Drago for saving them. Ultimately, Cyndeous doesn't want to be Chezanello's partner anymore. Enraged, Chezanello says that Cyndeous is no longer his partner and angrily leaves.

When he was done we were disgusted!

Me: Man what a jerk!

Lia: I know.

Me: He reminds me of Princess Morbucks.

Dan Kouzo: He is a spoiled brat but he is not as dangerous as her. He's a sore loser.

Me: Jerk!

Eli: I've got a few words to say to him.

Nico: Where is he?

Dan Kouzo: Over there.

We saw him over at the Baseball field picking on kids.

Me: Well at least we're not that far away from him.

Lia: And Erza has been teaching us how to use magic like her.

Me: Has she really? That is cool.

Dan Kouzo: Yeah. I use Fire Magic.

Lia: I am Light Magic.

Shun (BP): I use Wind.

Wynton: And I use Water.

Me: Cool!

Lightning: I can't use magic unfortunately.

Me: That's alright Lightning.

Eli: But also it's not just your enemies we have to worry about.

Me: We have Pokemon Gene-slammers from an organization we destroyed a while back running around. The organization was called Dark Gale.

Dan Kouzo: Erza told us about them! They were nasty.

Me: I know. Also we have Blackwing Eatos 12 Carriers. They are the embodiments of all of Ben Tennyson's aliens and they are recognized by having piercing red eyes, black clothes and angel wings and have tiaras with each of Ben's aliens on them.

Lia: Thanks for telling us this.

Me: You're welcome.

Nico: Lets go!

We went over.

Marco punched a kid down.

Marco: (LAUGHS)

Eli: HEY JERK! Leave him alone you little parasite!

Marco: Who is gonna stop me!?

Eli: ME!

Marco: You and what army!?

Me: US!

We arrived!

Marco saw us.

Hitch Trailblazer: Marco Chezanello, you're under arrest!

Nico: Big time!

Marco: Team Loud Phoenix Storm!?

Me: In the flesh!

Lia: And ready to kick your butt!

Dan Kuso: You better be ready!

Runo: Lets dance!

Marco: (GASP) Wait you're the famous Dan Kuso of the Bakugan Battle Brawlers! You are a legend!

Dan Kuso: That's right.

Marco: Well lets see you put all that to the test.

Me: Uh with what? In case you forgot your Bakugan left you.

Marco: I got new ones!

He summoned a Pyrus Centipoid!

Me: Pyrus Centipoid! Nice!

Dan: Lets do it then! BAKUGAN BRAWL!

Runo: BAKUGAN BRAWL!

Marucho: BAKUGAN BRAWL!

Julie: BAKUGAN BRAWL!

Shun: BAKUGAN BRAWL!

Alice: BAKUGAN BRAWL!

They summoned Dragonoid, Tigrerra, Preyas, Hammer Gorem, Storm Skyress and Alpha Hydranoid!

Dan Kouzo: WHOA! COOL!

Me: Awesome!

But then my eyes glowed and the out of an energy ball came a golden bakugan!

Me: (GASP) What the?

Pyravian: J.D. I am Pyravian fo the Aurelus Bakugan and I have chosen you to be my partner.

The spirit of Harmony came to me and told me that the Prophecy is going to include the Golden Bakugan too.

Me: WHOA! So the prophecy has the Golden Bakugan of you guys as well?

Pyravian: That is Correct. More of us will come soon.

Me: Understand. Ready! BAKUGAN BRAWL!

I summoned Pyravian!

EVERYONE GASPED IN SHOCK!

Dan Kouzo: WHOA! Pyravian!? You're here too!?

Pyravian: That is correct Dan. I picked J.D. as my partner for the prophecy.

Lia: What prophecy?

Me: Long story but it involves one of our most dangerous enemies.

Nico: I've never seen a Golden Bakugan before! This is cool!

Me: I'll say!

Eli: Its power is incredible!

Dan Kouzo: It sure is. Long story on that but yeah. There's 12 of them and they protect the world of Bakugan. One of our enemies is one of them.

Me: WHOA MAN! We'll have to stop him later on.

Eli: Yeah.

Me: Lets do it then!

I pulled out my Advent Deck for Lord Drakkon and pulled out a card and activated it.

Me: LORD DRAKKON DRAGON BLAST!

I fired a wave of energy and fire and blasted Marco and Centipoid!

Nico: YEAH!

Hitch got out his Advent Card for Pitcher Plant Monster!

Hitch Trailblazer: PITCHER PLANT DRENCHING DELUGE!

He fired a beam of energy and Marco got entangled in pitcher plants and they drenched him in raw sewage!

YUCK!

Nico: Okay that was cool and funny!

Me: Yeah it was!

Shanan got out her Advent Card for Vulkanus!

Shanan: Detrovites are known for their notorious love for jewels! VULKANUS TAEDENITE BURST!

She fired waves of jewels and blasted Marco down.

Me: YEAH!

Deborah: Here I come with the power of the Ox!

She used her Advent Card for Dynamir!

Deborah: SMASHING OX HAMMER!

She fired an energy blast and blasted him all over!

Me: Lets show the power of Bakugan!

Dan: Ability activate! INFERNO HELLFIRE!

Dragonoid fired a massive firestorm blast!

Runo: Ability Activate! LIGHTTIGER SLASHER!

Tigrera slashed him all over with light blades!

Marucho: Ability Activate! MAELSTROM TSUNAMI!

Preyas fired a massive blast of water!

Julie: Ability Activate! SEISMIC HAMMER BASH!

Hammer Gorem smashed the ground and sent a wave of dirt!

Shun (Bakugan): Ability Activate! HURRICANE STORM GALE!

Storm Skyress fired a massive blast of wind!

Alice: Ability Activate! JUDGEMENT DARKNESS BLAST!

Alpha Hydranoid fired waves of darkness from his three mouths!

Me: Lets see here! Ability Activate! RAINBOW HEAVEN BURST!

Pyravian fired a massive rainbow energy ball from her mouth!

The blasts all hit Marco and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

He was knocked down and really mangled up!

Me: WHOA! WHAT POWER!

Nico: Had enough?!

Marco: NEVER!

Me: Oh you want some more? Okay then.

Ino: NINJA ART: MIND TRANSFER JUTSU!

She went into his mind and then made him dance stupidly!

Ino: (Through Marco) LOOK AT ME I'M A STUPID UGLY MORON WITH A STUPID DUMB HAIRCUT AND A BIG BUTT AND MY UGLY BUTT SMELLS AND AN UGLY FACE WITH A BUNCH OF MOLES AND I LIKE TO LICK PEOPLES BUTTS!

WE LAUGHED HYSTERICALLY!

Nico: Now that's funny!

Me: Okay Ino come back we don't want to rough you up too.

Ino did so.

Marco had a headache the size of Russia.

Then a massive energy blast hit him and exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Me: WHOA! What the hell!?

We saw a Tsareena!

Me: WHOA! A Tsareena!

Nico: How did that get here?

Me: I think I know. Must be one of Dark Gale's work.

Ino: Let me see.

She used Telepathy and gasped!

Ino: Oh my gosh! It's my sister Celica! You are not going to believe this J.D. but she was born with an immensly powerful Kekkei Genkai called Nature Aura Style. She uses the powers of Nature and Flowers to attack her enemies which is incredibly unheard of. Her power over wood style and flowers and nature style chakra is so strong and powerful that it made her a powerhouse in nature.

WE GASPED!

Me: WHOA! That is incredible!

Nico: I didn't know she had that kind of power!

Me: Yeah! Does the 3rd Hokage and Lady Tsunade know about it?

Ino: No they don't. In fact they had no knowledge of it.

Me: Must be a hidden power in the Yamanaka Clan that was never seen before. Lets go help her.

Me and Ino went over.

Ino: Celica it's me Ino!

All she did was charge at her and we dodged her.

Me: Okay having them charge at us is getting really dull!

Me and Ino fired waves of energy and blasted her.

I snapped my fingers and she reverted back. She was a girl with blond hair and blue eyes and had green angel wings and had Tsareena on her forehead and had a Sequoia Tree on with a Rose Stained Glass and Peaches on her arm as a cutie mark.

We wrapped her in a blanket.

Celica Yamanaka: (Groans) What hit me?

Me: Ugly story.

Ino: Hey Celie?

Celica: (GASP) Ino? Ino!

She hugged her.

Ino: Good to see you.

Me: You were turned into a Tsareena by Dark Gale.

Celica: (GASP) I remember!

She was in a green suit and injected and turned into Tsareena! She flew out

FLASHBACK ENDS

Celica: It was awful.

Me: I know but we destroyed Dark Gale forever.

Celica: Good. I'm the naturemancer of Sonya's team and outside I go on missions for the Leaf.

Me: Cool. We're in the middle of a battle. Lets get you some new clothes.

I snapped my fingers and she had green clothes and a new sword.

Celica: I look amazing.

Ino: You sure do.

Nico: Now, where were we?

Me: Lets get him!

Marco: BRING IT ON!

Celica: Now you will see why I'm known as The Dryad of The Leaf! NATURE STYLE NINJA ART: FLOWER BLADE SHOWER!

She touched the ground and threw flower blades and slashed him all over!

Me: WHOA! That is powerful!

Ino: Yep.

But then massive sonic blasts hit Marco.

Me: WHOA!

Dan Kouzo: What did that!

Me: Look!

We saw a girl with blue hair and red eyes and black clothes and wings and had a tiara with Ultimate Echo Echo on it.

Me: (GASP) Echo Sonar!

Nico: Ultimate Echo Echo's embodiment!

Me: Yep.

Echo Sonar: Yep. This will be fun.

She fired a massive sonic blast and blasted him down!

Marco: NO!

Celica trapped him in Stocks.

Celica: Lets give him a long overdue spanking!

Ino: Let!

They formed paddles!

Celica: Start praying.

(NO MORE MR. NICE GUY BY ALICE COOPER PLAYS)

WE SLAPPED HIS BUTT BRUTALLY!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

HE SCREAMED IN PAIN FROM IT!

HE WAS REALLY GOING TO FEEL THAT!

Then he surrendered and held out his hands and cried!

Marco: (Crying) I surrender!

Hitch slapped the cuffs on him.

Hitch Trailblazer: You do the crime you do the time.

Me: As punishment you are sentenced to eternal servitude into the M.O.E.

Nico: Nice!

Echo lost control and unleashed Sonic Disks that fired sonic blasts at Killer Shrike!

He braced himself and held himself in place from the blast!

Dan Kouzo: GEEZ THAT IS LOUD!

Me: Evolved Sonorosians have enhanced sonic blast powers. Thank goodness Venom didn't come with us.

Killer Shrike kicked her down!

Samus charged at her And blasted her with Wave Beam blasts and electrocuted her.

I fired the cure ray and injected her.

Me: There!

Samus fired energy blasts and ice blasts and froze her.

Samus pulled out her Advent Card for Iceage.

Samus Aran: ICESPREADER BLAST!

She fired waves of ice and froze her.

Celica: Like old times sis?

Ino: You know it!

Celica and Ino: NATURE PSYCHIC STYLE NINJA ART: NATURE BRAIN BLAST!

They fired waves of energy and nature and blasted her down!

She was back to normal as the Cure Ray took effect. Her blue eyes were back to normal.

Echo Sonar: (Groans) What hit me?

Me: Ugly story.

Dan Kouzo: THAT WAS SO AWESOME!

Me: It sure was!

Lia: YEAH! So J.D. what is this prophecy?

Me: Well there's an extremely rare planetary alignment that's coming and I am the key to bringing down one of our most dangerous enemies, Opaline Arcana. She was brought back by a last bit of dark magic from one of our enemies during the Ridonculous Race. This alignment is not only going to decide the fate of Friendship but also to resurrect Twilight Sparkle from Sunny Starscout's world who is in a state of hibernation.

Lia: WHOA! I had no idea!

Shun (BP): That is big!

Me: It is.

Nico: Yep.

Me: You guys go on ahead. I'll meet you all at the golf course. Got important shinobi business.

Nico: Okay.

We went back home.

Everyone came home.

May: Hey guys. How did it go?

Nico: Intense!

They told them everything and it was amazing.

May: WHOA!

Lady Tsunade: (From the surface) WHAAAAAAAAAAT?!

Nico: Sounds like Lady Tsunade was told about it.

May: Yep.

Nico: Next time, Arkayna, Dr. Nick, Ripster, Sanemi, and Cheese will come.

Qin: Good idea!

Xenia: Yeah!

At the golf course, we were watching Lori and Duff play.

Goku: It's about time this happened

Nico: I know.

Lori was up.

WHACK!

She hit a ball from the fairway and then it went into the hole!

WE CHEERED!

Nico: ALBATROSS!

Lori: WOW! That was literally amazing!

Nico: It sure was!

I teleported in.

Me: Hey guys. Did I miss anything?

Nico: Lori sunk an Albatross!

Me: Cool!

Nikiya: What does that mean?

Me: 2 on a par 5. Awesome shot.

Nico: It sure is.

Lori: Literally awesome!

Duff: (Scottish Accent) Nice shot lass!

Lori: Thanks!

We saw them play more.

Man: Hey Duff! You suck ya jackass!

Me: Hey shut the fuck up!

The man laughed.

Rippersnapper: We're trying to watch here!

Me: (Laughs) Reminds me of something out of Happy Gilmore.

Duff was up. Just as he swung...

Man: JACKASS!

WHACK!

He hit the ball but it missed the green and hit a man on a boat!

WHAM!

He fell into the lake!

Me: Oh a wiseguy eh?

I PUNCHED THE MAN!

POW!

I sent him crashing into a beer barrel!

SMASH!

Then he crashed into a huge cart of melons!

SMASH!

Grocer: AW MAN I THOUGHT I WAS IN THE CLEAR!

SMASH SMASH SMASH!

He smashed the man with a bat!

Sludge: Me Sludge want to watch match!

Me: We are watching.

We had fun. Lori later won and it was awesome.

Me: NICE JOB LORI!

Duff: Well done lass! That was fun and grand!

Overbite: This was worth the wait

Me: It sure was.

We later went home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Frieza starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white

angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Frieza, and he's already enraged that the Namekians and the Dragon Balls of Planet Namek are gone, and he's already on the rampage. When we saw it, we knew that not only did it mean trouble, but our plan worked.

Lincoln, me, and Nico: HAH! Frieza fell for it hook, line, and sucker!

Eli: It's time!

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Frieza, and he's already enraged that the Namekians and the Dragon Balls of Planet Namek are gone, and he's already on the rampage.

EVERYONE GASPED!

May and Caleb Maxwell: That arrogant bastard fell for it hook, line, and stinker!

Qin: Now, all that's left is to kill him for good and silence his reign of terror forever!

Skyla: I'll get The Ginyu Force and Cui.

Mr. Wolf: Already did that, and they're also bringing all of The Masters of Evil, along with two special guests.

Just then, the entire Masters of Evil arrived.

Vypra: Mr. Wolf told us everything. So, we're finally going to put the kibosh on Frieza, about time.

Nico: Yep. So, who's the special guests The Ginyu Force brought with them today?

?: I believe you know us all too well.

Suddenly, Nico looked, and to our shock, it was Frieza's lieutenants, Zarbon and Dodoria.

Me: What the?!

Minerva Mink: Zarbon!

Bugs Bunny: And Dodoria!

Minerva Mink was about to attack Zarbon, but Lincoln wrapped his arms around her waist and held her back and Buster Bunny and Ace Bunny held Bugs Bunny back.

Nico: Now, that was surprising! But, why did you join Vypra when your loyalties were to...?

Dodoria: We can't stand Frieza any longer, he's now completely unhinged and out of his mind.

Zarbon: The utter humiliations you dealt unto him led to Frieza becoming unhinged and insane, we can't deal with him any longer. It would do us no good siding with him, The Ginyu Force knew that after Vypra brought them back and they made the move to turn against him.

King Vegeta: Same with Cui, although violence had to be administered unto him.

Zarbon: But, it gets worse. Frieza also had an inverted Satanic pentagram along with a snake and demon on his forehead.

THE HUNTERS OF THE NIGHTFLAME SUN GASPED: IT WAS THE SYMBOL OF DARK SEBASTIAN!

Selena Mendez: That's Dark Sebastian's mark, but how? (Gasps) The attack on Anti-Monitor and the other villains. Dark Sebastian infected Frieza with his curse!

Lincoln: He didn't cheat death, but...!

Nico: He decided to leave us one last "fuck you" before Selena casted her curse that sent him to The Black Abyss, and we saw his body be reduced to ashes by the light of The Sun.

Me: But, it won't change anything.

Nico: No, it doesn't, J.D. Alright, everyone, let's deploy The U.S.S. Valorous Phoenix and head for Planet Namek, Frieza's time here is done, this time forever!

Lincoln: We'll make sure the entire Saiyan Race and all those people that Frieza killed and enslaved get justice. The crimes and atrocities Frieza did to countless lives all over the galaxy cannot go unpunished! This is where he dies once and for all.

The previous group came.

Dr. Polaris: Can me, Dark Laser, Crimson Dynamo, Turtle, Spot, Skalamander, Wrecking Crew, Whiger, Titania and Dodgeball Wizard go with you guys?

Bulldozer: And nice job, Lori!

Lori: Thanks!

Nico: And yes you all can come with.

Xenia: Also we're going to need all the help we can get.

Camie: Yep.

Laxus: Nico, which Gene Slammers do you think you'll meet next?

Piledriver: I hope they're strong.

Nico: Number 64: Ronin Raccoon Sandayu and Number 63: Shamoji Soldier next.

Me: WHOA! Cool!

Qin: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Dark Chandler from 150,000 years hence who's been resurrected by Nikolai Ondrushko, and he's now heading here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Dark Chandler from 150,000 years hence who's been resurrected by Nikolai Ondrushko, and he's now heading here to destroy us. Even in 150,000 years hence, he's been a major pain in the butt.

Julie Twilightmagic: Well, we're going to make sure that pain in the butt gets sent to The Black Abyss, and this time, for good.

Lincoln: Right, Julie.

Nico: Save room for me and J.D. as well, Lincoln, we've already dealt with one Dark Chandler from our timeline, having one from 150,000 years hence also running loose is the last straw. Alright, team, let's go, the time to destroy Frieza has come.

Lincoln: Your day of judgement has finally come, Frieza, it's time for you to pay for all the crimes and atrocities that you've committed against the entire Saiyan Race and all those people you've killed and enslaved, and once we get done with him, you're dead meat, Dark Chandler from 150,000 years hence.

Julie Twilightmagic: You've lived for far too long, you little turd, this time, you're staying gone for good!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us teleported and we headed to Planet Namek for one final showdown with Frieza and we're going to make him pay for all the crimes and atrocities that he's committed against the entire Saiyan Race and all those people he's killed and enslaved, and once we got done with him, Julie Twilightmagic and Lincoln are going to destroy the resurrected Dark Chandler from 150,000 years hence who's been resurrected by Nikolai Ondrushko.

We arrived on planet Namek.

Me: Planet Namek.

Nikiya: Wow.

Qin: Strange seeing it with no Namekians here.

Xenia: Now that they are on Earth safely Frieza has nothing to look for.

Camie: The Dragonballs as well.

We masked our energy signals so Frieza couldn't find us too soon

Crimson Dynamo: (Russian Accent) Let's call BlackWarGreymon

BlackWarGreymon: I'm already right here.

Me: All the members of the M.O.E. Came.

Nico: Yep.

Thorn: We should use a Dragon Fist on Frieza.

Me: We're going to do more than that. We're going to hit him with everything we got and avenge the entire Saiyan Race.

Vegeta: That's right and Frieza is in for a nasty surprise.

Nico: Yep.

Me: Frieza is going to pay for all the atrocities he did to everyone all over the Galaxy.

Goku: He just never learns.

Me: Never has Master Goku and never will.

Nico: That's for sure. Kakarot we are not going to let him live one more second.

Spot: You want me to make a portal to gather more reinforcements?

Me: Keep that option open. But yeah.

Spot: Okay.

Dodoria: There is a reason why Frieza destroyed the Saiyans.

Nico: This is gonna be the awful truth guys so listen close.

Dodoria: Now you should know. Frieza told Vegeta that his home planet was struck by a massive meteorite. But it was a lie. It was really Frieza that destroyed Planet Vegeta along with the entire Saiyan Race. You see, Frieza had been using the Saiyans to do his dirty work for years and compared to many they made for a fairly impressive breed of warriors. And back then because no Saiyan could easily defeat Frieza and they couldn't match his awesome power they also were relatively easy to control. Frieza sent teams of Saiyans to the planets he wanted where they would use their distinct powers of transformation into their giant ape forms to clear out the opposition and for a while it was a very productive arrangement. But over time as things progressed, things changed and while Frieza could defeat any Saiyan back then, several extraordinary fighters such as Vegeta were beginning to emerge. With each new victory Vegeta was becoming more and more difficult to control. His pride was making him arrogant, too arrogant. Frieza saw that it wasn't long before he tried to challenge him for control of the galaxy and if left unchecked he feared that the collective strength of the Saiyan Race would actually pose a serious threat to his power. And so the threat was eliminated. Frieza hurled a massive energy ball with the slightest flick of his finger and completely obliterated the entire Saiyan Race and planet Vegeta in an instant and blew it to space dust.

Ymir was crying and Camie comforted her.

Carmen cried and Mria comforted her.

Vegeta: Frieza was afraid that a Super Saiyan would come and destroy him.

Me: That's right and those fears became a reality when Nico destroyed him as a Super Saiyan. When Nico turned into a Super Saiyan, Frieza found himself completely outclassed in terms of power and strength. But what he doesn't know is that Nico is not the only Super Saiyan.

Nico: He's right on that.

Qin: Yeah.

Me: It's part of my nasty surprise we have in store for him.

Nico: (sighs) You guys don't have to help us with this. This is really a Saiyan matter.

Taylor: Like Hell we're leaving you during this! Besides, we might not be Saiyans. But we're still pretty powerful as one!

Me: That's right! You defeated Frieza alone before. Now it's time for ALL of us to have our shot.

Whiger: Even though we DID fight a clone of him during Zedd's reign of terror

Me: Yeah we sure did.

Nico: Yep.

Qin: Yeah.

Lola: But we're ready for him.

May: We brought the pain to him and his minions many times. Now it's time to make sure he never returns again.

Me: And that is with a one way trip to the Black Abyss forever.

Eret: As long as he doesn't go into his Ultimate form, we should be okay.

Me: No he will go into his ultimate form.

Nico: That's what we want. We want to face him in his ultimate form.

Me: If Frieza didn't transform then it wouldn't be that much of a challenge now. Would it?

Eret: Oh. You do have a point.

Dodgeball Wizard: (to Dan) Nice job earlier today

Dan Kuso: Thanks.

Me: LOOK OUT!

We ducked under a huge purple energy blast and it hit a mountain island and exploded!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Me: GEEZ!

Qin: Who fired that!?

Lincoln: I think I know! It's Nikiya's Akuma, Ape Destroyer! The Hypothetical Akuma of Nikiya and she is a deadly giant ape of intense power! She has intense strength and has deadly energy blasts. She was made because of Frieza destroying her home planet and the Saiyans and vowed to kill that tyrant!

WE GASPED!

He showed us a sketch of her and she was a giant ape creature with a purple and black aura!

Me: WHOA! That is a powerful one!

Android 17: That's one damn dirty ape. And on the day of reckoning!

Me: No kidding!

Qin: Yeah!

Laney: LOOK!

We saw her!

SHE ROARED FEROCIOUSLY!

She fired a massive purple energy blast from her mouth and it hit a mountain by us and exploded!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Me: WHOA! I remember the best way to stop a Saiyan like this is to cut off their tail!

Nico: Go for it!

She roared and fired more blasts from her mouth and numerous explosions blasted off!

EXTREMELY MASSIVE AND POWERFUL EXPLOSIONS!

She saw us!

Ape Destroyer: (BEASTLY VOICE) I'm going to rip you apart!

Titania: Nikiya? Is that you?

Ape Destroyer: I will kill you all!

She fired a massive blast from her mouth and it hit Titania and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

She was sent crashing into a mountain and buried under a pile of rocks!

Me: WHOA! Okay that does it!

BlackWarGreymon: I guess getting her to calm down is out of the question!

Me: Yep.

I fired waves of energy and blasted her all over!

BlackWarGreymon: (Echoing) TERRA DESTROYER!

He fired a huge ball of energy and blasted her.

She fired more energy blasts! And we dodged them.

Nikiya: (GASP) Wait I sense something in her. Could it be? J.D.! Do it!

Me: Right! KIEN-ZAN DISK!

I formed a red energy disk and threw it and slashed off her tail!

SLASH!

SHE ROARED IN PAIN!

BlackWarGreymon: This is for your own good, Nikiya!

Me: WAIT Look!

We saw her shrink and revert back and she was a little Saiyan girl with dark green hair and had blue eyes.

Nikiya: (GASP) Rhudar!

She flew down and put a blanket on her and picked her up.

Nikiya: My little sister. Thank goodness.

I flew and pulled the Akuma out of her and beamed it to the M.O.E.

Me: Whoa that was rough!

Gohan: Man and I thought I was brutal when I went ape.

Goku: Same here.

Rothar: Wait. It wasn't Nikiya?

Me: No it was the Akuma possessing another and pretending to be her. Strange.

Xenia: I know.

Me: Yeah. Now it's time for the main event.

Eli: Yep.

We heard the enraged screams of Frieza in the distance.

Nico: Time to put an end to that tyrant once and for all!Nico: Time to put an end to that tyrant once and for all!

Lincoln: Frieza's going to pay for his crimes. (Sensed Dark Chandler from 150,000 years hence) Nice try, you stupid idiot!

Lincoln fired gold spider silk and tied up Dark Chandler from 150,000 years hence.

Lori: You got some nerve coming back to destroy us. We'll deal with you later after we take care of our big problem.

We took off into the air to attack Frieza.

Lincoln, his sisters, and harem: Galactabeasts, Activate Light Mode!

The Galactabeasts of The Elementus Galaxy activated their Light Mode, and they had light surrounding them and they fired powerful blasts of light at Frieza and he was burned badly!

Suddenly, the spirits of the Saiyan Race and all those whom Frieza had killed and enslaved appeared and they attacked Frieza and we also threw Dark Chandler from 150,000 years hence in as well and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion erupted as a Thunderbird Screech, Wolf Howl, and Phoenix Cry was heard and we appeared, and this made Frieza even more pissed off than ever.

Frieza: Hm. The guest of honor is here at last. I've been waiting a long time for this Nico. I expected Goku and Vegeta with you but I guess it's like they say Monkeys do travel in troops.

Nico: And I thought we were rid of you for good Frieza! Last I remember you were trapped in the eternal darkness of the Black Gates.

Vegeta: Anti-Monitor brought you back! Am I right about that?

Frieza: And how poetic it was that a greater evil after Xehanort would save me. From the humiliation I suffered in the Black Gates! You can never understand the depths of my suffering there! I was stuck in an endless void of eternal darkness where I was tormented by all those that I destroyed! It was a nightmare I will never forget! Instead of ruling the universe with an iron fist I WENT THROUGH HELL BECAUSE OF YOU!

Nico: Don't try to pin that on me Frieza! You destroyed all those people and beyond and you came to us looking for a fight. That why I took your life! It was all because of you!

Frieza: Oh but I had to return Nico because you're far too thick-headed to understand. Your death is my remedy and I'll never be able to sleep in this cosmos knowing that I will share it with you!

Me: Well this time he is not alone Frieza! Now you have all of us to worry about!

Nikiya: I always knew you'd return for more, Frieza.

Nico: For too long, you have always been nothing more than a plague to us and everyone across the entire galaxy.

Me: And now, this is where it all ends for you!

Frieza: DIE!

Frieza fired a Death Beam barrage at us, but we formed a powerful barrier that deflected them all.

Rhudar woke up.

Wrecker: She's waking up!

Thunderball: Welcome back from La La Land!

Rhudar: Huh? What?

Nikiya: Hey sis.

Rhudar: Nikiya? Nikiya!

She hugged her.

Nikiya: We're in the middle of a battle sis.

Nico: Well we are not the same as we were before Frieza.

Frieza: I'm fully prepared for you Nico. Now I'm going to prove my point by taking my final form from the start!

HE FLARED UP HIS POWER AND UNLEASHED HIS FINAL FORM IN THE FIRST TRY!

Me: WHOA! HOLY FUCK!

Xenia: He transformed into his most powerful form right away!? Amazing!

Me: Well then two can play that!

Nico: And Frieza lets see if you remember all these familiar faces.

All the Saiyans came forward and he was shocked to see the entire Saiyan Race that he destroyed back!

Shugesh: Remember us!?

Fasha: You destroyed us.

Bardock: Remember that?

Gine: Including me!

Frieza: BUT HOW! I thought I?
